TREASURER'S STATEMENT

of County Accounts for the year 1913

To the Warden and Council of the County of Peel.

Gentlemen :—I beg leave to report that the County Accounts for the year ending December 31st, 1913, are prepared in detail and have been audited.

The receipts from all sources are	$186,445 39	
And the payments..........................	172,691 52	
Leaving a balance to the credit of the County on January 1st., 1914, of		$ 13.753 87
This balance belongs to the following accounts :		
Albion good roads...........................$	1,697 06	
Caledon good roads	3,603 47	
Gore good roads	2,716 75	
Brampton, Streetsville and Bolton repair tax ..	501 53	
Debentures and Coupons payable before Sept.	15,825 24	$24,344 05
Resources :—		
Chinguacousy Dr. to Good Roads Acct........	168 94	
Toronto " " "	2,611 59	2,780 53

You will see by this statement that we have no balance to begin the year in our current account but a deficit of $7,809.65 as against a deficit last year of $2,141.31. The roads and bridges committee in March recommended certain bridges to be built. Estimated cost $5,075.00 and I find the cost of county bridges for 1913, was $9,653.46. That accounts for the large deficit. The difference in the estimates and the cost being $4,578.46. Add to this the deficit for 1912 as shown on my statement page 3, County Minutes to be $2,141.31, this will make a total deficit of $6,719.77. You will see by these figures that the deficit in our current account of $7,809.65 is fully explained by the large expenditure on county bridges, and large expenditure on court room.

In conclusion I may say that the expenditure for the current year will have to be very much curtailed to pay off this indebtedness, or the county rate will have to be increased to $40,000.00 as deficits cannot be carried over from year to year. We may have to borrow money before the June session. I would therefore recommend that you pass your by-law authorizing the borrowing of money at the present session of your council.

You will find attached the four quarterly statements, also public school, non-resident land tax account and Peel and Halton House of

Refuge Accounts which I have made in pamphlet form and have had one hundred copies printed for distribution and have sent fifty to Halton County.

All of these accounts balance showing no moneys in our treasurer's hands.

I have also made a condensed statement of good roads accounts showing the total receipts credited to each municipality and also the total payments made by each township.

Treasurer's Office, January 1st, 1914.

ROBERT CRAWFORD, County Treasurer.

ROBERT CRAWFORD, County Treasurer.

AUDITORS' REPORT

Brampton, January 27th, 1914.

To the Warden and Council of the County of Peel.

Gentlemen :—

Your Auditors for the year 1913 beg leave to report as follows :— We have checked very closely the books and accounts of your Treasurer, tracing carefully the sources of all income. As to the expenditure, we have checked the vouchers in the shape of accounts receipted or cheques endorsed for each of the items, and find them correct with the omission of $30·35.

Your Treasurer continues to practice the same carefulness as in former years although his work has largely increased owing to the larger expenditure on Good Roads and on your new system of making payments direct to those performing the work from his office. This has also increassd our work as your auditors. Even though this is the fact all of us who have had anything to do with expenditure know that the fewer the hands that money passes through the better.

Notwithstanding all this extra work your Treasurer had his books n good shape and ready for audit.

We find that the total receipts amounted to $186455.39, and the disbursements to $172691.51 leaving a balance on hand of $13753.87.

While this looks like a nice balance on hand the fact remains that when the following sums due and maturing are paid there will be a deficit of $7809.65

There is due Albion Good Roads	$1697 06
" Caledon "	3603 47
" Toronto Gore "	2716 75
" Brampton, Streetsville and Bolton "	501 53
Debentures and coupons payable before September	15825 24

To meet this in part we find the following balances on hand as shown.

Due from Chinguacousy on Good Roads........$	168 94	
" Toronto Township	2611 59	
Balance on hand	13573 87	$16534 40
Leaving a deficit of	7809 65	7809 65
		$ 24344 05

You may have to borrow money before the June session, so govern yourselves accordingly ; however you can use the Debenture funds until these debentures mature.

The Merchants' Bank shows a credit balance of $14315.74. The Treasurer's Books show $13759.58. The apparent difference is made up of cheques not presented for payment on December 31st, 1913. We shall make a supplementary report on this matter at a later date.

During 1913 $20000 was borrowed from the Merchants' Bank to meet the large outlay. This has been repaid and there is no amount due the Bank at the present time.

We notice that your Council of last year passed By-laws authorizing the issue of debentures to the amount of $60,000 and we believe they made a very good sale considering the world-wide stringency of the money market in the year 1913. The amount realized $56547.96. There was also a debenture issued for Thirty Thousand Dollars ($30000) for County Road construction in Toronto Township, the amount realized being $29782.50.

The outlay on County roads during the year has been enormous, amounting to $77497.14. There is great need for the exercise of a wise conservatism. New undertakings should not be entered into unless really necessary. Business should be held in absolute check, and resort should be had to old-fashioned economy. Retrenchment is the "slogan." You hear it every day from the large railway corporations and from every private enterprise. The instruction by the vote of the people to every municipal association where the opportunity offered was spoken in no uncertain sound.

Coming to the non-resident land tax we find the following :

HOUSE OF REFUGE

The Peel and Halton House of Refuge accounts have also been carefully checked. They show receipts of $6586.15, and disbursements $6586.15.

The accounts are all paid by cheque which are produced as vouchers for all expenditure.

There is a printed statement showing the annual settlement between the Counties for the year.

This shows the actual amount that each did pay and the actual amount that each ought to pay, and the amount due Peel from Halton, namely $206.12. This we have been informed by your Treasurer has been received and placed to the credit of the County.

We commend this to your careful consideration.

Gentlemen :

Your Auditors beg leave to report that we have checked the school monies received and paid out by the County Treasurer during the year 1913 and have verified them by the warrants of the Inspector. The receipts were $7430.30 and the disbursements $7430.30 leaving no balance.

All of which is respectfully submitted.

Adopted.

Report of Special Committee on Application to Reduce Limits of the Police Village of Malton

To the Warden and Members of the Council of the County of Peel:

Gentlemen: Your committee appointed to report on the matter of the Malton Police Village beg to report:

1. That our solicitor advised us that the by-law forming the Police Village of Malton was drawn according to the instructions of those wishing the formation of said Police Village and of the council, and that the territory included in said village is the territory contemplated by the parties interested in the formation of the village.

2. Our solicitor further advises us that some persons desirous of quashing said by-law have already taken legal advice with the ob-

ject of having the by-law quashed and advises us further that the council should take no action in amending the by-law until it is learned the outcome of this proposed action on the part of these persons.

3. We are further advised by our solicitor that before the by-law can be amended all necessary parties will have to be served with notice.

Second Report of Good Roads Committee

Council Chamber, Brampton, March 24th, 1914.

Pursuant to a petition presented by John McCauley and 150 other ratepayers of the Township of Toronto, asking that a subway on the Centre Road at Cooksville be constructed for the protection of public traffic at said crossing, and also asking for the erection of gates at the C. P. R. crossing east of Cooksville;

Your committee, with the engineer of the C.P.R., and also the engineer of the Railway Board, met on the site of the proposed subway and gates. The engineer of the Railway Board agreed to bring the matter before the Commission. However, we would recommend that the Council take further action in regard to the matter.

Your Committee have considered the claim of Mr. Thomas McCarthy for injuries sustained on Dundas Street, and have settled said claim for the sum of two hundred dollars, which we recommend be taken from the general fund of the county.

Your Committee have also considered the claim of G. W. Gordon, being balance of account on Lake Shore Road, Port Credit, and have settled said claim for the sum of $198.35, which we recommend be taken out of the Good Roads fund of Toronto Township.

Pursuant to resolution of the Council passed on the 6th day of February, your Committee with the County Engineer met by appointment the engineers of the G.T.R. and C.P.R. at Cedar Mills and 25 Side Road crossing, Albion, and after carefully considering the situation we recommend, that in reference to the crossing on No. 25 Side Road, that Mr. McCabe and the engineer be a committee to confer with the Grand Trunk Railway Co. with a view of lessening the danger to the public at this crossing for the present by some means other than a subway.

And also to take the necessary steps to have the Cedar Mills subway put in repair and made as safe as possible for traffic by the C. P. R. Co., as at the present time said subway does not comply with the Statutes in giving sufficient clearance underneath.

We also recommend payment of the following commission:

Wm. Rutledge, 2 days	$6.00
Expenses	3.00
D. McCaugherty, 1 day	3.00
Anson McCabe	3.00
Livery and expenses	4.00
J. J. Porter, 1 day and expenses	5.00

All of which is respectfully submitted.

J. J. PORTER, Chairman.

WILLIAM RUTLEDGE,
R. S. LIGHTHEART, Commissioners.

Referred to Standing Committee on Bridges.

Report of the House of Refuge Physician from Jan. 1st, 1914, to 15th June, 1914

Gentlemen: During this year I have visited the House of Refuge thirty-six times. There has been considerable sickness, but nothing being severe, most of the old folks having the grippe, but none developed pneumonia.

There died during the period, namely, George Butcher of Oakville, aged seventy-five years. He was found dead in bed one morning, having been about as usual the night before.

Thomas Hickson of Brampton, aged 87, from Bright's Disease; and Thomas Dowdle of Oakville, aged 88 years, from hardening of the arteries.

One young girl was deported and one sent to Hamilton Asylum, she becoming too hard to manage.

I have kept a report of each visit, which tells who I treated, as well as what I gave them. This I have in a book provided for that purpose.

The sanitary conditions of the beds, bathrooms, sleeping rooms, etc., are perfect; as to the sewage system, it is not what it should be, but I believe the Commissioners are contemplating improvements.

I have the honor to be, your obedient servant,

R. G. EDWARDS, M.D.

Second Report of Committee on Agriculture

Council Chamber, June 18th, 1914

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Agriculture ask leave to report as follows:

Your Committee have had before them for consideration applications from the several Agricultural Societies of the county, asking for the usual grants.

We recommend that the Council make the following grants to said societies:

To Peel County Agricultural Society	$300.00
Toronto Gore Agricultural Society	40.00
Toronto Township Agricultural Society	150.00
Caledon Agricultural Society	150.00
Cooksville Agricultural Society	75.00
Albion and Bolton Agricultural Society	150.00
Peel County Woman's Institute	25.00

Your Committee have also considered the application of R. W. Wade, secretary of the Ontario Provincial Fair, for a grant from this Council, and would recommend that the usual grant to this fair be discontinued.

Owing to the absence of Mr. Tisdale the D. R. of the County, who was ordered at the March session to gather information for the use of your Committee, we are unable to present anything as to the formation of a County Publicity Association, but would recommend that the Council take the matter into consideration.

All of which is respectfully submitted.

J. J. PORTER, Chairman.

Report of Committee on County Boundary Line Bridges

To the Warden and Council of the County of Peel.

Gentlemen: Your standing Committee on County Boundary Line Bridges beg to report as follows:

It has been recommended by the commissioners of the several Municipalities in the County that the following bridges on County boundary lines be rebuilt:

1. Recommended by Mr. Bell, commissioner for Chinguacousy, that the Town Line bridge, Chinguacousy and Esquesing, opposite lot 8, present span 20 feet, be rebuilt.

2. Recommended by Mr. Porter, commissioner Toronto Gore, that the Town Line bridge, Toronto Gore and Vaughan, known as the Coleraine bridge, N.D., present span .... feet.

3. Recommended by Mr. Quinn, Caledon, the bridges on town line, Caledon and East Garafraxa, one opposite the 4th concession and one opposite the 5th concession, present spans 10 feet and 14 feet.

Your Committee would recommend that the above bridges be built under the supervision of the County Engineer, after being inspected by your Committee and approved.

Your Committee would further recommend that the Road and Bridge Committee, together with the Commissioners from Caledon inspect the Town Line bridge, Mono and Caledon, opposite the 7th concession, and be empowered to rebuild the bridge or make such repairs as they may consider necessary.

And also that the T. L. bridge, Toronto and Chinguacousy, known as Laycock's Bridge, be inspected and such repairs as may be considered necessary made on same.

Tenders were opened by your Committee for a 50 foot span steel truss bridge with concrete abutments and floor over the Humber river on the Glasgow road at Bolton, and the contracts let for same as follows:

Steel truss	$950.00
Abutments, per cubic yard	6.00
Concrete floor, per square foot	.23
Removing old structure, etc.	50.00

We would recommend that the Stanley Mills Bridge, which was on the old Schedule of County Bridges, but is not at present included in the new schedule, be inspected by your Committee, and if found to come under the provisions of the by-law respecting County Bridges that it be added to the schedule at the next meeting of the Council upon the favorable report of the Committee.

Your Committee recommend payment of the following commissions and accounts, viz.:

D. McCaugherty	$4.00
Wm. Rutledge	5.00
J. J. Porter	4.00
Thos. Quinn	8.00
A. McCabe	12.00
Wood, Vallance & Co., steel reinforcing for Glasgow Road Bridge	3.04
W. R. Stubbs, notices at above bridges	1.25

All of which is respectfully submitted.

D. McCAUGHERTY, Chairman.

Second Report of Commissioners on County Property

Brampton, June 30th, 1914.

To the Warden and Members of the Council.

Your Commissioners on County Property beg leave to submit the following report:

1. Your Commissioners, acting under instructions from this Council, have made the necessary improvements required in the Clerk and Treasurer's Offices and have had the rooms remodelled throughout, and beg leave to submit for payment the following accounts in connection with the said work, namely:

McKillip & McIntyre	$39.33
Office Specialty Mfg. Co.	60.50
John Phillips	3.00
A. Briggs	144.75
W. B. McCulloch	11.00
Henry Hill	11.50
Harvey & Crawford	9.00
Fred. Dawson	5.00
T. G. Rice	10.00

2. With reference to the communication of His Honour Judge McGibbon to this Council, dated the 15th day of June, 1914, your Commissioners beg leave to report as follows:

We would recommend this Council to have the room on the second floor which has been already allotted to His Honor Judge McGibbon remodelled and renovated, and would recommend to your Council that your Commissioners be authorized to have the said work done.

3. We recommend the payment of the following accounts:

Harvey & Crawford	$ 8.15
Harvey & Crawford	39.88
William Fendley	7.05
A. W. Ashley	11.70

4. With reference to the request of the Registrar of Deeds for a closet in connection with his office your Commissioners after considering the same have decided to recommend the matter to this Council for their consideration.

This clause was struck out in committee of the whole.

5. Your Commissioners have observed that certain places on the outside of the Court House have fallen into bad repair and they also refer this matter to this council for their consideration.

6. Your Commissioners would recommend that they be authorized to repair the steps leading from the gaol into the yard, and also have power to repair a private room for the accommodation of the gaoler.

7. Your Commissioners would recommend that the telephone

system be altered by placing a desk phone in Sheriff's and Clerk of Surrogate Court offices.

All of which is respectfully submitted.

W. J. BEATTY, Chairman.

Third Report of Good Roads Committee

Council Chamber, June 20th, 1914.

To the Warden and Council of the County of Peel.

Gentlemen: Your Good Roads Committee ask leave to report as follows:

1. Re the petition of D. E. Shaver, secretary of the Dixie Toronto Township Ratepayers' Association, asking that the portion of Dundas Street lying between the Etobicoke Bridge and the first line east be placed in a proper state of repair, your Committee would recommend that no action be taken.

2. We have before us a report of the Hon. the Minister of Public Works dated 5th March, 1914, and approved by his Honor the Lieutenant Governor, that under the provisions of the Highway Improvements Act, the County of Peel be paid the sum of twenty-five thousand nine hundred and two dollars and fifty-five cents $25,902.55), being one-third of the amount expended on the County Highways during the period commencing 1st January, 1913, and ending 31st December, 1913.

3. At the monthly meeting of your Committee on June 2nd the County Engineer after the examination of the County presented a report authorizing the work to be carried to completion in the several townships for the year 1914, we recommend that the report of the Engineer be appended and printed and published with this re-report.

4. Your Committee have received from the Board of Railway Commissioners orders Nos. 2193, 21931 and 21904, directing the C. P. Railway Company to instal gates on Dundas Street, the erection of a subway on Hurontario Street at Cooksville; we recommend these orders to the consideration of the Council.

All of which is respectfully submitted.

J. J. PORTER, Chairman.

Report of Engineer Referred to in Foregoing Report

To the Warden and Council of the County of Peel.

Gentlemen: I have made an examination of the Peel County Roads and would recommend the following improvements for the season's work:

In Toronto Township:

The portion of Hurontario Street opposite the second concession N.D.S., which was left uncompleted last fall, to be metalled with Hagersville crushed stone; the metalling on the Streetsville road to be continued southerly one mile, local crushed stone, similar to last year, to be used; the metalling on the Burnhamthorpe road to be continued southerly to Burnhamthorpe, a distance of about one mile, with Hagersville crushed stone. A new concrete abutment to be built at the westerly end of the Erin bridge and a reinforced concrete floor to be put on Pellatt's bridge, both on Dundas street.

In Chinguacousy Township:

The Sixth Concession W. H. S. on the five side road to be graded and metalled with crushed gravel from the Huttonville pit. The metalling on the Seventeen Side Road to be continued with pit run gravel, to the First Line E.H.S.

The Twenty-Seven Side Road to be metalled through the, Fourth, Fifth and Sixth Concessions E. H. S. with pit run gravel.

In Toronto Gore Township:

The metalling on the Ninth Line Road to be continued northerly from Castlemore to connect with the portion already metalled opposite lot No. 12, local crushed stone to be used.

In Caledon Township:

The Fifteen Side Road W.H.S. to be graded and metalled with local crushed stone or gravel, from the top of the hill east of Bell's Mill to the Third Line, and E.H.S. to be graded from the Centre of the Third Concession, and metalled from the Centre of the Second Concession to the fourth line.

In the Third Concession E. H. S. near the Third Line corner an 8 foot span reinforced concrete culvert to be built.

In Albion Township:

The Seventh Line Road to be graded and cleared of brush from the Thirty side road Southerly to the Humber River, and a cement concrete culvert built opposite Lot number Twenty Nine.

On the Ten Side Road two small concrete culverts to be built in the First Concession and one in the Second Concession, and on the Twenty-Five Side Road a concrete culvert in the Fourth Concession near Lockton.

There is considerable dissatisfaction with the C. P. R. subway at Cedar Mills and an effort is being made to have it changed or improved but up to the present nothing definite has been settled upon, as a change in the location of the subway would effect the improvement of the big hill immediately south of same it has been considered wise to leave the improvement of this hill until this matter is settled.

A considerable amount of repairing is being done on the county roads, but it is proposed to leave the more extensive repairing over until next year, when it is expected that there will be some legislation along the lines of the report of the Highway Commission and that the Government will give a grant of 40 per cent. for repair work as well as an increased grant for construction.

We have been in communication with the Department of Public Works respecting the repairing of Dundas Street in Toronto Township. The portion of this road east of Cooksville is in a very bad state of repair and will require re-surfacing to put it in shape for the exceptionally heavy traffic, and as the conditions are considered exceptional, we hope to succeed in getting a grant from the Government to proceed with the work this year.

A number of steel bridges require re-painting, and under the circumstances the most of this work will probably be left over until next year.

I am, Gentlemen,
Your Obedient Servant,
C. R. WHEELOCK,
County Engineer.

Fourth Report of the Good Roads Committee

To the Warden and Council of the County of Peel:

Gentlemen: Your Committee ask leave to report as follows:

1. That the account presented by J. R. Roaf of $25.00 for damages to auto incurred on Lake Shore Road be referred to the Council.

Pallett—Elliott—That this matter be referred back to the Committee for investigation.—Carried.

2. Re communication of W. B. Wilkinson, Law Clerk of the Legislative Assembly, respecting the Toronto and Hamilton concrete roadway, be referred to the consideration of the whole council.

3. (Added at second sitting).

That this Council will contribute $1500 per mile to the Toronto and Hamilton road, provided the Council is relieved by Toronto Township and Port Credit of all liability for the road and Port Credit bridge, such road and bridge to revert to said Township and village respectively.

In Council this clause was amended by striking out $1500 and inserting $2000.

All of which is respectfully submitted.

(Sgd.) J. J. PORTER, Chairman.

(Adopted).

Public School Inspector's Report

The Warden and Council, County of Peel:

Gentlemen: I beg to present for your consideration the report of the Public Schools of the County for the year 1913. It is gratifying to be able to report steady and satisfactory progress in the majority of our schools since last year, and the evidences of a deep interest in education that have been shown in many of the sections of the county. Trustees are gradually, if slowly, awakening to the importance of creating conditions in which the best efforts of teacher and pupil can be brought forth. About twenty-five per cent. of the rural school boards, realizing the value of an equable temperature and of pure air, installed modern heating and ventilating systems which have proved generally satisfactory. I trust that in the very near future everyone who is interested in the well-being of the youth of the state will insist on having the school premises so improved as not to be a menace to health. Very many of the cases of nervous weakness on the part of both pupil and teacher are directly traceable to the colouring of the walls of the rooms and to improper lighting. My efforts have been and will continue to be directed to pointing out defects and urging such changes as will insure the health and comfort of the children while in school. It is as much the duty of trustees to provide healthful and inspiring surroundings as it is to employ capable and legally qualified teachers. The schoolroom and grounds should be the most beautiful and attractive places in the section, and the school should take its proper place as the central point in the social, moral and intellectual life of the community. In some sections the school grounds are absolutely devoid of shade or ornamental trees, whilst on the other hand some are plentifully supplied. When selecting shade trees for the grounds, trustees would be well advised to choose fruit trees, preferably the apple; this tree, if carefully pruned. affords ample shade and becomes valuable, not only for its fruit, but as a means of teaching proper methods of pruning, spraying, grafting, etc. On many farms are orchards which, with careful treatment, would yield abundant results.

It is often argued that the cost of education is becoming burdensome, and that, because of the high salaries now demanded by teachers, the ratepayers cannot afford to make the improvements suggested. This argument is met by a comparison of the sums expended in education and those in the gratification of our tastes. Public statistics show that, for every dollar spent in the education of our children, we spend two for tobacco and three for liquor. I make no further comment, but leave the matter to the consideration of those who feel that our schools are costing too much.

The salaries of teachers are gradually increasing and, when compared with those paid twenty years ago, appear very liberal. The average salary paid to male teachers last year was $681 and to female teachers $561; in 1892. the same classes of teachers received $388 and $325 respectively. In 1892, the rural school sections, including the villages of Bolton and Streetsville, paid $354 to their teachers; last year, in the same schools, the average salary was $576. Notwithstanding the improvement in this respect, I have to report that, while forty male teachers were employed twenty years ago, there were but fifteen last year. This, in my opinion, is regrettable, but, so long as other avenues of business or the professions offer greater inducements. young men will naturally choose the more attractive and remunerative. Many of the female teachers also have been led to abandon the profession and to accept more congenial and lucrative employment. The question to be faced is how to induce the best of our young men and women to prepare themselves for this important work. I believe the solution is in the hands of trustees who, by creating congenial conditions and by offering sufficient remuneration, will be able to place the training of their children in the hands of efficient and capable teachers; but so long as cheapness is regarded as the best qualification, they must be satisfied with what they can get. Too much pressure cannot be brought to bear upon the legislature to exercise greater liberality in voting money for Public School purposes. Another cause for regret is the too frequent changes of teachers. We employ 100 teachers in the County of Peel, and of these, 44 had only four months' experience in the schools in which they were teaching at the end of the year. The average experience of all the teachers in rural schools was five years and one month, and in their present schools one year and three months. In urban schools the situation is more encouraging, the average length of time of teaching being 12 years and 9 months, and in their present positions 7 years and 4 months. Why do trustees in towns and villages succeed in retaining the services of their teachers while paying lower salaries?

In 1892 there were on the registers of the rural schools the names of 5,222 pupils; in 1913, but 3,195; the average attendance in the former year was 2,422, and in the latter 1,958. The percentage of attendance rose from 46 to 61. In the schools of the whole county in the above years the total number of pupils was respectively 5,871 and 3,779. The average attendance was 2,861 and 2,415; the percentage of attendance, 49 and 64. The above figures show a falling off in the number of children, but also an increased interest in education.

During the year some of the ratepayers of Caledon and Erin Townships, feeling that, owing to the distance from the nearest school, they had a grievance, asked that a new union section be formed. The matter was referred to a board of arbitrators, who, after giving mature consideration, decided that the number inconvenienced was not great enough to warrant them in the disruption of the four sections concerned.

The trustees of S. S. No. 5, Toronto, remodelled their school house and enlarged it by the addition of another room. This school, in which two teachers are now engaged, is the most modern in construction and appointments in the county. The cost of the improvements was about $4,700. The ratepayers of S. S. No. B. in the same township, realizing that their school and grounds were not creditable to themselves, authorized the trustees to ask the council to issue debentures amounting to $1,000.00, this sum to be expended in improvements. These examples of generosity should be object lessons to many sections of equal or greater wealth.

In conclusion, I desire to say that this year there has been an interest hitherto unknown in my experience as your inspector, and I hope that we shall be able to keep that interest alive until all our schools will be a credit to the county.

I have the honour to be, your obedient servant,

(Sgd.) W. J. GALBRAITH,

Public School Inspector.

Third Report of Committee on Education

Brampton, November 25, 1914.

To the Warden and Members of the Council of the County of Peel.

Gentlemen: Your committee have examined the account of D. Kirkwood for postage supplied to the Public School Inspector, amounting to $38.00, and recommend that the same be paid.

We have received an account from Newmarket High School for $9.92, tuition fees for one pupil from this County. We recommend that this account be laid over until the January session of this Council.

All of which is respectfully submitted.

F. N. LEAVENS, Chairman.

(Adopted)

WM. RUTLEDGE, Warden.

Third Report of Commissioners on County Property

To the Warden and Council of the County of Peel:

Gentlemen: Your Commissioners on County Property beg leave to submit the following report:

During the interval between June and November we met on duly appointed dates and passed the ordinary accounts that came before our attention that were properly certified to.

Under instructions given us at the June session and at the request of the Judge, we had his room in this building renovated and fixed as we thought satisfactory at a nominal cost amounting to Seventy Dollars ($70.00.)

It was necessary in our opinion owing to the bad condition of our National Emblem being in a worn-out condition to purchase a new one costing $7.50.

We had some minor repairs made to the outside of your buildings of a very necessary and at the same time very economic nature.

We would recommend the following commission for the year be paid:

W. J. Beatty, 1 day	$3.00
Guy Bell, 1 day	3.40

Your committee would further recommend that a good map of this County be prepared by the County Engineer.

All of which is respectfully submitted.

First Report of Patriotic Fund Committee

Brampton, Nov. 25th, 1914.

The Warden and Council.

Gentlemen: Your committee appointed under By-law to handle the proceeds of, and discharge the duties set forth in, "the by-law to levy a rate to establish a patriotic fund for the County of Peel," beg leave to submit their first report as follows:

1. Your committee have organized with the following officers: Wm. Rutledge, chairman; A. H. Milner, secretary.

2. We deemed it advisable to have a full and complete list of all volunteers and reservists who have been resident of the County and who have left this country for overseas service.

It was found that this information could not be procured from Ottawa, so the committee authorized the chairman and secretary to advertise in the county newspapers, and further if need be, to make a thorough canvass of the county, so that the list might be complete.

Your committee find there were eighty-seven left this county, who might be entitled to consideration in the handling of the patriotic fund. These men left with the first contingent.

3. Your committee carefully considered the question of insuring the lives of those who have embarked for overseas service, and have to the present date made application with The Metropolitan Life Insurance Co. of New York for insurance of $1,000.00 each on the lives of seventy-five of those who have been resident of this County. The risk offered by this company was exceptionally good, and the premium decidedly low. They issue a straight-life, non-participating policy, with a war premium of $25 per $1,000.00 of insurance. The average premium paid on each risk of these 75 applications being $42.06.

4. Your committee have received full particulars from all those who have made application for assistance, or whom we have learned by careful enquiry may need assistance, because of their bread-winners having been called into active service at the front.

We have eleven (11) families on the list of dependents at the present time.

On October 2nd your committee made a temporary grant of $20.00 each to seven families of dependents, who had made application at that time for assistance.

Your committee have adopted the following schedule of allowances to dependents, the same taking effect from November 1st and to be paid monthly in advance:

Wife or mother	$12.00 per month
Each child	2.00 per month

5. Your committee have been and will continue to expend the monies of this fund judiciously and economically.

All of which is respectfully submitted.

WM. RUTLEDGE, Chairman. A. H. MILNER, Secretary.

The Conservator, supplies for County Crown Attorney	19.25
The Conservator, supplies for P. S. Inspector	16.50
The Conservator, supplies for Registry Office	8.50

All of which is respectfully submitted.

O. R. CHURCH, Chairman.

WM. RUTLEDGE, Warden.

Third Report of Finance Committee

Brampton, November 26, 1914.

To the Warden and Council of the County of Peel:

Gentlemen: Your committee on Finance beg leave to submit their third report as follows:

We recommend that the Treasurer be instructed to pay the following accounts:

D. Kirkwood, sundry items, express charges, etc.	$ 5.90
N. J. Alteman, 1 clock for gaol	5.00
S. Charters, re-copying abstract Index B., Chinguacousy, as per order of Inspector Registry Offices	354.00

We recommend that the usual grant of Twenty-five Dollars ($25.00) be paid to the Brampton and Peel County Poultry Association.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

WM. RUTLEDGE, Warden.

Doctor's Report on County House of Refuge

Gentlemen of the County of Peel:

Since my last report on June 17, I have visited the County House of Refuge thirty-six (36) times. The general health of the inmates has been good. This is owing in a great measure to the comfortable quarters and the wholesome food supplied, while the sanitary conditions of the rooms and beds are perfect.

There have been four deaths, viz.:

Joseph Sullivan, of Oakville, from Bright's Disease, aged 75.

James Dow, of Moffatt, from heart failure, caused by chronic bronchitis, aged 60.

Isabella Thomas, of Hamilton, from chronic bronchitis, aged 79.

Fred Sheppard, of Burlington, from cirrhosis of liver, due to alcoholism, aged 49.

One inmate was sent to the hospital on October 18th and is still there. He was suffering from cancer of the jaw.

I have the honor to be, your obedient servant,

R. G. EDWARDS, M.D.

Brampton, Nov. 27, 1914.

Report of Commissioner Quinn, Caledon, re Claim for Damages to Horse

To the Warden and Council of the County of Peel:

Gentlemen: Your Commissioner appointed to investigate the claim of Mr. Rawn for the loss of a horse, said to have been injured by a hole in a cement tile culvert on 15 Side Road, 4th Con. East, Township of Caledon, beg leave to report as follows:

I called on Mr. Rawn and his statement was that he was driving over this portion of the road about the first week of July last and noticed this hole in culvert. When going home over this same culvert his horse got his foot into this hole, and Mr. Rawn states that is when his horse was injured.

This road being part of the Good Roads system of the County of Peel was being constructed this year under the supervision of the Engineer and Wm. Sutton as overseer.

Mr. Sutton's statement is that there was no hole in this culvert that a horse could get its foot into when they took it out about the first week in July and replaced it with a steel culvert. This is also the statement of G. Giles, operator of grader, and of H. McCormick. who were working on the same road.

I also called on Doc. Riddell of Orangeville, who attended the horse. He was first called to see this horse about the 22nd of July and he said it was then too late to do anything for the animal.

Your Commissioner would recommend this claim to the careful consideration of the whole Council.

November 26th, 1914.

THOS. QUINN, Commissioner.

November 25, 1914.

To the County Roads Committee of the County of Peel.

Gentlemen: We beg to report that the new steel bridge on the Town Line between Albion and Bolton at Glasgow having been completed, that we have sold the old bridge to Mr. Samuel Elliott for seven dollars, which sum has been handed to your chairman. We have also had the approaches to this bridge graded and put into good shape for traffic. There was not time, however, before the frost came, to have the necessary guard rails erected. This can be attended to in the spring. Some fence which was removed during the construction should be replaced either by the contractor or the Council at a very early date next spring. We attach our bills for services in connection with the construction of the bridge and the approaches.

F. N. LEAVENS, Reeve, Bolton.

ANSON McCABE, Reeve, Albion.

Fifth Report of Good Roads Committee

Council Chamber, Nov. 24, 1914.

To the Warden and Council of the County of Peel.

Gentlemen: Your Good Roads Committee ask leave to report as follows:

Your committee have received a communication from W. A. McLean, Provincial Engineer, asking this Council to co-operate in establishing, with other counties of the province, a school of instruction for County Superintendents, Overseers and other Officials connected with the County Road system.

We have no doubt such a course of instruction would be of great benefit, but having no desire to add one more item of expense to the County, we have decided to refer the question to the consideration of the Council.

Several claims for damages have been presented to your committee. These claims have all arisen from an alleged defect of the roadway.

Mr. Rawn of Mono Mills presents a claim of $175.00 for loss of mare, which he claims was caused by a defect in a culvert in the township of Caledon.

Mr. Charles Bark presents a bill for damages of $25.00 to automobile on Lake Shore Road in Toronto Township.

Mr. Robt. Sherwood also presented an account of $15.35 for injury to automobile occasioned by an alleged defect of the roadway on Dundas Street, Toronto Township.

We have also the report of Mr. Quinn relative to the claim of Mr. Rawn. This report and the several claims, your committee recommend to the consideration of the Council.

(Two and three claims not entertained).

C. ELLIOTT, Chairman.

Your committee have had presented to them for consideration three separate claims from the Township of Albion for recovery of monies said to be wrongfully paid out of the Good Roads fund of the Township of Albion. These claims are as follows:

3. Paid to Sam McClelland, $250.00 for mill being idle during the construction of new bridge.

Referred back to Good Roads Committee and Solicitor's opinion to be obtained.—C. Elliott, chairman.

4. For monies unaccounted for by the late Jos. W. Slack, amounting to $845.00, said monies being afterwards paid out of the Good Roads Funds of the Township of Albion only.

Claim be not entertained.—C. Elliott, chairman.

5. Paid to Patrick Kennethan out of the Good Roads monies of the Township of Albion, $400.10. Injury was occasioned by horse becoming frightened at an automobile on the County roadway.

Claim to be referred back to Good Roads Committee.

These claims of the Township of Albion are of a very important nature, and your committee thought it advisable to recommend them to the consideration of the Council.

6. In compliance with a resolution passed by this Council on Oct. 6th, instructing your committee to enter into an agreement, if possible, with the Township of Toronto and the Village of Port Credit in respect to the proposed concrete roadway between the cities of Toronto and Hamilton.

Committee have taken as a basis of agreement with the Township of Toronto the report of the Good Roads Committee adopted by this Council on October 6th.

We have therefore prepared an agreement and a draft by-law with said Township, which we respectfully submit for the approval of this Council.

(Adopted) C. ELLIOTT, Chairman.

7. In respect to the Village of Port Credit, your Committee have been unable to make any satisfactory arrangement with said Village re the proposed roadway, but would ask the Council to take the matter into consideration.

(Adopted) C. ELLIOTT, Chairman.

8. Your Committee have had a communication from the Board of Railway Commissioners of Canada, asking what position this Council proposes to take in respect to the Cedar Mills subway on the C. P. R., Township of Albion. We refer this question to the Council.

Referred to a committee consisting of the Warden, Chairman of Good Roads Committee, Reeve of Albion and Engineer, to report to Good Roads Commission.—C. Elliott, Chairman.

9. Your Committee have also had a communication from Mr. Frank Barber, County Engineer of York, as to the unsafe state of the bridge over the Etobicoke River at Summerville, and asking

that this County co-operate with the County of York in replacing a creosoted block flooring on said bridge.

Replanked with 3 inch pine plank.—C. Elliott, Chairman.

All of which is respectfully submitted.

J. J. PORTER, Chairman.

(Adopted)

Third Report of the County Property, Road and Bridge Committee

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee beg to submit the following report:

Your Committee have had built during the past season a number of first class steel and concrete bridges as authorized by reports and resolutions of this Council passed at former sessions. These bridges are all designed for a live load of 15 tons, and the ones now completed are all extra heavy, well built structures, which we consider good value for the money expended. The following is a general description and a statement of the cost of the same:

1. The Commissioner for Toronto Gore recommended to the committee the building of Bridges Nos. 12 and 13 on the York County line; after inspection in company with the Engineer we decided to repair the said bridges. The following statement shows the cost of these repairs:

No. 12, Material and labor	$50.19
No. 13, Material and labor	6.10

The County of Peel to pay one-half of the above.

The Commissioner for Albion recommended that the position of the culvert on the Town Line between the Townships of Albion and Adjala opposite the 7th Concession of Albion and known as Rowley's culvert, be changed.

We took no action.

No. 20—He recommended that this bridge be rebuilt, but we recommended that it be repaired. No repairs have been made.

Culvert on the Boundary Line between Albion and Tecumseh, opposite Lot No. 7 in Tecumseh. A new corrugated iron culvert with concrete ends was put in at a cost of $97.70.

No. 23—On the Town Line between Albion and Adjala, known as Moon's Bridge, was repaired, Peel's share of the cost being $4.00.

Two corrugated iron culverts on the same line were put in, Peel's share being $43.50.

No. 64—On the Town Line between Albion and Toronto Gore, known as Wildfield Bridge, was repaired at a cost of $3.23.

No. 25—On the Town Line between Caledon and Mono. Your Committee examined this bridge and found it out of repair, but did not consider a new bridge necessary at the present time. It was accordingly arranged to have it repaired, the cost, half of which is payable by the County of Dufferin, being $52.55.

No. 32, on the Town Line between Caledon and East Garafraxa, opposite the 5th Concession W. H. S., Caledon. A new bridge was built with reinforced concrete abutments and slab floor. The floor beams and guard railings are steel. On account of the boggy nature of he ground at this bridge it was an exceptionally difficult place to build abutments, but we think the contractor succeeded in making a first class job.

Half of the cost of this bridge is payable by the County of Dufferin.

Peel's share —

Concrete abutments and floor	$237.80
Guard railing	17.50
Steel reinforcing	10.75
Steel beams	37.80
Hauling beams	1.25
Painting	1.15
Engineering	30.00
Building approaches	75.00
Overseeing	15.00
Total	$426.25

No. 30, on the Town Line between the Townships of Caledon and East Garafraxa, opposite the 4th Con., W. H. S., Caledon.

This bridge is similar to No. 32 and half the cost is payable by the County of Dufferin.

Peel's share—

Concrete abutments and floor	$277.51
Guard railing	17.50
Steel reinforcing	10.75

Steel beams	32.49
Freight and hauling beams	4.48
Painting beams	1.15
Engineering	30.00
Building approaches	37.50
Overseeing	15.00
	$426.38

The foregoing bridges Nos. 30 and 32 were ordered by the Council of 1913 to be built, but owing to the difficulty of getting a contractor to undertake the work at a reasonable price the contract was not let until this year.

Culvert on the Town Line between Caledon and Orangeville on the First Line West. A corrugated iron culvert with concrete ends at a cost of $49.90 was put in, one-half of which is payable by the County of Peel.

Bridge No. 48, on the Town Line between Chinguacousy and Esquesing. The Commissioner for Chinguacousy recommended to the Committee that this bridge be rebuilt. Your Committee let the contract for a reinforced concrete bridge at a cost of $295.00 for concrete. This work has not yet been completed and owing to the lateness of the season will not now, in all probability, be finished before next spring. The bridge has been put in shape for traffic to pass over it so that the public may be at no inconvenience in leaving it over. The expenditure for this work is as follows:

Concrete work on account	$200.00
Other expenditure	86.77
	$286.77

The Glasgow Bridge on the boundary line between Bolton and Albion. This is a 53 ft. steel truss bridge with a reinforced concrete floor and abutments. The bridge is designed for a 15 ton live load, and is, we consider, the heaviest and best steel structure in the locality. The concrete floor and abutments are well finished and the whole job is very creditable.

The cost of this bridge is as follows:

Concrete abutments and floor	$865.50
Steel truss	948.00
Steel reinforcing for abutments and floor	45.17
Engineering	90.50
Building approaches	215.50
Overseeing	49.00
	$2213.67

The old timbers of this bridge were sold for $7.00, which sum the County Treasurer is authorized to accept for the same.

Your Committee after carefully considering the accounts before them would recommend payment of the following:

J. L. Card, repairs to Nattress and Coleraine	$ 49.84
Herb. Nattress, work on the above	6.45
T. A. C. Tier, approaches Tier's bridge	38.65
R. May, repairs Laycock and Cranswick Bridges	5.20
County of Dufferin, half cost bridge on Town Line, Caledon and East Garafraxa, opposite Con. 5, W. H. S.	426.25
Half cost of bridge on same line opposite Con. 4, W.H.S.	426.38
Half cost of repairs for bridge on Town Line	213.18
Caledon and Mono, opposite Con. 6, E.H.S.	26.27

Caledon Township—

Half cost of bridge on Town Line, Caledon and Orangeville.	24.95
Grant for Town Line, Caledon and Mono, made in 1913	50.00
Grant for Town Line, Caledon, made in 1914	50.00
C. R. Wheelock, County Engineer	53.50
Wm. Rowe, freight, hauling steel and inspection	47.00
A. P. Murdock, Chinguacousy and Esquesing Bridge on acct.	140.00
L. J. C. Bull, livery	4.00
David McCaugherty, chairman Road and Bridge Committee., 6 days and expenses	33.00
J. J. Porter, Commissioner, 5 days and expenses	24.00
A. McCabe, Commissioner, 2 days and expenses	10.00
A. McCabe, Commissioner, 7 days and expenses, half to be paid by Simcoe	30.00
F. N. Leavens, Commissioner, Glasgow Bridge	20.00
Thos. Quinn, Commissioner, 3 days and expenses	12.00
David Armstrong, Commissioner, 6 days and expenses	24.00
Wm. Rutledge, 2 days	6.00
L. H. Pallett. 2 days and expenses	7.00
E. Russell, raising approaches to Dracas' Bridge	10.50
A. Blowers, repairs to Port Credit Bridge	9.75
A. Blowers, repairs to Port Credit Bridge	1.80
J. W. Scott, repairs to Port Credit Bridge, nails	2.00
W. H. Rutledge, repairs to Port Credit Bridge, teaming	1.25
Thompson Bros., repairs to Port Credit Bridge, pine timber.	8.17
Thompson Bros., repairs to Port Credit Bridge, pine timber.	74.92
Thomas Stinson, balance for concrete work, Glasgow Bridge	385.50
J. Gould, building approaches for bridge	215.50
Secord Hardwick, keeping lights on bridge	6.10

Albion Township—

Plank for Wildfield Bridge	3.23
One-half cost of two culverts on Town Line, Albion and	

Adjala	43.50
Robert Arlow, repairing Moon's Bridge on same line	4.00
Albion Township—	
Culvert on Town Line, Albion and Tecumseh, one-half to be paid by Simcoe	36.00
Samuel Prest, concrete ends for the above culverts, one-half to be paid by Simcoe	61.70

Your Committee have kept the expenditure for boundary line bridges well within the appropriation made for this purpose by the Council. Nine new bridges were recommended by the Commissioners and provided for in the estimates of June last. The amount appropriated must have been at least $5,000.00. After a careful examination of the said bridges by your Committee in company with the County Engineer, it was decided that as a number of the bridges could be repaired and put in shape to last a number of years with a small outlay that it would be economy to repair them, and consequently only four bridges out of the nine were built and the remainder repaired.

All of which is respectfully submitted.

Report of Delegates Who Attended Good Roads Convention

To the Warden and Council of the County of Peel:

Gentlemen: Your special committee appointed to attend the twelfth annual convention of the Ontario Good Roads Association ask leave to report as follows:

The increasing interest in the problem of Good Roads was clearly shown by the large number of delegates from all parts of the province who attended the convention.

The high merit of the papers and addresses was very instructive, especially so to municipal men, who have charge of township and county roads and bridges.

The wide range of the subjects dealt with was one of the best features of this convention; to each delegate something of interest was presented, even from the split log of the earth road to the highly specialized designs of bridges on the construction of town streets.

While in attendance your delegates always kept in view the idea that any resolution passed or address made having special bearing to road and bridge problems of this county would receive our direct consideration.

The convention placed itself on record as being in favor of the abolition of Statute Labor throughout the province.

Another resolution adopted and connected with the foregoing was that townships that have abolished or commuted statute labor should receive governmental aid by extending the provisions of the Highways Improvement Act on similar lines as whereby counties now receive.

We recommend in accordance with his resolution that this council memorialize the Ontario Government to that effect, a clear perception of the road problem will show it is beyond the monetary power of the rural people of this province to construct and maintain all roads; hence Federal or Provincial aid is a pressing necessity, and when it is considered, as a road expert of distinction has stated, that the cost of haulage on the railways of Canada is one cent per ton per mile, and that on the common roads is twenty-five cents per ton per mile, a state of things exists which is past toleration.

Your committee found further that the question of roads at the present time is awaiting the report to the Legislature of the Ontario Highway Commission, and that no advance would be made until such time as the Legislature had acted upon the report.

We recommend the following payment to your delegates.

Delegate D. McCaugherty, 2 days	$10.00
Delegate P. P. Porter, 2 days	10.00

All of which is respectfully submitted.

Brampton, 25th March, 1914.

WM. RUTLEDGE, Warden.

BY-LAWS

BY-LAW NO. 443

A By-Law Appointing a Board of Audit for 1914

Whereas R.S.O. 1897, Chapter 102, provides for the appointing of a Board of Audit to audit certain accounts and demands delivered to the Clerk of the Peace of the County of Peel.

Therefore the Municipal Corporation of the County of Peel enacts:

1. That a Board of Audit for the purpose of auditing accounts and demands that shall during 1914 be delivered to the Clerk of the Peace of the County of Peel pursuant to the provisions of R. S. O., Chapter 102, be and the same is hereby appointed.

2. That Duncan McGibbon, Esquire, Judge of the County Court of the County of Peel, shall be a member of such Board of Audit.

3. That Mr. O. R. Church be and he is hereby appointed a member of such Board of Audit.

4. That Mr. Fred Lansdell be and he is hereby appointed a member of such Board of Audit.

5. That such Board shall make a report in writing as required by Section 6 of said Act.

6. That each member of the Board of Audit be paid the sum of $3.00 for each day of such Audit, together with ten cents per mile necessarily travelled to attend such Audit, and the Treasurer of the County of Peel be and he is hereby authorized to pay the same.

Passed in open council this 29th day of January, 1914.

D. KIRKWOOD, Clerk. WM. RUTLEDGE, Warden.

BL-LAW NO. 444

A By-law to Amend By-law No. 405

The Municipal Corporation of the County of Peel by its Council enacts as follows:

1. That Section 3 of said By-law No. 405 be struck out and the following substituted therefor:

That whenever any County Bridge requires to be repaired or rebuilt, the Commissioner of the Division in the cases of Boundary lines, or the Commissioners in adjoining Divisions in the County are hereby authorized and shall have full control in the repairing and rebuilding of said Bridges;

Provided, however, that the said Commissioners shall report the same to the County Council for the purpose of obtaining authority for the repairing or rebuilding of the bridge;

Provided also that in case of sudden damage of any roadway or bridge that the Commissioner or Commissioners have power to repair to the extent of $50.00.

Passed in open Council, 30th day of January, A.D. 1914.

D. KIRKWOOD Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 445

A By-law to assume as a County Bridge the Bridge over the River Credit at the Village of Churchville

Whereas the Municipal Corporation of the Township of Toronto has by By-law passed the twelfth day of January, A.D. 1914, assumed as a road of said muniipality the deviation of the Town Line between the Townships of Toronto and Chinguacousy in the fourth Concession of the said Township of Toronto, west of Hurontario Street, as in said By-law set forth;

And whereas as a condition to its being assumed by said Municipality of Toronto, the Municipal Corporation of the County of Peel undertook to assume as a County Bridge the bridge over the River Credit at Churchville;

Therefore the Municipal Corporation of the County of Peel enacts:

1. That the Municipal Corporation of the County of Peel assume as a County Bridge the bridge over the River Credit at Churchville, said bridge being on the road allowance at lot fourteen in the said Township of Toronto between the Third and Fourth Concessions west of Hurontario Street in the said Township of Toronto, which bridge shall be known as No. 77 on the Schedule.

Passed in open Council this 30th day of January, A.D. 1914.

D. KIRKWOOD Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 446

A By-law to further Amend By-law No. 405

Whereas the Toronto Street or Lake Shore Bridge spanning the River Credit in the village of Port Credit crosses a river over 100 feet in width within the limits of said village in the County of Peel; and whereas the said bridge forms part of a main highway leading through the said County;

Now therefore the Municipal Council of the Corporation of Peel enacts as follows, and it is hereby enacted:

1. That Schedule A. to By-law No. 405 be and the same is hereby amended by adding at the end of said Schedule: Bridges in Incorporated Villages:

Name if any	Location	Dimension	Super-structure.	Abut-Ments	Floor	Condition
Toronto Street.	Over River Credit in Port Credit.	17 by 140	Steel	Stone	Wood	Fair
Toronto Street.	Port Credit over River Credit.	17 by 40	Wood	Stone	Wood	Fair

Passed in open Council this 31st day of January, 1914.

D. KIRKWOOD, Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 447

A By-law to appoint a Commissioner, pursuant to the requirement of By-law No. 373 of the Municipal Corporation of the County of Peel.

Whereas By-law No. 373 provides that each of the Counties of Peel and Halton shall appoint a Commissioner to jointly oversee the work of improvement or enlargement that may be necessary to be made to the House of Refuge of the Counties of Peel and Halton, and also the general management of the said House of Refuge;

And whereas a resolution was passed on or about the 30th day of January, A.D. 1913, whereby William Rutledge, Esquire, was appointed Commissioner under said By-law Number 373.

1. That the resolution appointing Mr. Rutledge Commissioner under By-law Number 373 be and the same is hereby repealed.

2. That A. H. Milner be and he is hereby appointed Commissioner under said By-law Number 373 to act with the Commissioner appointed by the County of Halton for the purpose of performing the duties required by said By-law Number 373 and any other duties pertaining to the said House of Refuge that may be required of him by the Municipal Council of the County of Peel.

Passed in open Council this 31st day of January, A.D. 1914.

D. KIRKWOOD, Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 448

A By-law Authorizing the Borrowing of Money for County Purposes.

Whereas it is expedient to raise by way of loan the sum of Thirty Thousand Dollars ($30,000.00) required to meet the current expenditure of the Corporation of the County of Peel;

Be it resolved, therefore, and the Council of the County of Peel enacts as follows:

1st. That it shall and may be lawful for the Warden and Treasurer of the County of Peel, and they are hereby authorized and empowered to borrow from the Merchants Bank of Canada, or any chartered bank, at the office of such bank in the Town of Brampton, a sum not exceeding the sum of Thirty Thousand Dollars($30,000.00) for the purpose aforesaid.

2nd. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada or such other bank at Brampton, the promissory note or notes of the said Warden and Treasurer, payable at the office of the said bank in Brampton on or before the 31st December, with interest thereon at the best obtainable rate per annum, and to execute renewals thereof in whole or in part, until such advances are fully repaid.

Done and passed at Brampton this 5th day of February, 1914.

D. KIRKWOOD, Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 449

A By-law to permit the Canadian Pacific Railway to lay a pipe line under and across the travelled road leading from the Village of Bolton to Sandhill, being an extension of King Street West of the Village of Bolton.

The Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That the Canadian Pacific Railway are hereby empowered to construct a pipe line for the conveyance of water under and across the travelled road leading from the Village of Bolton to Sandhill, being an extension of King Street West of the Village of Bolton, such construction being entirely at the expense of the said Railway Company and any damage to the said highway being made good by the said Railway Company.

Passed in open Council this 31st day of January, A.D. 1914.

D. KIRKWOOD, Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 450

A By-law to equalize for County Purposes the Assessment of the several Municipalities within the County of Peel for the year 1914.

Whereas under the provisions of the revised assessment of the Province of Ontario every County Council is required to equalize by

By-law the Assessment of the several Municipalities of the County in order to produce a just relation between them as a basis for County Assessment;

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

That the Equalized Assessment of the several Municipalities of the County of Peel for the present year be as in the following schedule embodied herein:

Name of Municipality.	Equalized Assessment
Albion	$ 1,718,000
Caledon	2,127,000
Chinguacousy	4,203,000
Toronto Township	3,790,000
Toronto Gore	960,000
Brampton	1,342,000
Bolton	157,000
Port Credit	206,000
Streetsville	148,000
	$14,651,000

Passed this 5th day of February, A.D. 1914.

D. KIRKWOOD, Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 451

A By-law to equalize for the purpose of County Assessment the Assessment of the Township of Toronto and the Incorporated Village of Port Credit.

Whereas the Police Village of Port Credit, which lies wholly within the Township of Toronto, was by By-law No. 441 of this Council declared an incorporated village;

And whereas the said Village of Port Credit has no Assessment Roll for the year 1913.

And whereas it is the duty of this Council to equalize for the purpose of County Assessment the amount that each should bear of the amount required for county purposes for the year 1914;

Therefore the Municipal Council of the Corporation of the County of Peel hereby enacts as follows:

1. That the Equalized Assessment of the Township of Toronto be and is hereby fixed at the sum of $3,302,000.

2. That the Equalized Assessment of the Village of Port Credit be and is hereby fixed at the sum of $206,000.

Passed this 6th day of February, A.D. 1914.

D. KIRKWOOD Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 452

A By-law to assess rateable property in the County of Peel for maintenance and repair of Public Highways designated and assumed by the Corporation of the County of Peel by By-law No. 341 and amending By-laws.

Whereas it is the duty of the Municipal Corporation of the County of Peel to maintain and keep in repair all highways designated and assumed by the Corporation by By-law No. 341 and amending By-laws;

Therefore the Corporation of the County of Peel by the Council thereof enacts as follows:

1. There shall be raised, levied and collected from all persons rated on the assessment rolls of the several municipalities of the County of Peel liable to be assessed, the sum of $6,000.00 for maintenance and repair of highways that have already been designated, assumed and improved by the said Corporation under By-law No. 341 and amending By-laws.

2. That the said sum shall be raised, levied and collected from all rated on the assessment rolls of the several municipalities of the County of Peel liable to be assessed in proportion to the equalized assessment of the several Municipalities of the County of Peel.

3. That the sums so raised from the Municipalities of Brampton, Port Credit, and Streetsville, in the County of Peel, shall be repaid to the Municipalities of Brampton, Bolton, Port Credit and Streetsville, respectively, when and so soon as the same is raised, levied and collected.

4. That the sums so raised from the Municipalities of the County of Peel, other than Brampton, Bolton, Port Credit and Streetsville shall be used for the purpose of maintaining and keeping in re-

pair the said highways in their respective Municipalities, and shall be placed to their credit.

5. The whole of said sum of $6,000.00 shall be raised, levied, and collected and paid to the Treasurer of the County of Peel on or before the 15th day of December next.

6. That the monies so raised and used in metaling, gravelling, and repairing of bridges shall be used under the direction of the Superintendent of Highways of the County of Peel.

Passed in open Council this 18th day of June, A.D. 1914.

D. KIRKWOOD Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 453

A By-law repealing By-law Number 399 and for the appointment of a Solicitor for the County of Peel.

Whereas by the provision of By-law Number three hundred and ninety-nine passed by the Municipal Council of the County of Peel, Thomas J. Blain was appointed Solicitor for the County of Peel at a yearly salary of Two Hundred Dollars ($200.00).

And whereas the said Thomas J. Blain has now removed from the Province of Ontario;

And whereas it is necessary to make another appointment of a solicitor;

Therefore the Municipal Council of the Corporation of the County of Peel enacts as follows:

1. That By-law Number 399 of the said County of Peel be and the same is hereby repealed.

2. That Walter S. Morphy of the Town of Brampton be and he is hereby appointed Solicitor for the County of Peel.

3. That the said Solicitor shall upon request, advise the Council and members thereof in all Corporation matters, shall draw all special by-laws, contracts and other important documents and shall perform all other duties prescribed by law or required by the Council to be performed by him as such Solicitor, and in the event of litigation between the County and any of the local Municipalities, he shall give his services to the County.

4. That he be paid for his services the sum of $200.00 per annum, which amount shall include all allowances, office expenses or otherwise, but he shall be paid in addition thereto his actual disbursements other than in connection with his office, and all costs of litigation or other legal proceedings ordered to be paid to the Corporation by third parties if and when the same are actually collected and received.

Passed in open Council this 18th day of June, A.D. 1914.

D. KIRKWOOD Clerk. WM. RUTLEDGE, Warden.

BY-LAW NO. 454

Being a By-law to Assess the Rateable Property of the County of Peel for the Year 1914.

Whereas it is necessary to provide by a general assessment on the rateable property of the County of Peel for the year 1914 for the payment of the general and incidental expenses of the County and for the payment of a portion of the salary of the Inspector of Public Schools.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

1st. That there be raised, levied and collected from all persons rated on the assessment rolls of the several Municipalities of the County of Peel liable to be assessed in the current year the sum of Thirty-three Thousand Dollars ($33,000.00) for the payment of the salaries of County Officials, a portion of the expense of the administration of Criminal Justice, allowance to County Councillors, and other necessary and incidental expenses of the current year.

Debentures and Coupons payable in April, June and July	15825 24	
		$ 21444 47

You will see by this statement that we have no balance in our current account to begin the year, but a deficit of $5728.70, as against a deficit last year of $7809.65. This shows a reduction in the deficit since Jan. 1st, 1914, of $2080.95. While there was an increase in the County Rates of $3000.00 in 1914, I find there was only $1972.88 of an increase in the ordinary or controllable receipts.

With the small balance we have on hand and our first debentures payable April 1st, it will be necessary to pass your by-law authorizing the borrowing of money at the present session of your council.

You will find attached the four Quarterly Statements, also Public School, Non-Resident Tax, also Peel and Halton House of Refuge Accounts, which have been audited, and I got 100 printed for distribution and have sent 75 to Halton County.

I have also made a condensed statement of good roads and repairs for each municipality, showing the amount of money expended in each and balances on hand to credit of each Township.

You will also find attached a full account of the Patriotic Fund, and the abstract statement and assets and liabilities.

Treasurer's Office, Jan. 20, 1915.

Treasurer's Office, January 1st, 1915.

ROBERT CRAWFORD, County Treasurer.

AUDITORS' REPORT, 1914

Brampton, January 19th, 1915.

To the Warden and Council, County of Peel.

Gentlemen: Your Auditors for the year ending December 31st, 1914, beg leave to report as follows:

We have carefully traced the income of the County as shown by the books of the Treasurer and find that he has deposited in the bank every item of cash received.

We have also checked the expenditure closely, and he has produced vouchers for the outlay in the shape of accounts receipted and cheques endorsed by the parties to whom payable, and for the Good Roads construction and Good Roads repairs pay sheets certified by the committee and the County Engineer were handed to us for our scrutiny.

Carefulness and a thorough knowledge of the monetary conditions of the County are apparent throughout, and we have again to give our meed of praise to the man who handles your money.

We found a few cases where an account passed by the Good Roads Committee and included in their report was not certified to by the Commissioners of the Township. This, we think, should be done to every account, and the Treasurer instructed not to pay any account unless certified to by the proper authority. We suggest this as a purely business precaution.

The total receipts for the year were	$156569 45
The total disbursements	116616 31
Leaving a balance of	9953 31

The Bank Book shows $10196.30, an apparent difference of $242.99, made by cheques outstanding on December 31st. Since January 1st, 1915, $131.55 of these have been paid, leaving 8 cheques representing $114.44 still out. We have made a record of these in the Cash Book for future reference, giving the number and name to whom payable, as two of these were issued in 1913.

Anticipating the future we give you below a memorandum showing how your cash account will stand.

Due Albion Good Roads ....$	553 36	
Due Caledon Good Roads	3129 45	
Due Toronto Gore Roads	1936 42	
Due Debentures and Coupons due in April, June and July	15825 24	21444 47
Balance cash on hand Jan. 1st, 1915	9953 31	
Due Chinguacousy Good Roads	1408 79	
Due Toronto Twp. Good Roads	4353 67	15715 77
Deficit		$ 5728 70

The Treasurer tells us that he will use the money on hand to meet current expenses and will use the $10,000 due from the Government on Good Roads in paying the Debentures and Coupons due in April.

We would recommend that you pass at your January meeting a by-law giving the Treasurer authority to borrow money should he require it.

$40,000 was borrowed during 1914 on notes. These have been retired.

The outlay on Good Roads construction was $31,685.50 and on Good Roads repairs $6644.61, a total of $38,330.11, during 1914, and the cash on hand to commence the year 1915 is $143.23.

The Peel and Halton House of Refuge accounts have also been carefully checked by us and we find the receipts to have been $6987.67 and the payments the same, leaving no balance. Vouchers in the shape of cheques were shown us for every item of expenditure. The division of the cost of maintenance as given in the printed report we also find correct.

We beg to draw your attention to the cost of coal, amounting to $1269.88, or about 180 tons, while we find that only one-third of that amount was used to heat the Court House, Jail and Registry Office during 1914.

The School moneys have been gone over carefully and show as under:

Receipts during 1914	$ 7210 50
Disbursements during 1914	7204 06
Balance	$ 6 50

Warrants issued by W. J. Galbraith, P. S. Inspector, were handed to us as the Treasurer's authority for the expenditure, which just balanced the receipts. The balance shown on hand and which has been carried forward to 1915 is accrued interest.

The arrears of taxes shows that Chinguacousy collected in 1914 $29.70 and Caledon $32.61. These sums we find were paid over to the municipalities to which they belong, leaving no balance on hand.

Coming to the Patriotic Fund, which the Council of 1914 voted to the Belgian Relief, Red Cross, and the families of those who volunteered to go as soldiers to fight the Germans, we find that the one mill on the dollar raised the sum of $14,651.00. Of this we find that the sum of $4621.28 has been expended up to December 31st and under.

To families entitled thereto	$ 534 00
Insurance on volunteers	3961 33
Printing and postage	22 15
Committee pay lists	83 80
Auto hire	20 00
	$ 4621 28

Memo.

Receipts	$ 14651 00
Expenditure	4621 28
	$ 10029 72

The receipts we find agree with the Treasurer's Statement and vouchers in the shape of cheques and certified accounts were produced in every case.

We found only one small error of $1.75. This occurred in the Treasurer issuing a cheque for that amount in excess of Pay Sheet of July 7th for Toronto Township.

All of which is respectfully submitted.

F. J. JACKSON,
JOHN D. GORDON, Auditors.

MINUTES

JANUARY SESSION

FIRST DAY

Corporation of the County of Peel,

Council Chamber, Brampton, 26th Jan., 1915.

Members elect of the Council of the Corporation of the County met and were called to order by the Clerk, who presided.

The following members, after having filed their statutory certificates with the Clerk, answered to their names as representing the several Municipalities, namely:

For the Township of Albion, Anson McCabe, Reeve.

Township of Caledon, Thos. Quinn, Reeve; David Armstrong, Deputy-Reeve.

Township of Chinguacousy, R. S. Lightheart, Reeve; Guy Bell, Deputy Reeve.

Township of Toronto, Wm. Rutledge, Reeve; D. H. McCaugherty, 1st Deputy Reeve; Leslie H. Pallett, 2nd Deputy Reeve.

Township of Toronto Gore, J. J. Porter, Reeve.

Town of Brampton, A. H. Milner, Reeve; Wm. Beatty, Deputy Reeve.

Village of Port Credit, Charles Elliott, Reeve.

Village of Streetsville, C. H. Falconer, Reeve.

The Clerk informed them that their first duty was to elect a Warden.

The following nominations were then made:

Moved by Mr. Bell, seconded by Mr. Beatty, that Mr. Milner, Reeve of the Town of Brampton, be Warden of this County for the year 1915.

Moved by Mr. Rutledge. seconded by Mr. Pallett; resolved, that the Reeve of Albion, Mr. McCabe, be Warden of the County of Peel.

Moved by Mr. Pallett, seconded by Mr. Elliott, resolved, that J. J. Porter, Reeve of Toronto Gore, be Warden of the County of Peel for the year 1915.

Moved by Mr. Lightheart, seconded by Mr. Rutledge, that Guy Bell, Esq., Deputy Reeve of the Township of Chinguacousy, be Warden for the current year.

No other nominations having been made within the given time, a vote was taken on the several motions in the order in which they were made.

There being thirteen members present, they stated that the candidate receiving seven or more than seven votes would be declared elected. The result was as follows:

For Mr. Milner, 5 voted yea.

For Mr. McCabe, 5 voted yea.

For Mr. Porter, 9 voted yea.

Mr. Porter was then declared duly elected, was escorted to the chair by his mover and seconder, and after having briefly addressed the Council, he made and subscribed to the Declaration of Office before Robert Crawford, J.P., and entered upon his duties.

The minutes of the last day of the November Session were then read and confirmed.

Moved by Mr. Bell, seconded by Mr. Lightheart, that a select Committee of Five be chosen by ballot to nominate the Standing Committees for the year. Carried.

The Warden then ordered the ballot to be passed and appointed Messrs. Walter S. Morphy and F. N. Leavens to count the ballots and report results.

The secretaries reported Messrs. McCaugherty, Elliott, Milner, McCabe and Quinn elected.

On motion the Warden left the chair for thirty minutes to allow the Select Committee time to prepare their report.

Council resumed.

Mr. McCaugherty, chairman, presented the report of the Special Committee, which was received and read and on the chairman's motion adopted.

On motion the Warden left the chair until ten o'clock to-morrow morning.

(Adopted)

J. J. PORTER, Warden.

SECOND DAY

Corporation of the County of Peel,

Council Chamber, Brampton, Jan. 27, 1915.

Council met and was called to order by the Warden.

Roll Called. Members all present.

Mr. F. N. Leavens, Reeve of the Village of Bolton, having filed his certificate with the Clerk, entered and took his seat.

Minutes of yesterday read and confirmed.

Communications were received and read from the following persons:

From Mr. F. S. Spence, Secretary-Treasurer of the Ontario Municipal Association, among other things referring to the importance of County Municipal Associations.

Copy of the Report of the Railway Commissioners for Canada in reference to the expense of installing and maintaining the railway crossing of the G. T. R. east of Clarkson.

From W. A. McLean, of the Department of Public Works, asking for certain statistics.

Report of the Inspector of boiler in Court House.

From J. Ross Robertson on behalf of the Sick Children's Hospital, urging a liberal grant, as they were never in greater need than at the present time.

From J. J. Kelso, Inspector on behalf of neglected and dependent children.

From W. J. Gage on behalf of the National Sanitarium Association.

From the trustees of the Brampton High School Board with statement of attendance and cost of maintenance during 1914, and amount of their claim under the High School Act for the present year.

From the officers of Salvation Army, giving an outline of the work they are doing and asking for a liberal grant to assist them.

From the following High School Boards, with their respective claims for tuition during the year 1914 of pupils resident in the County of Peel.

Georgetown, the sum of	$ 472 58
Orangeville, the sum of	575 75
Weston, the sum of	191 84

From the Hamilton Steel Construction Company, anxious to quote prices for anything in their line.

From the Ontario Good Roads Association with notice that they intend holding their convention in conjunction with the Dominion Good Roads Convention, in Convocation Hall, University of Toronto, March 22nd to 26th. They asked delegates to be sent and a membership fee of $15.00.

From the Secretary of the Peel County Teachers' Convention, stating that they had decided to have uniform promotion examinations throughout the County. Financially they do not feel that they are able to bear the expense of the examination, printing, etc. They have decided to ask the County to bear the expense of printing and postage; the whole not to exceed the sum of $50.00.

From the County Treasurer, his four quarterly statements of accounts, the non-resident land tax account, the public school accounts, the House of Refuge accounts, statement of the Good Roads account with the several Municipalities, assets and liabilities, etc., etc.

From the Sawyer Massey Co., soliciting a share of patronage.
From the officers of the Malton Spring Fair, soliciting their usual grant of $35.

These several communications were referred to the Standing Committees to which they properly belong.

On motion the Warden left the chair till 1.30.

Council resumed.

Mr. Elliott moved, seconded by Mr. Milner, that the Council go into Committee of the Whole for the reconsideration of the report of the Select Committee to nominate the Standing Committees. Carried.

The Council resumed in Committee of the Whole.

With Mr. Leavens in the chair.

Committee rose and presented the report as amended, in which form it was adopted in Council.

D. H. McCAUGHERTY, Chairman.

Adopted.

J. J. PORTER, Warden.

January 26th, 1915.

First Report of Standing Committee on Finance.

Brampton, January 27, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Finance beg leave to submit their first report, as follows:

We have carefully considered the various communications and accounts referred to our Committee and make the following recommendations:

1. We recommend that the following grants be made:

The Children's Aid Society of Peel County	$ 200 00
The Sick Children's Hospital, Toronto	30 00

2. A request from the Salvation Army for assistance in carrying on their work of social reform. We refer this communication to the whole Council for consideration.

Council recommended that no action be taken in the matter.

3. A communication to defray expenses incidental to an operation of a volunteer enlisted for active overseas service, named Morley Attwood, who has been a resident of the County. We recommend that the request be referred to the Patriotic Committee to be dealt with by them.

4. We recommend that the grant to the Malton Spring Fair be reduced to $35.00.

5. An account submitted for keep and medical attendance of Hugh Irvine, a former inmate of the House of Refuge, and committed there from Toronto Township at the Royal Alexander Hospital, Fergus, we refer this to the whole Council for consideration. Councillor recommends that the above be referred to the Solicitor for an opinion.

6. We recommend the following accounts be paid:

Charles W. Mack, stamp for crown attorney's office	$2 85

7. Pursuant to the report of the Treasurer, we recommend that a By-law be introduced to borrow money for current expenses for the year 1915.

We further recommend that care and economy be exercised in the expenditure of money this year, so that we may be able to wipe out our deficit of last year.

All of which is respectfully submitted.

A. H. Milner, Chairman.

Adopted.

J. J. PORTER, Warden.

First Report of Committee on County Property, Roads and Bridges

Council Chamber, January 28, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on County Property, Roads and

Bridges beg leave to make their first report.

1. We find in looking over our communications that there is nothing of special note to report upon except in that from the Ontario Municipal Association asking for a renewal of membership, the fee being $10.00, and whether any representatives will be sent to the meeting of the Association to be held in the City Hall, Toronto, some time in September next. This we recommend be referred to the whole Council.

2. We recommend that the Commissioners of the several Municipalities report to the Road and Bridge Committee as soon as possible in order that the roads and bridges reported may be inspected, and the necessary steps taken to make the necessary constructions or repairs.

3. Your Committee recommend that the Commissioners on County Property consist of the following members: Messrs. Beatty, Armstrong and Bell.

All of which is respectfully submitted.

D. H. McCAUGHERTY, Chairman.

Adopted.

J. J. PORTER, Warden.

First Report of Committee on Good Roads

To the Warden and Council of the Corporation of the County of Peel:

Gentlemen: Your Committee on Good Roads for the County of Peel desire to make their first report, viz.:

1. Your Committee have before them a communication from the Ontario Roads Association calling attention to the coming convention to be held in the City of Toronto 22nd to 26th March. We recommend this to the consideration of the whole Council.

In Committee no action was taken.

Clauses 2 and 3, relating to Albion's claim for a refund of money paid for damages, was struck out in Committee.

4. That a Committee composed of Messrs. Elliott, Quinn and McCaugherty be appointed to meet the Council of Albion to discuss matters in dispute regarding the McClellan, Kenehan and Slack

claims and report to this Council at its next meeting.

All of which is respectfully submitted.

WM. RUTLEDGE, Chairman.
Adopted.
J. J. PORTER, Warden.

First Report of Committee on Education

To the Warden and Council of the County of Peel.

Gentlemen: We have before us three claims from High Schools outside the County for tuition of pupils resident of this County. We would recommend that they be paid as follows:

Georgetown High School	$ 472 58
Weston High School	191 81
Orangeville High School	575 75

2. We recommend that the Clerk be instructed to communicate with the High Schools and have them submit a list of names of pupils in attendance, the names of parents and their P.O. address.

We recommend that J. G. Roberts be appointed Trustee of Brampton High School, and that Dr. Bowie be Trustees for Streetsville High School Board for 1915, 1916 and 1917.

3. We have received a communication from the Trustees Association of Ontario respecting their annual meeting to be held in Toronto. We recommend that no action be taken in this matter.

4. We have before us a communication from the Secretary Treasurer of the Peel Teachers' Association, asking the Council to guarantee the payment of accounts for the printing of papers for uniform promotion examinations throughout the County this year. We recommend this matter to the consideration of the whole Council.

Lost in Committee on a tie vote.

5. We have considered the claims of the Brampton High School for maintenance of County pupils attending said school during 1914, amounting to $3316.00, and would recommend that the same be paid in quarterly instalments.

6. We have considered the claim of Streetsville High School asking for $1725.00 for 1915. We would recommend that the same be paid in quarterly instalments.

7. We also have before us the report of our Public School Inspector, which was presented at to-day's sitting of the Council. We consider it a very concise and comprehensive survey of the Public

School System throughout the County and would recommend that it be incorporated in the proceedings of this Council, also that copy of the report be furnished newspaper in the County.

Brampton, 28th January, 1915.

Adopted.
J. J. PORTER, Warden.

First Report of Committee on Printing and Contingencies

Second Report of Patriotic Committee

Brampton, January 30, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Patriotic Fund Committee beg leave to submit their second report, as follows:

We have decided to insure the lives of the soldiers in the Second Contingent for overseas service and up to the present date insured altogether 94 lives at an average per $1000 of insurance of $42.14.

Our list of dependents has not been increased since the last report, although we anticipate because of several communications in the hands of your Committee to-day that the list will be increased by three or four.

Your Committee trust we have discharged our duties satisfactory to the Council.

All of which is respectfully submitted.

A. H. MILNER, Chairman.
Adopted.
J. J. PORTER, Warden.

First Report of the Commissioners on County Property

To the Warden and Council of the County of Peel.

Gentlemen: Your Commissioners on County Property beg leave to report as follows:

We met on the day fixed for the purpose in January and passed the accounts that were presented to us.

All of these accounts were properly certified and we are pleased to report that the officials have joined with this Council in reducing the expenses to the lowest possible amount.

We recommend that the bookcase in the office of the Public School Inspector be converted into a cabinet for the preservation of the records of his work. At present the accommodation for this purpose is entirely inadequate.

We would recommend that the request of the Governor of the Gaol for the installation of a telephone in his office be referred to the whole Council.

We desire to express our appreciation of the careful and economical manner in which Mr. Phillips performs his duties.

W. J. BEATTY, Chairman.

All of which is respectfully submitted.

Adopted.

J. J. PORTER, Warden.

Second Report of Committee on County Property, Roads and Bridges

Council Chamber, January 29, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on County Property, Roads and Bridges, beg leave to make their second report:

The bridge (Schedule No. 3, 18 by 80 by 13 feet), over the Etobicoke River on Dundas Street, should be re-covered as shown by a letter hereto attached.

Mr. Barber, Engineer for the County of York, recommends a creosoted wood floor. We recommend that Mr. Wheelock, our Engineer be asked to report on this matter to the whole Council.

We have a communication from the Commissioners of Port Credit, stating that a new bridge spanning the river Credit in the Village of Port Credit is necessary.

We recommend this matter to the consideration of the whole Council.

No action was taken in Council.

All of which is respectfully submitted.

D. H. McCAUGHERTY, Chairman.

Third Report of Road and Bridge Committee

To the Corporation of the Council of the County of Peel.

Gentlemen: Your Committee on County Roads and Bridges beg leave to report as follows:

TOWNSHIP OF ALBION

Would recommend that a railing be built at each end of the new bridge known as the Glasgow Bridge.

Also would recommend the building of a new bridge at what is known as the Black Horse Bridge.

Also would recommend the building of a new concrete structure at what is known as Moore's Bridge.

CALEDON

On the west side of Caledon would recommend the building of two new bridges between Caledon and Garafraxa.

Would recommend that the Road and Bridge Committee examine the bridge on the Townline between Chinguacousy and Esquesing at Lot No. 7.

Would recommend the raising of the Dracass Bridge two feet.

Also the replanking of the Summerville Bridge on Dundas St.

Would also recommend that the Committee examine the bridge known as the Cold Creek bridge, and that if necessary proceed with the re-construction after notifying the Commissioners of the County of York.

Would recommend that Mr. McCabe be a member of the County of Peel Commissioners.

All of which is respectfully submitted.

D. H. McCAUGHERTY, Chairman.

Council Chamber, March 31, 1915.

Adopted.
J. J. PORTER, Warden.

First Report of Committee on Agriculture

Brampton, March 31, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Agriculture ask leave to report as follows:

It is the opinion of this Committee on Agriculture that this Council hereby commits itself to the yearly grant of $500.00 required for the carrying out of this policy.

That the usual grant of $75.00 be given to the Farmers' Institute of the County of Peel.

That the District Representative be asked to file a report for the year 1914 to the chairman of this Committee and also give an address to the County Council at the June Session dealing with his work.

ANSON McCABE, Chairman.

Council Chamber, March 31, 1915.

Second Report of Finance Committee

Brampton, 30th March, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Finance beg leave to submit their second report, as follows:

1. We have had placed in our hands a request from Edward Rutledge, Village Constable of Streetsville, that he be made a County Constable.

We recommend that the Clerk be instructed to communicate with Mr. Rutledge, advising him to interview the County Judge, who has authority to swear him as a County Constable.

2. Re the account of the Royal Alexandra Hospital, Fergus, for the board and medical attendance of one Hugh Irvine, an inmate of the Halton and Peel House of Refuge, and who was sent to the hospital from this institution because of a cancer developed, and which account has been forwarded to this Council by the House of Refuge Commissioners for an expression of opinion as to whether it should be paid by the Municipality of Toronto Township, from which he was committed to the House of Refuge, or by the County as a whole, or the two Counties.

We recommend that the Commissioners be advised that in the opinion of this Council the account should be paid by the County of Peel at $3.00 per week and that the Treasurer be instructed to issue a cheque for the amount.

3. Re the communication from the County Treasurer, stating that he has received the government grant on the County Roads construction in 1914, amounting to $10,462.18, we would impress this fact on the minds of the Reeves of the several Municipalities in order that they may see that they are credited with the proper amounts.

4. Re the requests of the Treasurer asking an opinion of the Council, in the matter of his refusing to grant partner auctioneer licenses for the price of one license fee. We believe that the By-law

is quite clear on this question and that the Treasurer was right in charging $20 for each person.

We would, however, recommend that a By-law be introduced to regulate the price of license fee to govern the question of partnership licenses.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

Report of Special Committee Appointed to Report on Cedar Mills Subway.

To the Warden and Council of the County of Peel.

Gentlemen: The report of the Special Committee appointed to examine and report upon the advisability of a change of crossing at what is known as the Cedar Mills Subway was presented. It stated:

"Your Committee have looked into the several propositions to improve the railway crossing at the above mentioned place and think it is advisable to make some change on the present subway, as it is not a safe passage for traffic on the highway as it stands at present, for the following reasons:

1. Traffic approaching from the south, after descending a very steep, long hill, has immediately at the foot of the hill to turn, almost at right angles through said subway, which is about twenty feet in width.

2. That the subway is arched and has not sufficient head room. It is impossible to bring a threshing machine through.

3. That traffic approaching the subway has absolutely no view of traffic approaching in the opposite direction.

4. That the grade on the steep hill south of the subway cannot be improved with the subway in its present position.

5. That the subway is not properly drained, the silt washing down the hill lodges therein, and besides, the ice lodging there in winter and spring makes it even more dangerous.

Your Committee has examined the several routes under consideration to avoid the said subway and in their opinion the following would be the most feasible. To consider "safety first" in this matter we would suggest that the present subway be abandoned and that the highway be deviated from a point south of the big hill to the north side of the subway, to run west of the present highway through parts of lots 22 and 23, and that a new subway be constructed where this deviation crosses the railway south of Cedar Mills station. A rough estimate of the cost of this route would be $12,000.00.

2. The next suggestion would be a level crossing three or four rods northeast of the present subway. This would require only a slight deviation east of the highway on lot 23, commencing near the top of the big hill and ending a few rods north of the subway. A rough estimate of the cost of this route would be eight or ten hundred dollars. As this route would necessitate crossing the railway on the level, and as sight lines for traffic approaching from the south are not as long as could be wished for safety, it is possible that this proposition would not be accepted by the Railway Board.

All of which is respectfully submitted.

Second Report of the Patriotic Fund Committee

Brampton, March 31st, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee appointed to administer the funds raised by special levy to establish a patriotic fund for the County of Peel beg leave to submit their second report, as follows:

1. We have had several communications from the Secretary of the Canadian Patriotic Committee at Ottawa, each suggesting that we become affiliated with this central organization by paying into the central fund the full amount which we have raised, and they in turn would return to our committee the amount demanded by us from time to time to meet the requirements of your Committee.

Your Committee through the Secretary has notified the secretary of the above Committee, stating that our fund had been raised by a special levy on the equalized assessment of the County, and that the By-law under which we levied definitely stated that the fund was for the benefit of dependents resident in the County of Peel, and we therefore had no option in the matter other than to adhere to the provisions of the By-law.

We would further recommend this to the consideration of the Council. The Council approved of the action of the Committee as contained in this clause.

2. We beg to report that the Committee continued their policy as far as possible of placing insurance on the lives of all enlisting for active service, and which policy your Council have approved of. We endeavored to place $1000.00 insurance on the lives of a number of other soldiers who have come to the attention of your Committee since the last report was presented, but we could not get an insurance company to accept the risk.

We have, however, been successful in placing $300 insurance on the industrial plan on the lives of about 25 from the County who have enlisted with the second and third overseas contingents, the average cost for $300 insurance on this plan is about 30c per week, the premium to be paid weekly and to cease at the expiration of the war or sooner if your Committee see fit.

All of which is respectfully submitted.

A. H. MILNER, Secretary.

Second Report of the Committee on Education

June 16th, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Education beg leave to present their second report, as follows:

1. We recommend that the Treasurer be instructed to forward to the Treasurer of Guelph Collegiate Institute $14.60, being amount due that Institute for attendance of Peel County pupils for 1913 and 1914.

3. We also recommend that the amount of $844.02 be included in the estimates for the year, this amount being the equivalent to the Legislative Grant apportioned the Rural Public and Separate schools.

All of which is respectfully submitted.

Third Report of the Finance Committee

Brampton, June 16th, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Finance beg leave to submit their third report, as follows:

1. We recommend that the Treasurer be instructed to pay the Provincial Treasurer the amount of their account, as Peel County's share of District Officer of Health for District No. 3, from August 1st, 1912. to Oct. 31st, 1914. amounting to $551.32, the same being provided for under authority of 2 George V,. Chapter 58, Section 13, Provincial Statutes of Ontario.

2. We recommend that the Treasurer be instructed to deposit to the credit of "The License Fund Account" for the County of Peel, in the Dominion Bank at Brampton, the sum of fifteen hundred dollars ($1500.00), the same being the amount of estimates provided by the Provincial Board of License Commissioners, and approved by the Hon. W. J. Hanna, Provincial Secretary, for the enforcing of the Canada Temperance Act in this County, and as provided under Section 148 of the Liquor License Act.

3. We recommend that a By-law be introduced to provide for the expenditure for the current year of 1915, and to levy a rate for the same.

4. Communication from Children's Aid Society re the making of the Collier children wards of the Berlin Shelter and a charge to the County of Peel. We refer to the whole Council for consideration. (Council recommend children to become wards of County of Peel from June 17, 1915.)

5. Communication from Inspector of Prisons and Public Charities re the settlement of keep of the Judge children. We refer to the whole Council for consideration. (Council recommend that we accept money, $330, as provided by Mr. Dunlop of Insane Dept. without prejudice as to County's claim on death of mother.

All of which is respectfully submitted.

Fourth Report of Standing Committee on County Property, Roads and Bridges

Brampton, June 16th, 1915.

To the Warden and County Council.

Gentlemen: The Roads and Bridges Committee beg leave to report as follows:

1. We, your Committee, have estimates from Mr. Barber as to cost of re-surfacing Summerville bridge with Georgia Pine or Creosote Wood Block, the estimates which I will read and further recommend them to the consideration of the whole Council. (Moved by Mr. Porter, that the Roads and Bridges Committee of Peel meet York County Commissioners and be empowered to make final settlement as to style of flooring. Carried.)

2. As to the Port Credit bridge, we recommend that the opinion of our Solicitor be obtained as to our liability in connection with the repair thereof, and as to our general responsibility in connection with this bridge.

All of which is respectfully submitted.

(Sgd.) D. H. McCAUGHERTY, Chairman.

Adopted.

Second Report of Committee on Agriculture

Brampton, Ont., June 16, 1915.

Mr. Warden and Councillors:

1. Accounts have been sent in from time to time by J. A. Carroll, District Representative, to be charged to and paid for out of the special $500 County grant to the Department of Agriculture. These have been divided under five headings, as follows:

1. Long and Short Courses	$ 98 86
2. Advertising and printing	8 50
3. Equipment—Magic lantern $69, books $34.50	103 50
4. Rural School Fairs	40 14
5. Sundries	5 80
	256 80

We wish to recommend these to you for payment.

2. We submit herewith the report of the District Representative and recommend that the same be published in the County Minutes.

3. We recommend that the following grants be made to the Agricultural Fall Fails:

Peel County	$ 300 00
Bolton and Albion	150 00
Toronto Township	150 00
Cooksville	75 00
Caledon	150 00
Toronto Gore	40 00

All of which is respectfully submitted.

(Sgd.) A. McCABE, Chairman.

Adopted.

DEPARTMENT OF AGRICULTURE

District Representative's Report

Mr. Warden and Councillors:

I am pleased to submit this, my first report, to the County Council.

Coming as I did in the middle of the 1914 season, my path of duty lay in proceeding with the work commenced by my predecessor and taking up new phases gradually as circumstances permitted.

School Fairs

In 1914 four School Fairs were held, including 27 schools; seeds and eggs were distributed, agricultural lessons were taught and all of the pupils visited at their homes. This table summarizes the attendance. entries, etc.

Date	Place	No. of Schools	Total Attendance at Fair	Total No. of Entries	No. of Plots	Settings of Eggs
Sept. 25	—Cooksville	5	450	400	92	29
Oct. 1	—Caledon	8	650	750	181	40
Oct. 3	—Bolton	7	550	675	171	35
Oct. 9	—Snelgrove	7	550	775	182	35
Total		27	2200	2600	626	139

This year 49 schools have entered the competitions. To pupils in these, 220 dozen of eggs have been distributed and seed given for 850 plots. A visit is being paid to all schools in the County not entered in the regular fair scheme. Besides this work with the rural schools, assistance is being given to organizations doing similar service in Streetsville and Port Credit.

Judging Competitions

Stock Judging Competitions were conducted at Brampton, Streetsville and Cooksville Fall Fairs. From 6 to 12 men competed in each case.

Demonstration Orchards

During 1914, two neglected orchards, one at Britannia, the other at Caledon East, were pruned and sprayed by the Department. These are again being operated this year and the results are very satisfactory.

It is my pleasure to act as Secretary of the Brampton Fruit Growers' Association, thereby getting in touch with quite a number of men interested in this line. Many others have called at the office regarding sprays and spraying and general orchard practice.

Owing to the ravages of the Tent Caterpillars, the County was placarded with posters giving the treatment for this insect.

Six Weeks' Course in Agriculture

Last autumn a Short Course in Agriculture was advertised to be held in Bolton. Owing to the enthusiasm of Mr. A. McCabe, Chairman of the Agricultural Committee, Mr. Leavens and others in the vicinity, thirty young men attended the Course. This is being followed by a Junior Farmers' Improvement Association, which is conducting experiments, carrying on competitions in feeding hogs and baby beef for profit, also acre profit competitions and farm bookkeeping.

Other Meetings

We are often called upon to address meetings of the Farmers' and Women's Institutes, Farmers' Clubs and social gatherings.

Short courses in stock judging were conducted at Brampton and Caledon last winter. Attendance at Caledon at four sessions about 700, at Brampton two sessions about 500.

Considerable work was done in connection with greater production meetings at Bolton and Brampton.

Investigations

We are frequently called upon to drive to different parts of the County to examine injured crops and determine what is responsible and to suggest treatment. During the army worm attack last summer we spent practically our entire time in the affected area, advising and applying treatment.

Drainage

Numerous farms have been inspected relative to underdrainage. Surveys of many have been made and plans for same drafted.

An agitation was carried on to get a traction ditcher to come to the County. The machine is now operating in the north part of Chinguacousy.

OFFICE WORK

Farm Labor

A Farm Help Campaign has been conducted with the result that about 50 farmers have been supplied this spring.

Milk and Cream Testing

The office is equipped with apparatus for testing milk and cream. Farmers wanting to know just what their cows were doing have brought samples to be tested. A great deal of cream is also analyzed.

Grains and Seeds

Samples of small seeds have been examined and advice offered regarding the number of noxious weeds contained.

Suggestions have been offered as to the best varieties of grains and other seeds to use and where these could be secured.

Office Calls

Besides the heavy telephonic and postal communications, about 900 have called at the office since March 1st. This is an average of 9 a day. These were seeking definite information on a variety of subjects, such as:

Identification of insects and diseases, treatment for insects, smut, scab, etc., varieties of grains, registration and transfer of pure bred animals, barn and house plans, ventilation, etc.

Since taking charge of this office. I have had splendid assistants and at present my associate. J. W. Stark, B.S.A., is capable, industrious and sincere.

I wish to express my appreciation of the assistance rendered by the Chairman of the Agricultural Committee. I take this opportunity of thanking you, Mr. Warden and Councillors, for your support in this body and in the Municipal Councils, and for helping me by personal means.

Yours respectfully,

(Sgd.) J. A. CARROLL,

District Representative.

18th June, 1915.

Special Committee re Albion

Brampton, 18th June, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee appointed at the last session of this Council to meet the Council of the Township of Albion beg to report as follows:

1. That on the 7th April last we met the members of the said Township Council at Bolton and considered the matters and claims made by the said Township Council in connection with the McClelland, Keenahan and Slack claims, but could not come to any agreement. At the closing of the conference it was arranged that, if the Reeve of Albion Township had any proposal to make as to a settlement of such claims, it was to be forwarded to Mr. Elliott, but none has been received by the latter. In our offering to consider any such proposition, it was understood that no liability whatever was being admitted by this Council.

Your Committee now asks to be discharged.

The following are the expenses of the Committee:

D. McCaugherty	$ 6 75
T. Quinn	5 45
C. Elliott	5 55

Which we recommend to be paid.

(Sgd.) C. ELLIOTT
(Sgd.) D. H. McCAUGHERTY.
(Sgd.) THOS. QUINN.
Adopted.

Report of Commissioners on County Property

Brampton, June 16, 1915.

To the Warden and Council of the County of Peel.

Your Commissioners on County Property beg leave to present the following report:

1. Your Commissioners met in April at the appointed date and passed the ordinary accounts for the first quarter, the same being duly certified to.

2. We examined the blinds on the upstairs windows and found them in a very dilapidated condition on ten windows, and we instructed Mr. Phillips and the Treasurer to procure ten new blinds and have them put up. They got tenders from Crawford and also from McIntyre and let the contract to McIntyre for $22, it being $3 lower, which has been paid.

3. We examined the steps in front of the Court House and decided to have them rebuilt under the directions of the Property Commissioners. We have not let the contract, as we wished the whole Council to see what we decided on before ordering the work done.

We also examined the cupola on top of the Court House, and Mr. McCulloch, after making an examination, recommended having it supported by truss rods. to provide against it falling on the roof. We recommend having this work done.

We also find that the cornice on the Court House is badly in need of repair. Through age and decay it has opened and allows the snow to drift in and melt, running down inside, and has already stained the Court Room. We would recommend having the cornice repaired. We also recommend having all the woodwork on the outside of the Court House painted with at least two coats of paint as soon as possible.

4. Mr. Phillips, caretaker of the Court House, has made application to your Commissioners for an increase of $50 in his salary. Your Commissioners, after due consideration, would recommend that the caretaker be granted an increase of $50 a year to his salary, said grant to be paid quarterly, beginning July 1st next.

5. We recommend that the following accounts be paid:

W. K. Young, as per bill	$ 12 35
J. A. Hocking, as per bill	15
McKillip & McIntyre, as per bill	10 00

6. In regard to the communication from W. H. McFadden re lavatory for Registry Office, we recommend that no action be taken at present time.

All of which is respectfully submitted.

(Sgd.) GUY BELL, Chairman.

Adopted.

(Sgd.) J. J. PORTER, Warden.

Third Report of Patriotic Fund Committee

Brampton, June 16th, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee appointed under By-law to administer the Peel County Patriotic Fund, raised by special levy, beg leave to submit their third report, as follows:

The amount of money raised for this fund was $14,651.00. Of this sum we have expended to the 15th of June $5947.44, leaving a balance on hand of $8703.56. This expenditure has been made as follows:

Insurance premiums on men under arms	$4095 13
Expenses, advertising, printing, stationery and securing particulars re insurance of individual soldiers and dependents	129 80
Paid to dependents of men under arms	1722 51
	$5947 44

The number of soldiers insured from this County with the First and Second Overseas Contingents at $1,000 each was 94. Being unable to place any more insurance on this basis, your Committee have placed $300 of Industrial Insurance on the lives of all those who since have enlisted and who have been brought to the attention of your Committee. This amount is the limit that the Metropolitan Life Insurance Co. would accept. To the present date we have insured 28 lives under the latter plan.

We have, from time to time, had placed on the list of dependents, as those entitled to allowance from this fund being dependents of those under arms for active service, a total number of 19 families. Five of these families have returned to their former homes in the Old Country, so that we now have 14 families on the list.

It is likely that this list, if the war continues, may become larger, as the Militia Department are enlisting more married men in the contingents now being formed.

We regret to report that four casualties have occurred among those who have been in active service from this County. These being all insured, your Committee have taken the necessary steps to procure the insurance and have same paid to the families of the deceased.

We consider, without further levy, your Committee will have sufficient money to meet the requirements of the work for the present year.

All of which is respectfully submitted.

(Sgd.) W. RUTLEDGE, Chairman.
(Sgd.) A. H. MILNER, Secretary.
Adopted.
(Sgd.) J. J. PORTER, Warden.

Half Yearly Report of Poor House Physician to County Council

Gentlemen: Since my last report on November 27th, 1914, I have made fifty-five visits to the House of Refuge. There has been considerable sickness this spring. La Grippe was general, nearly all the inmates being attacked.

Eleven have died since last November, their average age being 76 years.

Julia Floody, age 58, from Wildfield, heart failure.
Wm. Christie, age 82, Glenwilliams, hardening of arteries.
Margaret Johnston, 90, Streetsville, old age.
Robt. Marshall, 73. Brampton, Bright's Disease.
John Layden, 85, Cooksville, heart failure.
Wm. Wright, 50, Caledon, dropsy.
Peter Lawrence 72, Oakville, stroke of paralysis.
William Oates, 75, Port Credit, uraemia.
John Finlayson, 75, Palermo, pleurisy.
Edward Richardson, 78, Oakville, pneumonia.
Thompson Irwin, 89, Caledon, Uraenic poisoning.

The sewage disposal system has outlived its usefulness and has become a nuisance to the public, and a charge will be made.

I have the honor to be. Your Obedient Servant,

R. G. EDWARDS, Physician.

Brampton, June 18th, 1915.

Fourth Report of Good Roads Committee

To the Warden and Council of the County of Peel.

Gentlemen: The Committee on Good Roads for the County of Peel beg leave to report as follows:

1. We have had before us a petition from a number of ratepayers from Toronto Township and Toronto Gore and Chinguacousy praying that a portion of the sixth line from the place it connects with the County of York to Woodhill be made part of the County Road System.

2. Also a similar request from a deputation from the Township of Caledon, asking that the third line west from the No. 15 sideroad to the Village of Alton, from the Village of Alton east one concession to second line, thence north to the southwesterly limits of the Town of Orangeville.

Would recommend both the questions to the consideration of the Council.

Would recommend the payment of following commission, viz.:
A. McCabe, 1 1-2 days and expenses ....$ 6 50

All of which is respectfully submitted.

(Sgd.) WM. RUTLEDGE. Chairman.

Adopted.

(Sgd.) J. J. PORTER, Warden.

Report of Standing Committee on Roads and Bridges

To the Warden and Council of the County of Peel.

Gentlemen: Your Standing Committee on Roads and Bridges have carefully considered the various matters that have come before them and beg to report as follows:

Your Committee, as authorized by a report of the Roads and Bridges Committee adopted at the March session, have, accompanied by the County Engineer, made an inspection of County Bridges and would make the following recommendations:

1. That bridge on the boundary line between Toronto Gore and Albion, Schedule No. 64, known as the Wildfield Bridge, be rebuilt, as the old bridge at this place has collapsed.

2. Respecting the request from the County of York to rebuild the bridge known as the Cold Creek Bridge, Schedule No. 16, that no action be taken, as we found this bridge in good shape for traffic and consider it should last for some years with very small repairs.

3. That the bridge on the County boundary between Albion and Adjala, known as the Black Horse Bridge, Schedule No. 20, and Moon's Bridge, Schedule No. 23, be rebuilt, the County of Simcoe to pay one-half.

4. That no action be taken in regard to the bridge on the County boundary between Chinguacousy and Esquesing, opposite lot No. 7. This bridge does not appear on the scheduled list. Your Committee consider that it does not require to be rebuilt at the present time. A new bridge was constructed over a stream a few rods north with an increased span, which will carry the bulk of the water which passed through this second bridge, and we consider that, when the old bridge reauires to be replaced, a pipe culvert will be sufficient.

5. That the Dracas Bridge in the Village of Streetsville, Schedule No. 71, will be raised two feet higher on the abutments, and that the wing at the northwest corner be protected with rubble.

6. That the culvert on the County boundary between Caledon and East Garafraxa, Schedule No. 31, be repaired.

7. That a new creosoted block floor be built on the Summerville Bridge, Schedule No. 3.

Your Committee would also recommend that all construction work on bridges be paid by the County Treasurer, on the joint order of the Warden and Chairman of this Committee, after the work has been certified as satisfactorily completed by the County Engineer.

Your Committee would further recommend the following commission and expenses:

D. McCaugherty, 3 days and expenses	$ 15 00
Thos. Quinn, 3 days and expenses	15 00
R. Lightheart, 1 day and expenses	5 00
A. McCabe, 3 days and expenses	14 00
W. Rutledge, 1 day and expenses	4 00
C. R. Wheelock, County Engineer, 3 days	24 00
J. J. Porter, 3 days	15 00

We would also recommend the expenses of your Special Committee re the Summerville Bridge, for one trip to Toronto, amounting to $4.00, be paid.

Bill of John Patterson to the amount of	$ 5 00
Bill of John Craibe, for repair to Summerville, half of cost	6 00
Bill of Ed. Daum for building right of way and bridge at Wildfield, for which bills are attached	32 15
Bill for overseeing building temporary bridge at Wildfield	5 00

We would also recommend that the Schedule be revised, as there are a number of new bridges being built this last three years.

All of which is respectfully submitted.

(Sgd.) D. H. McCAUGHERTY, Chairman.
Adopted.
(Sgd.) J. J. PORTER, Warden.

Report of Patriotic Fund Committee

Brampton, Nov. 23rd, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee appointed to administer the funds and transact the business, as authorized under the provisions of By-law No. 455, beg leave to submit their report for the year 1915.

1. It is now fifteen months since your Committee assumed office, and while at the time of the passing of the By-law it might have been the hope and desire that the war would have been over and the functions of your Committee ceased, we find to-day the work much increased, the responsibilities greatly added to, and the prospects of a declaration of peace very much further removed.

The fact of the war being prolonged means a larger enlistment of married men, and the bread-winners of families, which increases the responsibilities of those who are left at home. Duty demands that our contributions for the carrying on of such work as provided in the By-law, shall be increased.

Your Committee have on a previous occasion reported that we have been requested to affiliate ourselves with the "Canadian Patriotic Fund of Ottawa, which is Canada-wide in its operations. This would mean the forwarding to Ottawa of all our monies and receiving from Ottawa the amount of our monthly requirements. Owing to the fact that our fund was established through special By-law, which recites that the monies levied and collected shall be for the benefit of soldiers and dependents resident of the County of Peel, this was impracticable this year. Your Committee are of the opinion that the money necessary for this purpose should be provided by a levy on the equalized assessment of the County sufficient to cover the requirements of dependents through the duration of the war, this to apply to residents of the County of Peel.

While your Committee believe that we should assume the responsibility of taking care of dependents of this County during the war, yet we are of the opinion that there are many who would like to assist other municipalities which may not be so prosperous and whose responsibilities may be heavier than this County, and would therefore heartily endorse any action along this line which is contemplated and which may be assumed by the Peel War Auxiliary.

Your Committee continue the policy previously reported of insuring the lives of all soldiers volunteered and enlisted for overseas service in the sum of three hundred dollars, ($300) this being the maximum of insurance that any company would accept on a war risk at a rate within the possibilities of your Committee. This policy your Committee have decided to continue as applicable to the proposed units to be established or recruited from the County of Peel. Your Committee have renewed the policies of $1000 each on the lives of those members of the first and second contingents who have not been discharged and whose families are resident of the County of Peel. We consider we were particularly fortunate in placing these risks at the time and for the very low premiums, the average of which was $42.09 per $1000 of insurance. We regret to report that the War Office has officially reported five (5) casualties out of the insured of the 1st and 2nd contingents. Of these your Committee have received from the insurance company the payment of four claims, $1000 each, three of which we have paid to the parents of the deceased, the other claim is in the hands of your Committee, we not having determined who is the rightful beneficiary. Our claim on the life of the other soldier, deceased, we waived in favor of the claim of the City of Toronto, which city also held a policy on the life of deceased, and the company refused to pay two claims on the life of one soldier. We, however, have had refunded the amount of premium which we paid on the policy. We waived our claim in consideration of the city paying the insurance to the wife of the deceased soldier.

At the present time your Committee have insured the lives of 84 of the first and second overseas contingents and 110 of subsequent overseas contingent, resident of the County of Peel.

In the question of granting assistance to the dependents of soldiers enlisted for overseas service, we have given every application due consideration. At the present time there are forty (40) families on the list of dependents, and our monthly payment to these is equal to six hundred and thirty dollars ($630). This payment is likely to increase as the number of married men enlisting increases.

Following is an abstract of the receipts and disbursements of your Committee, showing the balance on hand.

Receipts

Proceeds of levy under By-law 455	$ 14651 00
Metropolitan Life Insurance Co., death claims paid	4000 00
Metropolitan Life Insurance Co., refund of premium (on policy of A. H. Lilly, cancelled.)	51 97

Metropolitan Life Insurance Co., premiums on risks 1st and 2nd contingents, Nov. 18, 1915, to Nov. 18, 1916.	3518 32
Metropolitan Life Insurance Co., industrial insurance premiums to Nov. 28, 1915	605 00
Paid allowances to families of soldiers and dependents	3997 86
Postage, stationery, supplies, advertising, etc.	71 50
Expenses, including canvass of County to procure particulars re insuring soldiers	94 10
Paid insurance to soldiers' beneficiaries	3000 00
	$ 15248 11
Cash balance on hand Nov. 23, 1915	$ 3670 78

You will observe that the operating expenses in the administration of this fund have been very low, showing less than one per cent. (1 per cent.) of the monies handled. Your Committee are giving their services without remuneration.

We would be very glad to consider any suggestions that may be offered that might assist us in the carrying out of our work.

Your Committee recommend that the Council of 1916 introduce a By-law to raise a fund by the levy of one mill on the equalized assessment of the County, to be disbursed in the same manner as provided in the By-law No. 455.

Your Committee have discharged the duties placed upon them for the past fifteen months and while we realize the responsibility which has been ours and the fact that we are not perfect and may have erred in judgment, we trust that our administration of the funds has merited the trust you reposed in us at the time of our appointment.

All of which is respectfully submitted.

WM. RUTLEDGE, Chairman. A. H. MILNER, Secretary.

Report of County Commissioners on County Property for 1915

Council Chamber, Nov. 23, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Commissioners decided to have the Court House painted and certain repairs made to the cornice and roof and new steps placed on the front of the Court House.

We asked for tenders for the painting and for the steps.

We received three tenders for the painting and two for the steps:

Mr. Harmsworth's tender was $527 for the painting; W. A. Naylor's tender was $285 for the painting, and Anthony & McClintock's tender $350 for the painting. The Commissioners decided to let the contract to Anthony & McClintock for $350, as they considered them reliable and the price reasonable. After they had put the first coat on we decided to have the stone trimming around the windows painted at a cost of $9.50. We also had 28 new lights of glass put in at a cost of $29.00. Cleaning of windows and refrosting them $3.30. Extra work on dome as per instructons, $5.00. Making a total of $396.80 for contract and extras.

W. B. McCulloch got the contract of building the new steps for $48.00 and T. A. McClure agreed to make all repairs called for at 30c per hour, including the shingling of the shed and porch, which bill amounted to $60.65.

T. Mara & Sons repaired the eve troughs and made repairs at jail and Registry Office at a cost of $16.73 and Mr. Hugh Galbraith repaired the chimneys at a cost of $11.50. This is a full report of all expenditure on County Buildings.

All of which is respectfully submitted.

Council Chamber, Nov. 23, 1915.

GUY BELL, Chairman.

Fourth Report of Finance Committee

Brampton, Nov. 24th, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Finance beg leave to submit their fourth report as follows:

1. We recommend that the Treasurer be instructed to make the payment of the following accounts:

D. Kirkwood, express, freight, cartage, etc.	$ 7 90
D. Kirkwood, postage acc. for County officials	56 85
Brampton Hardware Co., coal oil	7 20
J. S. Beck repairing clock	1 00

2. We recommend that a By-law be introduced to borrow money by way of temporary loan to meet the current expenses for the year 1915.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

Adopted.

J. J. PORTER, Warden.

First Report of Good Roads Committee

To the Warden and Council of the Corporation of the County of Peel.

Gentlemen: Your Committee on Good Roads of the County of Peel report as follows:

1st. We have before us a communication from R. H. Pringle re a damage claim from Dr. Stirk for damages to his auto from collision with a rural mail box. We recommend this to the consideration of the whole Council.

2nd. We have before us an opinion of the County Solicitor and also a communication from the Post Office Department regarding accident by reason of the placing of mail boxes on the highway. We recommend that these be filed with the County Clerk.

3rd. In regard to the request of Mr. Ellis asking for a culvert at the entrance of his farm, we recommend this to the consideration of the Council.

We recommend that this matter be left to the Good Roads Committee for settlement.

4th. A communication from the Board of Railway Commissioners of Canada re the Cedar Mills subway. We refer this matter to the consideration of the whole Council.

We recommend that the Twp. of Albion by their Engineer prepare plans and specifications to be submitted to the Railway Board.

5th. A notice from the Public Works Department requiring that notice be given of proposed expenditure. Would recommend that said notice be placed on file.

WM. RUTLEDGE, Chairman.

Council Chambers, Brampton, Nov. 26th, 1915.

Report of the Special Committee Appointed at the June Session of this Council to Study the Good Roads System of the County and to Make Suggestions as to the Working Thereof.

1. Your Committee met at Brampton on the 5th day of November and made a careful study of the By-laws, Reports and Resolutions hereto adopted by the Council in connection with the Good Roads System of this County and discussed various methods of dealing with this matter in future, when it was decided to meet the Provincial Engineer at Toronto and discuss the matter with him.

2. Accordingly, on the 5th day of November your Committee met the Provincial Engineer at his office, Toronto, and after hearing his views it was considered advisable to invite the Provincial Engineer to address the Council on Thursday, the 25th November.

3. The said Engineer so addressed the Council on the latter date and your Committee considers that it has not yet had sufficient time in which to fully consider this matter, and therefore reports progress and asks leave to sit again.

4. Your Committee recommends the following payment to members of the Committee:

The Warden	$ 8 00
D. McCaugherty	8 00
C. Elliott	6 00
A. McCabe	8 00
T. Quinn	3 00

All of which is respectfully submitted.
27th November, 1915.

Adopted.

Report of the Standing Committee on County Property, Roads and Bridges

To the Warden and Council of the County of Peel.

Gentlemen: Your Standing Committee on County Property, Roads and Bridges, having carefully considered the various matters laid before them, beg to report as follows:

Respecting the bridge on the boundary line between the Counties of Peel and Halton, opposite lot No. 7 in the Township of Chinguacousy, the contract for building this bridge was let to A. P. Murdock, who partly completed the work last year and was paid $200 on account, but he refused to finish the bridge in accordance with the plans and specifications. The work of completing the unfinished portions was therefore let by the engineer and has now been completed. The total contract price for the concrete work amounted to $315. The cost of completing the unfinished portions is $85, which leaves a balance of $30 due on the contract. The above sums of $85 and $30 are recommended to be paid, one-half to be paid by the County of Halton.

Your Committee have had built during the season the following reinforced concrete bridges:

The Wildfield Bridge, a 32 foot span, upon the boundary line between the Townships of Albion and Toronto Gore (Schedule No. 64.)

The Black Horse bridge, a 12 foot span on the boundary line between the Counties of Peel and Simcoe (Schedule No. 20.)

Moon's Bridge, a 14 foot span, on the boundary line between the Counties of Peel and Simcoe (Schedule No. 23).

These bridges are substantial, well finished structures, having a good appearance, and are a great improvement to the localities in which they are built. The cost was as follows:

The Wildfield Bridge

Concrete work	$ 866 25
Reinforcing steel	95 59
Freight on steel and hauling	20 00
Overseeing	45 00
Building approaches	102 20
Engineering	84 00
Building temporary bridge	37 15
	$1250 19

The Black Horse Bridge

(One half to be paid by Simcoe County)

Concrete work	$ 281 35
Reinforcing steel ($20.80 and $3.00)	23 80
Advertising for tenders	3 00
Overseeing	20 00
Freight on steel and hauling	3 64
Building approaches	134 75
Guard railing on approaches	9 98
Overseeing approaches	10 50
Engineering	46 00
	$ 533 02

Moon's Bridge

(One-half to be paid by Simcoe County.)

Concrete work	$ 365 00
Reinforcing steel	26 40
Advertising for tenders	3 25
Overseeing	25 00
Freight on steel and hauling	3 82
Building approaches	149 58
Guard railing on approaches	20 00
Overseeing approaches	15 00
Engineering	46 00
	$ 654 05

A new floor of creosoted wood blocks was built on the Summerville Bridge on the County boundary between Peel and York (Schedule No. 3). The total contract price for the work was $1400, one-half of which is to be paid by this County. The old floor material was sold for the sum of $69, which sum was handed over to the treasurer of the County of York. The Engineers' and Inspectors' fees are not included in the above amount; the bills have not yet been rendered for the same.

The Norval Bridge abutments (Schedule No. 47) were repaired at a cost of $100.00, one-half of which has been paid by the County of Halton, leaving a balance of $50 to be paid by this County.

The stone arch culvert on the boundary line between Peel and Halton (Schedule No. 45) was repaired at a cost of $162.25, one-half being payable by the County of Peel.

The Culvert on the boundary line between Peel and Dufferin (Schedule No. 29) was repaired at a cost of $20, one-half of which sum has been paid by Peel County.

Forbes Bridge (Schedule No. 75) was painted at a cost of $31.15.

The Port Credit Bridge on the Lake Shore Road was repaired at a cost of $345.56, and watchmen who were ordered to be put on the said bridge when out of repair were pai[illegible] 192.00.

Your Committee consider that the Toronto-Hamilton Highway Commission should be responsible for the maintenance of this bridge, but as they repudiate their responsibility in connection with the same, your Committee consider it would be wise to put this bridge in a state to avoid liability for accidents. and when the matter is definitely settled expect to be able to collect at least a part of this expenditure from the Commission.

The Etobicoke Bridge on the Lake Shore Road was repaired at a cost of $21.61 under similar conditions.

The Caslor Bridge (Schedule No. 72) was repaired by putting new joists in the floor. The cost of the joists was $176.09.

A guard railing was built on the approach to the Glasgow Road Bridge at Bolton; the cost for labor and material being $36.15.

Respecting the 20 foot span concrete arch bridge on the boundary line between the Townships of Albion and Toronto Gore, opposite the second concession, your Committee have examined this bridge and would recommend that it be assumed as a County bridge and added to the schedule.

Your Committee would further recommend the payment of the following bills and commissions:

Thos. Stinson, contract price Black Horse bridge	$ 281	35
Thos. Stinson, contract price Moon's bridge	365	00
Thos. Stinson, hauling steel	4	00

Supplementary Report of the Committee on County Property, Roads and Bridges

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee would recommend the payment of the following accounts in connection with the concrete arch between the Townships of Albion and Toronto Gore.

Concrete work, to be paid to Croft $	56 40
To be paid in accordance with Engineer's certificate.	
Steel work, to be paid to Wood, Vallance & Co.	37 41
This amount to be paid to Albion- Toronto Gore.	
Freight and hauling steel, to be paid to Geo. Wiley	9 23
Approaches, to be paid Dougherty	89 55
Overseeing, to be paid Dougherty	31 50
Engineering and supervision to be paid Wheelock & Christie	74 00

We beg to further report that work has been done on the following bridges and would recommend that the amounts set opposite each bridge be paid.

No. 25 on Schedule, between Dufferin and Peel, repaired and gravelled ....$	6 00
No. 28 on Schedule, between Dufferin & Peel, to be repaired and gravelled	5 50
No. 31 on Schedule, between Dufferin and Peel, repaired and gravelled	6 00
No. 35 on Schedule, between Wellington and Peel, repaired and gravelled	5 00
No. 27 on Schedule between Dufferin and Peel, gravelled ..	4 00
	$ 26 50

These amounts have already been paid by the Township of Caledon. We recommend that the total amount, $26.50, be now paid to the Treasurer of the Township of Caledon.

There have been three new tile culverts put in between the Counties of Wellington and Peel. Two are of 2 ft. tile and the third of 12 in. tile. These culverts are not on schedule, but we would recommend them to the consideration of the whole Council.

We have a request from Mr. Dixon for office furnishing. Mr. Dixon has only one drop light in his office. Your Committee have investigated and in our opinion his request for additional lights should be granted, but would recommend this to the consideration of the whole Council.

All of which is respectfully submitted.

Second Report of the Agricultural Committee

Mr. Warden and Councillors.

Dear Sirs: As Chairman of the Agricultural Committee I beg to submit a short report.

At the last meeting of the Council a grant was made to the County Agricultural Society(Brampton Fair). This show is one to be proud of and this year had such a successful exhibition that I don't think there is any question about whether this money was wisely spent or not.

The only other expenditure directly agricultural has been made through our grant to the local Department of Agriculture, and with reference to that I here include a short report from the District Representative.

Department of Agriculture,

November 25, 1915.

Anson McCabe, Esq.,

Chairman Agricultural Committee.

Dear Sir: I beg to submit a few lines regarding the County expenditure in connection with this office.

At the June meeting I acquainted the County Council with my intention of buying an auto from the funds of the County grant. With your recommendation and the spoken approval of several members and no voiced opposition a Ford five passenger car was purchased at a total cost of $610. The roads and weather were very unfavorable to motoring during the summer, but in spite of that over 6,000 miles have been covered since July 6. We have been able to do much more work at a lower cost and are quite confident that this money could not have been used to greater advantage.

The only other item was a five dollar ($5.00) grant for a children's class at the Brampton Fall Fair. The Society offered about $40.00 for these classes in all. Specials were also offered to all the other shows, but these were personal donations.

I do not think it necessary to deal here with the many phases of our work and shall just assure you that everything is progressing satisfactorily.

Yours respectfully,

(Sgd.) J. A. CARROLL,

District Representative.

We recommend that the Treasurer be instructed to deposit the yearly appropriation to this department in the bank to the credit of the Department of Agriculture, to be dispensed on the cheque of the District Representative, countersigned by the Chairman of the Agricultural Committee.

I should like to draw your attention to a resolution passed by the York County Council regarding diseased American army horse rejects being dumped in our Country. Is this not worthy of some discussion here?

We recommend that notice be forwarded to the government L. S. Commissioner, asking that he investigate.

Trusting that this report is satisfactory, I am,

Yours respectfully,

ANSON McCABE,
Chairman of the Agricultural Com.

Adopted.

J. J. PORTER, Warden.

Physician's Report from the County House of Refuge

Gentlemen of the County Council.

My last report was on June 18, 1915. Since that time I have visited the House of Refuge thirty-two times.

During the period there has been very little sickness, only three deaths having occurred, viz.:

Joseph Tuck, aged 85, from dropsy, following La Grippe, on August 6th.

James McKinney, aged 85, from senile heart, on Oct. 24.

John Owens, aged 87, from Uraemia and general weakness, on Oct. 27.

A septic tank is being constructed and when completed will make the sewage disposal as perfect as possible.

I have the honor to be your obedient servant,

R. G. EDWARDS, Physician.

Brampton, Nov. 26, 1915.

PUBLIC SCHOOL INSPECTOR'S REPORT

Brampton, Ont., January 25th, 1915.

The Warden and Council, County of Peel.

Gentlemen: I have the honor to submit herewith for your consideration my report of the Public Schools in the Inspectorate of Peel for the year ending December, 1914. It may be of interest to you to have placed before you a comparative statement of conditions which obtained five years ago, when I became your inspector, and those which obtain at the present time. Although there has been a slight falling off in the attendance at the schools of the county as a whole, the school population has increased to such an extent in some localities as to render it necessary to employ additional teachers, there being now 102, whereas 98 were found sufficient in 1909. These additions were made in Brampton, where 2 were needed; Port Credit found that the attendance warranted the employment of the fourth and S. S. No. 5, Toronto Township, of the second teacher. S. S. No. 1, Toronto, has now a two teacher school. The attendance is increasing so rapidly in Sections Nos. 2, 4 and 6, Toronto, that the school boards therein will soon find it imperative upon them to provide more and better school accommodation. In the rural municipalities, with the exception of Toronto, there has been a falling off of 12 per cent. in the number of pupils enrolled. This will explain in part the higher cost of education in these townships as shown below:

The average salary paid in the rural sections rose in the five years from $445.00 to $613.00, or 38 per cent.; that paid to the teachers of urban schools from $530 to $665, or about 25 per cent.; the average salary of males in the latter schools now being $1000.00, and of females $550.00. The services of public school teachers are now remunerated much more generously than in 1909, but in view of the fact that it is generally admitted that the salaries were inadequate, the increased cost of living, the higher qualifications of the teachers, and consequently better service, it cannot be truthfully said that teachers' salaries have increased in a higher proportion than those of persons in other occupations. In 1909 the teaching staff was made up of teachers holding the following certificates: 3 First Class, 55 Second Class, and 40 Third Class and Temporary; in 1914 there were 9 teachers holding First Class, 81 Second Class and only 12 Third Class and Temporary Certificates, and I am pleased to be able to report that for the first time, in 1915, the Temporary certificates have entirely disappeared.

The cost of pupils enrolled five years ago was as follows: Albion $14.99, Caledon $15.06, Chinguacousy $18.50, Toronto $16.32, Toronto Gore $16.33, Brampton $13.16, Bolton $30.62, Streetsville $8.76. In 1914 Albion paid for each pupil $26.05, Caledon $22.08, Chinguacousy $28.41, Toronto $22.11, Toronto Gore $32.76, Brampton $14.91, Bolton $33.11, Port Credit $16.21 and Streetsville $11.66. As compared with 1909 the cost throughout the whole county shows an advance from $16.04 to $22.32. It will be seen from this statement that the cost of education is increasing much more rapidly in the rural than in the urban municipalities. The decrease in the school population of the former partly accounts for this. A further increase may be looked for and the taxpayers should seriously consider how the cost may be reduced without destroying the efficiency of the schools. Many of the schools are small, the average attendance in at least one-fourth of the rural schools does not exceed 12, yet these schools cost as much as if three times as many pupils were in daily attendance. The ratepayers in such sections are empowered by the Schools Act to close the schools temporarily and authorize their boards to provide for the admission of the pupils to the schools of adjoining sections and the accommodation provided under such arrangement shall be taken in lieu of the accommodation which the board is required by the Schools Act to make for the pupils of the section. Power is given trustees of such sections to levy and collect upon the taxable property of the section such sums as may be necessary to pay the fees of the pupils and also for the conveyance of the pupils to and from such schools. The township council shall pay to the board of such rural school the actual disbursements of the pupils at and the conveyance to and from the school which they attend, not exceeding the amount due such section from Township and County grants. Were this provision of the Schools Act taken advantage of, it would reduce the number of schools by one-fourth and effect a saving of from 10 to 15 per cent. in the total expenditure.

The question of the future in our province is the consolidation of the rural schools. Up to the present this question has not received much consideration, and where it has been discussed has not met with the favor it deserves. However, time will bring about a change of view as the advantages are better understood and appreciated. In the provinces where the system has been adopted it has given very general satisfaction. The ideal school is a large one under the management of a male teacher living in a house, provided by the community and surrounded by from three to five acres of land used as an experimental plot by the patrons of the school. In such schools the teaching of agriculture could be carried on systematically and the boys and girls specially fitted for life in the country. The teachers having fewer classes would be able to devote more time to the personal help and guidance needed by young children in their work. The better returns brought by the better conditions in a consolidated school would be more than double those now obtained. In fact, one dollar spent in maintaining the larger school would be worth two devoted to the maintenance of the small one-teacher school.

In my report of a year ago I deplored the number and frequency of the changes that occur in the teaching staff of the county, especially in the rural municipalities. Again I desire to call your attention to the fact that of the 79 teachers in these schools only 36 were employed in the same school as that in which they began the year, and of these 5 resigned at Christmas. In the 21 departments of the urban schools there were but 4 changes made during the year. Until the cause for these changes is known and the proper remedies applied a very considerable portion of the money expended in maintaining schools will be wasted. The education of our youth is the most important duty of the hour and I venture to suggest that this council might very properly and profitably devote a portion of its time to the consideration of this matter.

Trustees are showing commendable interest in placing their schools in charge of adequately trained teachers, as is shown in a statement above regarding teachers' certificates, but many have not awakened to the necessity of creating environments in which the most effective work can be performed. To assist in arousing an interest in the improvement of school grounds and transforming them into spots of which people will be proud, Richard Blain, Esq., M.P., and James R. Fallis, Esq., M.L.A., have permitted me to announce that they will offer prizes to school boards making the greatest improvement in their grounds during the year 1915. Trustees will in due time receive notification of details relative to this offer and it is much to be desired that it will be productive of a general effort on the part of trustees and patrons of the schools of the county.

The incorporation of the Village of Port Credit deprived S. S. No. 19, Toronto, of school accommodation. The pupils of this section were permitted to attend the school in the village during the past year, but a board of arbitration appointed to consider the matter re-united S. S. No. 19 with the Municipality of Port Credit for school purposes.

An arbitration consisting of the Judge of Halton, the P. S. Inspectors of Halton and Peel, and representatives of the Townships of Chinguacousy and Esquesing, was asked to consider the advisability of forming a new union section of parts of Nos. 3 and 4, Chinguacousy, and No. 15, Esquesing. After carefully considering the matter the arbitrators decided that although several children were inconvenienced because of the distance to an organized school, they would not be justified in imposing the financial burdens upon the ratepayers interested that the establishment of a new section would incur. In order to lessen the cause of complaint the trustees of No. 3, Chinguacousy, offered to engage a carriage for the conveyance of the children of Terra Cotta to the school in their section. I understand that this arrangement is giving good satisfaction.

In the beginning of the year I called together the trustees of the rural schools to consider the advisability of forming Township Trustees' Associations. The proposition met with such favor that four associations were formed. At the close of 1914 and in the beginning of 1915 meetings of all these associations were held, which I attended and addressed on matters of general interest. Considerable interest was shown in every case and arrangements made for the next annual meeting. I hope in this way to secure the co-operation of all persons interested in education and to further the best interest both of ratepayers and the children.

In concluding this report I appeal to you for your hearty assistance in making our schools among the best in the province.

I have the honour to be,

Your obedient servant,

W. J. GALBRAITH,

P. S. Inspector.

Report of the Special Committee Appointed to Investigate and Report on the Question of a Better System of Bookkeeping.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee begs leave to report as follows:

1. We met at the Court House on November 19 and after enquiry and general discussion we decided to adjourn, to meet during the November session and report progress.

2. Your Committee have again been in session and beg to make the following recommendations:

1. That the Treasurer be instructed to open separate accounts in the Bank under the following headings: General Account, Good Roads, House of Refuge and Patriotic Fund.

2. That all payments of money other than those authorized by Statute shall be made only upon the order of the Clerk, which order shall set forth the authority as provided by Council for the payment of same, said orders to be countersigned by the Warden.

3. That the Treasurer present to this Council at each of its regular sessions a statement of all receipts of money under By-laws or from any other source whatsoever.

3. We further recommend that the foregoing regulations be

incorporated and presented to this Council at its next session by the Corporation Solicitor

We recommend that the following commissions and expenses be paid by the Treasurer:

C. Elliott, 1 day and expenses	$ 4 10
J. J. Porter, 1 day and expenses	4 00
A. H. Milner, 1 day and expenses	3 00
F. N. Leavens, 1 day and expenses	5 00

All of which is respectfully submitted.

November 27, 1915. Adopted.

J. J. PORTER, Warden. F. N. LEAVENS, Chairman.

Brampton, Nov. 23, 1915.

To the Warden and Council of the County of Peel.

Gentlemen: I desire to place before your Council the financial standing of the County.

1st. Your Warden and Treasurer has borrowed from the Merchants Bank to this date	$ 30000 00
And your Treasurer has transferred from the Patriotic fund (which is still in the County account)	5000 00
2nd. We have an overdraft in the Bank to-day	5485 94
We owe Caledon on good roads acct.	1671 39
We owe Gore on good roads acct.	832 90
It will take to pay salaries and Co. Council	1700 00
County Bridges to pay	1900 00
House of Refuge	400 00
Grants to fairs and soldiers	2500 00
Assets	$ 49490 23
County Rates	$ 44000 00
Road Improvement rates	8000 00
Albion owes on good roads acct.	2467 92
Chinguacousy owes on good roads acct.	4221 18
Toronto owes on good roads acct.	6084 14
Receipts to come from Simcoe and Halton	685 00
	$ 65458 24
Balance to credit of County	$ 15968 01

You will see by this statement that we have a balance of over $15000.00 when the liabilities are paid to the County. These liabilities are Chinguacousy $4221.18, Toronto $6084.14, due from Halton and Simcoe Counties $685. You can add to these amounts to be paid on good roads at December meeting of Good Roads Committee $4,000.00. This makes a total of $14990.32. Now you can see that we require all liabilities to the County to be paid in the current year, or the grants to the fairs and soldiers cannot be paid, nor the good roads bills for the December meeting.

R. CRAWFORD, Treasurer.

BY-LAWS

BY-LAW NO. 460

A By-law Appointing a Board of Audit for 1915.

Whereas R. S. O. 1897, Chapter 102, provides for the appointing of a Board of Audit to audit certain accounts and demands delivered to the Clerk of the Peace of the County of Peel;

Therefore the Municipal Corporation of the County of Peel enacts:

1. That a Board of Audit for the purpose of auditing accounts and demands that shall during 1915 be delivered to the Clerk of the Peace of the County of Peel pursuant to the provisions of R. S. O. Chapter, 102, be and the same is hereby appointed.

2. That Duncan McGibbon, Esquire, Judge of the County Court of the County of Peel, shall be member of such Board of Audit.

3. That Mr. F. N. Leavens be and he is hereby appointed a member of such Board of Audit.

4. That Mr. Fred Lansdell be and he is hereby appointed a member of such Board of Audit.

5. That such Board shall make a report in writing as required by Section 6 of said Act.

6. That each member of the Board of Audit be paid the sum of $3.00 for each day of such Audit, together with ten cents per mile necessarily travelled to attend such audit, and the Treasurer of the County of Peel be and he is hereby authorized to pay the same.

Passed in open Council this 28th day of January, 1915.

D. KIRKWOOD, County Clerk. J. J. PORTER, Warden.

BY-LAW NO. 461

A By-law to Appoint a Commissioner, pursuant to the requirements of By-law No. 373 of the Municipal Corporation of the County of Peel.

Whereas By-law No. 373 provides that each of the Counties of Peel and Halton shall appoint a Commissioner to jointly oversee the work of improvement or enlargement that may be necessary to be made to the House of Refuge of the Counties of Peel and Halton.

Therefore the Corporation of the County of Peel enacts as follows:

1. That Wm. Rutledge be and he is hereby appointed Commissioner under said By-law No. 373, to act with the Commissioner appointed by the County of Halton for the purpose of performing the duties required by the said By-law No. 373, and any other duties pertaining to the said House of Refuge that may be required of him by the Municipal Council of the County of Peel.

2. That all By-laws inconsistent with the provisions of this By-law be and they are hereby repealed.

Passed in open Council this 29th day of January, 1915.

D. KIRKWOOD, County Clerk. J. J. PORTER, Warden.

BY-LAW NO. 462

A By-law Authorizing the Borrowing of Money for County Purposes

Whereas it is expedient to raise by way of loan the sum of Thirty Thousand Dollars ($30,000.00) required to meet the current expenditure of the Corporation of the County of Peel;

Be it resolved, therefore, and the Council of the County of Peel enacts as follows:

1. That it shall and may be lawful for the Warden and Treasurer of the County of Peel, and they are hereby authorized and empowered to borrow from the Merchants' Bank of Canada, or any chartered Bank, at the office of such bank in the Town of Brampton, a sum not exceeding the sum of Thirty Thousand Dollars ($30,000) for the purpose aforesaid.

2. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada or such other bank at Brampton, the promissory note or notes of the said Warden and Treasurer, payable at the office of the said Bank in Brampton on or before the 31st December, with interest thereon at the best obtainable rate per annum, and to execute renewals thereof in whole or in part, until such advances are fully repaid.

Done and passed at Brampton this 29th day of January, 1915.

D. KIRKWOOD, County Clerk. J. J. PORTER, Warden.

BY-LAW NO. 463

A By-law to equalize for County Purposes the Assessment of the several Municipalities within the County of Peel for the year 1915.

Whereas under the provisions of the revised assessment act of the Province of Ontario every County Council is required to equalize by By-law the assessment of the several Municipalities of the County in order to produce a just relation between them as a basis of County assessment;

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

That the equalized assessment of the several Municipalities of the County of Peel for the present year be as in the following schedule embodied herein:

Name of Municipality.	Equalized Assessment
Albion	$ 1,693,000
Caledon	2,033,000
Chinguacousy	4,252,000
Toronto Township	4,080,000
Toronto Gore	972,000
Brampton	1,449,000
Bolton	189,000
Port Credit	388,000
Streetsville	245,000
	$15,301,000

Passed this 29th day of January, A.D. 1915.

D. KIRKWOOD, County Clerk. J. J. PORTER, Warden.

BY-LAW NO. 464

To Amend By-law No. 458

Whereas at the November session of the Municipal Council of the Corporation of the County of Peel the Council did pass a By-law appointing a High Constable in and for the County of Peel and fixing the salary of the said Constable;

And whereas it is desirable to amend the said By-law;

Therefore the Corporation of the County enacts as follows:

1. That Clause 3 of the said By-law be amended by striking out $50.00 per annum of Clause 3 and inserting two hundred per annum.

Passed this 30th day of January, A.D. 1915.

D. KIRKWOOD, County Clerk. J. J. PORTER, Warden.

BY-LAW NO. 465

A By-law to assess rateable property in the County of Peel for maintenance and repair of Public Highways designated and assumed by the Corporation of the County of Peel by By-law No. 341 and amending By-laws.

Whereas it is the duty of the Municipal Corporation of the County of Peel to maintain and keep in repair all highways designated and assumed by the Corporation by By-law No. 341 and amending By-laws;

Therefore the Corporation of the County of Peel by the Council thereof enacts as follows:

1. There shall be raised, levied and collected from all persons rated on the assessment rolls of the several municipalities of the County of Peel liable to be assessed, the sum of $8,000.00 for maintenance and repair of highways that have already been designated, assumed and improved by the said Corporation under By-law No. 341 and Amending By-laws.

2. That the said sum shall be raised, levied and collected from all rated on the assessment rolls of the several Municipalities of the County of Peel liable to be assessed in proportion to the equalized assessment of the several Municipalities of the County of Peel.

3. That the sums so raised from the Municipalities of Brampton, Bolton, Pt. Credit and Streetsville, in the Co. of Peel, shall be repaid to the Municipalities of Brampton, Bolton, Port Credit and Streetsville, respectively, when and so soon as the same is raised, levied and collected.

4. That the sums so raised from the Municipalities of the County of Peel, other than Brampton, Bolton, Port Credit and Streetsville shall be used for the purpose of maintaining and keeping in repair the said highways in their respective Municipalities, and shall be placed to their credit.

5. The whole of said sum of $8,000.00 shall be raised, levied, and collected and paid to the Treasurer of the County of Peel on or before the 15th day of December next.

6. That the monies so raised and used in metaling of roads, gravelling and repairing of bridges shall be used under the direction of the Superintendent of Highways of the County of Peel.

Passed in open Council this 1st day of April, A.D. 1915.

D. KIRKWOOD, County Clerk. J. J. PORTER, Warden.

BY-LAW NO. 467

Being a By-law to Assess the Rateable Property of the County of Peel for the Year 1915.

Whereas it is necessary to provide by a general assessment on the rateable property of the County of Peel for the year 1915 for the payment of the general and incidental expenses of the County and for the payment of a portion of the salary of the Inspector of Public Schools;

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

1. That there be raised, levied and collected from all persons rated on the assessment rolls of the several Municipalities of the Co. of Peel liable to be assessed in the current year the sum of forty-four thousand dollars ($44,000.00) for the payment of the salaries of County officials, a portion of the expense of the Administration of Criminal Justice, allowance to County Councillors, and other necessary and incidental expenses of the current year.

2. The sum of $884.02, being an equivalent to the special Gov-

ernment grant to the Public and Separate Schools, by an equal rate upon the taxable property of the whole County, according to the equalized assessment of the whole County.

3. The sum of five thousand seven hundred and eighty-three dollars ($5783.00) under By-law No. 351 of the said Corporation, authorizing the issue of Debentures to the amount of one hundred thousand dollars for the improvement of highways assumed by the County.

4th. The sum of six thousand one hundred and thirty-nine dollars and fifteen cents ($6,139.15) under By-law No. 381 of the said Corporation, authorizing the issue of debentures to the amount of one hundred thousand dollars for the further improvement of highways assumed by the County.

5. The sum of one thousand nine hundred and fifty-one dollars and fifty-four cents, a special charge on the Municipality of the Township of Toronto under the provisions of By-law No. 426.

6. The sum of three thousand nine hundred and three dollars and nine cents under By-law No. 434 of the said Corporation, authorizing the issue of debentures to the amount of sixty thousand dollars for the further improvement of highways assumed by the County.

7. The sum of eight thousand dollars under By-law No. 465 of the said Corporation, authorizing the said sum to be raised for repairs and maintenance of roads within the County of Peel which have been assumed as County roads.

8. The sum of fourteen thousand six hundred and fifty-one dollars, being a special rate of one mill on the dollar on the equalized assessment of the County for County purposes. Under the provisions of the War Tax Act of 1915.

9. The sum of four thousand one hundred dollars under By-law No. 466 of the said Corporation, authorizing the said sum to be raised for the completion of the Good Roads System in the Township of Chinguacousy, the same being a special charge on the said Township of Chinguacousy.

10. The whole of said sums to be collected and paid to the Treasurer of the County of Peel on or before the 14th day of December next, as per schedule annexed.

Passed this 19th day of June, A.D. 1915.

D. KIRKWOOD, County Clerk. J. J. PORTER, Warden.

BY-LAW NO. 468

A By-law Authorizing the Borrowing of Money for County Purposes

Whereas is it expedient to raise by way of loan a further sum of Ten Thousand Dollars, ($10,000,) required to meet the current expenditure of the Corporation of the County of Peel:

Be it resolved therefore, and the Council of the County of Peel enacts as follows:

1. That it shall be lawful for the Warden and Treasurer of the County of Peel and they are hereby authorized and empowered to borrow from the Merchants' Bank of Canada, or any Chartered Bank at the office of such Bank in the Town of Brampton, a sum not exceeding the sum of ten thousand dollars ($10,000.00), for the purpose aforesaid.

2. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and to deliver to the manager of the Merchants Bank of Canada, or such other Bank at Brampton the promissory note or notes of the said Warden and Treasurer, payable at the office of the said Bank in Brampton on or before the 31st of December, 1915, with interest thereon at the best obtainable rate per cent. per annum, and to execute renewals thereof in whole or in part, until such advances are fully paid.

Passed at Brampton the 24th day of November, 1915.

D. KIRKWOOD, Clerk. J. J. PORTER, Warden.

BY-LAW NO. 469

A By-law to Appoint Auditors for the Year 1916.

Whereas on the 3rd day of December, 1907, the Council of the Municipal Corporation of the County of Peel did pass a By-law as provided in section 301 of the Municipal Institutions Act, providing for the appointment of Auditors during the months of November or December for the following year;

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

1st. That John D. Gordon of Brampton and F. J. Jackson of Meadowvale be and they are hereby appointed Auditors for the County of Peel for the year 1916.

2nd. That the above named Auditors be, and they are appointed Auditors of school monies.

3rd. That it shall be the duty of the above named Auditors to audit the Treasurer's accounts for the year 1915, and all other accounts as directed by the Council.

4th. That each Auditor be paid the sum of $30.00 on the order of the Warden when the work is duly performed.

Passed this 25th day of November, A.D. 1915.

D. KIRKWOOD, Clerk. J. J. PORTER, Warden.

BY-LAW NO. 470

A By-law to Grant $1500.00 to the 126th Overseas Battalion.

Under and by virtue of the powers conferred upon the Councils of all Municipalities under sub-sections 35 and 36 of section 398 of the Municipal Act, chapter 192, Revised Statutes of Ontario, 1914.

The Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That a grant of $1500.00 be and the same is hereby made to the 126th Overseas Battalion for providing military outfit or equipment for the members of such corps.

2. That the said sum shall be paid by the Treasurer of the County of Peel to Colonel Fred J. Hamilton, commanding officer of the said Battalion, for the said purposes when requested by the said commanding officer.

3rd. This By-law shall come into force and effect from and after the date of the passing thereof.

Passed this 25th day of November, 1915.

D. KIRKWOOD, Clerk. J. J. PORTER, Warden.

BY-LAW NO. 471

A By-law to Fix a Uniform Scale of Wages for Work Done on County Roads

Whereas by a By-law of the County Council of the Co. of Peel, certain roads in the Townships of Chinguacousy, Toronto, Caledon, Albion and Toronto Gore, in the said County of Peel, were designated and assumed as County roads, as are more particularly set forth and described in the respective By-laws passed for that purpose by the said County Council of the County of Peel;

And whereas for the purpose of fixing a scale of wages to be applied for work done on the County Good Roads System, under the County Engineer, it is expedient that such scale of wages shall be uniform with the wages paid in the said townships through which this work is being done;

Therefore the Municipal Corporation of the County of Peel, by the Council thereof enacts as follows:

1. That the County Engineer shall not employ men and teams in any of the said townships in which work is being done under the Good Roads System at a higher wage than is paid by that township for similar work done by them on their roads.

2. That this By-law shall come into force and effect from and after the date of the passing thereof.

Passed this day of November, 1915.

D. KIRKWOOD, Clerk. J. J. PORTER, Warden.

BY-LAW NO. 472

A By-law Adopting a Better System of Bookkeeping by the County Treasurer

Whereas a Special Committee of the County Council of the County of Peel was appointed to investigate and report on the question of a better system of bookkeeping by the County Treasurer, and after meeting and discussing the question a report was made by the said Committee and submitted to this Council and adopted by this Council on November 27th, 1915;

And whereas the said Committee by the said report recommended:

1. That the Treasurer be instructed to open separate accounts in the Bank under the following headings: 1, General Account; 2, Good Roads; 3, House of Refuge; 4, Patriotic Fund.

2. That all payments of money other than those authorized by Statute shall be made only upon the order of the Clerk, which order shall set forth the authority as provided by Council for the payment of same; said orders to be countersigned by the Warden.

3. That the Treasurer present to the Council at each of its regular sessions a statement of all receipts of money under By-laws or from any other source whatsoever.

And whereas the said Committee recommended that the foregoing regulations be incorporated in a By-law of this Council.

And whereas this Council are of the same opinion;

Therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That the Treasurer of this Council be and he is hereby instructed to open separate accounts in the Merchants Bank of Canada at Brampton under the following headings: 1, General Account; 2, County Good Roads System;; 3, House of Refuge; 4, Patriotic Fund; Public Schools.

2. That all moneys whether payable by cheque or money or otherwise received by the Treasurer on behalf of the County of Peel, shall be deposited to one of the said accounts and to the one to which the same properly belongs.

3. That all payments of money other than those authorized by Statute shall be made by the Treasurer only upon the order of the Clerk of the said County of Peel, which order shall set forth the authority as provided by this Council for the payment of the same, and the said orders to be countersigned by the Warden of this County holding office from time to time.

4. That the Treasurer of this Council present to the Council at each of its regular sessions an itemized statement of all receipts of money received by him as Treasurer, under By-laws or from any other source whatsoever.

5. That all other By-laws or resolutions inconsistent with this By-law, the same are hereby repealed.

This By-law shall come into force and take effect from and after the first day of January, 1916.

Passed this 3rd day of December, A.D. 1915.

BY-LAW NO. 466

A By-law to Authorize the Levying of a Special Rate Upon the Twp. of Chinguacousy for the Sum of $4,000.00 and Interest Under "The Highway Improvement Act."

Whereas under and by virtue of the provisions of "An Act for the Improvement of Public Highways" (7 Edward VII., Chapter 16) the sum of $1,000,000.00 was set apart to be paid out of the Consolidated Revenue Fund of the Province of Ontario to aid in the improvement of Public Highways, subject to the terms and conditions therein set forth;

And whereas the said Act was amended by striking out the figures $1,000,000.00 in the first line and substituting $2,000,000.00 therefor, under the provisions of the Statutes of Ontario 2 George V., Chapter 11.

And whereas it was thought desirable by the County Council of the County of Peel that the County of Peel should participate in the said sum of $1,000,000.00 set apart by 7 Edward VII., and for that purpose should adopt a system of County Roads and construct and repair the same in accordance with the regulations of the Public Works Department of the Province of Ontario, with respect to Public Highways, as in said Act prescribed, and the said County Council of the County of Peel did establish a system of County Roads under the said Acts.

And whereas Section 26 of the Highway Improvement Act, Chapter 40 of the Revised Statutes of Ontario, 1914, enables the Council of any County in which a system of roads in established, upon the application of a Township Municipality under the jurisdiction of the County Council, and with the approval of the Minister of Public Works, to levy a special rate upon such Township Municipality for the construction, improvement or maintenance of County Roads within such Township Municipality.

And whereas the Municipality of the Township of Chinguacousy in the County of Peel has made application, dated the 14th day of June A. D. 1915, to the Council of the County of Peel for the sum of $4,000.00, which said application has the seal of the said Township of Chinguacousy attached thereto and signed by the Reeve and Clerk of the said Township, and reads as follows, that is to say:

"Moved by Robert McCulloch, seconded by W. D. Bowles, that whereas the Township of Chinguacousy has yet about three miles of gravel road to build to complete their portion of the County System, and for this purpose will require about $4,000.00, we do hereby request the County Council now in session to pass a by-law authorizing the levy of said amount off the Township of Chinguacousy for this purpose, and that the Corporate Seal be added to this resolution."

And whereas the said Township has requested that a special rate be levied upon the said Township of Chinguacousy for the repayment ment of the said sum of $4,000.00 and interest thereon.

Now therefore the Municipal Corporation of the County of Peel enacts as follows:

1. That the said sum of $4,000.00 shall be expended by the County of Peel in the construction and improvement of the said highways in the Township of Chinguacousy.

2. That the said debt with interest at the rate of five per cent. per annum from the date this By-law receives the approval of the Minister of Public Works shall be payable by the said Corporation of the Township of Chinguacousy into the Merchants Bank of Canada at Brampton on the fifteenth day of December, A. D. 1915, to the credit of the account of Robert Crawford, Treasurer of the Municipal Corporation of the County of Peel in the said Bank.

3. For the payment of the said debt, there shall be raised, levied and collected during the year 1915, by special rate on all rateable property in the Township of Chinguacousy in the County of Peel the sum required for the purpose of paying the said amount due for principal and interest at the time and place aforesaid.

This By-law shall come into force and effect from and after the date it receives the approval of the Minister of Public Works as required by Section 26 of the Revised Statutes of Ontario, Chapter 40.

Passed in open Council this 16th day of June, A.D. 1915.

TREASURERS' STATEMENT

Of County Accounts for the Year 1915

To the Warden and Council of the County of Peel.

Gentlemen: I beg leave to report that the County Accounts for the year ending December 31, 1915. have been prepared in detail and have been audited.

The receipts from all sources are		$163482 92
And the disbursements		146811 72
Leaving a balance to the credit of the county on Jan. 1st, 1916, of		$ 16671 20
We also have a credit from Albion of overdrawn account on good roads of	$ 3447 54	
And a credit from Toronto Twp. for overdrawn account on good roads of	4476 19	
		$ 7923 73
This gives us a total balance of		$24594 93

A portion of this balance belongs to the following accounts:

Caledon Good Roads account	$ 2538 71	
Chinguacousy Good Roads account	160 52	
Gore Good Roads account	900 81	
		$ 3600 04
Debentures and coupons payable in April, June and July		$15825 24
		$ 19425 28
Balance in favor of the county of		$ 5169 65
		$ 24594 93

You will see by this statement a balance to the credit of our current account when all credits are paid in and all liabilities paid.

Our balance is	$ 5169 65
As against a deficit last year of	5728 70
This would show a gain in the financial standing of the county of	$ 10898 35
The increase in county rates over last year, 1914, was	$ 11000 00

It will be necessary to pass your by-law authorizing the borrowing of money at this session of the council, as our first payment for debentures and coupons is due April 3rd, and I would suggest that the amount placed in the by-law be $40,000.00, and that will save passing additional by-laws during the year.

You will find attached the four Quarterly Statements; also Public School, Non-Resident Tax, Peel and Halton House of Refuge, Patriotic Fund, and also the statement of the money granted by the council for the enforcing of the Canada Temperance Act.

I have also made a full statement of monies expended on good roads and repairs for each Municipality, and a summary of all monies expended on good roads, showing the balances in each case.

I did not transfer the Toronto Township damage claim to the county account, as per resolution in December session of the council. I saw it was not legal to do so on the resolution passed and thought best to leave it until the council would meet.

TREASURER'S STATEMENT

of the Canada Temperance Act, Account for 1915

The Canada Temperance Act came in force on May 1st, 1915, and a change in the law made it compulsory for the County to deposit in the bank fifteen hundred dollars for the purpose of enforcing the Act. The County Council at the June session passed in the Finance Committee's Report an order instructing your treasurer to deposit the said fifteen hundred dollars in the bank to the credit of The Canada Temperance Act account of Peel County. On June 21 your Treasurer deposited the $1500.00 in the Dominion Bank to the credit of said account. There were six fines (to my knowledge) paid under the Canada Temperance Act which amounted to $300.00. This amount was also deposited in the bank to the credit of the account. I issued no cheques against the said account for the year 1915 and therefore cannot tell you anything about the disbursements, nor what balance is on hand. On January 11, 1916, I received a cheque from the license inspector, J. D. Orr, for $300.00 made payable to the treasurer of Peel County. I have opened an account in the Merchants Bank called the Canada Temperance Act account and on January 11 I deposited the cheque in this new account of $300.00 that I received from Mr. Orr.

Council Chamber, January 14, 1916.

ROBERT CRAWFORD, County Treasurer.

AUDITORS' REPORT

The Warden and Council of the County of Peel.

Gentlemen: Your auditors for the year 1915 beg leave to report as follows:

We have traced the revenue of the year as given by the Treasurer and find that every item of cash received as shown by his cash book was deposited in the Bank. The total receipts for the year amounted to $163,482.92. We have likewise checked the expenditure and he produced vouchers for the outlay in the shape of accounts duly receipted and cheques endorsed by the parties to whom payable. For Good Roads construction and Good Roads repair pay sheets certified by the County Engineer and Councillors of the townships were handed to us for our scrutiny.

A thorough knowledge of the monetary conditions of the County and care in the handling of money passing through his hands are apparent throughout the year's work. Your Treasurer certainly deserves credit for his carefulness and watchfulness. The total expenditure for the year was $146,811.72. This leaves a balance of $16,671.20 on hand as shown by the Treasurer's books. The bank book shows a balance of $16,990.34. This difference is accounted for by cheques issued in 1915 not having been presented for payment until after the New Year. We note that they have nearly all been paid at this writing. and we shall leave on record a list of the cheques outstanding as data for the Auditors for 1916.

We are giving a memo of how your cash will stand when the maturing debentures and coupons payable in April, June and July are paid.

We would recommend that, at your January session. you pass a by-law giving your Treasurer authority to borrow money for the County's needs in case he requires it.

During the year $40,000 was borrowed from the Merchants Bank. This has all been repaid. We notice that the sum of $1500 was deposited in the Dominion Bank as a fund for the enforcement of the Canada Temperance Act. The License Branch has sent a statement of how this account stands, which we give below.

Dr. to cheque as stated ....$	1500 00	
Fines during the year	300 00	
		$ 1800 00
Cr. by sundry expenses, salaries, etc. ....$	672 89	
Fines paid to your Treasurer	300 00	
		$ 972 89
Balance		$ 827 11

The Peel and Halton House of Refuge Accounts show a total revenue of $6753.56, and an expenditure of like amount, leaving no balance on hand. Vouchers in the shape of cheques were presented for every item of outlay, and the Bank Book and the Treasurer's cash book agree.

The non-resident land taxes are as follows for 1915:

Township of Caledon	$	102 67
Township of Chinguacousy		204 62
Township of Albion		151 32
	$	458 61

These amounts have been paid over to the Treasurers of the townships entitled thereto.

The School monies have been carefully gone over and show as under:

RECEIPTS

Balance on hand from 1914	$	6 50
Accrued interest, 1915		8 95
Legislative grant, Public Schools		5175 15
Legislative grant, Separate Schools		73 87
Legislative grant re libraries		26 81
Total receipts	$	6175 30
Disbursements	$	6859 85
Balance on hand	$	15 45

Warrants were issued by W. J. Galbraith, Public School Inspector and the Educational Department, as the Treasurer's authority for the expenditure, which just balanced the receipts, with the exception of $15.45 accrued interest.

The Patriotic Fund has played no small part in the finances of the County during the year, as the following summary shows.

Your Treasurer has compiled a detailed account giving the names of those to whom the different sums have been paid, and as he paid by cheque only we had these presented duly endorsed as vouchers.

Treasurer's office, January 1st, 1916.

ROBERT CRAWFORD, Co. Treasurer.

Auditors' Report on Treasurer's Accounts for the Year 1915

To the Warden and Council of the County of Peel.

Gentlemen: Your auditors for the year 1915 beg leave to report as follows:

We have traced the revenue of the year as given by the Treasurer and find that every item of cash received as shown by his cash book was deposited in the bank. The total receipts for the year amounted to $163,482.92. We have likewise checked the expenditure and he produced vouchers for the outlay in the shape of accounts duly receipted and cheques endorsed by the parties to whom payable. For Good Roads construction and Good Roads repair pay sheets certified by the County Engineer and Councillors of the townships were handed to us for our scrutiny.

A thorough knowledge of the monetary conditions of the county and care in the handling of money passing through his hands are apparent throughout the year's work. Your Treasurer certainly deserves credit for his carefulness and watchfulness. The total expenditure for the year was $146,811.72. This leaves a balance of $16,671.20 on hand as shown by the Treasurer's books. The bank book shows a balance of $16,990.34. This difference is accounted for by cheques issued in 1915 not having been presented for payment until after the new year. We note that they have nearly all been paid at this writing, and we shall leave on record a list of the cheques outstanding as data for the Auditors for 1916.

We are giving a memo of how your cash will stand when the maturing debentures and coupons payable in April, June and July are paid.

Balance on hand Dec. 31, 1915, as given above		$ 16,671.20
Albion has overdrawn on Good Roads account		3,447.54
Toronto Township has ovedrawn on Good Roads acct. ..		4,476.19
Total		$24,594.93
Due to Caledon on Good Roads account	$ 2,538.71	
Due Chinguacousy on Good Roads Account ..	160.52	
Due Toronto Gore on Good Roads account ..	900.81	
Debentures and Coupons due in April, June & July, 1916	15,825.24	
Total	$ 19,425.28	
Credit Balance		$ 5,169.65

We would recommend that, at your January session, you pass a By-law giving your Treasurer authority to borrow money for the County's needs in case he requires it.

During the year $40,000 was borrowed from the Merchants Bank. This has all been repaid. We notice that the sum of $1,500 was deposited in the Dominion Bank as a fund for the enforcement of the Canada Temperance Act. The License Branch has sent a statement of how this account stands, which we give below.

Dr.	To cheque as stated	$ 1,500.00	
	Fines during the year	300.00	
			$ 1,800.00
Cr.	By sundry expenses, salaries, etc.	$ 672.89	
	Fines paid to your Treasurer...........	300.00	
			$ 972.89
	Balance		$ 827.11

The Peel and Halton House of Refuge accounts show a total revenue of $6,753.56, and an expenditure of like amount, leaving no balance on hand. Vouchers in the shape of cheques were presented for every item of outlay, and the bank book and the Treasurer's cash book agree.

The non-resident land taxes are as follows for 1915:

Township of Caledon	$ 102 67
Township of Chinguacousy	204 62
Township of Albion	151 82

These amounts have been paid over to the Treasurer's of the Townships entitled thereto.

The School Monies have been carefully gone over and show as under:

Receipts

Balance on hand from 1914	$ 6 50
Accrued interest, 1915	8 95
Legislative Grant, Public Schools	5175 15
Legislative Grant Separate Schools	73 87
Legislative Grant re Libraries	26 81
Total receipts	$6175 30
Disbursements	$6859 85
Balance on hand	$ 15 45

Warrants were issued by W. J. Gailbraith, Public School Inspector, and the Educational Department as the Treasurer's authority for the expenditure, which just balanced the receipts, with the exception of $15.45 accrued interest.

The Patriotic Fund has played no small part in the finances of the County during the year, as the following summary shows.

Your Treasurer has compiled a detailed account, giving the names of those to whom the different sums have been paid, and as he paid by cheque only we had these presented duly endorsed as vouchers.

MINUTES

JANUARY SESSION

FIRST DAY

Corporation of the County of Peel,
Council Chamber, Brampton, January 25, 1916.

The members elect of the Council of the County of Peel met, and were called to order by the Clerk, who presided.

The following members, having filed their statutory certificates with the Clerk, answered to their names as representing the several municipalities, viz.:

For the Township of Albion, David Wilson, Reeve; Isaac Steele, Deputy Reeve.

Township of Caledon, Wm. J. Limebeer, Reeve; Samuel Kannawin, Deputy Reeve.

Township of Chinguacousy, Guy Bell, Reeve; Wm. D. Bowles, Deputy Reeve.

Township of Toronto, David H. McCaugherty, Reeve; Leslie H. Pallett, 1st Deputy Reeve; Edward H. Orr, 2nd Deputy Reeve.

Township of Toronto Gore, Joseph Julian, Reeve.

Town of Brampton, L. J. C. Bull, Reeve; William Warr, Deputy Reeve.

Village of Bolton, Edwin A. Walshaw, Reeve.

Village of Port Credit, Charles Elliott, Reeve.

The Village of Streetsville was not represented.

The Clerk stated that subject to certain restricion the Council could adopt the mode of procedure in the election of Warden.

Moved by Mr. Pallett, seconded by Mr. Kannawin, that the mode of procedure for the election of the Warden for the County Council of Peel, for the year 1916, shall be as follows:

1. Fifteen minutes shall be allowed for nomination.

2. The member of this council who has filed his certificate of election under the Municipal Act receiving the majority of votes of the members present shall be declared elected.

3. In the event of more than two members accepting the nomination, the name of the member receiving the lowest number of votes shall be omitted from the next vote, and the election continued in this way until two members only are candidates, the one of these two receiving the majority of votes of the members as aforesaid shall then be declared elected.

4. In other respects the form of procedure shall be in accordance with the Municipal Act.

This resolution being adopted, the Clerk asked for nominations for the office of Warden.

Moved by Mr. Bowles, seconded by Mr. Bull, that Guy Bell, Reeve of the Township of Chinguacousy, be warden for this County Council for the year 1916.

Moved by Mr. Walshaw, seconded by Mr. Wilson, that Mr. Wm. J. Limebeer, Reeve for Caledon, be the warden of the County of Peel for the year 1916.

No other nomination being made within the allotted time, a vote was taken on the motion that Mr. Bell be warden.

Yeas, Messrs. Bell, Bowles, Bull, Elliott, Julian, Orr and Warr.

On the motion that Mr. Limebeer be warden the yeas were: Messrs. Kannawin, Limebeer, McCaugherty, Pallett, Steel, Walshaw and Wilson.

The vote being a tie it was decided by the Statutory Provision, which gives the Reeve of the Municipality having the highest equalized assessment a second or casting vote, Chinguacousy having the highest equalized assessment, Mr. Bell, the Reeve of Chinguacousy, gave a second or casting vote in favor of Mr. Bell, the candidate, who was then declared duly elected by the Clerk.

The Warden elect was then conducted to the chair by his mover and seconder, and, after briefly addressing the Council, made and subscribed to the stututory declaration of office, before Robert Crawford, Esq., J.P., and entered upon his duties.

Minutes of the last day of the fall meeting were read and confirmed.

Moved by Mr. Limebeer, seconded by Mr. Kannawin, that a select committee of five be chosen by ballot to nominate the Standing Committees for the year. Carried.

The ballot was then passed, the Warden appointed Messrs. Reuben S. Lightheart and A. H. Milner Secretaries, who reported Elliott, Bull, Limebeer, McCaugherty and Wilson chosen.

On motion the Warden left the chair for half an hour to allow the Special Committee time to prepare their report.

Council resumed.

Mr. Bull, Chairman, presented and read the report of the Special Committee, which was adopted on motion of the Chairman.

Mr. Gordon addressed the Council in the interest of the Children's Aid Society, citing many instances of great need, and some instances when good results followed.

NOTICE

To the Warden and Council of the County of Peel.

Gentlemen,

Take notice that I will to-morrow or some future day ask leave to introduce a by-law to appoint a Board of Audit for 1916.—W. Warr.

On motion the Council adjourned.

(Adopted)
GUY BELL, Warden.

From the Brampton High School Board, with claim for attendance of County pupils in 1915.

These communications were referred to the Standing Committees, to which they properly belong.

Mr. Walshaw, Chairman, presented and read the first report of the Standing Committee on Education, which was referred to a Committee of the Whole.

With Mr. Pallett in the chair.

Committee rose and presented the report as amended, in which form it was adopted on the Chairman's motion.

A deputation representing the Malton Spring Fair was heard in support of their usual grant.

Mr. McCaugherty, Chairman of the Standing Committee on County Property, Roads and Bridges, presented and read their first report, which was received and referred to a Committee of the Whole.

With Mr. Bull in the chair.

Committee rose and presented the report without amendment. It was then adopted in Council.

Pursuant to notice, Mr. Warr moved for leave to introduce a by-law to appoint a Board of Audit; leave granted, and the by-law introduced and read a first and second time, and referred to a Committee of the Whole.

With Mr. Limebeer in the chair.

Committee rose and reported the by-law with the blanks filled. Report was received and adopted and the by-law read a third time and passed, signed by the Reeve and Clerk and the corporate seal attached thereto.

NOTICE

I hereby give notice that I will at some future date ask leave to introduce a bill to appoint a Commissioner for the House of Refuge.—Leslie H. Pallett.

On motion Council adjourned.

(Adopted)

GUY BELL, Warden.

THIRD DAY

Corporation of the County of Peel,
Council Chamber, Brampton, January 27, 1916.

Council met at the usual hour.

The Warden presiding.

Roll called. Members all present, Streetsville still without a representative.

Minutes of yesterday were read and confirmed.

There being neither communications nor petitions presented, the Council took up the claim of the Township of Albion against the County of Peel, with the Warden in the chair.

After a lengthy discussion, in which nearly all the members took part, the following resolution was submitted.

Moved by Mr. Limebeer, seconded by Mr. Bowles, that with regard to the claim of Albion re damages on good roads system, the matter be referred to a committee composed of the following members: Messrs. McCaugherty, Bowles, Wilson, Julian, and the Mover. Carried, Guy Bell Warden.

On motion the Warden left the chair till 2 o'clock.

Council resumed.

Mr. McCaugherty, Chairman of the Committee on the Albion claim, reported that they had effected a settlement for the sum of six hundred dollars.

The report on being read was adopted in Council.

A strong deputation composed of the following speakers addressed the Council on behalf of the Canadian Patriotic Association: Messrs. Sommerville, T. W. Duggan, C. S. McDonald, J. R. Fallis, M.P.P., Mayor Milner, J. J. Porter, ex-Warden of Peel County, and others.

The meeting was most enthusiastic in favor of raising the sum of fifty thousand dollars by a tax on the ratepayers, leaving the matter of detail with the County Council.

Pursuant to notice, Mr. Pallett introduced a bill to appoint a Commissioner for the House of Refuge.

The bill was read a first and second time and referred to a Committee of the Whole, with Mr. Warr in the chair.

Committee rose and reported the bill with the blanks filled.

It was then read a third time, passed, signed by the Warden and Clerk and the Corporate Seal attached thereto.

Mr. Wheelock, County Engineer, presented and read his report of the work done on the County Road System during the year 1915.

He also had the necessary papers read which are required by the Government to entitle Commission on the money expended.

Moved by Mr. McCaugherty, seconded by Mr. Limebeer, that the Warden and Clerk be authorized to submit to the Minister of Public Works of the Province of Ontario, the petition of the Corporation of the County of Peel, showing that during the period from January 1st to December 31st, 1915, there has been expended upon the Highway System the sum of $21,462.23, and requesting a grant of 40 per cent. of that amount, as provided by the Act to aid in the improvement of Public Highways. Carried.

The County Auditors presented their report on the accounts of the Treasurer for the year 1915, namely:

(a) His four Quarterly Statements of receipts and disbursements.

(b) The Non-Resident Land Tax Account.

(c) The Public School Accounts.

(d) The House of Refuge Accounts.

(e) Statement of the Good Roads Account with the several Municipalities.

(f) Accounts of the Patriotic Committee.

(e) Assets and Liabilities.

GUY BELL, Warden.

Communication from the Treasurer and Statement of Finances and Estimates for the Year

Treasurer's Office, Brampton, June 20, 1916.

To the Warden and Council of Peel County.

Gentlemen,— You will find attached the estimates for the current year.

The expenditure thus far has been light. We had no jury at the Spring Assizes, and only for one day at the June Sessions. The Accounts for Administration of Justice have been very light thus far. I have received from the Treasurer of the Canadian Patriotic Fund $1246.00, being the amount I paid to dependents in January and February (before you made the Grant to the Patriotic Fund of $48,000.00) and I have paid to the Treasurer of the said Fund $24,000.00, being $4,000.00 per month to June 30th. This amount your Warden and Treasurer have borrowed from the bank by executing a $4,000.00 note each month.

I have credited Caledon, Chinguacousy and the Gore with their balances on Good Roads on January 1st, and took the said sums from the County account. I have not credited Albion with the $600.00 damages claimed until you define what account the said claim is to be taken from. I have not charged Albion or Toronto Township with their indebtedness on Good Roads Account until the Debenture proceeds are received, which will be in a few days.

You will see I have made a big reduction in the estimates this year. I have placed in the estimates $3,546.55 for Roads and Bridges. This is the same as last year's expenditure. If you have to build Port Credit Bridge, or pay your share to it, this will increase the Roads and Bridges Expenditure considerably, and will have to be added to the estimates. I think we will be safe in fixing our County Rates at $30,000.00, a decrease of $14,000.00 on last year.

Your Warden and Treasurer have borrowed for current expenses to this date $15,500.00, and we owe on debentures and coupons due and coming due on July 1st $5,116.04. When these are paid we will have a balance to our current account of about $2,700.00. This will be sufficient to pay salaries and County Council and accounts passed by the Board of Audit on July 5th, and we will still have to our credit $7,923.00, being the balance due from Albion and Toronto on their Good Roads account.

Yours respectfully,

ROBT. CRAWFORD, Treasurer.

NOVEMBER SESSION

FIRST DAY

Corporation of the County of Peel,
Council Chamber, Brampton, November 21, 1916.

Council met pursuant to adjournment, the Warden presiding.

Roll called, members all present, except Messrs. Bull and Elliott.

Minutes of the last day of the June Session were read and confirmed.

The Clerk presented the following communications viz.:

From the Rev. J. H. Dyde, Financial Secretary for Muskoka Free Hospital, setting forth the work they are doing, and their need of money and expressing the hope that the Council will grant them some assistance.

Copy of the Ontario Gazette of September 21, enclosing a copy of proclamation issued by the Ontario Government in connection with the British Red Cross Association, and the order of St. John, appealing for aid.

From the Council of the County of Elgin, with copy of resolution adopted by the Council of said county, asking the Council of other counties to join in petitioning the Government of Ontario to place a tax on all property and income to meet the requirements of the Canadian Patriotic Fund.

From Robert Crawford, Esq., County Treasurer, suggesting the repeal or amendment of By-law No. 472.

Moved by Mr. Walshaw, seconded by Mr. McCaugherty, that this County pay the sum of $22.50 to C. W. Norton, provided Halton pays the same amount. This, coupled with the amount Mr. Norton has, is to provide for ocean passage to England of Mrs. Parker and child. Carried.

NOTICE

Take notice that I will to-morrow or some future date ask leave to introduce a by-law to appoint auditors for 1917.—David Wilson.

On motion Council adjourned.

(Adopted)

GUY BELL, Warden.

SECOND DAY

Corporation of the County of Peel,
Council Chamber, Brampton, November 22, 1916

Council met at the usual hour, the Warden presiding.

Roll called, members all present except Messrs. Bull and Elliott.

Minutes of yesterday read and confirmed.

A communication was received and read from Major W. Windeyer, notifying the Council that a deputation will wait on them at the hour of 2 p.m. in the interest of the 234th O. S. Battalion of Peel.

Mr. Pallett presented and read the third report of the Standing Committee on Finance, which was received, and referred to a Committee of the Whole, with Dr. Bowie in the chair.

Committee rose and presented the report without amendment, in which form it was adopted in Council.

On motion the Warden left the chair till 1.30 p.m.

Council met at 2 p.m. and were addressed by a deputation representing the 234th O. S. Battalion of the County of Peel, composed of Major Windeyer, Mayor Milner, Canon Walsh, and the Rev. Mr. Thornloe, all impressing the fact that more men and more money would be required in order to bring the war to a speedy and successful end.

After considerable discussion among the members of Council to make the grant unanimous, it was moved by Mr. L. H. Pallett, seconded by E. A. Orr, and resolved, that this Council grant the petition of the 234th Peel Battalion and give a grant of $2500.

Under the authority of the report of the Standing Committee of Finance, Mr. Pallett introduced a bill authorizing the payment of monies by the Treasurer.

The bill was read a first and second time and referred to a Committee of the Whole, with Mr. Limebeer in the chair.

Committee rose and reported the bill without amendment. It was then read a third time and passed, signed by the Reeve and Clerk, and the corporate seal attached thereto.

Mr. Walshaw presented and read the report of the Standing Committee on Education, which was received and read, and on the motion of the Chairman adopted.

NOTICE

Take notice that I will at some future date ask leave to introduce a bill to have certain roads in the Township of Chinguacousy added to the Good Roads System.—Wm. Bowles.

On motion Council adjourned.

(Adopted)

GUY BELL, Warden.

THIRD DAY

Corporation of the County of Peel,
Council Chamber, Brampton, November 23, 1916.

Council met at the usual hour, the Warden presiding.

Roll called, members all present, except Messrs. Bull and Elliott.

Minutes of yesterday were read and confirmed.

A communication was received and read from Mr. Charles Would, of West Toronto, offering 12 horse-power engine for sale, if the County requires anything in that line.

The Warden presented the petition of W. J. Hunter and over 70 others of the Township of Chinguacousy, praying that a portion of the money to the credit of the Township for the improvement of roads be expended on the sideroad between lots ten and eleven west.

Mr. McCaugherty presented and read the report of the Standing Committee on County Roads and Bridges.

Report received and referred to a Committee of the Whole.

With Mr. Kannawin in the chair.

Committee rose and presented the report without amendment. It was then adopted in Council.

On motion the Warden left the chair until 2 p.m.

At 2 p.m. Council resumed.

Mr. McCaugherty presented a partial report from the House of Refuge, which was read and left in the hands of the Clerk.

Pursuant to notice Mr. Bowles asked leave to introduce a by-law amending By-law No. 341.

Leave granted and the by-law introduced and read a first and second time, and referred to a Committee of the Whole, with Mr. Julian in the chair.

Committee rose and reported the by-law without amendment. It was then read a third time and passed, signed by the Warden and Clerk, the corporate seal attached thereto, and numbered No.——

Moved by Mr. Walshaw, seconded by Mr. Julian, that this Council grant the Village of Bolton $200 for repairs to bridge on Queen Street. Carried.

Moved by Mr. Walshaw, seconded by Mr. Wilson, that our County Engineer be instructed to make a map of the County of Peel large enough to show distinctly all the County roads and bridges in each municipality, and that it be left to the descretion of the Roads and Bridges Committee as regards size, etc., of map.

This map to be ready if possible for the January session of 1917. Carried.

On motion Council adjourned.

(Adopted)

GUY BELL, Warden.

FOURTH DAY

Corporation of the County of Peel,
Council Chamber, Brampton, November 24, 1916.

Council met pursuant to adjournment, the Warden in the chair.

Roll called, members all present, except Mr. Bull.

Minutes of yesterday read and confirmed.

Mr. Limebeer, in the absence of the Chairman, presented and read the report of the commissioner on County Property, which was received and on motion of the Chairman adopted.

Pursuant to notice Mr. Wilson asked leave to introduce a by-law appointing auditors for the year 1917. Leave granted.

The by-law was introduced and read a first and second time, and referred to a Committee of the Whole, with Mr. Warr in the chair.

Committee rose and reported the by-law with the blanks filled. Report was received and adopted and the by-law read a third time.

On the question of adoption, it was moved, by Mr. Orr, seconded by Dr. Bowie, that the bill do not now pass, but that the name of John McBride be inserted in place of George Downey. Carried.

Yeas—Messrs. Bowie, Bowles, Julian, Kannawin, Limebeer, Orr and Warr.

Nays—Messrs. Elliott, McCaugherty, Pallett, Steel, Walshaw and Wilson.

The by-law as amended was then finally passed, signed by the Warden and Clerk, and the corporate seal attached, and numbered 487.

Pursuant to notice Mr. Kannawin introduced and read a by-law amending By-law No. 341, which was read a second time, and referred to a Committee of the Whole, with Mr. Pallett in the chair.

After considerable discussion the Committee rose and reported progress, and asked leave to sit again.

Mr. McCaugherty, Chairman, presented and read a supplementary report by the County Property Road and Bridge Committee, which was referred to a Committee of the whole, with Mr. Walshaw in the chair.

A second clause was added in Committee. It was then adopted in Council.

Mr. Bowles, Chairman, presented and read the third report of the Standing Committee on Printing, which was received and on the Chairman's motion was adopted.

The half-yearly report of the House of Refuge Physician was presented and read and on motion adopted.

Moved by Mr. Pallett, seconded by Mr. Orr, that the Good Roads Committee be empowered to look into and if possible buy certain lands to help straighten the turn on Hurontario Street north of Dundas Street.

Moved by Mr. Limebeer, seconded by Mr. Kannawin, that the Ontario Government be asked to pass legislation whereby Main motor roads on County Road System, which provides for traffic from outside of the municipality, and on which the traffic from outside exceeds the local traffic, such as Hurontario Street in the County of Peel, be taken over by the Province and be built and maintained as provincial highways. Carried.

Mr. Limebeer presented and read the first report of the Good Roads Committee, which was received and referred to a Committee of the Whole, with Mr. Kannawin in the chair.

Committee rose and presented the report, making some suggestions and remarks. It was then adopted.

On motion of Mr. Walshaw, a motion was introduced and passed unanimously expressing the appreciation of the Council of the courtesy, fairness and ability of the retiring Warden in conducting the business of the County during the year now drawing to a close and assuring him that he enjoyed the respect and confidence of every member of the Council in the fullest degree.

The Warden then thanked the Council in his very pleasant manner for their complimentary remarks.

The Council adjourned.

D. KIRKWOOD, County Clerk.

REPORTS

First Report of the Standing Committee on Education

To the Warden and Council of the County of Peel.

Gentlemen: We have before us one claim from High School outside of the County for tuition of pupils, residents of this County. We would recommend payment of Georgetown High School, $544.64.

We have received a communication from the Trustee Association of Ontario, respecting their annual meeting to be held in St. Thomas on April 25, 26, and 27, requesting this Council to send one or more delegates.

We recommend that no action be taken in this matter.

We have received a communication from the Ontario Education Association in reference to superannuation of Inspectors, Collegiate, High, Public and Separate School Teachers. We beg to refer this matter to the whole Council.

In Committee of the Whole the Council added the following clause:

That after considering the proposed bill of the Ontario Legislature respecting superannuation of Ontario Teachers and Inspectors, that such Legislation should be deferred for the present, and that the Clerk forward a copy of this to the Minister of Education.

All of which is respectfully submitted,

E. A. WALSHAW, Chairman.

GUY BELL, Warden.

Adopted, Council Chamber, January 26, 1916.

First Report of Committee on County Property, Roads and Bridges

Gentlemen:

Your Committee beg to report as follows:

That as there is nothing of importance in the communications for the County Property, Roads and Bridges just now in, except that from the Municipal Association, asking for renewal of membership, the fee being $15, and whether any representatives will be sent to the meeting of the Association to be held at the City Hall, Toronto.

This we recommend to the whole Council.

(Council recommended that the members of the Good Roads Committee attend the meeting in Toronto.)

We recommend that the Commissioners of the several municipalities report to the Road and Bridge Committee as soon as possible, in order that the roads and bridges reported may be inspected and the necessary steps be taken to make the necessary constructions or repairs.

Your Committee recommend that the Commissioners on County Property consist of the following members: Messrs. Bull, Limebeer and Warr.

All of which is respectfully submitted.

D. H. McCAUGHERTY, Chairman.

(Adopted)

GUY BELL, Warden.

Council Chamber, Brampton, Jan. 28, 1916.

Report on Claim Settlement with Albion

Court House, Brampton, Jan. 27, 1916.

To the Warden and members of the County Council of Peel.

Your Committee appointed to consider the claim of Albion Township against the County of Peel beg leave to report as follows:

We have considered the claims presented by Albion Township and recommend that this Council without prejudice offer to the

Township of Albion the sum of six hundred dollars in full of all claims and demands made by the Township of Albion, with reference to the McClelland, Slack, Kenahan claims.

All of which is respectfully submitted,

D. H. McCAUGHERTY, Chairman.

(Adopted)

GUY BELL, Warden.

Court House, Brampton, January 27, 1916.

We agree to the settlement of six hundred dollars offered to the Township of Albion by the County of Peel in full of claim and demands by the Albion Township against the County of Peel, with reference to the McClelland, Kenahan and Slack claims, on this condition, that all claims and demands of any municipality in the County of Peel, prior to January 1, 1916, for any damage on County Good Roads System, be considered as settled and abandoned.

DAVID WILSON, Reeve of Albion.

ISAAC STEELE, Dep. Reeve of Albion.

Second Report of the Committee on Education

Council Chamber, Jan. 28, 1916.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Education beg leave to submit their second report.

1. We have received a claim from Weston High School and would recommend that the sum of $192.24 be paid.

2. We recommend that M. A. Stewart be appointed Trustee of Streetsville High School for the years 1916, 1917, 1918, and also that W. Couse be appointed to complete Dr. Bowie's term of office for 1916 and 1917.

3. We recommend that Mr. D. McClure be appointed a Trustee of Brampton High School for the years 1916, 1917, 1918.

4. We have considered the claim of Brampton High School for maintenance of County pupils attending the said school during 1915,

amounting to $3401.92, and recommend that the said sum be paid in quarterly instalments.

5. We have also received from the Inspector of Public Schools his report for 1915. We consider it a very concise and comprehensive survey of the Public School System throughout the County, and we are convinced that the interest of Trustees and parents is increasing as regards educational matters. We recommend that it be incorporated in the proceedings of this Council.

Also that a copy of the report be furnished the newspapers in the County.

All of which is respectfully submitted,

E. A. WALSHAW, Chairman.

Report of Special Committee on County Road System

To the Warden and Council of the County of Peel:

Gentlemen: Your Special Committee appointed to consult with the Deputy Minister of Highways respecting the maintenance and repair of County Roads under the provisions of "The Ontario Highways Act, 1915," and to investigate and report upon matters appertaining thereto, beg to submit the following report:

Your Committee find that in order to get the Provincial subsidy payable under section 10 of the Ontario Highways Act, 1915, on maintenance and repair work, it is necessary that the regulations of the Highway Department respecting such work be complied with by the county. Your Committee have secured a copy of these regulations and quote the main sections governing this class of work as follows:

"The management of all road improvement, maintenance and repair is to be centralized in a capable county road superintendent appointed by and acting under the direction of the county council. A foreman is to be placed by the superintendent in charge of any works which he cannot personally oversee.

"An approved system of keeping road accounts is to be adopted showing the extent and location of each work of improvement, and the cost of labor and materials used. Expenditures for maintenance and repair are to be kept separate and distinct from construction costs. Time sheets and time books are to be used for the payment of men. Such returns, reports and statements respecting all details of work. methods and expenditure, are to be supplied to the Deputy Minister of Highways as he may from time to time require. Blank forms for annual returns will be supplied to superintendents or other officials upon request.

"For small repairs the county shall employ patrolmen to take charge of definite sections of all heavily travelled roads. The length of each section may vary with traffic and general requirements of the road, as experience may determine, but the number of men so employed, and the section alloted to each, shall be such that the system of roads will be kept in an efficient state of repair.

"Patrolmen may work singly or in pairs as the superintendent may direct, and shall be subject solely to the instructions of the superintendent.

"Patrolmen employed by the county are to be industrious, honest, sober, and of practical ability so that they will give full value in service for every dollar received. Failure in these particulars is to be met by dismissal by the superintendent.

"The patrolman should keep a time-book showing time employed on the road, and nature, location and amount of work performed. The time-book should be mailed or sent each week to the superintendent (and by having two such books they can be used for alternate weeks). A post card report is also to be sent daily to the superintendent.

" 'Repair' shall mean the mending of holes and ruts, the cutting of weeds, the cleaning of ditches and gutters, the raking of loose stones, and such mending as is necessary to keep the road smooth and in good condition for traffic, and to prevent rapid deterioration.

" 'Maintenance' shall relate to the uniform wear of the road under traffic and the periodic expenditure and work necessary to resurface and restore the road crust to its original thickness, or may include the widening or strengthening of the road crust made necessary by increased traffic, also oiling or the use of bituminous or other carpet-coat materials to protect the road and prevent dust after first construction.

"The maintenance of roads (as distinguished from small repairs) including resurfacing, oiling, widening or other improvement authorized by the Department, is to be adequately and promptly carried out by the county, so that unnecessary injury will not result to the road from neglect.

"The work of maintenance is to be performed under the general organization and regulations provided for first construction in so far as applicable, the county preferably to have one outfit under a foreman, with suitable tools, equipment and workmen, continuously engaged on such maintenance, or construction and maintenance, during the working season.

"Earth roads prior to metalling may be maintained by the systematic use of the grader and drag.

"Where, owing to special local conditions, any departure from the foregoing regulations may be desired, upon application of the council or superintendent to the Deputy Minister of Highways, an examination of the road or roads or circumstances in question will be made by an engineer of the Department for the purpose of deciding with regard thereto."

Your Committee after carefully considering the matter concluded that by-law No. 419 of the County of Peel, which provides for a committee to advise with and direct the County Engineer in all matters in connection with construction work done on the County Roads System, and also provides for the payment of accounts in connection therewith, may be amended to cover the maintenance and repair work and the expenditure for the same. A draft of by-law making such amendments is, therefore, recommended by your committee and submitted herewith for your consideration.

Respecting the matter of County Roads within the suburban area outside of the City of Toronto, section 12 of the Ontario Highways Act provides that the County Council may make application to the Lieut.-Governor in Council requesting that he may direct a commission to be selected as in sections 17 and 18 of this Act provided. The Commission would be composed of two members to be appointed by the council of the city, two by the council of the county, and one to be agreed upon by the members so appointed, and in default of such agreement to be appointed by the Lieut.-Governor in Council. It would be the duty of the Commission to designate and define the suburban roads in the county system towards the construction and maintenance of which the city should contribute.

Roads designated as "Suburban Roads" would continue to be county roads under the jurisdiction and control of the County Council. the work thereon to be under the supervision of the county engineer, but subject to the direction of the commission appointed for that purpose, and the sums expended for the construction and maintenance would be included in the statements of expenditure as provided in section 13 of the Highway Improvement Act, upon which the grants payable by the province would be estimated and paid. Expenditure for construction work would be borne by the county, city and the province in the proportion of 30 per cent. by the county, 30 per cent. by the city and 40 per cent. by the province, and expenditure for maintenance and repair would be borne in the proportion of 40 per cent. by the county, 40 per cent. by the city and 20 per cent. by the province.

Your committee have carefully investigated the ways and means for completing and extending the present County System of Roads and have prepared the following tabulated statement setting forth the particulars for each Township. As some of the Townships require money to complete the County Roads already assumed and other Townships have sufficient to complete their present system, but are desirous of adding thereto, in both cases it will be necessary to have more funds to carry on the work. We have estimated that the amount required to be raised by the county would be about $45,000.00 and have made our calculations on that basis. The subsidy paid by the Government is $40 on every $60 paid by the County, therefore the Government subsidy on $45,000 would be $30,000 which would make the amount available for expenditure on the roads $75,000.

Your committee deem it advisable and would recommend that this council make application to the Lieut.-Governor to direct a commission to be selected to deal with the County Roads in the County of Peel, within the suburban area outside the city of Toronto, as the said City will be benefited by the improvement of the said roads. The necessary resolution to be passed by the Council and a memorial which will require to be forwarded to the Lieut.-Governor are herewith submitted.

Statement of unfinished roads, estimates of amounts required to complete County System and for Roads to be added to County System.

Township	Length of Rd. to complete	Amount required to complete roads already assumed.	Balance on hand	Proportion of $45,000 debentures and government grant $30,000.	Total am't for each Township.	Surplus available for additional roads.	Additional amount required to complete roads already assumed.
	Miles						
Albion . . .	9½	$26000	Dr. $ 1006	$ 9745	$ 8739		$17260
Caledon . .	5	7500	Cr. 3580	11702	15282	7780	
Chinguac'y.	1½	3300	Cr. 2245	24474	26719	23470	
Toronto . .	5	21500	Dr. 1713	23484	21771	270	
Toronto G.	1	4500	Cr. 1568	5595	7163	2660	
Totals .	22	62800	4674	75000	79674	34180	17260

As set forth in the above statement you will see that this scheme would enable each Township, with the exception of Albion, to finance the completion of her County Roads. Caledon would have a surplus of $7,780.00 and could extend the road, as contemplated northerly from the corner of the fifteen sideroad and 3rd line W. H. S. Chinguacousy would have a surplus of $23,470.00, sufficient to have the seventeen sideroad extended easterly and westerly as requested by her council. Toronto Township would have an amount sufficient to complete her present system. And Toronto Gore with a surplus of $2,660 could extend the 9th line road northerly to Wildfield.

The additional sum, over and above the amount credited to Albion in the above statement, which would be required to complete the roads in that Township, could be raised when required, under sections 26 of the Highway Improvement Act, which provides that upon application of the Township Council the County Council may pass a by-law authorizing the issuing of debentures of the county to the amount required for the construction of the county roads in such township and to levy a special rate on such township municipality for the same. The amount required to be raised in this way to complete the roads in Albion would be about $10,500 which, increased by the Provincial subsidy, would provide for an expenditure of $17,500.

Moved by Mr. Elliott, seconded by Mr. Pallett, that the Corporation of Streetsville, Brampton, Port Credit and Bolton receive back the amounts of the $52,000 recommended for issue and that all sums so received be expended as a connecting link to the present county roads system. Carried.

Your committee after a careful study of the whole situation would recommend that a by-law be passed by this Council authorizing the issuing of debentures of the county of Peel to the amount of $52,000 for the purpose of extending and completing the construction of the County Roads System.

Debentures for the above sum for a term of ten years at 4 1-2 per cent., payable in equal annual instalments, principal and interest, would require, to meet the yearly payments, a levy of 37-100 of a mill on the dollar on the present equalized assessment.

All of which is respectfully submitted.

Brampton, April 5th, 1916.

W. J. LIMEBEER,
Chairman Road and Bridge Committee.

D. H. McCAUGHERTY,
Chairman Good Roads Committee.

C. R. WHEELOCK,
County Engineer.

GUY BELL, Warden.

MEMORIAL

To the Honorable, the Lieut.-Governor in Council.

The memorial of the Municipal Council of the County of Peel, humbly sheweth:

That whereas the City of Toronto, which has a population of over 50,000, will be benefited by the improvement of roads on the said system of County Roads.

And whereas it is deemed advisable by the Municipal Council of the County of Peel that a commission be selected as provided in section 17 of the Ontario Highways Act, 1915, to deal with the County Roads in the said County of Peel, within the suburban area outside of the City of Toronto.

Your petitioners. therefore, humbly pray that the Lieut.-Governor in Council may direct that a commission be selected as provided bv the Ontario Highways Act, 1915, to deal with the said County Roads within the suburban area outside of the City of Toronto.

And your petitioners will ever pray.

Dated at Brampton, this 5th day of April, A.D. 1916.

D. KIRKWOOD, County Clerk.

GUY BELL, Warden.
County of Peel.

Report of the Delegates Who Attended the Good Roads Convention in Toronto in February, 1916

To the Warden and Council of the County of Peel.

Gentlemen:

Your delegates appointed to attend the Good Roads Convention held in the City of Toronto, on the 22nd, 23rd, and 24th day of February last, beg to submit the following report:

There was a good attendance of delegates and representatives at the meeting from all parts of the Province. A majority of the County Councils and a number of cities and towns were represented. Road matters were discussed from every view point and the meeting was most interesting and instructive.

The President, Mr. S. L. Squires of Waterford opened the proceedings with a short resume of the work accomplished during the past year and outlined the aims of the Association for the future. Even in a period of comparative financial stress like the present, Mr. Squires went on to say that the work of the Provincial improvement should go ahead.

Mr. Geo. Henry, M.P.P., presented a bill to limit the weight to be carried on County roads and bridges by motor vehicles. This bill was referred to a committee for discussion and the wardens were appointed a special committee to forward legislation looking to the improvement of County Roads.

Sir John Hendrie, Lieut. Governor, spoke of the effect of good roads in improving social and farming conditions in the country, and hoped that it would not be long until every road in the Province would be greatly improved. The Province must soon spend millions on its roads.

Mr. K. W. McKay, vice-pres. of the association, touched on a splendid system of highway laws as at present enforced in Ontario, before calling on representatives of the counties who had not adopted the good roads system to tell why they had not.

Mr. Jno. A. Best, M.P., spoke forcibly of the effect of better roads between the farm and the market towns to the farmer. Perisable produce is often spoiled, due to the fact that the farmer cannot market it immediately on account of the bad roads. War conditions need not seriously interfere with the establishment of a good roads system. If the statute labor could be gotten rid of and the county roads system applied, the question would be generally solved. The question resolves itself into educating the people to the benefits to be derived. Until recently the country people have been very much prejudiced against the motors, and have been adverse to taking up good roads, but they are beginning to see the benefit of them, and it is the duty of this association to further that education.

Representatives from Elgin, Norfolk, Kent, Essex, and other counties gave their opinion as to why the good roads system had not been adopted in their respective counties.

Mr. W. A. McLean, Deputy-Minister of Highways, was loudly applauded when he rose to address a few remarks. He said that the public highways have always been with us and always will be, every man has to travel on them. The great problem of the people is, therefore, the proper handling of these highways. On the highways of the Province we all meet on a common level. There is no fee charged. There is no ticket to purchase. There is a sense of ownership when a man is on a highway to be found in no other place in this or any other county. Let us make these highways the best we possibly can. With good roads a farmer could produce a maximum and sell it immediately. But on poor roads he can only produce what he can transport. It is evident that good roads will soon pay for themselves in return. Start in cautiously and work up to a system embracing all roads.

The Honorable F. G. MacDairmid, Minister of Public Works, gave an address, the key-note of which was that money wisely invested in providing good roads is one of the best legacies the people of to-day can leave to posterity. Good roads were not only a provision for the future, but they increased the value of the farm land and property in general. Let us make our highways the best we possibly can. Good roads are necessary from an economical point of view. whatever the cost. Mr. MacDairmid said that legislation to help further with the work might be passed if the people of the counties would work together and prepare the preliminaries. Highways, the best that could possibly be made, were essential to the success of the Province, both from point of view of economy and utility.

The question of the benefits of a county roads system was discussed by the wardens and other representatives from counties where a Good Roads System had been adopted. A great deal of information was given in respect to the kinds of roads constructed, the cost of the same, the mileage built, and the general working out of the highway improvement act. A synopsis of the work and results on the Peel Good Roads System was given by County Engineer Wheelock.

It was agreed in all cases that where the advantages of a county roads system had been properly tried out there was no chance of a return to the old system.

Mr. K. W. McKay of St. Thomas believed that the present legislation might me improved upon. Townships should pay according to the benefits derived and should assess the land as they derive benefits from the road. A man on a back road does not get as much benefit as the farmer living on the improved highway. The assessment should be made on benefits derived rather than on frontage.

When are gravel roads profitable was dealt with in a paper by Chas. Talbot, County Engineer for Middlesex. When is crushed stone profitable, by Lucius E. Allen, County Engineer for Hastings. When is bituminous material profitable, by E. A. James, County Engineer for York. The importance of Road Maintenance, by Major J. M. Sheppard, County Engineer for Welland.

The following resolutions were adopted by the Convention, and a committee appointed to lay the same before the legislature:

That the Minister of Highways be requested to consider the advisability of making provision for supplying road building material at a minimum of cost.

That we approve of the action of the Legislature in increasing their contribution towards the construction of county roads, and by making provision for maintenance, and express the hope that additional assistance will be granted when Provincial revenues warrant it.

That we approve of the bill to regulate the load of vehicles on highways, with the addition of a clause authorizing municipalities to place notices on bridges, and that this notice be operative to protect municipalities for ten years or until a bridge is strengthened to carry the weight specified in the bill.

That the section of the municipal act providing for the approval of county bridge plans by the Provincial Highways Department be extended to include the plans of bridges 25 feet or over in townships.

That a uniform system of accounting for highway improvement should be considered by the Department of Highways, so that information showing the comparative cost of highways in the various counties receiving aid from the Province will be available.

That the Good Roads Association arrange with the Department of Highways for a campaign of education in all counties that have not adopted a County Roads System under the provisions of the Highway Improvement Act.

That the Executive of the Good Roads Association be requested to continue their efforts to obtain lower freight rates for all road building material used by municipalities; and other matters pertaining thereto.

That the secretary of this Association convey to Major T. L.

Kennedy, past president, who is now on the firing line in France, their pride and satisfaction in knowing that one so long associated with the Good Roads Movement in Ontario, is now upholding the honor of his country in its day of trial, and express our sincere hope that he may live to return to us in victory, and that we may again have the pleasure of his presence among us and his sympathy and advice in the cause he has so much at heart.

The Minister of Highways be requested to consider the advisability of amending the Highway Improvement Act by providing for the assessment of lands adjoining and contiguous to County Roads, for benefits derived from the consruction of such roads.

We recommend the following payments:

D. McCaugherty	$ 10 00
W. J. Limebeer	10 00

Respectfully submitted,

W. J. LIMEBEER, Chairman Com.

Third Report of Standing Committee on County Property, Roads and Bridges

To the Warden and Council of the County of Peel.

Gentlemen: Your Standing Committee on Roads and Bridges having carefully considered the various matters coming before them, beg to submit the following report:

As authorized by the Council at the April session your Committee have let the contract for abutments for a 140 ft. span steel truss bridge to be built over the Credit River on the boundary line between the Village of Streetsville and the Township of Toronto, known as Caslor's Bridge, and have advertised for tenders for the steel superstructure. The contract for the concrete work was let to John Patterson, at $7.00 per cubic yard.

Your Committee, accompanied by the County Engineer, inspected all bridges as reported as out of repair by the reeves of the municipalities. and would make the following recommendations:

That a reinforced concrete bridge be built on the boundary line road between Bolton and Albion, known as Walshaw's Bridge.

That a reinforced bridge be built on the boundary line between Albion and King, opposite Lot No. 9 in conjunction with the County of York.

That respecting the bridge on the boundary line between Caledon and Mono, opposite the 6th Concession, E.H.S. your Committee consider that it is not in immediate need of repairs and would recommend no action.

That the approaches on the bridge on the boundary line between Caledon and Erin opposite Lot No. 26 be widened and repaired.

That respecting a foot-bridge over the Credit River at Churchville at the place where the Old County Bridge stood, your Committee would recommend that a foot bridge about four feet in width be built.

That the abutments at the Dracass Bridge in the Village of Streetsville, over the Credit River be repaired and sufficient on the top thereof to raise the present steel bridge about three feet.

Your Committee would further recommend that the County Engineer be instructed to prepare plans and specifications for the new bridges, and that this Committee take the steps necessary to proceed with the work. Also that the County Treasurer be authorized to pay bills in connection with the said work on the order of the Warden and the Chairman, after being certified by the Engineer.

Respecting the Port Credit and Etobicoke bridges on the Toronto and Hamilton Highway your Committee find that the work improving or rebuilding the same is covered by Section 11 of the Act, which reads as follows:

"(1) Where it is necessary in the opinion of the Commission to replace, reconstruct, enlarge or alter any bridge upon the roadway, which it is, at the time of the passing of this Act, the duty of the municipal corporation of a county or town to construct or maintain, the municipal corporation shall pay to the Commission on demand that part of the cost of such replacement, reconstruction, enlargement or alteration, which will represent the amount which should have been expended by the municipal corporation had this Act not been passed, and the remainder of the cost shall be borne by the Commission and shall be part of the cost of construction of the highway.

"(2) Before proceeding with the work of replacement, reconstruction, enlargement, or alteration, the Commission shall notify the corporation of the county or town of the amount or proportion of the cost of the work to be contributed by the county or town under subsection 1, and the work shall not be proceeded with until such amount or proportion has been agreed upon by the Commission, or has been determined by the Ontario Railway and Municipal Board as provided in subsection 4.

"(3) The cost of maintenance of the bridge shall thereafter be borne by the Commission and the corporation of the town or county in the same proportions as the cost of replacement, reconstruction, enlargement or alteration.

"(4) In case of any dispute as to the respective liabilities of the corporation and the Commission the same shall be determined by the Ontario Railway and Municipal Board, and the certificate of the Board shall be final."

It is therefore entirely in the hands of the Commission to prepare their plans and estimates for the work of replacing, reconstructing, enlarging or altering the Port Credit and Etobicoke bridges, and to notify the County of the amount or proportion of the cost. If the Council is then not satisfied with the apportionment they may appeal to the Ontario Railway and Municipal Board.

Your committee would further recommend payment of the following bills and commissions:

H. E. Croft, balance for 20 ft. arch on the boundary line between Albion and Toronto Gore	$ 134 10
A. McClure, repairs to County Race Bridge at Norval, Halton to pay half	5 48
W. C. Andrew, for hire of auto for committee, $6.60; also car hire in north end of County, $5.00	11 60

S. K. Kannawin, Commissioner, 1 day and expenses	4 00
W. J. Limebeer, Commissioner, 5 days and expenses	20 00
W. D. Bowles, Commissioner, 2 days and expenses	8 00
D. H. McCaugherty, Commissioner, 5 days and expenses	20 00
C. R. Wheelock, 1 day with Committee	10 00
D. Wilson, 1 day with Committee	4 00

All of which is respectfully submitted,

D. H. McCAUGHERTY, Chairman.

First Report of Committee on Agriculture

Brampton, June 21, 1916.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Agriculture ask leave to report as follows:

Clause 1. It is the opinion of this Committee on Agriculture that this Council hereby commits itself to the yearly grant of $500 required for the carrying out of this policy.

Clause 2. A communication from Robert Bowman, Secretary of the Toronto Gore Society, asking for the usual grant of $40.00, and also from the Secretary of the County of Peel Agricultural Society asking for their usual grant. Your Committee would recommend that the usual grants to the different agricultural fall fairs should be left to the decision of the whole council.

In Committee of the Whole Mr. Pallett moved that the usual grants be made to the various fairs within the County, which was adopted.

In conversation with the District Representative we learn that he has decided to give a short address at this session dealing with the work of the Department.

We recommend that he be asked to file a report for the year 1915 with the Chairman of this Committee, and also to give an address to this County Council at the November session.

All of which is respectfully submitted.

Half Yearly Report of the Physician of the House of Refuge

Gentlemen: Since my last report on November 26th, 1915, I have made thirty-two visits to the County House of Refuge.

La Grippe attacked practically every inmate of the House last spring and was very hard on the older ones.

There were five deaths during the period.

David Craig, of Milton, died on Feb. 7th, 1916, from anaemia, aged 70.

Catherine Gordon, of Streetsville, on Feb. 14th, from La Grippe, aged 91 years.

Sarah Seymour, of Milton, in February, aged 81, from pneumonia following La Grippe.

Hugh Irwin, of Brampton, on March 22nd, aged 87, from heart failure following La Grippe.

William Jamieson, of Halton, on May 3rd, aged 79, from chronic bronchitis.

The new septic tank has been completed and is giving good satisfaction.

I have the honor to be, your obedient servant,

R. G. EDWARDS,
Physician of House of Refuge.

Brampton, June 21st, 1916.

To the Members of the Peel County Council.

DISTRICT REPRESENTATIVE'S REPORT

To the Warden and County Councillors.

Dear Sirs: I have the honor to present herewith a brief report of the work conducted during the last year through the local branch of the Department of Agriculture. I do not think it would be necessary to go into everything in detail, as you have already received quite full reports in past years, and of course the minor details of the work is very much the same from year to year. As many of you are aware, J. A. Carroll, formerly District Representative for Peel, left the work in December to take a commission and since that time I have been practically without assistance. Naturally this has resulted in a great deal heavier work for me and some of the lesser important work has had to be dropped.

Short Course in Agriculture

In January and February a five weeks' course in agriculture was conducted at Streetsville. At first prospects were not at all bright for a successful course, but by doing a great deal of personal work and with the help of Mr. McCaugherty and others we had one of the largest agriculture classes in the province, some thirty being enrolled. Not only did the boys take a keen interest in the work after we got started, but the farmers in the vicinity were eager to help in any way possible and allowed us the use of their stock for work in judging. The Toronto Township Council made a grant of $25 to be used in prizes to encourage the work of the boys, and this did a great deal to stimulate interest in the course. There was also a two weeks' course in domestic science held for the girls, both morning and evening sessions, and 75 in all attended the lectures. The work of teaching was more or less interrupted on account of scarcity of instructors, and after one man had been with me three weeks he enlisted and two other men were sent for a week each to finish out the lectures. However, on the whole, I consider we had a very successful class, and this feeling was expressed not only by persons who came to me and said so directly, but also by the fact that the large Odd Fellows' Hall at Streetsville was not large enough to seat all those who came to the closing exercises. Since the class has finished we have organized the boys into a Junior Farmers' Association and the girls into a Girls' Club, and they are now doing good work to keep up with the teaching they had during the winter. The boys are carrying out competitions in the following lines: Acre Profit, Oats and Corn, Feeding Hogs for Profit, Dairy Profit and Farm Bookkeeping. We have a sufficient number of boys in this work that six prize winners will be sent to Guelph for two weeks' short course next winter.

School Fairs

This year 51 schools are taking part in School Fair work, which is a slight increase over a year ago. Last year there were over 3,000 entries at the different school fairs, and the average attendance at the four held in this County was over 900 each. This year we have given out nearly 200 settings of pure bred Barred Rock eggs and seed for nearly 700 plots. Arrangements are now being made to secure help to inspect all these plots, and the fairs will be conducted again this year as before, and over $100 in prizes will be given at each of these four fairs.

Two short courses in stock judging were held last winter, one in December at Palgrave and the other in February at Brampton. These were two day classes with an average attendance of about 150.

To further encourage young farmers in stock judging, arrangements have been made with a number of the township fairs allowing the Department of Agriculture to conduct judging competitions in various classes of stock. On account of the wet weather there have been a great many calls for drainage surveys, and these have either been done from the office or the applications forwarded to Guelph and a man sent down from the College.

A campaign was carried on in the spring to urge farmers to treat their grain for smut, and since all the formalin is sold by the druggists it was an easy matter to find out how much of this material was bought this year compared with others, and the druggists' report showed that they had sold at least ten times as much this year as before. Circulars were also sent out for potato selection and these were emphasized by window displays and newspaper articles.

Experiments were carried out last year with different kinds of fertilizer and they are being continued again this year. We also conducted variety tests with corn, and these will be carried on for two or three years longer, when we hope to have very valuable information to give to farmers as to the suitability of different varieties in our own County. In Caledon an experiment for spraying potatoes for blight was conducted on the farm of Mr. James Johnston, and in spite of the wet weather the results were satisfactory as far as the experiment went, although the continued rains at the last washed the spray off so badly that it didn't altogether prevent the blight; however, this work is to be continued this year, and it is expected that results will be more satisfactory.

Last year I was Secretary of the Brampton Peel County Poultry Association and of the Brampton Fruit Growers' Association. Through the latter association we have ordered about 300 dollars' worth of spray material, and this has been supplied to the farmers at a much lower price than they could otherwise have obtained. There have always been calls to address meetings in all parts of the County on different subjects, Women's Institute, Farmers' Institute, Farmers' Clubs, Trustee meetings, etc. I find that one of the most productive ways of scattering good information on the newest topics in agriculture among the farmers is through the columns of the County newspapers, and during the 16 months that I have been in this County I have had one or more articles in the paper nearly every week.

Earlier in the spring there was a scheme on foot to float a milk condensery in Brampton, and after looking into the matter carefully I found that it was not being conducted on a very satisfactory basis and that two dozen or so farmers had given notes or cash for stock in this concern. After getting the best possible advice on the whole question I took the matter up with the Department at Toronto, with the result that the Minister of Agriculture wrote a letter to the papers warning them about the scheme, and I was also able to assist a dozen or so farmers in getting back the money and notes they had given for stock in this scheme. I think that in this alone two or three thousand dollars was saved to farmers in this County, and since the matter has been pretty widely reported throughout the province it will serve to do away to a large extent with schemes of this kind amongst farmers.

In conclusion, the work has gone on quite satisfactorily in spite of the handicap of lack of help, and the number of callers at the office has increased 50 per cent. during the past year, as the office becomes older and farmers have a better understanding of what the Department is for. According to our records between two and three thousand farmers called at this office last year for definite information on various subjects. On account of this being quite an extensive dairy section, there is a large amount of milk and cream testing to be done in the office. Farmers find that when they have a sample of their cream tested occasionally that they do better in their returns from Toronto, and also some of them have individual cows tested to find the best producers. About a month ago a farmer called to say that he feared an outbreak of blackleg in his herd, and I ordered the vaccine for him and went out and assisted with the vaccination.

The present unsettled condition of everything has made extra work. It has been more difficult to get help for our farmers, and no effort has been spared to try every available source, such as retired farmers, school boys, boy scouts, men from towns and cities, and a number from the States. I have been called on a number of times to make out reports as to crop conditions, and prospects for producing as much food for the Empire this year as in other years. There is no doubt that the District Representative is in a good position to gather this information from travelling around the County and in other ways, and the result is that the Department has done much towards coping with the present difficult situation of keeping up the enlisting and food production at the same time.

I wish to take this opportunity of thanking the members of the County Council and the Agriculture Committee for their sympathy and co-operation in the various lines of work we have undertaken and their assistance is very much appreciated.

Yours respectfully,
J. W. STARK,
District Representative.

Third Report of Finance Committee

Committee Room, Brampton, Nov. 22, 1916.

To the Warden of the County of Peel.

Dear sir: Your Committee of Finance beg leave to submit their third report, as follows:

1. We recommend the payment of $6.15 to D. Kirkwood for sundries as itemized in his statement of November 20, 1916.

2. We recommend the communication of the Muskoka Free Hospital to the whole Council for their consideration. (No action in Council.)

3. We have carefully looked into the communication received from Elgin County, and recommend that this Council pass a like resolution to be forwarded to the Ontario Government.

4. We have taken into consideration a communication from the Treasurer, and would recommend a bill be passed to authorize the payment of monies by the County Treasurer.

All of which is respectfully submitted to this Council.

Third Report of Committee on Education

November 22, 1916.

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee on Education beg leave to present their third report.

We recommend that the Treasurer be instructed to pay to D. Kirkwood the sum of $49.34 for stamps supplied to the Public School Inspector.

E. A. WALSHAW. Chairman.

Fourth Report of Standing Committee on County Property, Roads and Bridges

Council Chamber, November 23, 1916.

To the Warden and Council of the County of Peel.

Your Standing Committee on Roads and Bridges beg to submit the following report:

Your Committee as authorized by the Council have had a new bridge built over the Credit River on the boundary line between the Village of Streetsville and the Township of Toronto, known as Caslor's Bridge. A new reinforced concrete abutment was built on the west side of the River, and the old stone abutment on the east side was rebuilt and enlarged. The superstructure is a heavy steel truss, 140 feet clear span, with a refinforced concrete floor, designed to carry a 15 ton load. The bridge is certainly first class in every particular and is, we think, a credit to the County.

The cost the bridge is as follows:

New concrete abutment	$ 567 00
Rebuilding and enlarging abutment	452 14
Reinforced concrete bridge floor	491 28
High truss steel superstructure	7300 00
Expanded metal for floor	187 95
Reinforcing for abutments	32 92
Engineering	425 00
Building approaches	213 25
	$7669 54

We received from the Bridge Company $50 for the use of the floor plank of the old bridge when erecting the new superstructure; some of the planks are being ripped and used on the guard railing, the balance of the plank and steel of the old bridge which is on the ground should be sold.

Your Committee had plans and specifications prepared by the County Engineer for a reinforced concrete bridge on the Glasgow Road, known as Walshaw's Bridge. The work was advertised to be let, but no satisfactory tender was received, and therefore no contract was made for the building of the same.

Owing to the demand for war munitions it is a hard matter to get reinforced steel for this class of work, and at best the delivery is very slow, unless inferior steel is accepted. We would therefore recommend that the engineer be instructed to order the steel for this bridge so that there may be no delay in proceeding with the work next season.

The following bills for work repairing boundary line bridges paid by the County Treasurer have been verified and found correct.

Thos. O'Brien, for repairing bridge between York and Peel.	$ 25 00
R. Laidlaw & Co., plank for the Curry Bridge, between York and Peel, ½ to be refunded by York County	145 21
J. C. Bell, ½ to be refunded by York County	26 00
Wm. Curry, ½ to be refunded by York County	15 00
J. Gould, repairs Bolton on Albion bridge	14 59
Canada Ingot Iron Co., culvert Peel and Dufferin	29 90
Wood, Valance & Co., reinforcing steel, Caslor's Bridge	12 12
John Patterson, contractor, on account	453 00
John Drennan, pay sheet	521 19
Ontario Bridge Co., superstructure (Caslor's), on account	3650 00
Baines & Peck, over expanded metal, Caslor's	187 95
Ontario Bridge Co., Caslor's Bridge, on account	1825 00
Jos. Drennan, pay sheet	165 00
J. Fulton, overseer	25 50

Your Committee have carefully examined the accounts referred to them and recommend payment of the following:

The County of Halton, ½ cost of repairs to Peel and Halton bridge	$ 49 58
Jas. Carroll, ½ cost of repairing approaches, Peel and Wellington	19 35
Bolton Enterprise, advertising for tenders	2 00
Ontario Bridge Co., balance of contract, Caslor's Bridge	1775 00
For extra plate	8 00
John Patterson, on account concrete, Caslor's Bridge	498 43
Protecting concrete	5 00
Wheelock & Christie, engineers	496 50

Your Committee recommend the payment of the following sums to commissioners:

D. H. McCaugherty, Commissioner	$ 20 00
W. J. Limebeer, Commissioner	23 30
E. A. Walshaw, Commissioner	3 00
S. Kannawin, Commissioner	7 00
W. D. Bowles, Commissioner	8 00
L. H. Pallett, Commissioner	3 00

Your Committee has not done all the work authorized at the June session, as, owing to the scarcity of labor and the high cost of materials, it was thought better to leave over some of the work, which we considered could be safely left for the present.

All of which is respectfully submitted,

D. H. McCAUGHERTY, Chairman.

Second Report of Commission on County Property

Council Chamber, November 24 1916.

To the Warden and Council of the County of Peel.

Gentlemen: Your Commissioners on County Property beg leave to submit their second report, viz.:

1 Your Commission met on April 1 and passed accounts placed before them, among these accounts being three large items, namely, assessment and collectors' rolls, also for filing cabinet for registry office, costing $200; also coal and wood, amounting to $90.50.

2 Meeting on July 1st passed accounts amounting to $129.32.

3 Meeting October 7, passed accounts amounting to $165.31. Those are the usual accounts for Court House, Gaol and Registry Office supplies. The items are all here before you in the County Clerk's books and have been paid by your Treasurer.

With respect to York & Sons' bill for coal we recommend it to the whole council. Instructions to pay at the tender price, $7.45 per ton.

All of which is respectfully submitted,

W. J. LIMEBEER, Chairman.

SCHOOL INSPECTOR'S REPORT

January 26th, 1916.

The Warden and Council, County of Peel.

Gentlemen: I have the honor to submit herewith for your consideration my seventh annual report of the Public Schools in the Inspectorate of Peel for the year ending December 31st, 1915. You will be gratified to know that your schools were in a more satisfactory condition at the close of the past year than at any other period in my incumbency as Inspector. A comparison of the schedules appended hereto with those of former years will convince you that the interest of trustees and parents in educational matters is increasing, and I feel confident that this interest will grow until the education of the youth of our country will be recognized as the most important question that can occupy the attention of men in public capacities.

Trustees' Associations

Two years ago, in order to encourage and promote the interchange of thought and opinion on the part of trustees and to study matters relating to our schools, four Trustees' Associations were organized in the County, and the large attendance at these meetings attests to the high place that education holds in the minds of the majority of trustees. By discussing subjects that will in the future become vital questions trustees are preparing themselves to advocate or oppose dispassionately and intelligently these matters when they become subjects of legislation. I am pleased to be able to say that I have found these meetings of great personal value, as by this means I am enabled to get into closer relationship with trustees than in any other way.

The Teaching Staff

Six years ago from 40 per cent. to 50 per cent. of the teachers in this County were the holders of Third Class certificates. To-day I am in a position to report that there are only four such teachers in the Inspectorate, and it should be noted that two of these were trained at a Normal School, leaving but two who were prepared for the work at a Model School.

The salaries are practically the same as those of a year ago. Slight increases have been made in the Townships of Albion, Caledon, and Toronto Gore, the Villages of Bolton, Port Credit, and Streetsville, and in the Town of Brampton. There has been a falling off in the Townships of Chinguacousy and Toronto.

For the most part the teachers are not only well qualified by their training and scholastic attainments, but are also faithful, earnest, and efficient in the discharge of their duties.

Legislative Grants

Some school boards have expressed disappointment in the amount of the Legislative Grant received, which was much less than expected, and have been disposed to criticize the Department of Education for this reduction. The sum voted for schools never was greater than now and an explanation of the basis of the distribution of this grant will dispel the thought of a lessened grant.

The general Legislative Grant is divided among the counties on the basis of average attendance, and the sum so apportioned to each county is then apportioned amongst the schools as fixed grants, and on the bases of salaries, certificates, and equipment and accommodation in accordance with the following regulations, subject to the provision that the equalized value of each school section is to be used as the basis of computing the Legislative Grant which each school is entitled to receive in respect of Fixed Grants, salaries, etc.

FIXED GRANTS—Where the section assessment is at least $40,000 and less than $50,000, the fixed grant shall be $20.00. No fixed grant is paid where the assessed value is $50,000 or more. There is only one school in this county in receipt of such grant.

GRANTS ON SALARIES—Each school shall receive the following percentage on the amounts paid in teachers' salaries each year up to a maximum of $600.00 salary, in the case of each teacher, the computation beginning as follows:

1. Thirty per cent. on the excess salary over $200.00 for a principal and $150.00 for each assistant where the section assessment is at least $40,000, but less than $60,000.

2. Twenty-five per cent. on the excess salary over $350.00 for a principal and $250.00 for each assistant where the section assessment is at least $60,000, but less than $100,000.

3. Twenty per cent. on the excess salary over $400 for a principal and $300 for each assistant where the assessed value is $100,000 or more.

It will be seen from the above statement that the poorer sections are now receiving more generous treatment than formerly. The present basis of distribution is a step in the direction of the equalization of the cost to the ratepayer of the education of the children of the province.

Educational Waste

A constantly increasing expenditure for educational purposes naturally suggests the question: Are we obtaining results commensurate with the outlay? In my opinion there is a preventible waste that might be reduced at least were there greater co-operation on the part of the factors that enter into the training of the youth. Waste is caused by irregularity of attendance. Although we are improving in this respect we have not yet reached an ideal condition. To compel regularity in urban municipalities the councils are required by law to appoint truant officers, but in rural sections the appointment of such officers is optional with councils and school boards. Very few cases where the pupils are flagrantly truant have been brought to my notice, but owing to the state of the labor market many farmers, finding it difficult to obtain hired assistance, detain their sons at home to take part in the home activities. A few days now and a few days again handicap the boy in his school work to such an extent that many in this way develop a distaste for school life and thus do not receive the training that makes for efficient citizenship. A recent regulation of the Department of Education requires each teacher to report to the Inspector the names of all pupils between the ages of 8 and 14 inclusive who do not attend at least 80 per cent. of the days during which the school was open in the month. The Inspector, in his turn, is required to notify the parents and guardians of the delinquency and to endeavor to impress upon their minds the injury done the child by keeping him from school. This regulation came into force in September and has been productive of good results.

Two school boards in Caledon, Nos. 8 and 9, took advantage of Section 7 (3) of the Schools Act, and opened the school in August, closing it during the time of potato digging. I am informed that this led to better attendance in these schools than in former years.

The other source of waste to which I wish to refer is the constant changes of teachers in so many of the sections in the rural municipalities. I referred to this matter a year ago, but find that there has been no diminution in the number of sections changing teachers once or twice a year. I cannot see that the matter of salary is the cause. I am of opinion that trustees and parents by creating better and more congenial conditions in which the teacher lives and works can accomplish much in establishing a greater degree of permanency in the teacher's tenure of office and until this is attained the waste will continue.

Sections Nos. 4 and 6, Toronto Township and the Village of Port Credit, because of increasing school population, have found it necessary to add, in each case, one teacher. During the past four years eight teachers have been added to the staff of the county. These additions have been made in the southern part of Toronto Township and the Town of Brampton. The school population of the whole county has not, however, made much increase.

I have the honour to be, gentlemen,

Your obedient servant,

W. J. GALBRAITH,

Public School Inspector.

BY-LAWS

BY-LAW NO. 473

A by-law appointing a Board of Audit for 1916.

Whereas Revised Statutes of Ontario, Cap. 96, provide for the appointing of a Board of Audit to audit certain accounts and demands delivered to the Clerk of the Peace of the County of Peel.

Therefore the Municipal Corporation of the County of Peel enacts

1. That a Board of Audit for the purpose of auditing accounts and demands that shall during 1916 be delivered to the Clerk of the Peace of the County of Peel pursuant to the provisions of Revised Statutes of Ontario, Chapter 96, be and the same is hereby appointed.

2. That Duncan McGibbon, Esq., Judge of the County Court of the County of Peel, shall be a member of such Board of Audit.

3. That L. H. Pallett be and he is hereby appointed a member

4. That John H. Moffat be and he is hereby appointed a member of such Board of Audit.
of such Board of Audit.

5. That such Board shall make a report in writing as required by sub section 2 of Section 23 of said Act.

6. That each member of the Board of Audit be paid the sum of $3.00 for each day of such audit, together with ten cents per mile necessarily travelled to attend such audit, and the Treasurer of the County of Peel be and is hereby authorized to pay the same.

Passed in open Council this 27th day of January, A.D. 1916.

D. KIRKWOOD, Clerk. GUY BELL, Warden

BY-LAW NO. 474

A by-law to appoint a Commissioner pursuant to the requirements of the Municipal Corporation of the County of Peel.

Whereas By-law 373 provides that each of the Counties of Peel and Halton shall appoint a Commissioner to jointly oversee the work of improvement or enlargement that may be necessary to be made to the House of Refuge of the Counties of Peel and Halton.

Therefore the Corporation of the County of Peel enacts as follows:

1. That D. H. McCaugherty be and he is hereby appointed Commissioner under said By-law No. 373 to act with the Commissioner appointed by the County of Halton for the purpose of performing the duties required by the said By-law No. 373, and any other duties pertaining to the said House of Refuge that may be required of him by the Municipal Council of the County of Peel.

2. That all by-laws inconsistent with the provisions of this by-law be and they are repealed.

Passed in open Council this 27th day of January, A.D. 1916.

D. KIRKWOOD, Clerk. GUY BELL, Warden

BY-LAW NO. 475

A By-law Authorizing the Borrowing of Money for County Purposes

Whereas it is expedient to raise by way of loan the sum of Forty Thousand Dollars ($40,000.00) required to meet the current expenditure of the Corporation of the County of Peel;

Be it resolved, therefore, and the Council of the County of Peel enacts as follows:

1. That it shall and may be lawful for the Warden and Treasurer of the County of Peel, and they are hereby authorized and empowered to borrow from the Merchants Bank of Canada, or any

chartered bank, at the office of such bank in the Town of Brampton, a sum not exceeding the sum of Forty Thousand Dollars ($40,000) for the purpose aforesaid.

2. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada or such other bank at Brampton, the promissory note or notes of the said Warden and Treasurer, payable at the office of the said Bank in Brampton on or before the 31st of December, with interest thereon at the best obtainable rate per annum, and to execute renewals thereof in whole or in part, until such advances are fully repaid.

Done and passed at Brampton this 28th day of January, 1916.

D. KIRKWOOD. Clerk. GUY BELL, Warden.

BY-LAW NO. 476

A By-law to Equalize for County Purposes the Assessment of the Several Municipalities within the County of Peel for the year 1916.

Whereas under the provisions of the revised Assessment Act of the Province of Ontario every County Council is required to equalize by by-law the assessment of the several municipalities of the county in order to produce a just relation between them as a basis for County Assessment;

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

That the equalized assessment of the several municipalities of the County of Peel for the present year be as in the following schedule embodied herein:

Name of Municipality	Equalized Assessment
Albion	$1,748,000
Caledon	2,092,000
Chinguacousy	4,277,000
Toronto Township	4,103,000
Toronto Gore	982,000
Brampton	1,661,000

Bolton	191,000
Port Credit	400,000
Streetsville	211,000
	$15,665,000

Passed this 29th day of January, A.D. 1916.

D. KIRKWOOD, Clerk. GUY BELL, Warden

BY-LAW NO. 477

A By-law Authorizing the Borrowing of Money for Granting Aid to the Patriotic Fund

Whereas under and by virtue of the Provisions of Chapter 37 5 George V Statutes of Ontario, any Municipal Council may pass by-laws for granting aid to the Canadian Patriotic Fund established by Act of the Dominion Parliament passed in the fifth year of the reign of His Majesty King George the Fifth, Chapter 8;

And whereas the Peel County War Auxiliary, an organization of the County of Peel, has requested the County Council of Peel to grant to the said Patriotic Fund the sum of $50,000.00.

And whereas the Peel County War Auxiliary has been admitted and recognized as a duly constituted branch of the said Patriotic Fund.

And whereas in the opinion of this Council it is desirable that the said Grant should be made.

Therefore be it resolved and the County Council of Peel enacts as follows:

1. That it shall be lawful for the Warden and Treasurer of the County of Peel and they are hereby authorized and empowered to borrow from any chartered bank of Canada at the office of such bank in the Town of Brampton a sum not exceeding $50,000.00 for the purposes aforesaid.

2. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute representing such advances, under the Corporate seal of the Co. of Peel, and to deliver to the manager of said bank at Brampton the promissory note or notes of said Warden and Treasurer

payable at the office of the said bank in Brampton with interest thereon at the best obtainable rate per cent. per annum and to execute renewals thereof in whole or in part until such advances are fully repaid.

3. The said sum is to be raised on promissory notes as aforesaid payable within two years from the date of this by-law, and the notes shall be so drawn and made that the number and principal of the notes falling due in one year shall be equal to the number and principal of these falling due in the second year.

4. During the currency of the said notes there shall be levied annually by special rate on all rateable property in the County of Peel the sum required for the purpose of paying the amount due in each of the said years for principal and interest in respect of the said debt;

5. That out of the said sum of $50,000.00 when raised there shall be paid to the Treasurer of the County of Peel the sum of Two Thousand Dollars to be deposited by him in a special account for the purpose of paying premiums on policies taken out by the said Peel County War Auxiliary on the lives of soldiers taking part in the war as the said premiums respectively become due.

6. The balance when raised as aforesaid from time to time shall be paid to the Treasurer of the Canadian Patriotic Fund at Ottawa in monthly instalments of $4000.00.

7. That any portion of the said fund unused shall revert back to the said County;

8. This by-law shall come into force when the same is approved by the Lieutenant-Governor in Council, as provided by Section 5 of Chapter 37 5 George V Ontario Statutes.

Passed at Brampton this 29th day of January, A.D. 1916.

BY-LAW NO. 478

A By-law to Amend By-law No. 419, Being a By-law Appointing the Reeves of the Township Municipalities of the County of Peel to Advise with the Engineer and Road Superintendent Under the Act known as "The Highway Improvement Act."

Whereas it is desirable that the said By-law No. 419 be amended to cover the work of maintenance and repair done in accordance with the provisions of The Ontario Highways Act, 1915, and expenditure in connection therewith.

Now therefore the Council of the Corporation of the County of Peel enacts as follows:

1. That section number two of the said By-law No. 419 be and is hereby amended by striking out the word "thereto" at the end of the section and adding at the end, after the word "appertaining," the words: to the construction, maintenance, and repair of said roads."

2. That section number five of said By-law No. 419 be and the same is hereby repealed and the following section substituted in lieu and instead thereof:

5. The said Treasurer shall make payments of the accounts for construction work, that is work on which the Governments pays a sum equal to forty per cent. of the amount expended, out of moneys on hand and belonging to what is known as "The Good Roads Fund," and the accounts shall be chargeable to the Township Municipalities in which the said work is done. And shall make payments of the accounts for maintenance and repair work, that is work on which the Government pays a sum equal to twenty per cent. of the amount expended out of moneys on hand and belonging to what may be known as "The Good Roads Repair Fund". and the accounts shall be chargeable to the County of Peel at large.

Passed in open Council this seventh day of April, A.D. 1916.

BY-LAW NO. 479

A By-law to Amend By-law No. 341

Whereas the Municipal Corporation of the County of Peel did by By-law No. 341. passed on the 20th day of June, 1906, designate and assume certain roads in the County of Peel as County Roads.

And whereas the said By-law has been amended by adding thereto other roads in the said County as County Roads, as has been particularly set out in By-law passed by the said Municipal Corporation for that purpose.

And whereas the Municipal Council of the County of Peel deem it expedient that the said By-law should be further amended and that the roads designated as County Roads in Section 2 of the said By-law 341 should be amended as hereinafter particularly set forth.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

That Section 2 of By-law 341 of the Municipal Corporation of the County of Peel be and the same is hereby amended.

1. By adding on that portion of the side road between Lots 5 and 6 through the First and Second Concessions south of Dundas Street, in the Township of Toronto, extending from the Lake Shore Road to Dundas Street.

This By-law to take effect from and after the assent of the Lieutenant-Governor in Council.

Passed this seventh day of April, A. D. 1916.

BY-LAW NO. 480

A By-law Authorizing the Issue of Debentures of the County of Peel to the Extent of $52,000,000.

Whereas by an Act entitled "An Act for the Improvement of Public Highways," being 7 Edward VII., Chapter 16, and amendments thereto, the sum of $2,000,000.00 was set apart to be paid out of the consolidated revenue fund of the Province of Ontario to aid in the improvement of public highways, subject to the terms and conditions therein set forth;

And whereas it was thought desirable by the County Council of the County of Peel that the County of Peel should participate in the said sum of $2,000,000.00 set apart by 7 Edward VII., and for that purpose should adopt a system of county roads, and construct and repair the same in accordance with the regulations of the public works department of the Province of Ontario with respect to public highways as in said act prescribed;

And whereas the said Municipal Corporation of the County of Peel by by-laws passed from time to time assumed as county roads certain highways in the said County of Peel under and by virtue of the provisions of the said Act and amendments thereto, and has expended moneys upon the said roads so designated and assumed as aforesaid;

And whereas by an Act entitled "The Highway Improvement Act," Revised Statutes of Ontario, 1914, Chapter 40, it was enacted that so much of the said sum of $2,000,000.00 as remained unexpended shall continue to be appropriated to aid in the improvement of Public Highways as more particularly set out in the said Act;

And whereas it is desirable that the County of Peel should further participate in the said sum of $2,000,000.00 so set apart as aforesaid to the amount of $52,000.00, upon the terms and conditions as set out in The Highway Improvement Act and amendments thereto, and that the construction of the County Roads System in the County of Peel should be extended and completed in accordance with the terms of the Highway Improvement Act, Revised Statutes of Ontario, 1914, Chapter 40;

And whereas the said Municipal Corporation by by-law duly approved under the terms of Section 7 of said Chapter 40 has appointed an Engineer to act as County Road Superintendent under the direction of the said County Council of the County of Peel;

And whereas the said Highway Improvement Act has been further amended by the Statutes of Ontario, 1915, Chapter 16;

And whereas for the purposes aforesaid it will be necessary to issue debentures of the said County of Peel for the sum of $52,000.00 as hereinafter provided, which said sum of $52,000.00 is the debt intended to be created by this By-law;

And whereas it is desirable to make the principal of the said debt payable by yearly sums during the period of ten years, being the currency of the said debentures, said yearly sums being of such respective amounts that the aggregate amount payable in each year for principal and interest of said debt shall be as nearly as possible equal to the amount so payable in each of the other nine years of the said period;

And whereas the total amount required by the Municipal Act to be raised annually by special rate for paying the said debt and interest as hereinafter provided, is a sum sufficient to discharge the instalment of principal and interest accruing due on the said debt for such year as shown in the fourth column of Schedule "A" hereto annexed;

And whereas the amount of the whole rateable property of the County of Peel according to the last revised and equalized assessment roll is $15,665,000.00 (Fifteen Million Six Hundred and Sixty-five Thousand Dollars);

And whereas the existing debenture debt of the said County is the sum of $227,273.77, of which no principal or interest is in arrear;

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That the said sum of $52,000.00 shall be expended by the said County of Peel in extending and completing the construction of the County Roads System in the said County of Peel, in pursuance of the terms and conditions particularly set out in the Highway Improvement Act Revised Statutes of Ontario (1914), Chapter 40; and for the purpose of raising the said sum debentures of the said County of Peel, to the amount of $52,000.00 in sums of not less than $100.00 each shall be issued by the said County of Peel, and said debentures shall be dated on the day of the issue thereof, and shall be payable within ten years thereafter.

2. Each of the said debentures shall be signed by the Warden of the said County and countersigned by the Treasurer and Cle the said County and the Corporate Seal shall be attached thereto.

3. The said debt and the debentures issued therefor shall bear interest at the rate of 5½ per cent. per annum from the date thereof and the said debentures both as to principal and interest shall be payable annually, the first payment in one year from the date of the issue at the Merchants Bank at the Town of Brampton, and shall have attached to them coupons for payment of said interest, which coupons shall be signed by the Warden and Treasurer of the said County of Peel.

4. During the currency of the said debentures there shall be raised annually by special rate on all the rateable property in the County of Peel the sum required for the purpose of paying the amount due in each of the said years for principal and interest in respect of the said debt, as shown in schedule "A" hereto annexed.

5. That the moneys raised by the issue of the said Debentures as aforesaid shall be applied solely for the purpose hereinbefore set out and shall not be used in paying any part of the current or other expenditure of the said Corporation, or for road repair or maintenance.

6. That out of the proceeds realized from the sale of the said debentures there shall be repaid to the Municipalities of Brampton, Bolton, Streetsville and Port Credit the respective sums contributed by the said Municipalities of Brampton, Bolton, Streetsville and Port Credit towards raising the said sums of $52,000.00.

This By-law shall come into force and effect from and after the date of the passing thereof.

Passed in open Council this seventh day of April, A.D., 1916.

BY-LAW NO. 481

A By-law to Assess the Rateable Property in the County of Peel for maintenance and Repair of Public Highways Designated and Assumed by the Corporation of the County of Peel by By-law No. 341 and Amending By-laws.

Whereas it is the duty of the Municipal Corporation of the County of Peel to maintain and keep in repair all highways designated and assumed by the Corporation by By-law No. 341 and amending by-laws:

Therefore the Corporation of the County of Peel by the Council thereof enacts as follows:

1. There shall be raised, levied and collected from all persons rated on the assessment rolls of the several municipalities of the County of Peel liable to be assessed in the current year the sum of $8,000.00 for maintenance and repair of highways that have already been designated, assumed and improved by the said Corporation under By-law No. 341 and amending by-laws.

2. That the said sum shall be raised, levied and collected from all rated on the assessment rolls of the several municipalities of the County of Peel liable to be assessed, in proportion to the equalized assessment of the several municipalities of the County of Peel.

3. The whole of the said sum of $8,000.00 shall be raised, levied and collected and paid to the Treasurer of the County of Peel on or before the 14th day of December next.

4. That the monies so raised and used in metaling of roads, gravelling, and repairing of bridges shall be used under the direction of the Superintendent of Highways of the County of Peel.

Passed in open Council this 21st day of June, A.D. 1916.

D. KIRKWOOD, Clerk. GUY BELL, Warden

BY-LAW NO. 482

Being a By-law to Assess the Rateable Property of the County of Peel for the Year 1916.

Whereas it is necessary to provide by a general assessment on the rateable property of the County of Peel for the year 1916 for the payment of the general and incidental expenses of the County and for the payment of a portion of the salary of the Inspector of Public Schools.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

1. That there be raised, levied and collected from all persons rated on the assessment rolls of the several municipalities of the County of Peel liable to be assessed in the current year the sum of Thirty-two Thousand Dollars ($32,000) for the payment of the salaries of County Officials, a portion of the expense of the administration of Criminal Justice, allowance to County Councillors and other necessary and incidental expenses of the current year.

2. The sum of $893.49, being an equivalent to the special Government grant to the Public and Separate Schools of the County, by an equal rate upon the taxable property of the whole County according to the equalized assessment of the whole County.

3. The sum of Five Thousand Seven Hundred and Eighty-three Dollars ($5,783.00) under By-law No. 351 of the said Corporation, authorizing the issue of debentures to the amount of one hundred thousand dollars for the improvement of highways assumed by the County;

4. The sum of Six Thousand One Hundred and Thirty-nine Dollars and Fifteen Cents ($6,139.15) under By-law No. 381 of the said Corporation, authorizing the issue of debentures to the amount of One Hundred Dollars for the further improvement of highways assumed by the County;

5. The sum of One Thousand Nine Hundred and Fifty-one Dollars and Fifty-four Cents, a special charge on the municipality of the Township of Toronto under the provisions of By-law No. 426.

6. The sum of Three Thousand Nine Hundred and Three Dollars and Nine Cents ($3,903.09) under By-law No. 434 of the said Corporation, authorizing the issue of debentures to the amount of Sixty Thousand Dollars for the further improvement of highways assumed by the County.

7. The sum of Eight Thousand Dollars under By-law No. . . . of the said Corporation, authorizing the said sum to be raised for repairs and maintenance of roads within the County of Peel, which have been assumed as County Roads.

8. The sum of Fifteen Thousand Three Hundred and One Dollars, being a special rate of one mill on the dollar on the equalized assessment of the County for Prov. War Tax, under the provisions of the Provincial War Tax Act of 1915.

9. The sum of $26,345.00 to pay interest and instalment falling due under provision of By-law No. 477, authorizing the borrowing of money for granting aid to the Patriotic Fund.

10. The sum of Six Thousand Eight Hundred and Ninety-eight Dollars and Seventy-two Cents for the payment of interest and principal falling due under the provisions of By-law No. 480, authorizing the issue of debentures to the amount of Fifty Thousand Dollars for the purpose of extending and completing the construction of the county road system in the County.

The whole of the said sums to be collected and paid to the Treasurer of the County of Peel on or before the 14th day of December next, as per schedule annexed.

Passed this 21st day of June, A. D. 1916.

BY-LAW NO. 483

A By-law to Amend By-law No. 341

Whereas the Municipal Corporation of the County of Peel did by By-law No. 341, passed on the 20th day of June, 1906, designate and assume certain roads in the County of Peel as County Roads:

And whereas the said By-law has been amended by adding thereto other roads in the said County as County Roads, as has been particularly set out in By-laws passed by the said Municipal Corporation for that purpose.

And whereas the Municipal Council of the County of Peel deem it expedient that the said by-law should be further amended and that the roads designated as County Roads in Section 2 of the said by-law 341 should be amended as hereinafter particularly set forth.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

That Section 2 of By-law 341 of the Municipal Corporation of the County of Peel be and the same is hereby amended.

1. By adding to the system of County Roads in the Township of Toronto in the County of Peel three miles of additional road, such three miles of additional road to be selected by the County Engineer of the County of Peel, and to be approved of by the Department of Public Works of the Province of Ontario, such three miles to be in lieu of three miles taken from the Good Roads System in the said Township by the Highway Commission.

2. By adding that portion of the highway called the 9th line in the Township of Toronto Gore in the County of Peel, Northern Division, extending from the 15th side road northerly to the 17th side road in the said Township of Toronto Gore.

This By-law to take effect from and after the assent of the Lieutenant-Governor in Council.

Passed this 23rd day of June , A. D. 1916.

BY-LAW NO. 484

A By-law to Amend By-law No. 421, Entitled A By-law Regulating the Licensing of Hawkers, Pedlars and Petty Chapmen.

Whereas the Municipal Corporation of the County of Peel deem it expedient to further amend By-law No. 421 of the said Corporation.

Therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That Clause I. of the said by-law be and the same is hereby amended by the insertion of the following words, namely, "or go from place to place or to other men's houses to take orders for coal oil, or other oil, which is to be delivered afterwards from a tank car moved on a railway line, to go from place to place or to a particular place to make sale or deliveries of coal oil, or other oil, from such tank car, or sell or offer for sale any goods, wares or patterns of such goods to be afterwards delivered in the County of Peel to any person not being a wholesale or retail dealer in such goods, wares or merchandize within the said County of Peel," immediately after the word "sale," where the word sale occurs in the fourth line of said Clause I.

2. That subsection "A" of said Clause I. of the said By-law be and the same is hereby amended by striking out the word "or" where the said word "or" occurs in the fourth line of said clause "A", and by adding the following words, namely, "coffee, spices, baking powder, coal oil, and other oil, tinware, carpet sweepers, electrical appliances, spectacles or eye-glasses," immediately after the word "jewellery" where the said word jewellery occurs in the said fourth line of said Clause "A."

3. That Clause 6 of the said By-law be and the same is hereby amended by adding the following words and figures to the said Clause 6.

(g) "To travel with motor car or motor cycle $25.00.

(h) "To travel with oil tank, $100.00.

(i) "To go from place to place or to other men's houses to take orders for coal oil, or other oil, which is to be delivered afterwards from tank car moved on a railway line. $100.00.

(j) "To go from place to place or to a particular place to make sale or deliveries of coal oil, or other oil, from a tank car, $100.00."

4. That Clause 7 of the said By-law be and the same is hereby amended by adding the following words and figures to the said Clause 7.

(g) "To travel with motor car or motor cycle or bicycle, $10.

(h) "To travel with oil tank. $40.00.

(i) "To go from place to place or to other men's houses to take orders for coal oil, or other oil, which is to be delivered afterwards from tank car moved on a railway line, $40.00.

(j) To go from place to place or to a particular place to make sale or deliveries of coal oil or other oil from a tank car, $40.00."

5. That all by-laws of the said Corporation inconsistent with this by-law be and the same are hereby repealed.

This by-law shall come into force from and after the date of the passing thereof.

Passed in open Council this 23rd day of June, A.D. 1916.

BY-LAW NO. 485

A By-law Regulating and Authorizing the Payments of Monies by the County Treasurer.

Whereas a very large amount of the expenditure of County funds is in connection with the Good Roads System and County bridges, and whereas no provision is made by Statute for payments of same.

Therefore the Municipal Corporation of the County of Peel by the Council enacts as follows:

1. That the Treasurer of this Council be and he is hereby instructed to open separate accounts in the Merchants Bank of Canada at Brampton under the following headings: (1) General Account; (2) County Good Roads System; (3) House of Refuge; (4) Patriotic Fund; (5) Public Schools; (6) Canada Temperance Act; (7) Children's Aid Society.

2. That all monies whether payable by cheque or money or otherwise received by the Treasurer on behalf of the County of Peel shall be deposited to one of the said accounts and to the one to which the same properly belongs.

3. That all payments of money other than those authorized by Statute shall be made by the Treasurer only upon the authority of the Council, County Property Committee, Board of Audit, Good Roads Committee, Road and Bridge Committee, or any Committee of the Council empowered to pass and order payment of accounts.

4. That the Treasurer of this Council present to the Council at each of its regular sessions an itemized statement of all receipts of money received by him as Treasurer under by-laws or from any other source whatsoever.

5. That By-law No. 472 and all other by-laws or resolutions inconsistent with this by-law be and the same are hereby repealed. This by-law shall come into force and take effect from and after the date of the passing thereof.

Passed this 22nd day of November, A.D. 1916.

BY-LAW NO. 486

A By-law to Appoint Auditors for the Year 1917.

Whereas on the third day of December, 1907, the Council of the Municipal Corporation of the County of Peel did pass a by-law as provided in section 301 of the Municipal Institutions Act providing for the appointment of Auditors during the months of November or December for the following year.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

1. That F. J. Jackson of Meadowvale and John A. McBride of Caledon be and they are hereby appointed Auditors for the County of Peel for the year 1917.

2. That the above named Auditors be and they are appointed Auditors of School Monies.

3. That it shall be the duty of the above named auditors to audit the Treasurer's accounts for the year 1916, and all other accounts as directed by the Council.

4. That each Auditor be paid the sum of $30.00 on the order of the Warden when the work is duly performed.

Passed this 24th day of November, A.D. 1916.

D. KIRKWOOD, Clerk. GUY BELL, Warden.

BY-LAW NO. 487

A By-law to Amend By-law No. 341

Whereas the Municipal Corporation of the County of Peel did by By-law No. 341, passed on the 20th day of June, 1906, designate and assume certain roads in the County of Peel as County Roads.

And whereas the said By-law has been amended by adding thereto other roads in the said County as County Roads, as has been particularly set out in By-laws passed by the said Municipal Corporation for that purpose.

And whereas the Municipal Council of the County of Peel deem it expedient that the said By-law should be further amended and that the roads designated as County Roads in Section 2 of the said By-law 341 should be amended as hereinafter particularly set forth.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

That Section 2 of By-law 341 of the Municipal Corporation of the County of Peel be and the same is hereby amended.

1. By adding on that portion of the sideroad between Lots 17 and 18 in the Township of Chinguacousy in the County of Peel, from the first Concession, West of Hurontario Street, and extending Westerly along the said sideroad to the boundary line between the said Township of Chinguacousy and the Township of Esquesing.

2. By adding on that portion of the side road between Lots 17 and 18 in the said Township of Chinguacousy, from the first Con. East of Hurontario Street, and extending Easterly along the said sideroad to the boundary line between the said Township of Chinguacousy and the Townships of Albion and Toronto Gore.

TREASURER'S STATEMENT

of County Accounts for 1916

To the Warden and Council of the County of Peel.

Gentlemen: I beg leave to report that the County Accounts for the year ending December 31st, 1916, have been prepared in detail and have been audited.

The receipts from all sources are	$184890 70
The disbursements	161004 61
Leaving a balance to the credit of the County on January 1st, 1917	$ 23886 09

A portion of this balance belongs to the following accounts:

Debentures and coupons payable in April, June and July	$ 22723 96
Net balance on hand for County purposes	$ 1162 13
	$ 23886 09

You will see by this statement that we have a balance to credit of the County on January 1st, 1917, of	$ 1162 13
As against balance last year of	5169 65
This reduction in balance is explained by a reduction in our County Rates of	12000 00

It will be necessary to pass a By-law authorizing the borrowing of money, at this session of the council, as a large portion of the Debentures and Coupons are payable before June session of the Council. I would suggest that the amount placed in the By-law be the same as last year, $40,000.00, and that will save passing additional By-laws during the year.

You will find attached the four Quarterly Statements; also Public School Statement, House of Refuge, Patriotic Fund, Canada Temperance Act, and Good Roads Improvement and Repairs; showing receipts and expenditure for each Municipality and balances to credit of each Municipality; also a statement of non-resident tax for Peel County.

Treasurer's Office, Jan. 15, 1917.

R. CRAWFORD, County Treasurer.

Treasurer's office, Jan. 19, 1917.

ROBT. CRAWFORD, Co. Treasurer.

Brampton, January 24th, 1917.

To the Warden and Council,

County of Peel.

Gentlemen: Your auditors for the year ending December 31st, 1916, beg leave to report as follows:

We have checked very closely the books and accounts of your Treasurer, tracing carefully the sources of all income. As to expenditure we have checked the vouchers in the shape of accounts receipted and cheques endorsed for each of the items, and find them correct.

Your Treasurer continues to practise the same carefulness as in former years, although his work has largely increased. The last two years he has added to the ordinary County funds that of the Canada Temperance Act and Patriotic Funds, and this year the separation of the County Road System fund from the general account and has kept in a separate book so arranged as to show the expenditure of each municipality for road construction and repair. We, as auditors, do not believe that the Treasurer is paid for the enormity of his work. We mention this fact, knowing that you will give him his just dues. Notwithstanding all this extra work, your Treasurer had his books in good shape and ready for audit.

We find that the total receipts amounted to $184,890.70, and the disbursements to $161,004.09, leaving a balance on hand of $23,886.09. A proportion of this balance belongs to the following accounts: Debentures and coupons payable April, June and July of $22,723.96, leaving a net balance on hand for County purposes of $1162.13. You will see by this statement that the balance is not so large as that of last year, but when you consider that the Council of last year reduced the county rate by $12,000.00, this balance we consider is a very good showing.

The Merchants Bank shows a credit balance of $24187.67. The Treasurer's books show $23,886.09. The apparent difference is made up of cheques not presented for payment before December 31st, 1916. At this writing the above cheques, amounting to $301.58, have been presented and paid with the exception of one to Alton Public Library of $50.00, and one for a damage claim amounting to $9.00, which has not been accepted.

We notice that your Council of last year passed a by-law authorizing the issue of debentures to the amount of $52,000.00, at 5½ per cent. We believe a good sale was made considering the great demand for funds all over the British Empire to carry this awful struggle to a successful issue. The amount realized by the sale of debentures was $52,949.55.

During 1916 $37,500.00 was borrowed from the Merchants Bank to meet the large outlay. This has been repaid, and there is no amount due the Bank at the present time.

The outlay on the County Roads during the year has been $24,950.75, and on repairs $17,713.08, making a total of $42,663.83. The Treasurer's account shows an expenditure of $59,411.82, a difference of $16,747.99. This is made up of County loan of $500.00 since refunded; Albion loan of $3,447.54; Toronto Township loan of $4,476.19, both refunded. Paid re debentures to Brampton, $5,613.67, to Streetsville $713.00, to Port Credit $1,352.00, and to Bolton $645.59. There is great need for conservation at the present time. New undertakings should not be entered into unless really necessary.

The book prepared by your Treasurer for Good Roads account we believe a great improvement on the old system under the general account.

Coming to non-resident land tax, we find the following:

Receipts from the Township of Caledon	$ 106 50
Receipts from the Township of Albion	21 22
Receipts from the Township of Toronto	83 27

These amounts have been paid over to the Treasurers of the Townships entitled thereto.

HOUSE OF REFUGE

The Peel and Halton House of Refuge accounts have been carefully checked. They show receipts of $6,508.47, and disbursements of $6,393.06, leaving a balance on hand of $115.41. The Treasurer produced accounts and cheques endorsed as vouchers for the payments.

There is a printed statement showing the annual settlement between the counties for the year, also showing the total receipts and expenditures.

REPORT OF SCHOOL MONEYS

Your auditors beg leave to report that we have checked the school moneys received and paid out by the County Treasurer during the year 1916 and have verified them by the warrants of the P. S. Inspector and the Educational Department. The receipts were $6,480.81, and the disbursements $6,480.81, leaving no balance. For a detailed statement of all receipts and expenditures we would refer you to the Treasurer's report.

CANADA TEMPERANCE ACT

Receipts for the year $1,157.45 made up of fines, with the exception of $12.45 bank interest, and payments $500.00 to the credit of Dominion Bank License Account, leaving a balance of $657.45.

PATRIOTIC FUND

The Patriotic Fund has played a large part in the finances of the County during the past year, as the following summary shows:

Receipts—

Balance on hand	$ 2749 21
Loans from bank	58000 00

All of which is respectfully submitted,

F. J. JACKSON,
JOHN A. McBRIDE, Auditors.

Report adopted,

W. J. LIMEBEER, Warden.

JANUARY SESSION

FIRST DAY

Corporation of the County of Peel,

Council Chamber, Brampton, January 23, 1917.

The members elect of the Council of the County of Peel met, and were calledto order by the Clerk, who presided.

The following members, having filed their statutory certificates with the Clerk, answered to their names as representing the several municipalitis, viz.:

For the Township of Albion, David Wilson, Reeve; Isaac Steele, Deputy Reeve.

Township of Caledon, Wm. J. Limebeer, Reeve; Samuel Kannawin, Deputy Reeve.

Township of Chinguacousy, W. D. Bowles, Reeve; Robt. McCullough, Deputy Reeve.

Township of Toronto, David H. McCaugherty, Reeve; Leslie H. Pallett, 1st Deputy Reeve; Edward H. Orr, 2nd Deputy Reeve.

Township of Toronto Gore, Jos. Julian, Reeve.

Town of Brampton, L. J. C. Bull, Reeve; Robt. Patterson, Deputy Reeve.

Village of Bolton, Edwin A. Walshaw, Reeve.

Village of Port Credit, R. Parkinson, Reeve.

The Village of Streetsville, Dr. T. I. Bowie, Reeve.

The Clerk informed them that their first duty was the election of Warden and subject to certain restrictions the Council could adopt the mode of procedure.

Moved by Mr. Pallett, seconded by Mr. Walshaw, that the mode of procedure for the election of the Warden for the County Council of Peel for the year 1917 shall be as follows:

1. Fifteen minutes shall be allowed for nominations.

2. The member of this Council who has filed his certificate of election under the Municipal Act receiving the majority of votes of the members present shall be declared elected.

3. In the event of more than two members accepting the nomination the name of the members receiving the lowest number of votes shall be omitted from the next vote and the election continued in this way until two members only are candidates, the one of these two receiving the majority of votes of the members as aforesaid shall then be declared elected.

4. In other respects the form of procedure shall be in accordance with the Municipal Act.

This resolution being adopted, the Clerk asked for nominations for the office of Warden.

Moved by Mr. L. J. C. Bull, seconded by Mr. Julian, that W. J. Limebeer, Reeve of the Township of Caledon, be Warden of this County Council for the year 1917.

Moved by L. H. Pallett, seconded by T. I. Bowie, that D. H. McCaugherty, Reeve of Toronto Township, be Warden of the County of Peel for the year 1917.

No other nomination having been made within the given time, a vote was taken on the nomination of Mr. Limebeer, which was carried and the Clerk declared him elected, when, on motion of Mr. McCaugherty, the election was made unanimous.

The Warden elect was then conducted to the chair by his mover and seconder, and having made and subscribed to the declaration of office before Robert Crawford, J.P., briefly addressed the Council and entered upon his duties.

The Minutes of the last day of November Session were then read and confirmed.

On motion of Mr. Bull a deputation from the High School Board of Brampton addressed the Council in reference to securing several rooms in the Court House for the use of the school until other accommodation is provided, the chief speakers being Dr. Roberts and Messrs. Fenton and Gordon.

Mr. Gordon also addressed the Council in reference to the Children's Aid Society, giving several instances of the good results obtained from grants formerly given by the County, and asking for the continuance of the yearly grant of two hundred dollars.

Moved by Mr. Walshaw, seconded by Mr. Pallett, that a select committee of five be chosen by ballot to nominate the Standing Committees for the year. Carried.

The Warden ordered the ballot to be taken and appointed Messrs. B. F. Justin, County Judge, and R. Crawford, County Treasurer, scrutineers to count the ballots and report results.

The scrutineers reported Messrs. Julian, Bowles, McCaugherty, Wilson and Walshaw elected.

On motion the Warden left the chair for thirty minutes to allow the Select Committee time to prepare their report.

Council resumed and Mr. Julian presented the report of the Special Committee, which was received and read and on the Chairman's motion adopted.

The Special Committee re Bolton Bridge again resumed in session.

The Chairman then presented and read their final report, which was adopted in Council.

Movedby Mr. McCaugherty, seconded by Mr. Julian, that after hearing the report of the Committee appointed to investigate this matter, the evidence of the respective witnesses, that it is the opinion of this Council that previous to the year 1884 this was a County bridge, and was subsequently rebuilt by the County of Peel, and that there has not been the necessary procedure taken to have the said bridge assumed by the said Village of Bolton.

Be it resolved that the said bridge be placed upon the schedule of Peel County bridges, as there appears to be a difference of opinion as to whether the said bridge should become or is the property of the Village of Bolton.

This resolution is passed subject to the following condition: Namely, that no claim to this County for damages in connection with the said bridge to this date be made by the said Village of Bolton or by any other person or persons or corporation whatsoever against this Corporation, and that if any such claim be made as aforesaid, and the County be compelled to pay the same, then this resolution to be declared null and void, and that all matters in connection with the said bridge stand and be in the same position as if this resolution had not been passed, and that the Corporate Seal be attached to this resolution. Carried.

Dated at Brampton this 14th day of June, 1917.

Yeas—Messrs. Dr. Bowie, Julian, Kannawin, McCaugherty, Parkinson, Pallett, Steel, Walshaw and Wilson—9.

Nays—Messrs. Bull, Bowles, McCullough, Orr and Patterson—5.

The Warden left the chair until 2 o'clock to allow members to visit the House of Refuge during recess.

Council resumed at 2.30 and met a deputation, which appeared in the interest of the Public Libraries of the County. The several members of the deputation addressed the Council, namely: Rev. Mr. Corless, Mrs. Dorrington, Messrs. Attinson and Trought.

Mr. Pallett moved that the consideration of grant to Public Libraries be referred to the Education Committee. Carried.

TheCouncil resumed in Committee of the Whole for further consideration of the report of the Committees on County Property, with Mr. Wilson again in the chair.

Committee rose and presented the report as amended. It was then adopted in Council.

Mr. Dolson briefly addressed the Council, advocating a special grant for competition conferred to farmers' sons of the County at the Guelph Fat Stock Show.

On motion Council adjourned.

Treasurer Office, Brampton, June 12th, 1917.

To the Warden and Council of Peel County:

Gentlemen:—

You will find attached estimates for the current year.

The expenditure for the first quarter was light. We had no jury for the Spring Assizes, and none for the June Sessions.

The administration of justice accounts have been very light thus far. I have paid the 234th Battalion the balance of the $2500.00 grant made by the County Council.

You will see by the estimates that I have made them $3487.00 more than last year owing to the fact that our balance to begin the year was $4007.52 less than the previous year.

You will notice I have placed $3000.00 for County Bridges. If this is not sufficient, you will require to make the change.

Last year at this date your Warden and Treasurer had borrowed from the Merchants Bank for current expenses $15,000.00. I have not borrowed any this year on note, but have transferred $12,000.00 from Good Roads Account to General Account to save interest.

We have debentures and coupons outstanding to be paid in the next thirty days, amounting to $8,236.96. When these are presented for payment we can again transfer from Good Roads Account sufficient to meet them, and carry on the General Account of the County until such times as the Good Roads money is required. We have a balance of credit at this date of $8,683.00, so you can see we have sufficient balance to pay all debentures and coupons maturing this year, and to pay expenses of County Council for this session.

Your obedient servant,

ROBT. CRAWFORD, County Treasurer.

(Report adopted)

W. J. LIMEBEER, Warden.

Second Report of the Property Committee

To the Warden and Council.

Gentlemen:

In reference to the request of His Honor Judge Justin your Committee begs to report as follows:

1. Your Committee has discussed the matter with His Honor and we find that his suggestion is that a partition be put in his present room known as judge's chambers, dividing that room into two parts, opening a doorway into what will be his private room, putting the present unused door into the new doorway, and then decorating and furnishing both rooms in a similar manner to what has heretofore been done for the Sheriff and Mr. Dixon.

2. Your Committee recommends that the change be made, and that the Committee be authorized to ask for tenders and to proceed with the work at such times as they may deem best.

Signed on behalf of the Committee,

ROBERT PATTERSON, Chairman.

Dated 27th day of January, 1917.

First Report of Committee on Education

Council Chamber, January 27th, 1917.

To the Warden and Council of the County of Peel.

Gentlemen:

Your Educational Committee beg leave to submit their first report on Education, as follows:

1. We have a claim from the Georgetown High School for its share of cost of education of Peel pupils, amounting to $625.25, and recommend payment.

2. We recommend the payment of $3365.15 to the Brampton High School Board, this being the County's share of maintenance of said school.

3. We have acommunication from the Ontario Trustee Association, asking for the appointment of a delegate to its meeting from the County Council, and we recommend that no action be taken.

4. We have received a claim from the Weston High School for $254.46, and recommend payment of this claim.

5. We have received two reports from our P. S. Inspector, which we consider a very concise and comprehensive survey of the Public School system throughout the County. We believe that the interest of the Trustees and parents as regards educational matters is increasing. We recommend that his reports be incorporated in the proceedings of this Council, also that a report be furnished the newspapers of the County.

We recommend that D. L. Heggie be re-appointed Trustee of Brampton High School for 1917-18-19, and that John Wylie be re-appointed Trustee of Streetsville High School for the years 1917-18-19.

All of which is respectfully submitted.

L. H. PALLETT, Chairman.

First Report of Road and Bridge Committee

Council Chamber, Brampton, January 26th, 1917.

To the Warden and Council, County of Peel.

Gentlemen:

Your Committee on County Roads and Bridges beg leave to submit the following report:

We have a communication from the Commission of the Toronto and Hamilton Highway, requesting that a bridge be built over the River Etobicoke, and also over the River Credit at Port Credit. We recommend this communication to the whole Council.

In Committee of the Whole it was referred to the Road and Bridge Committee to report at the March meeting.

Your Committee recommend the payment of the following accounts:

To the Treasurer of the County of Wellington one-half cost of culvert on boundary line between Erin and Caledon .	$ 4 00
John Finnerty, for work done on townline, between the Townships of Albion and Adjala, Adjala to pay one-half	6 00
Wheelock & Christie, for testing two cars cement at Caslor's Bridge	7 85
John Dowling, win., etc.	7 80
Pay sheet filling approach to Caslor's Bridge	174 78
D. H. McCaugherty, hauling expanded metal to Caslor's Bridge, 2 men and team, 4 hours	3 00
D. H. McCaugherty, commission on construction of Caslor's Bridge, 10 days, at $3 a day	30 00
To Committee for bringingin report on County Roads last year, as they have not yet received anything for preparing report:	
W. J. Limebeer, 2 days on expenses	10 00
D. H. McCaugherty, 2 days on expenses	10 00

Your Committee would further recommend that the commissioners make their report on all roads and bridges to your Committee on or before the March session.

All of which is respectfully submitted.

D. H. McCAUGHERTY, Chairman.

Public School Inspector's Report

Brampton, Ont., January 26th, 1917.

To the Warden and Council of the County of Peel.

Gentlemen :—

I have the honour to submit herewith my report upon the condition of the Public Schools in the County of Peel for the year ending December 31st, 1916.

Notwithstanding the very natural objection to the spending during the continuance of the war for the erection and improvement of school buildings of any money that is unavoidable, because of the advanced prices of material and labour, I am able to report that during the past three years more progress has been made than in the previous ten years. This condition has been brought about by the increased school population in certain parts of the inspectorate. The principal increase has taken place along Dundas Street in the Township of Toronto and between that road and Lake Ontario. About three years ago S. S. No. 5, Toronto Township, remodelled its school house and added an additional room at a cost of about $5,000.00, and in S. S. No. 6 in the same township in the past year was opened a new four roomed building, erected at a cost of $13,000.00. When lavatories are added to the accommodations in this school it will be in every way modern and will compare favourably with any school in the urban municipalities. The Village of Port Credit has at the present time in course of construction a four roomed school house, which, with the site, will cost upwards of $30,000.00. It is expected that this building will be ready for occupation immediately after the next midsummer vacation. The School Board is considering the advisability of establishing a Continuation School in which the young people of the community may continue their studies beyond the Public School without the expense and inconvenience of leaving home. I have no doubt that in the event of the opening of such a school that it will develop in a very few years into a High School in which at least three teachers will be employed. Two years ago the Brampton School Board found it absolutely necessary owing to the congested condition of the classes to add two rooms to the existing accommodations. At the present time a new building costing about $24,000.00 is approaching completion and will soon be occupied by four of the classes now housed in badly lighted and badly ventilated apartments in the old building that has served as a school house for more than half a century. In all the above cases I have examined and revised the architects' plans and am in a position to state that they are modern in their appointments and as far as possible comply with the requirements of the Department of Education. In addition to the above sections and municipalities there are several others in which the trustees have promised to improve the accommodations as soon as normal conditions are restored.

It is very gratifying to me to be able to report that out of 106 teachers in my inspectorate 10 hold First Class, 95 Second Class and only 1 a Limited Third Class Certificate. Never before in my experience, and, I think, in the history of the county, have the schools been in charge of teachers so highly qualified. Six years ago the figures were 3 First Class, 59 Second Class, 16 Third Class, 10 District and renewed Third Class, and 9 Temporary certificates. Thanks to the policy of the Department of Education in providing better means of training teachers, the difficulties that formerly confronted trustees in obtaining properly qualified teachers no longer exists. It is a fact, however, that occasionally trustee boards for personal reasons attempt to place their schools in charge of unqualified teachers. This is one of the problems I am called on from time to time to solve. Another serious question yet remains to be solved, that is, the too frequent changes in the teaching staff. During the past year there have been in this inspectorate no fewer than sixty-two changes of teachers, and of these fifty-five occurred in the rural sections. It is impossible to calculate the immense loss suffered by the children in this way. To create better conditions and establish a better understanding between teachers and trustees, I have for the past three or four years asked trustees and teachers to meet with me for one afternoon in the month of January for the discussion of matters of mutual interest. I have been led to adopt this method from inquiry and observation, which have convinced me that in many sections there exist between trustees an aloofness and even a feeling of distrust that must by some means be removed before the best results can accrue.

After having given the present system of reporting and dealing with cases of truancy a fair test of one and one-half years I can report that much good has resulted, especially where teachers have interested themselves in ascertaining definitely the causes of absence from school. Yet many parents and guardians more solicitous for their own profit than for their children's future welfare are taking advantage of the present state of the labour market to employ these children when not always absolutely necessary. In my opinion it should be obligatory upon Township or County Councils to appoint a truant officer and to provide funds for a judicious enforcement of the Truancy Act. This council might appoint the Inspector for the Children's Aid Society Truant Officer for the whole County, who in the discharge of the duties of one office could also attend to those of the other.

Agricultural education is not receiving the attention I should be pleased to see given to a subject of such vital importance. To stimulate interest among both trustees and teachers I called four meetings during the present month, and I believe good work was done by Dr. Dandeno, Director of Elementary Agricultural Education for the Province of Ontario, who addressed all of these meetings. The attendance was fairly satisfactory. Household Science receives little or no attention. In all schools with the exception of two or three due attention is given to Physical Culture and in many of the schools the benefits are apparent.

School Fairs were held in four places during the year and were well attended and the exhibits reflect much credit upon the children of the various schools taking part. During the present year special efforts will be made to encourage production by inducing the pupils of all schools to undertake the care of a small plot of land. It is estimated that in this way, throughout the Province, several hundreds of dollars will be added to the wealth of the country. I am now preparing circulars on this matter and shall address them to the teachers, who will be urged to lend their influence to the furtherance of this laudable scheme. I may say that the Minister of Education not only endorses our efforts in this direction, but strongly urges Inspectors and teachers to do their utmost in this way to assist in bringing to a close the terrible war that has been draining our land for two and a half years of both men and money. As influential members of the community in which you reside you can give most valuable assistance to us in carrying out our purpose.

In conclusion I wish to state that although there have been many obstacles in our way during the year 1916, especially in the many and frequent changes of teachers, very satisfactory progress has been made, and I feel justified in saying that the results of the year compare favourably with those of any previous year since my appointment as your Inspector.

I have the honour to be, Gentlemen,

Your obedient servant,

W. J. GALBRAITH,

Public School Inspector.

Engineer's Report and Estimate for 1917

To the Warden and Council of the County of Peel.

Gentlemen:

The regulations of the Provincial Highway Department require counties operating under the Highway Improvement Act to submit to the Department a general estimate of the proposed exependiture for construction and repairs on County Roads, not later than the 15th day of April in each year. It has been our custom in past years to prepare our plans and make estimates for the season's work at a later date in order that an examination of the roads and bridges might be made after the snow and ice had gone and the spring freshets were over. We were then in a better position to know what improvements were required. However, it seems that the Department requires the report at this time in order to make necessary calculations and estimates for Government appropriations, and I do notexpect that we will be asked to follow too closely the programme we now adopt, but allowed to make any changes necessary in carrying out our work and getting the best results.

After consulting with the County Roads Committee, it was concluded that only work necessary in the best interests of our County Roads System should be undertaken this season on account of war conditions. I have, therefore, in making my recommendations for improvements, had this policy in view, and, after careful consideration, would recommend the following improvements and expenditure:

1. Construction Work.

Report of Delegates to Good Roads Convention

Council Chamber, Brampton, 3rd Apr., 1917

To the Warden and council of the County of Peel.

Gentlemen:

Your delegates attended the annual convention of the Ontario Good Roads Association, which was held in the York County Buildings, Toronto, on the three days, February 27th to March first, inclusive, and beg to submit the following report:

The convention was one of the most successful held by the Association, about 300 from all parts of the Province being present, and took the greater interest in the proceedings. The programme brought up most interesting and instructive discussions on all road problems and legislation, in which the delegates took an active part.

Mayor Church, on behalf of the City of Toronto, extended hearty welcome. He emphasized the importance of the work and expressed the hope that the Government would have the courage to go forward and not permit the financial situation or other considerations to hold back this important work. The cause of unproduction in Ontario was the lack of proper system of good roads.

Mr. S. L. Squires in his presidential address urged the great importance of Good Roads Associations, and dwelt on the necessity of good roads through the Province.

Hon. F. G. Macdiarmid, Minister of Public Works and Highways of the Province of Ontario, in opening his address to the members of the Association, expressed his pleasure at meeting such a large gathering and seeing such interest taken in the question of Good Roads. The construction of good roads had a direct bearing on the cost of living. The use of the motor as a commercial vehicle was coming more and more in evidence, and by this means of transportation a reduction would be effected in the number of times produce had to be handled, and it would be placed in the hands of the consumer in better condition.

With the coming of the motor truck conditions of traffic had changed, and motor traffic was very rapidly growing. Last year the revenuefrom motor licenses was $600,000, and if the average ratio of increase continued this year it would reach $750,000.

To take care of this new and rapidly increasing class of traffic, which was not merely local but provincial and international, the Government felt that the time had arrived when the province should step in and construct a system of Provincial Highways in Ontario.

The Government would not place upon the shoulders of the municipalities more than their fair share of the cost, it being the intention of the Province to assume a very substantial proportion of the necessary expenditure. The new system would connect up the County Road Systems throughout Ontario, and the Minister stated that it was proposed to build a road from Windsor to Montreal.

With regard to a tendency he had notice to agitate for the return of automobile fees to the separate municipalities, Mr. McDiarmid said he thought such a policy would jeopardize the whole good roads movement in the province if it were endorsed and supported by any large body of public opinion.

Controller Thos. Foster, of Toronto, addressed the Association on the subject of rural and urban intercommunication. He told something of what the Toronto and York Highways Commission had been doing and went on to tell how two million dollars had been spent to provide good lines of communication between the city and rural districts.

In a short address J. G. Cornell, Warden of York County, dealt with the question of "Road Traffic and its Regulation." As a representative of York County he was in hearty accord with the good roads movement. Their experience was that the district was improved thereby and the lands increased in value, while the taxes were not a burden.

Major T. L. Kennedy, of Toronto Township, who is well known by most of the members of this Council, delivered a very interesting address on the roads behind the trenches on the western front. The Major returned a few months ago on sick leave after a year spent at the front in France, he therefore knew whereof he spoke.

The Major's popularity was evidenced by the ovation he received when called to the platform.

Mr. W. A. McLean, Deputy Minister of Highways of the Province of Ontario, made particular reference to the benefits to be derived by counties operating under the Ontario Highway Act.

With regard to the proposed system of Provincial Highways, he said that the scheme would provide that every part of the Province would be served fairly in proportion to its traffic requirements, and that they should not carry away the impression that it was merely the intention to build one main highway across the province.

During the session a number of important resolutions were passed to be laid before the Minister of Public Works, one affecting the County of Peel to a very considerable extent was introduced by our Engineer and supported by your delegates. It was as follows:

That the Legislature be urged to increase the subsidy granted to main roads on County Road System, which take the bulk of the through traffic from the present granted of 40 per cent. for construction to 20 per cent. for maintenance to 70 per cent. for construction, and a like percentage for maintenance. You will be pleased to learn that an amendment has since been made to the Highway Improvement Act, increasing the grant on such roads to 60 per cent. for construction and the same for maintenance.

An instructive paper was read by S. E. Allen, C. E., on the highways of the Eastern States, and another paper, was read by our Engineer, Mr. C. R. Wheelock, on the benefits of County Roads. The paper as read was very instructive, proving to the Association Mr. Wheelock's grasp of the County Road System, which was evidenced by the fact that the Association elected our Engineer to be President of the Association, which we consider a compliment to the County of Peel.

With reference to the Engineer's report, which was read yesterday, we would recommend it to the whole Council.

We would also recommend the payment of the following:
Committee:

D. H. McCaugherty	$ 10 00
W. J. Limebeer	10 00
D. Wilson	10 00

All of which is respectfully submitted.

(Sgd.) DAVID WILSON, Chairman.

Second Report of the County Property Committee

Council Chamber, Brampton, April 4th, 1917.

To the Warden and Council of the County of Peel.

Gentlemen:

Your County Property Committee beg leave to submit their second report, as follows:

1. We recommend that the tender of T. A. McClure be accepted for the partition, floor and ceiling of the judge's chamber at $185.

2. We recommend that the tender of H. Galbraith be accepted for the mason work in the judge's chamber for $47, he being the only tenderer.

3. We recommend that the tender of W. A. Naylor be accepted for the painting of the judge's chamber for $97, he being the lowest tenderer.

4. We recommend that J. York and Sons be billed with the difference in the cost of coal to the County buildings over and above the contract price.

All of which is respectfully submitted.

ROBT. PATTERSON, Chairman.

Report of Road and Bridge Committee

To the Warden and Council of the County of Peel:
Gentlemen:

Your Standing Committee on Roads and Bridges have carefully considered the various matters laid before them and beg to submit the following report:

Your Committee, together with the County Engineer, held a joint meeting with the York County Committee, respecting the bridge to be built over the Etobicoke River on the Toronto and Hamilton Highway.

The joint Committee decided that the amount assessed on the Municipalities by the Commission was excessive, and directions were given to the Solicitor to appeal from the same.

Your Committee would recommend that all bridges on boundary lines and county roads be inspected by the Warden, the Chairman of the Roads and Bridges Committee, and the County Engineer, in order that the schedule of bridges may be revised and all County bridges properly shown on the County map.

Respecting the application for new bridges, repairs to bridges, and the bridge work left over from last year, your Committee recommend that the Road and Bridge Committee with the County Engineer inspect the bridges and be authorized and empowered to proceed with any new work or repairs they may find necessary.

Your Committee recommend further the payment of the following bills:

R. J. Doherty, repairing approaches to Wildfield Bridge ..	$ 91 16
R. J. Doherty, repairs over Shaw's Arch	39 00
Frank Leighton, repairing hill, Etobicoke Bridge	15 00
David McCaugherty, 2 days and mileage	12 00
Joseph Julian, 2 days and mileage	9 00
David Wilson, 1 day and mileage	5 00

W. D. Bowles, 1 day and mileage	6 75
C. R. Wheelock, 1 day and mileage	8 00
Wm. Russell, 40 cedar posts at 25c	10 00

All of which is respectfully submitted,

D. H. McCAUGHERTY, Chairman.

Report of Committee re Bolton Bridge

To the Warden and Members of the County Council of the
County of Peel.

Your Committee appointed to investigate the matter of the Bolton Bridge beg leave to report as follows:

1. Your Committee visited the bridge in question with the County Engineer, who secured measurements of the bridge, and your Committee obtained further particulars from some of the members of the Bolton Village Council, and also obtained the information available from the reports of committees in the County Council from the years 1884 to 1886, inclusive.

2. From the evidence your Committee can obtain they find that the bridge in question was a County Bridge previous to the year 1884.

3. In that year your Committee find there was a Committee appointed by the County Council to rebuild the bridge. This Committee was composed of Messrs. Lightheart, Porter, McCort and Doig. The Committee after same consideration decided to purchase a portion of land to make a "fill" at the south approach of the bridge and shorten the span from 120 feet to 65 feet. What the object of the Committee was in doing this, this Committee cannot say. There is nothing on the records your Committee can find to show that the bridge had been taken over by the Village of Bolton or nothing to show that the County of Peel had been relieved of the bridge, except what might be contained in a certain report of a Committee of this Council contained in the minutes of 1885, at page 41. Whether it was the intention of the County Council at that time by shortening the span that it would automatically become the property of the Village of Bolton, we cannot say.

4. We would recommend that the evidence of Messrs. Lightheart, McCort and the County Engineer be obtained, and that the matter be referred back to this Council for its consideration.

All of which is respectfully submitted.

Dated at the Court House, Brampton, this 13th day of June, A.D. 1917.

Second Report of Standing Committee on Good Roads

Brampton, June 14th, 1917.

To the Warden and Council of the County of Peel.

Gentlemen:

Your Committee beg leave to report as follows:

1. A communication received from W. A. McLean, Deputy Minister of Highways, a copy of order-in-council approving of By-laws Nos. 487 and 497, extending portions of County Road System.

2. The report of the County Engineer and the estimates of expenditure on the County Road System for the year 1917 were forwarded to the Minister of Public Works and approved.

3. A copy of a resolution re the designation of certain roads as Provincial County Roads was forwarded to the Minister, but as yet no action has been taken in the matter, and as work on these roads has been delayed, awaiting the decision of the Government, that a small Committee be appointed to interview the Minister respecting the matter.

Committee to be composed of Messrs. Limebeer, McCaugherty, Bowles, Wheelock (County Engineer).

4. Your Committee has been unable to purchase gravel for the County Road in the Township of Caledon for the improvement of the same and would recommend that the necessary steps be taken to expropriate a small portion of the west half of lot No. 5 in the first concession, E.H.S., in said Township.

5. That a Committee composed of Messrs. Wheelock, McCaugherty and Pallett be appointed to wait on the Provincial Highway Engineer to endorse By-laws in this Council incorporating certain Township roads as County roads.

All of which is respectfully submitted.

DAVID WILSON, Chairman.

Third Report of Committee on County Property

Brampton, June 12th, 1917.

To the Warden and Council of the County of Peel.

Gentlemen:

Your Commissioners on County Property beg leave to submit their third report for 1917.

Your Commissioners asked for tenders for improving the Judge's chambers.

The following tenders were received:

Hugh Galbraith for mason work	$ 47 00
Hugh, Galbraith, extra patching	2 00
Hugh Galbraith, patching at gaol	2 50
T. A. McClure, contract carpenter work	185 00
W. A. Naylor, painting contract	97 75
W. A. Naylor, extra on platform	75
John Patterson, tile and work connecting with Court House drain	11 50
T. A. McClure has received $175.00 on his account.	
R. Patterson, two days' commission	6 00

Your Chairman asked for tenders for coal, and the only tender received was from Toronto, at $9.03 per ton F.O.B. Brampton. I did not accept it and no coal has been purchased yet.

We recommend that this Committee be empowered to furnish the Judge's chambers as per request of Judge.

ROBT. PATTERSON, Chairman.

Report of District Representative, Dept. of Agriculture

Brampton, June 14th, 1917.

To the Warden and members of the County Council.
Peel County.

Dear sirs:—

I have the honor to present herewith a brief report of the work conducted during the past six months by the Peel Department of Agriculture. On previous occasions I have gone into the details of this work, and shall present here only a few of the main features.

The annual Peel County Short Courses in Agriculture and Domestic Science were held in Caledon this year. Forty-five young men attended the Agriculture Course for four weeks and seventy-five women and girls took the two weeks' course in Food Values and Cooking. We had the second largest course in the Province this year, the ages of the men ranged from 14 to 40, with an average of 21, and the interest shown in all the subjects taken up was very encouraging. Mr. Dorrance, from the Orangeville Department of Agriculture, assisted with lectures with the boys and Miss Duncan of Toronto gave the lectures in Domestic Science.

On the evening of February 2nd a grand closing exercise was held in the Caledon town hall, and although the night was very rough the hall was crowded to the doors and about 100 people were turned away. The program was put on by the students themselves and consisted of songs, yells and plays followed by addresses and the presentation of prizes.

During the last week of the class we organized a Junior Farmers' Improvement Association and Junior Institute at Caledon similar to those organized in previous year, and they have made a good beginning in literary and agricultural work of different kinds, holding meetings from time to time in the town hall. Towards the end of the month of June an auto excursion will be conducted by the Caledon Junior Farmers and they will visit stock, fruit and vegetable farms of interest in the Counties of Peel and Halton. The work of the Streetsville Junior Farmers and Junior Institute has been equally successful. Last winter they held weekly meetings of literary, social and educational nature, and they have built up and maintained an interest that had not been known before in Streetsville. The Junior Institutes co-operate with the Women's Institutes in Red Cross and other work of that nature.

Three two day courses in stock judging were held in Peel County this year at Bolton, Caledon and Streetsville. These courses are conducted by the Department of Agriculture, and practical demonstration in stock judging is given. This year 950 men availed themselves of the opportunity offered in this way of becoming better judges of farm stock. In each case the courses were conducted in halls instead of in tents, and this made the whole work much more satisfactory, as it was easier to warm the building and keep the place comfortable.

This year I included every rural school in the County of Peel in the school fair movement, making altogether 71 schools, having a total enrolment of 2,185. Over 1,500 of these received seeds or eggs from the Department of Agriculture, and altogether we gave out 1230 dozens of pure bred-to-lay Barred Rock eggs. The dates of the school fairs have been set and the prize lists were sent out early in June this year in order to give the pupils more time to prepare their exhibits during the holidays. The 1917 fairs will be held at the following points: Cooksville, Brampton, Claude, Caledon, Bolton and Ebenezer. Only three of the rural schools are not taking part, and the reason given by these is that there were only 7 to 10 pupils on the roll, and most of these were in the junior grades. We believe that the school fairs are doing a splendid work in Peel County, and they are becoming more popular year after year. If they did nothing more than distribute the best varieties of seeds and eggs to every home in the County, they would far more than pay their way.

On account of the scarcity of help this year we have been forced to dispense with the judging of the children's plots during the summer, but arrangements are being made in nearly all the schools to have someone locally to judge the plots in each section and prizes will be awarded for the best.

Early this spring a Patriotic Vegetable Garden Campaign was started in Brampton and was largely managed by the Department of Agriculture. However, most of the town organizations assisted and the Town Council gave us a grant of $175. This campaign has been most successful in every sense of the word, and has stimulated a very keen interest in vegetable growing this year when food is so badly needed. In fact, practically every person in Brampton has a garden this year, and those who had no land were supplied free by the garden committee. Altogether we distributed 200 packages of seeds for mixed gardens and gave out 75 packages of onions, 165 of potatoes, 40 of corn, besides turning over 25 orders of potatoes to local dealers. Later on in May, 500 boxes of plants of different kinds were distributed. Although this great quantity of material was given out within the town, it by no means interfered with the local seedsmen and store keepers, all of whom report to me that they have sold twice the quantity of vegetable seeds and plants this year that they ever handled before. Early in the fall an extensive canning campaign will be conducted through the Institutes Branch of the Department of Agriculture, in order to encourage townspeople to can fruits and vegetables much more extensively than before, as a war time thrift measure. A similar demonstration is offered the country Women's Institute.

In February I was successful in organizing the Peel County Milk and Cream Producers' Association. This is the first County Association of this kind formed in the province, and our object is to get a fairer price for dairy products, improve the quality of milk and cream sold and to encourage better livestock by cow-testing and using better sires. We have at present 209 members of the Association, and there is no doubt that the formation of this Association was a large factor in securing the present price of $2.00 a can being paid in Toronto this summer. We have arrangements under way now for buying co-operatively all the feeds that will be required by the members of the Association next winter. The plan is to find out how much each member can use and then get quotations direct from the wholesalers and place the order direct. Certain lines of educational work will also be carried out by the Association.

The old Farmers' Institute has given place to the Board of Agriculture, and for the past year meetings were conducted under its auspices the same as before. In the month of February afternoon and evening meetings were held at Sandhill, Alton, Cheltenham, Huttonville, Brampton, Ebenezer, and Meadowvale. The attendance at these meetings varied considerably and ran as high as 300 at two evening meetings. On account of the condition of the railway service, the Board has been forced to cancel the annual farmers' excursion to Guelph for this year. Under the new Board of Agriculture representatives are sent from each township council and from all the agricultural organizations in the township, making a sort of agricultural council for the County. The first annual meeting of all the representatives was held on June 16 in the Department of Agriculture office.

Co-operative organizations amongst farmers seem to be very much in demand this year, and during the past four months farmers' clubs have been organized at Huttonville, Claireville and Elmbank. These are formed for the purpose of buying supplies and for educational and social purposes. Before long I hope to work out some scheme of federation of all the farmers' clubs in the County with one central directing point to assist them in their co-operative buying and selling.

Experimental and demonstration work is carried on to a certain extent, but we are handicapped by lack of help for doing as much of this as would otherwise be carried out. A very interesting experiment in feeding tankage was conducted near Brampton this winter, at which rations of meal and milk, meal and tankage, and meal alone were fed to three different lots of pigs. The results showed that it cost $8.23 to produce 100 pounds with tankage lot, $7.42 with milk lot and $9.54 with the lot fed meal only.

We had two alfalfa demonstration plots in the County showing the value of alfalfa and demonstrating its seed producing qualities. We have found that the Grimm strain of alfalfa has wintered much better than the common strains found on the market.

This spring a potato demonstration plot was planted at Caledon with the object of introducing a better variety of potatoes into that district.

A new line of undertaking is now underway in the form of a rural survey to be conducted in Caledon Township. For some time I have been anxious to have a survey made but had never been in a position to do so until this year, when there was demand from the farm press and other sources for such a survey, and I was selected to carry this work out. I chose Caledon Township on account of the organization of Junior Farmers, etc., in that township, and partly because it is more representative of Ontario than some of the other townships are. The whole scheme is a very comprehensive one, but in a word the idea is to study everything in the township that relates to the farmer in any way, this will include education, church work, social life, farm methods, crops, live stock, roads, etc., etc. During the month of June the schools and churches will be investigated, and the rest of the survey will be largely left until the fall, when every farm home in the township will be visited and the information will be got direct from the farmer. There are two reasons for having the survey, one is to get definite information in Caledon Township and make use of this for improving the condition of things there generally, and the other to supply agricultural workers with reliable first hand information as to what actually exists on the Ontario farms. After all the information is gathered it is intended to hold meetings in every school section in the township, when the facts brought out by the survey will be laid before the people. In planning this work we have been assisted by the Caledon Township Council, but we realize that the success of the project depends largely on the co-operation of the individual farmer and an extensive advertising campaign will be necessary to thoroughly explain and popularize the movement. The information sought will of course have no bearing on taxes, nor will it affect the people of the township in any way adversely, on the other hand, we consider it should be of great practical value to the people in Caledon.

Farm help has been an important item again this year, and we have been able to place quite a number of men on farms, but there were fewer than usual this year largely on account of the fact that all the farmers in the County were circularized directly from Toronto by the War Production Club, and many applications went to that source instead of coming through the Peel office.

Peel was one of the leading Counties in Ontario in the co-operative marketing of wool this spring. Although we didn't get all of the wool by any means, we got a large portion of it, and another year when the farmers see just how the whole thing is conducted, there will be much more business done.

We have made application for a farm tractor for Peel, and expect to have one operating in this County early in July. A number of applications have been received for plowing to be done by the tractor, and we expect to be able to keep at least one going all through the fall. A charge of 35 to 40 cents an hour will be made for the time the machine is in operation, and the farmer in addition will board the operator and pay the kerosene and lubricating oil, this will probably amount to about $1.25 to $1.50 per acre.

The rest of the work conducted by this office is largely a routine such has been outlined previously and consists of writing articles for paper, office calls, drainage surveys, visits to indivdual farmers, assisting at fall fairs, etc.

This year I have been asked by some of the fall fair boards to act as director and to assist them with revision of the prize lists, and hope to co-operate with them to work out means of improving the fairs.

In conclusion I wish to thank the members of the County Council and also of the Township Councils for the kindly interest they have always shown in our work and for the financial aid given by the Council wherever it was needed.

Yours respectfully,

J. W. STARK, Dist. Representative.

Third Report of Standing Committee on Education

June 13th, 1917.

To the Warden and Council of the County of Peel.

Gentlemen:—

Your Educational Committee beg to submit their third report as follows:

1. We have a communication from the Separate School Inspector, but this has been attended to by our County Clerk.

2. We have received a communication from Orangeville High School Board and we recommend the payment of $361.28, being the County's share of tuition for the year 1916.

3. We have heard the prayer and petition of the Brampton High School Board to the whole Council for consideration.

In Committee of the whole Council the Council recommend that no grant be made.

4. We recommend that a By-law by prepared to allow the closing of the Registry Office at 1 p.m. on Saturdays during the months of July and August.

5. We recommend the extension of the time to the Brampton High School Board in the occupancy of the County rooms.

6. We recommend that the matter of grants to public libraries be referred back to the local Township and Village Councils.

All of which is respectfully submitted.

LESLIE H. PALLETT, Chairman.

W. J. LIMEBEER, Warden.

First Report of Standing Committee on Agriculture

Gentlemen:

We beg to report as follows:

1. With regard to grants to Agricultural Fairs your Committee recommends that the usual grants be made to the various fairs within the County.

2. In regard to the special asked for and to be awarded at the Guelph Fat Stock Show of Peel exhibitors we recommend that the sum of $25.00 be granted to be given in two prizes of first $15.00 and second $10.00 for the best pen of three lambs, one ram and two ewes, any breed.

3. We recommend that the usual grant be given to the Peel

Board of Agriculture and Peel Women's Institutes.

4. Your Committee note with pleasure the great interest taken by the Acting Representative of the Department of Agriculture in the County, Mr. J. W. Stark, his interest in school fairs, short course work, and special work in making surveys of parts of the County in community work, and would recommend that he be asked to bring in a report of his work for the current year at the November session.

All of which is respectfully submitted.

JOS. JULIAN, Chairman.

Third Report of Committee on County Bridges

To the Warden and Council, County of Peel.

Gentlemen:—

Your Standing Committee on Roads and Bridges beg to submit the following report:

Your Committee would recommend that the following Bridges be replaced with new reinforced concrete structures and that the County Engineer be instructed to take the necessary steps to proceed with the same.

1. The four foot culvert on the boundary line between Caledon and Mono at the fifth line corner of Mono.

2. The 10 ft. span bridge on the boundary line between Toronto Township and Etobicoke opposite the sixth concession of Toronto.

3. The six ft. span on the boundary line between Toronto and Trafalgar opposite the first concession, N.D. Street.

We further recommend that the Chairman of this Committee be authorized to issue his order for the payment of the above work when each structure is completed and the Engineer has issued his certificate for the same.

Your Committee recommend that the guard railing be repaired on the bridge crossing the Etobicoke River on the old mill road in the first concession, N.D.S., Toronto.

The work of inspecting all the bridges on all the boundary lines and preparing a new schedule of County bridges has not yet been completed, but will be presented at the next session of the County Council.

Your Committee further recommend a grant of $50 on the boundary line between Dufferin and Peel opposite the third concession of Caledon, W.H.S., to supplement a grant made by the County of Dufferin to complete the work begun last year and left unfinished.

Your Committee recommend the payment of the following bills and Commissioners' fees:

Re Bolton bridge investigation:	
William Limebeer	$ 3 00
D. H. McCaugherty	3 00
Wm. Bowles	3 00
Jos. Julian	3 00

D. H. McCaugherty, posts for guard railing	6 00
W. B. McCullough 2 x 6 scantling	24 90
H. McCaugherty, team	1 50

Your Committee further recommend that the Chairman be authorized to complete the approaches to the Caslor Bridge.

Mr. D. H. McCaugherty received for sale of old timber $32.50 and paid the same over to the County Treasurer.

All of which is respectfully submitted.

D. H. McCAUGHERTY, Chairman.

In reference to the communication of the Toronto & Hamilton Highway in regard to Port Credit Bridge and Etobicoke Bridge, which we submit to the whole Council for your consideration.—D. H. McC.

Report of Physician to House of Refuge

June 15th, 1917.

Gentlemen of the County Council.

My last report was handed in on November 24th, 1916. Since that date there has been six deaths, viz.: Jeremiah Cooper, on December 16th, from chronic bronchitis followed by dropsy, aged 63 years; Charles McKinley, on November 29th, 1916, from chronic Bright's disease, aged 68; Harry Stephens, on January 7th, 1917, from valvular heart failure, aged 64; Nelson Van Fleet, on January 15, 1917, old age and paralysis agrtous, aged 88; Rachel Finley, on January 16th, 1917, from pneumonia, aged 75. Louis Marsh, on March 19th, 1917, aged 81; William Collins, became insane and was taken to Hamilton Asylum.

I visited the House of Refuge this term thirty-five times.

At the present time there are in the House two or three inmates who are not suitable for the House of Refuge and should not have been committed. It would be much better if those parties having the power of sending inmates here exercise more care in future.

I have the honor to be your obedient servant,

R. E. EDWARDS

To the Council of the County of Peel.

We had a communication from H. O. Stull of Guelph re accident in Caledon. We decided to revert the matter back to Caledon Township.

A communication from Frank Richmond re accident at Woodhill and would refer this matter for the further consideration of the Good Roads Committee.

A communication from H. A. Rutherford asking damages for car which was damaged on county road in Caledon, the Committee recommend that no action be taken.

We would also beg leave to say that on account of the great scarcity of labor throughout this county, the scarcity of material and the difficulty of transportation of material, we have found it impossible to perform the work we have undertaken, and have been compelled to leave untouched work we had contemplated doing. In fact the labor situation has been found such that in scarcely one instance have we found it possible to complete any work we have undertaken, and while the labor condition remains such, we see no possibility of undertaking any great amount of work being performed.

Fourth Report of Standing Committee on Roads and Bridges

To the Warden and Council of the County of Peel.

Gentlemen :—Your Standing Committee on Roads and Bridges have carefully considered the various matters laid before them and beg to report as follows:

Your Committee have had a 5 ft. span reinforced concrete culvert built on the County boundary between Caledon and Mono near the fifth line of Mono. The County of Dufferin has paid the bills in connection therewith, but have not yet rendered the bill for Peel's share. The contract price for the concrete was $10.00 per cubic yard; a 12 ft. span reinforced concrete bridge was built on the boundary between Toronto and Etobicoke Townships at lot 1. This bridge was financed by the County of York and the bill has not yet been rendered to Peel. The contract was $900.00.

The County Clerk received from a Toronto firm a communication stating that a motor truck had broken through a county bridge on the boundary line between the Counties of Peel and York and demanding damages amounting to $1200.00. The chairman of the committee, together with the County Engineer, made an examination of the culvert and after investigating the matter found that the county is not liable. Your Committee therefore took no action in this matter.

The Toronto and Hamilton Highway Commission made an application to the Ontario Railway Board to compel the County of Peel to contribute towards the construction of the Port Credit and Etobicoke Bridges to be constructed on the Highway. The amounts demanded were for the Etobicoke Bridge $13,500.00, and for the Port Credit $19,000.00. Your Committee considered these amounts were excessive, and therefore opposed the application before the Board, the decision of the Board has not yet been handed down, but we were given to understand that the amount to be paid by Peel County would be considerably reduced.

A bridge on the boundary line between Chinguacousy and Toronto Gore, known as Sargent's Bridge, collapsed owing to one of the abutments being undermined by the action of the water. Your Committee had plans and specifications for a new concrete abutment and floor. The contract was let to Southcoate Bros. of Bolton, and it was expected that the bridge would have been built this fall, but owing to the unfavorable conditions the contractors claimed that they could not proceed with the work. A temporary bridge has been built over the stream for winter traffic and we expect that the contractors will proceed with the work next spring. The span of the new bridge will be 25 feet and the contract price is about $1000.

Your Committee have had temporary repairs made to the plank floor of a bridge on the boundary line between Chinguacousy and Esquesing Townships opposite lot 18, the total cost was $13.52, one-half of which should be paid by the County of Halton.

Your Committee, together with the county engineer, waited on the Minister of Public Works in order to press the claims of the County of Peel to have Hurontario Street designated as a Provincial Highway. We were informed that the road from Windsor to Quebec would be the only road taken over by the province at the present time, but he consented to designate Dundas Street from Summerville to Cooksville, and Hurontario Street from Cooksville to Orangeville as Provincial County Roads, and we are pleased to inform you that we have since been notified that this has been done. In the future the Government will contribute 60 per cent. of all expenditure for construction or repairs on these roads.

Your Committee would recommend payment of the following bills and commissioners' fees:

Ben. Young, material and repairs for Chinguacousy and Esquesing Bridge (Halton's share) ½ ....$	13 52
J. P. Caslor, repairs to hand rail, Caslor's bridge	3 00
W. B. McCulloch, lumber for Sargent's Bridge	47 07
Peter McDonald, steel, Shields' Bridge	4 50
W. D. Bowles, freight on steel, Sargent's Bridge	2 88
Wheelock & Christie, plans, etc.	55 00
D. McCaugherty, chairman R. & B. Com.	21 00
Wm. Limebeer, Warden	26 00
Jos. Julian, Commissioner	15 00
W. D. Bowles, Commissioner	20 00
C. R. Wheelock	30 00
David Wilson, Commissioner	6 00
Robert McCulloch, Commissioner	3 00
Samuel Kannawin, Commissioner	7 00
Canadian Grain Co., Ltd., coal	16 00
John Kenney, labor with team 22½ hours at 50c	11 25
T. W. McCracken, work on Caslor's Bridge, 40 hours at 30c per hour	12 00

All of which is respectfully submitted,

REPORT OF THE SPECIAL COMMITTEE APPOINTED TO INTERVIEW MINISTER OF HIGHWAYS

With the view of having the Highway Improvement Act amended to make provisions for a frontage tax on County Roads.

To the Warden and Council of the County of Peel.

Gentlemen:—

Your Special Committee appointed re Frontage Tax on County Roads beg to report that they waited on the head of the Highway

Department and after laying their views before him and discussing the matter he made the following suggestion for the apportionment of a Frontage Tax on property abutting on improved County roads.

That Township Councils on a favorable vote of two-thirds of their members might request the County Council to permit them to place a frontage tax.

That such request should be conferred by a two-thirds vote of the County Council.

That where such authority was given the Township Council would have authority to pass a By-law levying a uniform rate of not to exceed two cents per foot frontage on all roads improved under the County Road System.

That the moneys so collected would be used in meeting the usual rate imposed on the Township by the County for County road purposes.

That such rate should be levied for the section constructed each year for a period not to exceed ten years from the date of construction of each section of the Road.

The Deputy Minister further agreed to thoroughly investigate the matter and to prepare an amendment to the Act, which he would submit to this Council at the January session.

We recommend payment of the members of this Committee as follows:

Wm. Bowles ....$	5 00
Jos. Julian	5 00
E. A. Walshaw	5 00

SECOND REPORT OF AGRICULTURE COMMITTEE

To the Warden and Council of the County of Peel.

Gentlemen:

Your Committee on Agriculture begs leave to present their second report as follows:

1. We recommend that the usual grant of $25.00 be made to the Brampton and Peel County Poultry Show.

2. We recommend that J. W. Stark be asked to furnish a condensed report of the different lines of work undertaken by him in the County, re medical inspection of schools, furnishing of farm labor, campaign of hog production, etc., and that the same be included in the minutes of this present year.

3. We note that the business of Agriculture is receiving special recognition at the present crisis in the country on account of the war, as the importance of production of food places agriculture first among the essential industries, and as such calls on every farmer to do his very best for purely patriotic reasons.

All of which is respectfully submitted.

JOS. JULIAN, Chairman.

Brampton, Ont., December 10, 1917.

David Kirkwood, Esq., County Clerk,
Court House, Brampton.

Dear Mr. Kirkwood:—

At the request of the Chairman of the Agricultural Committee, I have prepared a synopsis of my annual report to the County Council and am enclosing same herewith.

Yours very truly,

J. W. STARK,
District Representative.

Brampton, December 5th, 1917.

Messrs. the Warden and members of the County Council.
Gentlemen:—

The Agricultural Committee requested me to address you today on the subject of our work in the Department of Agriculture during the past summer.

It is always a pleasure to me as your District Representative to meet with you to tell what we have accomplished and what we have planned to do in the interests of the farmers of Peel County. I believe there is no County Council in the Province of Ontario that has given more active support to its Department of Agriculture than you have, and I assure you that your interest not only renders all our efforts much more effective, but makes the work more pleasant for me. On previous occasions I have submitted a detailed report of our activities so that you are already thoroughly familiar with the regular work. This time I shall mention very briefly only a few special features.

Last January when I was successful in organizing the Peel County Milk and Cream Producers' Association, we stated that one of its objects was to see that our milk and cream shippers received better returns for their products and fairer treatment from the dealers. After making several dozen tests to be certain that the grounds for complaint in the matter of cream tests were well taken, I gathred sufficient evidence on this subject to show our Department that we had a real grievance in this matter. After negotiating for some time with the officials at the Parliament Buildings as to the best way to handle the situation, they finally promised us early in November that inspectors would be put on to see that the tests reported by the dealers correspond to the official tests made at the railway stations, and that such legislation would be passed that offenders would be prosecuted. I am sure that this will mean a saving of several thousand dollars annually, not only to the Peel farmers, but to those in other parts of the Province.

Early in the spring of 1916, when I saw that the food shortage was liable to be very serious, I began planning a thrift campaign, which had as its object increased vegetable production, instruction in home canning and the winter storage of vegetables. There is no doubt that as a result of this campaign several extra tons of vegetables were grown by the people in Brampton and hundreds of cans of fruit and bushels of roots were saved for winter use. The canning demonsration was held in the armories and lasted four days, the instructor being supplied through the Institutes Branch of the Department of Agriculture. The Town Council and various Brampton organizations co-operated in this campaign.

This year I gave more attention to the matter of farm help than ever before and began early in the spring securing men for the farms. However, the greatest need came at harvest time, and in July I organized a Harvest Help Campaign that resulted in placing over 300 men on farms and certainly saved a great deal of grain that would otherwise have been wasted. The Harvest Help was secured in July from local townspeople and from Toronto. I called a meeting of the business men of Brampton and laid before them the seriousness of the situation and we arranged to canvass all the employers of labor in town, and I also appealed to the factories to close down if they could for a few weeks, and if not, to let us have every man they could spare. We also had announcements made in all the papers, churches and we arranged with the central telephone offices to notify 150 farmers on their lines that we had help for them. The directors of the Williams Shoe Limited very generously decided to close down their entire plant for nearly three weeks and placed at our disposal 100 men. These were soon placed on farms, and with the help secured from the city we were successful in harvesting, with practically no loss, one of the biggest crops the County has ever known.

By co-operating with the various fall fair boards in the County we were able to give them some assistance with revising their prize lists and making the fairs of more value in time of war. Revisions were made in nearly every class of the prize list, including live stock, grains, fruit and poultry and women's and children's work. At the Brampton Fair, in particular, the women's section was reorganized and outside exhibitors prevented from showing, and new classes put on of plain sewing and cooking and war work to replace a long list of fancy work exhibits. At the Brampton Fair too we had an Inter Junior Farmers' Stock Judging Competition in which teams representing each Junior Farmers' Association in the County competed against each other for prizes in judging.

In Caledon Township this year we conducted what is called a Rural Survey. In a word its object is to make a thorough study of all the conditions that effect the farmer in that township, to get first hand information on all branches of farming that will be of benefit both to the farmers in Caledon and to the Department of Agriculture. We visited school trustees and school teachers for information on education, ministers and other church officials for data concerning the churches, and in October and November our field men made farm to farm visits calling on each of the 591 farmers in that township. Practically all the information has been gathered now and the data is being sorted and analyzed and full reports will be prepared on the findings. As a part of this survey it is our intention to hold meetings in the school houses and halls of the township to lay before the people the facts that have been brought out by this study.

This fall I arranged for medical inspection of all the pupils in the rural schools of Caledon and Chinguacousy Townships. This was done in co-operation with the local branches of the Women's Institute, and the doctor was supplied by the Department free of charge. Altogether 38 schools, including about 1,000 pupils, were inspected and reports sent on each case. The following is a very brief report of the first 700 pupils who were visited. We found that 20 per cent. of the children were suffering from weak eyes and that 12 per cent. of them needed glasses. Seventy per cent. of the pupils had teeth that needed attention and 35 per cent. were suffering from enlarged or diseased tonsils and adenoids. I believe that this work of medical inspection is one of the best things that I have ever undertaken, and it is our intention to see that every pupil in the County is examined before next midsummer. This inspection has met with the heartiest approval of parents and trustees and I hope that this work will be continued in the County and that we will realize that the health of the boys and girls is a matter of the greatest importance and that it is a far better investment to spend a little money to keep the people well than to wait and cure them after they get sick.

We had two farm tractors in the County this year, and in spite of all the trouble they have given us. I am sure that it was a good move on the part of the Department of Agriculture to send out these tractors at this time to try to increase food producion and to let the farmers see for themselves how these machines would work on their own farms and under special conditions. A time had been reached in our Agriculture when there was a demand on every hand for more information about farm tractors and I believe that the educational value alone of having these machines in the County more than paid for their expenses. For your information I may say that the average cost per acre to the farmer for the plowing was $1.73. It is our intention to keep these tractors on another year, and with our experience in the past season, believe we can handle them to better advantage and that they will in a short time play an important part in Ontario Agriculture.

A campaign for increased hog production has just been completed in Peel County. The organization for this work was done from our office and we arranged to canvass every farmer in the County to find out the number of brood sows he is keeping now and how many extra ones he could keep in view of the great shortage of meats and foods of all kinds. At first a County Conference was held and then township conferences, at which the canvassers were appointed. This campaign has been, on the whole, very successful, and we feel sure that the bacon production in Peel will be increased in 1918 by many carloads. You might be interested to know that we had an Inter School Contest in which prizes were offered to the school making the best showing in the matter of the pupils keeping extra sows. From the reports that have come in to date, and all the schools have not yet been heard from, we have a promise of an increased production for next year that will amount to four or five carloads of bacon.

The last point I wish to mention is the annual short courses at Ebenezer. As you know, these courses are held in different points in the County from year to year, and we have the promise of very successful classes next January in Toronto Gore. The Toronto Gore Council and the farmers and local Women's Institute have taken this matter up with the greatest enthusiasm and we are sure of having the heartiest support in our work there in January.

There are a great many other lines of work such as school fairs, farmers' organizations, supplying of seed grain, assistance with farmers' feeding problems, etc., that cannot be taken up in a brief report of this kind.

In conclusion I may say that all these branches have been carried on as before, and the chief difference between our work this year and in previous years is the greater attention given to matters relating to increased production and the saving of food.

Yours respectfully,

J. W. STARK, Dis. Representative

FINANCIAL STANDING OF THE SEVERAL MUNICIPALITIES

Treasurer's Office, November 20th, 1917.

To the Warden and Council of Peel County.

Gentlemen:—

I herewith submit a statement of the Finances of the County and Good Roads at this date.

Your Warden and Treasurer borrowed from The Merchants Bank for County purposes $10,000.00, and your Treasurer has borrowed from the Good Roads Account $18,000.00 for County purposes to this date for the current year. I have refunded $5,500.00 of this amount to the Good Roads Account, leaving an indebtedness of the County to Good Roads of $12,500.00, and to the Bank of $10,000.00 at this date.

I have a balance on hand to the credit of the County at this date of $950.00. I have a balance to the credit of the Patriotic Account at this date of $980.49, and out of this balance we have to pay the premiums on the soldiers' policies that are insured for $1,000.00 each, which will amount to about $2,800.00. You will see by this statement that we will require to borrow $2,000.00 now to pay these premiums. In the Canada Temperance Act Account we have a balance of $1,100.00, which will be sufficient to keep us for some time to come.

The Good Roads Account has a deficit at this date of $330.47, but have $12,500.00 of loans due from the County, which when paid will make a balance of $12,169.53.

The following are the balances to the credit of each Township for Good Roads and Repairs at this date:—

ALBION

Receipts	$	4224 91
Expenditure		1392 49
Bal. on hand	$	2832 42

CALEDON

REPORT OF SPECIAL COMMITTEE

Appointed to Inspect All Boundary Line Bridges of the County of Peel and to Prepare a Schedule of Bridges to be Assumed by the County.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Special Committee appointed to prepare a schedule of boundary line bridges for the County of Peel beg to submit the following report:—

Your Committee after having made a careful inspection of all bridges on boundary lines have prepared schedules which are annexed hereto as follows:—

1st, Bridges on the County boundaries with York, Simcoe, Dufferin, Wellington and Halton.

2nd, Bridges on the boundary lines between Township Municipalities within the County of Peel.

3rd, Bridges on the boundary lines between urban and Township Municipalities with in the County of Peel.

4th, Bridges within the limits of Villages in the County of Peel which have already been assumed by By-laws of the County Council as provided by R.S.O., Chap. 192, Sub-Section C. of Section 436.

The schedule is prepared in tabulated form and sets forth the location, span, kind of structure and condition of each bridge. Many of the bridges have been built of steel and concrete and are in excellent condition. but most of the wood structures are not built to carry heavy loads and many of them listed herein as being in "fair" condition will have to be replaced by new structures in the near future.

Your Committee have added a number of bridges which were not on the old schedule. Many of these are on parts of roads that were not open for traffic when the last inspection was made and some of them have since been built and paid for by the County. There are also some bridges that the County built which we considered did not comply with the conditions necessary to be included in the schedule and therefore omitted them.

Many of the bridges and culverts on County boundaries which were included in the old schedule were on streams having only an intermittent flow of water. Your Committee considered it best under the circumstances to follow the mode of selection heretofore adopted and took as a basis for the selection of bridges or culverts that the streams should have a well defined channel showing a very considerable, if only intermittent, flow of water.

The allowances and expenses of your Committee in connection with this inspection, the payment of which we recommend are as follows:—

W. J. Limebeer, 4 days and expenses	$ 20 00
C. R. Wheelock, 6 days and expenses	48 00
D. H. McCaugherty, 4 days and expenses	20 00
R. H. H. Blackwell, 4 car hire	38 00

All of which is respectfully submitted.

Brampton, December 5th, 1917.

BY-LAWS

BY-LAW NO. 488

A By-law Appointing a Board of Audit for 1917.

Whereas Revised Statutes of Ontario, Cap. 96, provide for the appointing of a Board of Audit to audit certain accounts and demands delivered to the Clerk of the Peace of the County of Peel.

Therefore the Municipal Corporation of the County of Peel enacts:

1. That a Board of Audit for the purpose of auditing accounts and demands that shall during 1917 be delivered to the Clerk of the Peace of the County of Peel pursuant to the provisions of Revised Statutes of Ontario, Chapter 96, be and the same is hereby appointed.

2. That Benjamin F. Justin, Esq., Judge of the County Court of the County of Peel shall be a member of such Board of Audit.

3. That E. A. Walshaw be and he is hereby appointed a member of such Board of Audit.

4. That John H. Moffat be and he is hereby appointed a member of such Board of Audit.

5. That such Board shall make a report in writing as required by sub section 2 of Section 23 of said Act.

6. That each member of the Board of Audit be paid the sum of $3.00 for each day of such audit, together with ten cents per mile necessarily travelled to attend such audit, and the Treasurer of the County of Peel be and is hereby authorized to pay the same.

Passed in open Council this 24th day of January, A.D. 1917.
D. KIRKWOOD, Clerk. W. J. LIMEBEER, Warden.

BY-LAW NO. 489

A By-law to appoint a Commissioner pursuant to the requirements of the Municipal Corporation of the County of Peel.

Whereas By-law 373 provides that each of the Counties of

Peel and Halton shall appoint a Commissioner to jointly oversee the work of improvement or enlargement that may be necessary to be made to the House of Refuge of the Counties of Peel and Halton.

Therefore the Corporation of the County of Peel enacts as follows:

1. That D. H. McCaugherty be and he is hereby appointed Commissioner under said By-law No. 373 to act with the Commissioner appointed by the County of Halton for the purpose of performing the duties required by the said By-law No. 373, and any other duties pertaining to the said House of Refuge that may be required of him by the Municipal Council of the County of Peel.

2. That all by-laws inconsistent with the provisions of this by-law be and they are repealed.

Passed in open Council this 26th day of Jan., A.D. 1917.

BY-LAW NO. 491

A By-law Authorizing the Borrowing of Money for County Purposes

Whereas it is expedient to raise by way of loan the sum of Forty Thousand Dollars ($40,000.00) required to meet the current expenditure of the Corporation of the County of Peel;

Be it resolved, therefore, and the Council of the County of Peel enacts as follows:

1. That it shall and may be lawful for the Warden and Treasurer of the County of Peel, and they are hereby authorized and empowered to borrow from the Merchants Bank of Canada, or any chartered bank, at the office of such bank in the Town of Brampton, a sum not exceeding the sum of Forty Thousand Dollars ($40,000.00) for the purpose aforesaid.

2. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada or such other bank at Brampton, the promissory note or notes of the said Warden and Treasurer, payable at the office of the said Bank in Brampton on or before the 31st of December, with interest thereon at the best obtainable rate per annum, and to execute renewals thereof in whole or in part until such advances are fully repaid.

Done and passed at Brampton this 26th day of January, 1917.

D. KIRKWOOD, Clerk. W. J. LIMEBEER, Warden.

BY-LAW NO. 492

To Repeal By-law No. 455

Whereas By-law No. 455 passed for the purpose of raising a Patriotic Fund, and the carrying out of a system of distribution thereof is now considered unnecessary on account of the distribution of the said fund being now under different management.

Therefore the Municipal Council of the Corporation of the County of Peel enacts as follows:

That the said By-law No. 455 passed by the said Council on the first day of September, A.D. 1914, be and the same is hereby repealed.

Passed this 27th day of January, A.D. 1917.

D. KIRKWOOD, Clerk. W. J. LIMEBEER, Warden.

BY-LAW NO. 493

A By-law Authorizing the Borrowing of Money for Patriotic Purposes

Whereas under and by virtue of the Provisions of Chapter 37, 5George V., Statutes of Ontario, as amended by the Statutes of Ontario, 6 George V., Chapter 40, any Municipal Corporation may pass by-laws for granting aid for the objects therein particularly mentioned.

And whereas it is expedient to raise by way of loan the sum of twenty-five hundred dollars ($2500.00) required to insure and keep insured the lives for the benefit of dependents of officers and men, residents of the Municipality of the County of Peel. who during the present war may be on active service with the naval and military forces of the British Empire and Great Britain's Allies.

And whereas in the opinion of this Council it is desirable that the said grant should be made.

Therefore be it resolved and the County Council of Peel enacts as follows:

1. That it shall and may be lawful for the Warden and Treasurer of the County of Peel, and they are hereby authorized and empowered to borrow from the Merchants Bank of Canada, or any chartered bank, at the office of such bank in the Town of Brampton a sum not exceeding the sum of twenty-five hundred dollars ($2,500.00) for the purpose aforesaid.

2. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada or such other bank at Brampton, the promissory note or notes of the said Warden and Treasurer, payable at the office of the said Bank in Brampton on or before the 31st of December next, with interest thereon at the best obtainable rate per annum, and to execute renewals thereof in whole or in part until such advances are fully repaid.

3. This by-law shall come into force when the same is approved by the Lieutenant-Governor in Council, as provided by Section 5, Chapter 37, 5 George V., Ontario Statutes.

Passed in open Council at Brampton this 27th day of January, A.D. 1917.

D. KIRKWOOD, Clerk. W. J. LIMEBEER, Warden.

BY-LAW NO. 494

To Amend By-law No. 393

Where it is deemed expedient that the yearly salary of the County Treasurer of the County of Peel be increased.

Therefore the Council of the County of Peel enacts as follows:

1. That the last clause of By-law No. 393 be and the same is hereby amended by striking out the figures $850.00 where the same occur in said clause and that the figures or amount of $1000.00 be and the same are hereby inserted in lieu there.

This By-law shall come into force and effect from and after the passing thereof.

Passed in open Council this 26th day of January, A.D. 1917.

D. KIRKWOOD, Clerk. W. J. LIMEBEER, Warden.

BY-LAW NO. 495

A By-law Authorizing the Issue of Debentures of the County of Peel to the extent of $50,000.00 to aid the Canadian Patriotic Fund.

Where under and by virtue of the provisions of Chapter 37, 5 George V., Statutes of Ontario, as amended by the Statutes of Ontario, 6 George V., Chapter 40, any Municipal Corporation may pass By-laws for granting aid to the Canadian Patriotic Fund established by Act of the Dominion Parliament passed in the fifth year of the reign of His Majesty King George the Fifth, Chapter 8;

And whereas the Peel County War Auxiliary, an organization of the County of Peel, has requested the County Council of Peel to grant to the said Patriotic Fund the sum of $50,000.00 for the general purposes of the said Canadian Patriotic Fund.

And whereas the Peel County War Auxiliary has been admitted and recognized as a duly constituted branch of the said Patriotic Fund.

And whereas in the opinion of this Council it is desirable that the said grant should be made.

And whereas for the purposes aforesaid it will be necessary to issue debentures of the said County of Peel for the sum of $50,000.00 as hereinafter provided, which said sum of $50,000.00 is the debt intended to be created by this by-law;

And whereas it is desirable to make the principal of the said debt payable by yearly sums during the period of ten years, being the currency of the said debentures, said yearly sums being of such respective amounts that the aggregate amount payable in each year for principal and interest of said debt shall be as nearly as possible equal to the amount so payable in each of the other nine years of the said period;

And whereas the total amount required by the Municipal Act to be raised annually by special rate for paying the said debt and interest as hereinafter provided, is a sum sufficient to discharge the instalment of principal and interest and accruing due on the said debt for such year as shown in the fourth column of Schedule "A" hereto annexed.

And whereas the amount of the whole rateable property of the County of Peel according to the last revised and equalized assessment roll is fifteen million six hundred and sixty-five thousand dollars.

And whereas the existing debenture debt of the said County is the sum of $279,273.79, of which no principal or interest in in arrears.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enact as follows:

1. That the said sum of $50,000.00 when raised shall be paid to the Treasurer of the Canadian Patriotic Fund at Ottawa, and for the purpose of raising the said sum debentures of the said County

of Peel to the amount of $50,000.00 in sums of not less than $100.00 each shall be issued by the said County of Peel and said debentures shall be dated on the day of the issue thereof and shall be payable within ten years thereafter.

2. Each of the said debentures issued shall be signed by the Warden of the said County and countersigned by the Treasurer and Clerk of the said County and the Corporate Seal shall be attached thereto.

3. The said debt and the debentures issued therefor shall bear interest at the rate of 5½ per cent. per annum from the date thereof and the said debentures both as to principal and interest shall be payable annually, the first payment in one year from the date of the issue to the Merchants Bank at the Town of Brampton and shall have attached to them coupons for payment of said interest, which coupons shall be signed by the Warden and Treasurer of the said County of Peel.

4. During the currency of the said debentures there shall be raised annually by special rate on all the rateable property in the County of Peel the sum required for the purpose of paying the amount due in each of the said years for principal and interest in respect of the said debt as shown in Schedule "A" hereto annexed.

5. That the moneys raised by the issue of the said debentures as aforesaid shall be applied solely for the purpose hereinbefore set out.

6. This by-law shall come into force when the same is approved by the Lieutenant-Governor in Council as provided by Section 5 of Chapter 37, 5 George V., Ontario Statutes.

Passed in open Council at Brampton this 27th day of January, A.D. 1917.

BY-LAW NO. 496

A By-law to assess the rateable property in the County of Peel for maintenance and repair of Public Highways designated and assumed by the Corporation of the County of Peel by By-law No. 341, and amended By-laws.

Whereas it is the duty of the Municipal Corporation of the County of Peel to maintain and keep in repair all highways designated and assumed by the Corporation by By-law No. 341 and amending By-laws.

Therefore the Corporation of the County of Peel by the Council thereof enacts as follows:

1. There shall be raised, levied and collected from all persons rated on the assessment rolls of the several Municipalities of the County of Peel liable to be assessed in the current year the sum of $10,000.00 for maintenance and repair of highways that have already been designated, assumed or to be assumed and improved by the said Corporation under By-law No. 341 and amending By-laws.

2. That the said sum shall be raised, levied and collected from all persons rated on the assessment rolls of the several Municipalities of the County of Peel liable to be assessed in proportion to the equalized assessment of the several Municipalities of the County of Peel.

3. The whole of said sum of $10,000.00 shall be raised, levied and collected and paid to the Treasurer of the County of Peel on or before the 14th day of December next.

4. That the moneys so raised and used in metaling of roads, gravelling and repairing of bridges shall be used under the direction of the Superintendent of Highways of the County of Peel.

Passed in open Council 5th day of April, A.D. 1917.

BY-LAW NO. 497

A By-law to Amend By-law No. 341

Whereas the Municipal Corporation of the County of Peel did by By-law No. 341 passed on the 20th day of June, 1906, designate and assume certain roads in the County of Peel as County Roads;

And whereas the said By-law has been amended by adding there to other roads in the said County as County Roads as has been particularly set out in By-laws passed by the said Municipal Corporation for that purpose.

And whereas the Municipal Council of the County of Peel deem it expedient that the said By-law should be further amended and that the roads designated as County Roads in Section 2 of the said By-law 341 should be amended as hereinafter particularly set forth.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

That Section 2 of By-law 341 of the Municipal Corporation of the County of Peel be and the same is hereby amended.

1. By adding to the system of County Roads in the Township of Toronto in the County of Peel that portion of the Highway known as Dundas Street and west of Erindale and commencing on the said Highway at the Streetsville Gravel Road, thence extending westerly along Dundas Street to the boundary line between the Townships of Trafalgar and Toronto.

2. By adding to the system of County Roads in the Township of Albion in the County of Peel that portion of the highway known as the seventh line north of the Village of Bolton and commencing at the northerly Corporation limit of the said Village of Bolton thence running in a northerly direction connecting with the County Road System opposite lot number fifteen on the seventh line in the said Township, also that portion of the said seventh line commencing at the northerly boundary line of the said Township of Albion and extending in a southerly direction to the Good Roads System now existing on the said seventh line.

This By-law to take effect from and after the assent of the Lt.-Governor.

Passed this fifth day of April, A.D. 1917.

BY-LAW NO. 498

A By-law to Amend By-law No. 341

Whereas the Municipal Corporation of the County of Peel did by By-law No. 341 passed on the 20th day of June, 1906, designate and assume certain roads in the County of Peel as County Roads:

And whereas the said By-law has been amended by adding thereto other roads in the said County as County Roads as has been particularly set out in By-laws passed by the said Municipal Corporation for that purpose.

And whereas the Municipal Council of the County of Peel deem it expedient that the said by-law should be further amended and that the roads designated as County Roads in Section 3 of the said By-law No. 341 should be amended as hereinafter particularly set forth.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

That Section 3 of By-law No. 341 of the Municipal Corporation of the County of Peel be and the same is hereby amended by adding to the system of County Roads in the Township of Caledon in the County of Peel West of Hurontario Street, namely part of the road between the third and fourth concessions and part of the road between the Second and Third Concessions, both West of Hurontario Street, and part of Queen Street in the Village of Alton, which portion of said highways are more particularly described as follows:

That is to say, commencing on the sideroad between lots Nos. 15 and 16 and running northerly on the said road between the third and fourth Concessions to Queen Street in the Village of Alton, thence Easterly on Queen Street to the said road allowance between the second and third Concessions, thence Northerly on the road between the second and third Concessions to the Town Line Road between the said Township of Caledon and the Township of East Garafraxa.

This By-law to take effect from and after the assent of the Lt.-Governor in Council.

Passed this fifth day of April, 1917.

BY-LAW NO. 500

A By-law to Amend By-law No. 341

Whereas the Municipal Corporation of the County of Peel did by By-law No. 341 passed on the 20th day of June, A.D. 1906, designate and assume certain roads in the County of Peel as County Roads.

And whereas the said By-law has been amended by adding thereto other roads in the said County as County Roads, as has been particularly set out in By-laws passed by the said Municipal Corporation for that purpose;

And whereas the Municipal Council of the County of Peel deem it expedient that the said By-law should be further amended and the roads designated as County Roads in Section 2 of the said By-law No. 341 should be amended as hereinafter particularly set forth.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

That section 2 of By-law No. 341 of the Municipal Corporation of the County of Peel be and the same is hereby amended.

1. By adding on certain portions of the highways in the Township of Toronto in the County of Peel more particularly described as follows:

Commencing on Dundas Street at the southern limit of the Streetsville Road thence in a southerly direction along the road known as "The Spring Road" in the first concession South of Dundas Street to Pinchin's Corners in the said First Concession, thence southerly along the old Sylvester Gable Farm to the Middle Road, thence proceeding westerly along the said Middle Road to the Highway between lots 28 and 29 in the Second Concession south of Dundas Street, thence in a southerly direction along the said Highway between said lots 28 and 29 to the Lake Shore Road.

2. That Clause "One" of By-law 483 passed by this Council the 23rd day of June, 1916, be and the same is hereby repealed.

This By-law to take effect from and after the assent of the Lt.-Governor in Council.

Passed in open Council this 15th day of June, A.D. 1917.

D. KIRKWOOD, Clerk. W. J. LIMEBEER, Warden.

BY-LAW NO. 501

A By-law to Amend By-law 341.

Whereas The Municipal Corporation of the County of Peel did by By-law Number 341, passed on the 20th day of June, A. D. 1916, designate and assume certain roads in the County of Peel as County Roads.

And whereas the said By-law has been amended by adding thereto other roads in the said County as County Roads, as has been particularly set out in By-laws passed by the said Municipal Corporation for that purpose;

And whereas the Municipal Council of the County of Peel deem it expedient that the said By-law should be further amended and that the roads designated as County Roads in Section 2 of the said By-law Number 341 should be amended as hereinafter particularly set forth;

Now Therefore the Municipal Corporation of the County of Peel enacts as follows:

That Section 2 of By-law Number 341 of the Municipal Corporation of the County of Peel be and the same is hereby amended.

1. By adding on that portion of the sixth line east of Hurontario Street, in the County of Peel, commencing at the side road separating Lots numbers five and six in the Township of Chinguacousy and the Gore of Toronto, Southern Division (Woodhill). Thence continuing southerly along the said Sixth Line to the foot thereof, that is, to the side road forming the Southern boundary of the Northern part of Toronto Township.

All monies expended for construction and maintenance of the said portion of the Highway added on as aforesaid shall be paid by the respective Municipalities bordering on the same except such monies as are received from the Government of Ontario on account of the said road.

This By-law to take effect from and after the assent of the Lieutenant Governor in Council.

Passed in open Council this 15th day of June, A.D. 1917.

BY-LAW NO. 502

A By-law to Expropriate Gravel for County Roads

Whereas the Municipal Corporation of the County of Peel have by various By-laws designated and assumed certain roads in the County of Peel as County roads;

And whereas under and by virtue of section 483 of the Municipal Act, Revised Statutes of Ontario, Chapter 192, the Council of every Municipality may enter upon and take from land within the Municipality such gravel as may be necessary for constructing, maintaining and keeping in repair the highways and bridges within the Municipality;

And whereas the necessity exists for gravel for the purpose of constructing, maintaining and keeping in repair certain portions of highways under the good roads system in the Township of Caledon in the County of Peel, and search has been made for and gravel found upon the following lands and premises, namely: Part of the west half of lot number five in the first concession east of Hurontario Street, in the Township of Caledon in the County of Peel, containing one-fifth of an acre more or less and being described as follows: Commencing at the north-westerly angle of the said half lot, thence easterly along the southerly boundary of the road allowance between lots five and six. One hundred feet to a point. Thence in a southerly direction and parallel with the easterly boundary of Hurontario Street. Eighty-seven feet to a point. Thence in a westerly direction and parallel with the said northerly boundary between lots five and six one hundred feet more or less to the easterly limit of Hurontario Street. Thence in a northerly direction along the easterly limit of Hurontario Street eighty-seven feet more or less to the place of beginning.

And whereas the quantity of gravel required for the said purpose is one thousand cubic yards.

Now therefore the Municipal Corporation of the County of Peel enacts as follows:

1. That the said Corporation by their servants or agents with such horses and waggons as may be necessary for such purpose may, after the compensation to be paid to the owner and other parties interested in the said lands for the said gravel, and all privileges conferred on the said Corporation by this By-law, shall have been agreed on or determined by arbitration, enter upon the said lands at such time or times as may be deemed inecessary by them and take therefrom the said quantity of gravel for the purposes aforesaid:

2. That the compensation to be paid to the owner or other persons interested in the said lands as aforesaid, for the said gravel, and all privileges given to the said Corporation by this By-law shall be agreed upon or determined by arbitration before the power to take such gravel is exercised.

3. That the said compensation may be a lump sum for the said gravel, or a sum to be determined by the quantity taken or a price by the cubic yard or otherwise for what may be taken as may be agreed upon or be determined by arbitration as aforesaid;

4. That all the said privileges conferred by this By-law shall cease to exist after five years from the date of the passing thereof.

5. That R. J. Potter, of the Township of Caledon, in the County of Peel, of the said Township of Caledon, Farmer, be and he is hereby appointed arbitrator for the said Corporation and as such arbitrator shall have all the powers necessary for the purposes aforesaid required by the clauses of the said Municipal Act referring to arbitrations, for the purpose of fully and effectually carrying out and completing the said arbitration, including the appointment of the third arbitrator, and all powers necessary which shall apply for the purposes aforesaid under the Arbitration Act, Revised Statutes of Ontario, Chapter 65.

Passed in open Council this 15th day of June, A.D. 1917.

D. KIRKWOOD, Clerk. W. J. LIMEBEER, Warden.

BY-LAW NO. 503

A By-law to Appoint Auditors for the Year 1918.

Whereas on the third day of December, 1907, the Council of the Municipal Corporation of the County of Peel did pass a By-law as provided in Section 301 of the Municipal Institutions Act, providing for the appointment of Auditors during the months of November or December for the following year;

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

1. That William Rutledge, ex-Warden of Toronto Township, and John A. McBride, ex-Warden of Caledon, be and they are hereby appointed Auditors for the County of Peel for the year 1918.

2. That the above named Auditors be and they are appointed Auditors of School Monies.

3. That it shall be the duty of the above named Auditors to audit the Treasurer's Accounts for the year 1917, and all other accounts as directed by the Council;

4. That each Auditor be paid the sum of $30.00 on the order of the Warden when the work is duly performed.

Passed this 5th day of November, A.D. 1917.

D. KIRKWOOD, Clerk. W. J. LIMEBEER, Warden.

BY-LAW NO. 504

A By-law Assuming County Bridges

The Municipal Corporation of the County of Peel by its Council enacts as follows:

1. That the bridges set forth in Schedule annexed hereto be and the same are assumed as County Bridges.

2. That in future County Bridges be built capable of sustaining a concentrated load of not less than fifteen tons.

3. That the Reeves of the Municipalities adjoining a boundary line on which a County Bridge requires to be repaired are hereby authorized and empowered by this Council to act as Commissioners for the purpose of having such repairs made provided the cost would not exceed a total of fifty dollars.

But should such repairs require an expenditure of over fifty dollars or should a new bridge be required, the Chairman of the Boundary Line Bridge Committee shall be notified.

The said Committee if necessary may then consult the County Engineer and take the steps required to have the bridge repaired or a new bridge built, as the case may be; provided, however, that should the estimated cost of any bridge to be built exceed one thousand dollars, the Committee shall report the same to the County Council, to be approved by them before the work is commenced.

4. Pursuant to the provisions of Section 436 of the Municipal Act, R. S. O. 1914, the Municipal Corporation of the County of Peel by its Council doth hereby declare that the jurisdiction of the Council shall not extend to any bridge crossing a river, stream, pond or lake, forming or crossing a boundary line between local municipalities other than a city or separated town in the county, less than 20 feet in width.

5. That By-law No. 405 and amendments thereto be and the same are hereby repealed.

Passed in open Council this 7th day of December, 1917.

D. KIRKWOOD, Clerk. R. M. PARKINSON, Chairman.

TREASURER'S STATEMENT

Of Accounts for 1917

To the Warden and Council of the County of Peel.

Gentlemen:—

I beg leave to report that the County Accounts for the year ending December 31st, 1917, have been prepared in detail and have been audited.

The receipts from all sources are	$179962 25
The disbursements	150777 04
Leaving a balance to the credit of the County on January 1st, 1918, of	29185 21
A portion of this balance belongs to the following accounts:	
Good Roads, Debentures and Coupons payable in April, June and July	22723 96
	$ 6461 25

You will see by this statement that we have a balance on January 1st, 1918, for our general accounts of	$ 6461 25
As against a balance last year of	1162 13
The difference being	$ 5299 12

I transferred all patriotic taxes to the Patriotic Account before the end of the past year as shown in the patriotic statement attached.

I also transferred all Good Roads Maintenance taxes to the Good Roads Account, as shown by the detailed Good Roads statement attached.

You will find attached the four quarterly statements of the general account in detail.

Also Public Schools Statement showing all payments made and leaving a balance of $1.15 accrued interest to the credit of the account.

The House of Refuge Statement I got out in pamphlet form and had 50 copies printed and sent 30 to the Treasurer of Halton Countl. I submit the pamphlet for your inspection.

I also submit the detailed statement of the Patriotic Account with a summary of the same showing the expenditure under the different headings.

The Good Roads Accounts are in detail, showing the receipts and expenditure for each municipality and balances to the credit of each.

The Children's Aid Account is also in detail, showing the actual cost to the County for maintaining the Society.

The Canada Temperance Act Account is also in detail, showing a good balance on hand. I may here say that we have only made one grant from the County since the Act came in force and we have been able to pay all salaries and expenses from fines and have a good balance to begin the year.

The Land Tax Account shows all receipts and payments to municipalities.

ROBERT CRAWFORD, Treasurer.

ROBT. CRAWFORD, Co. Treasurer.

AUDITORS' REPORT FOR 1917

Brampton, Ont., January 23rd, 1918.

The Warden and Council,
County of Peel.

Gentlemen:—

Your Auditors for the year ending December 31st, 1917, beg leave to report as follows:

We have checked very closely the books and accounts of the Treasurer, tracing carefully the sources of all income. As to the expenditure we have checked the vouchers in the shape of the accounts receipted and in Good Roads Account we have accepted as vouchers the several monthly reports of your Good Roads Committee, which are all paid by cheque, and each party receiving the cheque we have his endorsation of the same.

Carefulness and a thorough knowledge of the monetary conditions of the County are apparent throughout, and we have again to give our mead of praise to the man entrusted with the financial affairs of the County. His work appears to increase largely each year. This year he has opened a new account showing the exact cost of the Children's Aid Society to the County. Notwithstanding all this extra work, the treasurer had his books in good shape and ready for the audit. We find the total receipts for the year amounted to the sum of $179,962.25; the disbursements $150,777.04, leaving a balance to the credit of the County on January 1st, 1918, of $29,185.21. A portion of this balance belongs to the following accounts: Good Roads Debentures and Coupons payable in April, June and July of the present year $22,723.96. This will leave a balance of $6,461.25 to the General Account of the County as against your balance of last year of $1162.13. The difference between the Treasurer's balance and that of the Bank amounts to $543.97, being three cheques not cashed at the end of the year, but at the present writing all are cashed. We find that all patriotic taxes were placed to the Patriotic Account before the end of the year, as shown in the statement hereto attached. All taxes for Good Roads maintenance are placed in Good Roads Account as shown in the detailed statement. We notice that your Council passed a By-law authorizing the issue of debentures to the amount of $50,000.00, bearing interest at the rate of 5½ per cent., which debentures realized the sum of $49,415.00, which we consider a satisfactory sale in the present state of the money market. The Patriotic Fund has played a large part in the finances of the County during the past year as the following summary will show.

Receipts

Balance on hand from last year	$	431	87
From all other sources		109200	77
Making a total of		109632	64
Payments are		101613	43
Leaving a balance of	$	8019	21

This compares with the bank balance less $39.24, being the amount overpaid by the treasurer of Toronto Gore, which amount has been returned. During the year 1917 $18,000.00 was borrowed from the Good Roads Account and $13,000.00 from the Merchants Bank. Your Treasurer has shown good financing as he received from interest on deposits $184.14, as against interest paid on loans of $144.30. The amounts borrowed have been repaid and there is no amount due the Good Roads Account or the bank at the present time. The outlay on County Good Roads during the year amounted to $20,801.49. Of this amount $7,985.20 was for construction and $12,816.29 for repairs. The total receipts for the year were $38,820.20, leaving a balance on hand of $18,018.71.

Coming to the Non-resident Land Tax we find receipts amounting to $787.76. This amount has been returned to the several municipalities entitled thereto, leaving no balance.

House of Refuge

The Peel and Halton House of Refuge accounts have been carefully checked and show receipts amounting to $7,699.14, payments of $7,497.11, leaving a balance of $202.03. The Treasurer produced accounts and cheques endorsed for the payment of all accounts. There is a printed statement showing the annual settlement also showing the details of receips and expenditures.

Report of School Moneys

Your Auditors beg leave to report that we have checked the school moneys received and paid out by the County Treasurer during the year 1917 and have verified them from the warrants issued by the Public School Inspector, and the Educational Department. The receipts amounted to $5,010.29, the payments were $5,009.14, leaving a balance of $1.15, which amount is the accrued interest on the above receipts whilst in the bank.

Report of the Canada Temperance Act

The balance on hand from 1916 was	$	657 45
Receipts during the year		585 26
Total	$	1242 71
The payments amounted to		810 10
Leaving a balance of	$	432 61

The working of the Canada Temperance Act is almost self-sustaining, as no money has been paid by the County for the enforcement of the Act since 1915, when $1500.00 was deposited in the Dominion Bank, Brampton, to the credit of the Canada Temperance Enforcement Fund.

Report of the Children's Aid Society

As mentioned at the commencement of our report your Treasurer has opened a separate account, showing the total cost to the Couny of the Children's Aid Society. We herewith submit the report:—

Total cost of the operation of the Society amounts to	$	765 00
Amount contributed by the County		700 00
Amount received from other sources		65 00
Payments amounted to		696 51
Leaving a balance to the credit of the Society of		68 49

All of which is respectfully submitted,

Carried.

D. H. McCAUGHERTY.

WILLIAM RUTLEDGE,
F. J. JACKSON, Auditors.

MINUTES

JANUARY SESSION

FIRST DAY

Council Chamber, Brampton, January 22, 1918.

The members elect of the Council of the County of Peel for the year 1918 met and were called to order by the Clerk, who presided.

The following members having filed their statutory certificates with the Clerk, answered to their names as representing the several Municipalities.

For the Township of Albion, David Wilson, Reeve; John Anderson, Deputy Reeve.

For the Township of Caledon, Samuel Kannawin, Reeve; Jas. R. Hillyard, Deputy Reeve.

For the Township of Chinguacousy, Wm. D. Bowles, Reeve; Robert McCullough, Deputy Reeve.

For the Township of Toronto. David M. McCaugherty, Reeve; E. A. Orr, First Deputy Reeve; David J. Lammy, Second Deputy Reeve.

For the Township of Toronto Gore, J. Julian, Reeve.

For the Town of Brampton, Robert P. Worthy, Reeve; George A. Bull, Deputy Reeve.

For the Village of Bolton, E. A. Walshaw, Reeve.

For the Village of Port Credit, R. M. Parkinson, Reeve.

For the Village of Streetsville, O. R. Church, Reeve.

The Clerk informed them that their first duty was the election of a Warden and subject to certain restrictions, the Council could adopt the mode of procedure.

Moved by Mr. Parkinson, seconded by Mr. Orr, that the mode of procedure for the election of Warden for the County Council of the County of Peel for the year 1918 shall be as follows:

1. Fifteen minutes shall be alowed for nominations.

2. The member of this Council who has filed his certificate of election under the Municipal Act, receiving the majority of votes of the members present shall be declared elected.

3. In the event of more than two members accepting the nomination, the name of the member receiving the lowest number of votes shall be omitted from the next vote, and the election continued in this way until two only are candidates, the one of these two securing the majority of votes of the members as aforesaid shall then be declared elected.

4. In other respects the form of procedure shall be in accordance with the Municipal Act. Carried.

The Clerk then asked for nominations for Warden.

Moved by Mr. E. A. Walshaw, seconded by R. P. Worthy, that David H. McCaugherty, Reeve of the Township of Toronto, be Warden of the County Council for the year 1918.

No other nomination being made within the allotted time, the Clerk called for a vote on the motion that D. H. McCaugherty be Warden, which was carried unanimously.

The Warden Elect was then conducted to the chair by his mover and seconder, and having made and subscribed to the oath of office before R. Crawford, J.P., briefly addressed the Council and entered upon his duties.

On motion of Mr. Bowles, a select committee was chosen by ballot to nominate Standing Committees for the year, composed of Messrs. Walshaw, Julian, Wilson, Bowles, and Kannawin.

The Warden left the chair for half an hour to allow the Special Committee time to prepare their report.

Council resumed and Mr. Walshaw, Chairman, presented and read the report of the Special Committee, which was received, and on the Chairman's motion adopted.

On motion Council adjourned.

(Adopted) D. H. McCAUGHERTY, Warden.

Claim of the Georgetown High School Board for tuition of Peel pupils attending said school during the year 1917.

From the Council of the County of Kent, enclosing copy of petition adopted by the said Council to the Legislature of Ontario, praying for amendment to the Voters' List Act.

From the Deputy Minister of Highways, with regulations as to estimate and expenditure in construction and repair of County roads.

From the Public School Inspector, statement of school visitations.

From the County of Prince Edward, asking the co-operation of this Council in support of amendment to the highway improvement in reference to damages while roads are being constructed or repaired.

Copy of Engineer's award on requisition of John E. Watson on drain in which the County is interested.

Appeal for help from the National Sanitarium Association.

The usual appeal for aid to the Sick Children's Hospital.

Communications from the united counties of Northumberland and Durham, enclosing copy of petition to the Lieutenant-Governor and members of the executive council of Ontario, praying for amendments to the Dog Tax Act.

The Treasurer's annual statement of account from the Brampton High School Board, enclosing claim for tuition of County pupils during the year 1917.

The Warden left the chair to allow the Committee on Equalization of County assessment to take up their duties, and continued until the Warden left the chair at noon.

The following deputations waited on the Council, namely:

1. In the interest of the Canadian Patriotic Fund, addressed by C. S. McDonald of Brampton, Mr. Henderson of Toronto, Mrs. W. J. Hunter of Mount Pleasant, Mr. T. W. Duggan, and Samuel Charters, M.P.

2. A deputation composed of Mr. Fenton, Principal,and Messrs. C. D. Gordon, Wm. Robinson, and Di. McClure, addressed the Council in favor of a grant to aid in completing the new high school building.

3. Mr. C. D. Gordon put up a strong plea in favor of increased aid to the Children's Aid Society, and he was ably supported by His Honor, Judge Justin.

The balance of the afternoon was spent in Committee on Equalization of Assessment.

NOTICE

I hereby give notice that I will at some future date ask leave to introduce a bill to set the hour for the Registry Office to close re Saturday early closing.

REPORTS

ENGINEER'S REPORT ON COUNTY GOOD ROADS

Orangeville, January 1st, 1918.

To the Warden and Council of the County of Peel.

Gentlemen:

I beg to submit herewith statements of money expended and work done on the Peel County Roads System, under the provisions of the Highway Improvement Act for the year 1917; together with tabulated statements, declarations, etc., required to be forwarded by you to the Minister of Public Works when making application for the Government subsidy.

In compliance with the directions of your County Roads Committee and following out the policy of the Department of Public Highway, only a small amount of construction work was undertaken last season and that to carry on work previously begun. It was, however, found necessary to expend a considerable sum to keep the most heavily travelled roads in an ordinary state of repair. Dundas and Hurontario Streets, owing to the exceptionally heavy traffic, requiring the greatest expenditure. These last mentioned roads, as you are aware, have been designated by the Government as Provincial County Roads. and the subsidy has therefore been increased to 60 per cent. of the expenditure for both construction and maintenance.

The total expended for the year is $20,444.80, made up as follows:

Construction work on County Roads	$6,711.71
Repair work on County Roads	3,287.19
Repair work on Provincial County Roads	10,445.90

and the government subsidy on the above amounts in all to $9,771.19.

I am, gentlemen,

Your obedient servant,

C. R. WHEELOCK,

Engineer Co. Peel.

STATEMENT

Of Work and Expenditure on the Peel County Road System for the Year 1917

CONSTRUCTION WORK

Road No. 3—Dundas Street from Cooksville to the Westerly limit of the Township of Toronto.

Plans and specifications were prepared for a reinforced concrete culvert opposite Price's Dairy Farm, but it was afterwards considered advisable to leave the work over until next year. The reinforcing steel was purchased and is now on hand.

Cost	$ 40 85

Road No. 5—The Dixie and Burnhamthorpe Road, from the Toronto and Hamilton Highway to the road between lots Nos. 5 and 6

In the 2nd Concession, N.D.S., the grading and metalling of the road was continued from end of the work previously completed to Burnhamthorpe corner, a distance of 3-10 of a mile. Owing to the scarcity of labor and material this piece of road was not completed. A foundation of river stone was laid after the road was graded, and upon this was spread a thin layer of gravel for a binder, and then rolled with a ten ton roller. It is proposed to add a layer of crushed stone to complete the road next season.

The following is a summary of the cost:

Labor and teams	$364 38
Stone and gravel	53 40
Fuel for roller	46 03
Sundries	4 90
Total	$ 468 71

Road No. 6—Between lots Nos. 5 and 6 in the Township of Chinguacousy and Toronto Gore Township

The work of grading and gravelling through the 7th, 8th and 9th Concessions of the Township of Toronto Gore, which was commenced in 1916, was continued, but owing to war conditions is not yet completed. The 32-foot span reinforced concrete bridge in the 9th Concession, for which the contract was given last year, was built and completed, and an 8-foot span reinforced concrete arch in the 8th Concession was built also.

Summary of cost:—

Grading and gravelling road.

Labor and teams	$ 203 63
Gravel at pits	17 50
Fuel	27 05
Tools and sundries	1 70
Blacksmith bills	2 35
	$ 253 23

32 foot span concrete bridge.

Concrete work	$1074 20
Building approaches	40 50
	$1114 70

8-foot span concrete arch.

Concrete work	$ 603 76
Filling over arch and cutting adjoining hills	152 90
	$ 756 66

Road No. 8—Between lots Nos. 27 and 28 in the Township of Chinguacousy

The grading and gravelling previously commenced on this road were continued. The gravel has been laid in two layers, the first layer being rolled with a concrete roller and allowed to consolidate before the second layer was laid. The first layer has now been completed through the 4th Concession, E. H. St., connecting with the completed work at both ends.

A corrugated iron culvert (18" x 24') was put in opposite the 2nd Concession, W. H. St.

Summary of cost:—

Labor and teams	$1023 72
Gravel at pit	129 30
Corrugated iron culvert	33 60
	$1186 62

Road No. 9—Between lots Nos. 15 and 16 in the Township of Caledon

A reinforced concrete culvert (4' x 26') was built in the 1st Concession, W. H. St., in the Village of Caledon, and a corrugated iron culvert (24" x 26') was put in opposite the 1st Concession, E. H. St.

Summary of cost:—

Concrete culvert	$ 207 10
Corrugated iron culvert	69 80
	$ 276 90

Road No. 10—Between the 6th and 7th Concessions of the Township of Albion

The grading and metalling was continued from where it stopped last year to the Village of Palgrave. Crushed stone and gravel were used in metalling. Two corrugated iron culverts (12" x 26' and 12" x 28') were put in at entrance driveways.

Summary of cost:—

Labor and teams	$ 297 00
Gravel at pit	21 60
Crushed stone	38 90
Freight	36 30
Sundries	2 00
Culverts	62 40
	$ 458 20

Another piece of this road opposite lot No. 15 was graded and gravelled. One layer of gravel was laid with the intention of laying a second when the first was consolidated, but owing to the scarcity of labor and teams, the second layer was not laid, and the work will have to be completed next season. 300 feet of 8" tile drain was constructed by the County in accordance with an award under the Ditches and Watercourses Act.

Summary of cost:—

Labor and teams	$ 312 00
Gravel at pit	44 50
Ditch (D. & W. Act)	119 20
	$ 475 70

REPAIR WORK

Provincial County Road No. 1—Hurontario Street, from Port Credit to Orangeville

The surface of this road was repaired with stone and gravel where required, and in places it was widened and ditches were opened up. The crushed stone used was from the Dundas and Owen Sound quarries, and the gravel was from pits located at different points along the road. The crushed stone cost from $1.20 to $1.85 per ton, f.o.b. at the nearest railway station, and the gravel from 15c to 40c per cubic yard at the pits.

One corrugated iron culvert (24" x 28') was put in opposite lot No. 23, Chinguacousy, and one (15" x 18') and two (12" x 18'), opposite lot No. 22, Caledon.

PUBLIC SCHOOL INSPECTOR'S REPORT

January 24th, 1918.

The Warden and Council, County of Peel.

Gentlemen:—

I beg to submit herewith for your consideration the following report on the condition of the Public Schools in the County of Peel for the year ending December, 1917.

As I have indicated in a certificate already submitted to you, the requirements of the Schools Act have been fully complied with in regard to the number and length of the visits of inspection made during the year. For the information of this council I desire to state that every Public School Inspector is required by the Schools Act to make in each year at least 220 visits of not less than two and one-half hours each. If possible each school or department should be inspected once a term.

During the year two new school houses were opened, one in Brampton and one in Port Credit. These buildings have been erected from plans fully approved by the Department of Education and are complete in every respect. Each contains four rooms, and each room is of sufficient size to accommodate forty-five pupils. They are splendidly heated, lighted and ventilated, well supplied with running water, bubble fountains taking the place of the open water pail and the common drinking cup, and they are a credit to their respective communities. In their construction regard has been had to the comfort and safety of the pupils. In these municipalities, owing to the increased attendance, the school boards found it absolutely necessary to add in September one teacher to their respective staffs. Brampton, during the latter part of he year, had 13 teachers employed and Port Credit 6, and I may here add that it became during the autumn term, compulsory upon the boards to make provision for further increase in the number of teachers to be employed in January, 1918. At the beginning of 1917 the teaching staff of the county numbered 106, and at the beginning of 1918 one hundred and ten. Eight years ago 98 teachers were employed in the public schools of the county. The growth of the school population that has rendered necessary the engagement of more teachers has been confined to urban municipalities and semi-urban school sections. The attendance at the purely rural schools shows a slight falling off; a fact that may be construed as proving that the movement is still towards the larger centres instead of towards the farm.

Several school boards have taken steps to improve conditions regarding the heating and ventilation of their class rooms by installing modern systems, and I am free to state that where the instructions accompanying these systems have received intelligent attention excellent results have been obtained. Trustees are now gradually recognizing the advisability of providing comfortable rooms in which their children are being trained for citizenship. Many are no longer content to retain conditions that were considered adequate in the days of the log cabin and the ox cart, but feel that in educational matters the same advancement should be made as in the methods of travel. Among the schools that have improved conditions none is more worthy of special mention than that of S. S. No. 13, Albion Township, where after many years of inactivity on the part of successive boards, one has been elected who feel that the interests of the children of the section are sufficiently important to justify a substantial increase in the tax rate. It is hoped that when the results of the medical examination made in the schools of Caledon and Chinguacousy are made known still greater attention will be paid to the essential features of the class room, lighting, heating, and ventilation. Whilst considerable expenditure has been made to improve the two latter, very little thought apparently has been given to improved methods of lighting rooms in which the children are being educated. From information already received I know that many cases of defective eyesight were found and I believe that in most cases the school rooms are responsible for the defects. If parents are led to visit their schools and by personal inspection inform themselves of the influences attending their children's education, there will in some sections at least be organized a crusade against existing conditions that cannot be otherwise characterized than dangerous to the health and morals of the youth of the community. Pressure must be brought to bear upon careless, indifferent, ignorant and parsimonious trustees who prefer to sacrifice the future of the children rather than expend the money necessary for their comfort and welfare.

Ot the 108 teachers employed at the close of 1917 11 held First Class certificates, 96 Second Class, and one a Limited Third Class. The latter, however, had received the same professional training as those holding Second Class certificates. Thirty-six of these teachers had less than two years' experience, and are still passing through a probationary term. On passing the examination in a Faculty of Education or a Normal School the candidate is granted an interim certificate qualifying her to teach for two years. At the expiration of this term this certificate is exchanged for one that is valid during good behavior provided that the holder of the certificate obtains the recommendation of the inspector under whom she had taught. To obtain this recommendation the probationary teacher must give evidence of moral and physical fitness to be entrusted with the training of children. She must show in her class work and in conversation that she has a good command of the English language, that she possesses a sound and thorough knowledge of the most approved methods of imparting instruction and skill in applying them. Unless she measures up to the standard in these requirements the inspector is instructed to recommend that the application for a permanent certificate be not granted, or in case of doubt, that her probationary term be extended until further experience justifies him in deciding for or against the granting to her of a certificate.

In order that the country may be prepared for the re-construction period that will inevitably follow the world war in which we are now engaged we are on every hand being admonished to practise thrift and to conserve our resources. The careful thinking man will undoubtedly give first place to the youth of our land amongst resources that will play the most important parts in shaping the future of Canada. The children of to-day will soon take the places we are now filling, and their success or failure will depend upon the degree of efficiency to which they are being trained to do their part and that degree will depend upon the character of the training which primarily devolves upon the teacher. It therefore behooves all in authority to prevent in as far as possible all waste. In the administration of our educational system there is prodigious waste, much of which is preventable. I shall refer to a few causes and suggest some remedies. In the first place great waste is caused by irregularity of attendance, due in part to distance from school, illness of teachers and the lack of supply teachers, illness of pupils due to colds and infectious diseases, bad roads and bad weather, indifference of parents and detention from school to assist in home work. The following remedies are suggested: comfortable and sanitary schools, vigilance on the part of health and truant officers. In the season of bad roads parents might take turns in conveying the children of the vicinity to school. A second cause of waste is found in the lack of permanence in the teaching profession and the frequent changing of teachers. The equalization of the financial strength of the sections would largely prevent the constant moving from the weaker to the stronger sections. Salaries should be graded according to experience and ability. A third and fruitful cause is found in the multiplicity of small schools. To illustrate my meaning I shall refer to the Township of Chinguacousy, where schools are maintained in 20 sections, in 16 of which the combined average attendance was 230, or less than 15 in each school. In Brampton the average number in attendance in each room exceeded forty, which is not excessive. Nine teachers in Brampton taught as many as 20 in the township. The salaries paid to the nine amounted to $6025; to the twenty, $12,575.00. The total average attendance in Sections 15, 16, 19, and 26 amounted to 40 or the work of one teacher. Four schools were cared for and warmed at an expense of not less than $350.00. The union of these schools under one competent teacher would result in better work and would give a fund of $2000.00 for the conveyance of the children to and from school. The last cause of waste to which I shall refer is poor teaching due largely to lack of experience. I have already shown that one-third of the teachers in the county have been teaching for less than two years. The remedy in this case would, I believe, be found in substituting one board of managers for the seventy-four now in existence. In this view I am supported by the majority of educationists.

In almost every school we find one or more pupils who appear to the ordinary observer as misfits. Boys of ten are not infrequently placed in a class of children of eight years. It has been estimated that about 15 per cent. of our school population may be placed with this pupil and designated retarded pupils, and that 10 per cent. fail to complete the public school course. This is a serious situation and one that demands careful thought. It is believed that most cases of retardation are preventable by the remedies I have already suggested for the prevention of waste. Teachers and inspectors are aware of the trouble and in many cases of the causes, and are doing their utmost to remove them, but there remains much to be done, not only by trustees, but by every citizen who desires to see his country develop into a great and powerful nation.

In conclusion I appeal with confidence to the members of this council for their valuable assistance in arousing in their respective municipalities by every legitimate means a deeper interest in the training of the rising generation. The tactful exercise of their powers by health officers and truant officers, of whom there should be one in every rural as there is in every urban municipality, would greatly aid me in removing conditions that are pernicious in their influence on the morals of the children. As a closing thought I shall quote the following words of the poet Whittier:

"This day we fashion destiny,
  The web of fate we spin;
This day for all hereafter
  Choose we holiness or sin.
Even now from starry Gerizim,
  Or Ebal's cloudy crown,
We call the dews of blessing,
  Or the bolts of cursing down."

I have the honour to be

Your obedient servant,

W. J. GALBRAITH,

FIRST REPORT OF COMMITTEE ON COUNTY PROPERTY

January 24th, 1918.

To the Warden and Council of the County of Peel.

Gentlemen :—

Your Committee have inspected the Jail and find that the heat can be cut off from one half of the building without much expense. We recommend that the change be made owing to the scarcity of fuel.

2. We also find a prisoner there whom we believe should be in a hospital for weak-minded persons. We also understand that he belongs to another County.

3. We also recommend that fuel required for the County Buildings should be bought in the early part of the season in car lots.

4. We also recommend that the Chairman of the County Property Committee be entrusted with making the required changes in the Jail regarding the heating and also with the purchase of the fuel.

All of which is respectfully submitted.

GEO. A. BULL, Chairman.

Adopted.

D. H. McCAUGHERTY, Warden.

REPORT OF EQUALIZATION COMMITTEE

To the Warden and Council of the County of Peel.

Gentlemen :—

Your Committee have :—

1. Examined the several abstracts from the assessors' rolls of the several Municipalities, and so far as we could ascertain they were correct.

2. Your Committee have equalized the assessment of the Municipalities as shown on the annexed, and herewith beg leave to introduce a by-law to confirm the same.

The equalization upon the following percentage basis, viz.:

Albion, 1.06 ; Caledon, 1.06 ; Chinguacousy, 1.05 ; Toronto Township, 1.07 ; Toronto Gore, 1.15 ; Brampton, .75. Bolton, .62 ; Port Credit, .60 ; Streetsville, .62.

All of which is respectfully submitted.

ROBT. McCULLOUGH, Chairman.

FIRST REPORT OF FINANCE COMMITTEE

January 24th, 1918.

To the Warden and Council of the County of Peel.

Gentlemen,—Your Committee on Finance beg leave to submit their First Report.

1. We have had before us the Treasurer's Statement of the Patriotic Fund in detail, and also a summary of the same, showing the receipts and expenditure under the different headings, which gives the information asked for in a very simple and concise manner. We therefore submit the same for your inspection. Your Committee would recommend that the Canadian Patriotic Association be granted the sum of $48,000 for the current year and would ask the Council to regulate the payment of the said grant.

2. We have also had the Treasurer's Statement of the Children's Aid Society, giving the receipts and expenditures in detail, and which has been fully and satisfactorily explained to the committee by your Treasurer, and in connection with this account we would recommend a grant from this county to the Children's Aid Society of $300 for the current year.

3. We have a communication from the Sick Children's Hospital asking for a grant. We recommend that the usual grant of $30 be made.

4. We had a communication from the National Sanitarium, asking aid. We refer this to the whole council. In committee of the whole the Council took no action in this.

5. We recommend the payment to Miss Florence Crawford of $5.00 for typewriting the Good Roads report and Good Roads repair to the Government.

6. Pursuant to the Treasurer's Report we recommend that a By-law be introduced to authorize the Warden and Treasurer to borrow money for the current expenses of the current year.

7. We have received tenders for beef for the County jail and recommend that the tender of W. A. Nelson be accepted at 18 cents per pound.

8. We have also received tenders for bread and recommend that the tender of A. L. Marshall be accepted at 7 cents per pound.

9. The Treasurer has placed before your Committee a letter

from the Department of Militia and Defence, on which he asks for some instructions. In Committee of the Whole the following was added:

That a Committee of Mr. Worthy, Mr. Bull and Mr. Jackson be a committee to assist Mr. Crawford in the distribution of the insurance on soldiers' lives of the County, with power to adjust the claims.

10. Owing to the immense volume of business to be done, including patriotic accounts and high cost of living, we recommend that the Treasurer's salary be increased 20 per cent.

All of which is respectfully submitted.

E. A. WALSHAW, Chairman.

Adopted.
D. H. McCAUGHERTY, Warden.

Brampton, January 25th, 1918.

To the Warden and Council of the County of Peel.

Gentlemen :—

Your Committee on Education beg leave to present their First Report on Education, as follows :—

1. We have a claim from the Georgetown High School for the cost of the education of pupils resident in the County of Peel amounting to $756.70. We recommend the payment of this claim.

2. We recommend that the claim of the Brampton High School, amounting to $3462.57, for Maintenance of County pupils, be paid.

3. We recommend that the request of the Provincial Trustee Association that we appoint two delegates to their convention in Toronto be granted and that we appoint the delegates.

4. We recommend that the Inspector's Certificate be accepted.

5. We recommend that Dr. Roberts be re-appointed Trustee for Brampton High School for the next three years, and that William Couse be re-appointed Trustee for Streetsville High School for the same period.

6. We recommend that the P. S. Inspector's Report be incorporated in the minutes of this Council, and that a copy be furnished to each newspaper in the County.

7. We recommend that this Council make a grant of $4,000 to Brampton High School for equipment, the money so voted to be withheld until the building is ready for equipment.

All of which is respectfully submitted.

R. P. WORTHY, Chairman.
Adopted.
D. H. McCAUGHERTY, Warden.

FIRST REPORT OF ROAD AND BRIDGE COMMITTEE

Brampton, 25th January, 1918.

To the Warden and Council of the County of Peel.
Gentlemen :—

Your Standing Committee on Roads and Bridges beg leave to submit the following report :—

1. We recommend the payment of the following accounts :—

Richard Powley, repairs to bridge on boundary line between Albion and Simcoe County, Simcoe County to pay one-half ....$	8 50
Robt. Speers, repairing approaches to bridge on boundary line between Caledon and Mono, the County of Dufferin to pay one-half	27 20
Wm. Morrison, building bridge on 6th line between Chinguacousy and the Gore	35 00
C. R. Wheelock, one-half cost of county map	87 80

Your Committee would further recommend that the Commissioners make their report on all roads and bridges to your Committee on or before the March Session.

All of which is respectfully submitted.

W. D. BOWLES, Chairman.

D. H. McCAUGHERTY, Warden.

Brampton, Ont., June 11th, 1918.

To the Warden and Council,
County of Peel.

Gentlemen:—

You will find attached the estimates for the year 1918. I have cut out two by-laws that we used last year for patriotic purposes. The first one was Number 477, which raised $26,345.00 for the Canadian Patriotic Association, and the second is No. 493, to pay premiums on the soldiers insured by Peel County. I have a balance to the credit of the Patriotic Account at this date of $1071.06, which is sufficient to pay all premiums to December 1st, 1918. I have also a balance to the credit of the General Account, $1000.00, after paying all debentures and coupons maturing this year. I have also a balance to the credit of the Canadian Temperance Act Account this date of $280.00. I have received the Government estimates for the current year, which are $732.39 to May 1st, 1919. We shall therefore require only $500.00 for this account. I have totalled the debenture accounts, which will remain the same for the next ten years, and I find them as follows:—

Good Roads Debentures	$ 22723 96
Patriotic Debentures	6633 39
	$ 29357 35

FIRST REPORT OF GOOD ROADS COMMITTEE

Council Chamber, Brampton, January 25th, 1918.

To the Warden and Council of the County of Peel.

Gentlemen:—

Your Committee on Good Roads beg leave to report as follows.

1. With respect to the communication from the Ontario Good Roads Association, we recommend that the membership fee of $15 be forwarded and that the Good Roads Committee be delegated to attend the annual convention in Toronto.

2. We recommend that no action be taken in the communication from Prince Edward County.

3. With reference to the communication from the Clerk of

Toronto Township re engineer's award in the matter of the Watson ditch under the Ditches and Watercourse Act, we would recommend that the matter be referred to the Warden of this County.

4. With reference to the Cedar Mills Subway on the 7th line in Albion, the matter of which we asked the Township to take up with the Board of Railway Commissioners, and the Board having approved of an agreement submitted to the Council of Albion by the C. P. Railway, whereby the C. P. Railway Company agrees to build a new subway at the point asked by the Township, which will enable the county road to be built in accordance with the regulations of the Department, the Railway agrees to build the subway and pay one-half of the total cost, not to exceed $7,000.00 We would recommend that the Council approve of this agreement.

5. With reference to the report of C. R. Wheelock re expenditure of County roads money, we desire to refer to the consideration of the whole County.

6. With reference to the committee appointed to wait upon the Minister of Public Works re frontage tax and County roads, we would recommend to the consideration of the whole Council.

7. We would recommend the payment of half cost of bill prepared by C. R. Wheelock, showing all roads, bridges and culverts upon the County Roads System.

All of which is respectfully submitted.

DAVID WILSON, Chairman.

March 28th, 1918.

To the Warden and County Council.

Gentlemen:—

Your Committee on Miscellaneous matters beg leave to report as follows:

1. We have a communication from the County Council of Kent in reference to sheep being worried by dogs.

Your Committee are of the opinion that legislation has been enacted dealing with this question, and if we are correct, no further action is necessary.

2. We have also a communication from the County of Wentworth in opposition to the daylight saving legislation. We beg to refer this matter to the whole Council.

3. We have also a communication from the County of Welland in reference to Statute Labor Act, asking the Counties to co-operate in having the act amended, so that townships would have the same privileges as towns and villages of levying and collecting same.

Your Committee are of the opinion that the necessary negislation has been enacted dealing with this question.

4. In reference to the communication from the County of York re the fuel situation and the necessity of taking action to develop the peat industry, we would recommend this matter to the whole County.

5. Re the communication from the County of Huron, in reference to the excessive cost of keeping up gaols and the small service rendered by it in recent years, we would recommend that this matter be taken into consideration by the Council as a whole.

All of which is respectfully submitted.

R. M. PARKINSON, Chairman.

(Adopted) D. H. McCAUGHERTY, Warden.

REPORT OF ROADS AND BRIDGES COMMITTEE

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Standing Committee on Roads and Bridges beg to submit the following report:—

Your Committee, accompanied by the County Engineer, have inspected the following boundary line bridges, upon the request of the Reeves of the adjoining Townships, namely, the 20 foot span on the boundary line between Chinguacousy and Toronto Schedule No. 99; the three-foot span at Coleraine Schedule No. 17, and the 20 ft. span on the Glasgow Road Schedule No. 115, and we would make the following recommendations.

1. That Bridge No. 99 be repaired by raising the east end of the middle stringers to the proper level, putting new stringers where required, planks in the floor where required, and a new hand rail on the north side of the bridge.

2. That the Reeve of Toronto Gore be authorized to meet the representatives from Vaughan and to have the Culvert No. 17 repaired.

3. That this Committee be authorized to let the contract and have a new reinforced concrete bridge constructed on the Glasgow Road, in accordance with the plans prepared therefor by Wheelock & Christie, Civil Engineers, to replace the present wood Bridge No. 115 on schedule, which is in a dangerous condition.

4. Your Committee recommend that the County Treasurer be authorized to receive the sum of $30.72 as payment for old timber from Caslor's Bridge.

5. Respecting the bridges to be built over the Etobicoke and Port Credit Rivers by the Toronto and Hamilton Commission, your Committee, as authorized, attended the meeting of the Ontario Railway and Municipal Board, held to determine the proposition of the cost of these structures, for which the County of Peel would be liable.

The hearing has been adjourned from time to time, and in all has been before the Board six times, but as yet we have not been notified of their decision.

6. The contract was let last year to build one new abutment, and the superstructure of Sargent's Bridge, No. 103 on schedule. Owing to labor conditions the work was not done last year, but the material is now on the ground, and we expect the contractor will immediately proceed with the work.

Your Committee recommend payment of the following:

Wesley Kee, Peel's share for filling over culvert, Dufferin and Peel Schedule No. 40	$ 10 50
D. H. McCaugherty, re Toronto and Hamilton Bridge,6 dys.	30 00
W. D. Bowles, re Toronto and Hamilton Bridge, 2 days	10 00

Jos. Julian, inspecting bridge, 2 days	6 00
E. A. Walshaw, inspecting bridge, 3 days	9 00
C. R. Wheelock, inspecting bridge, 1 day	8 00
D. Wilson, inspecting bridge, 1 day	3 00

7. To John Stokes, repairs to bridge 64, between Halton and Peel, $8.60, Halton to pay half.

8. To repairs to Caslor's Bridge approaches, R. Bently, gravel, amount to be paid on certificate of the Warden.

All of which is respectfully submitted.

W. D. BOWLES, Chairman.

Adopted without amendment.

D. H. McCAUGHERTY.

A RESOLUTION RE CEDAR MILLS SUBWAY AND ROAD DIVERSION ON CONCESSION SEVEN IN THE TOWNSHIP OF ALBION

Whereas the highway between Concessions 6 and 7 of the said Township now passes under the tracks of the Canadian Pacific Railway Company through a subway known as the Cedar Mills Subway, which was constructed under the authority of an order of the Board of Railway Commissioners for Canada dated 24th July, 1906, and

Whereas on account of the location of the said subway and the grades on the approaches thereto, inconveniences and danger is caused to the public using the said highway, and

Whereas in order to improve the said highway and to bring it up to the standard required to obtain the good roads grant of the Ontario Government, it is necessary to divert it and carry it under the tracks of the Railway Company at a short distance from its original location.

And whereas the Municipal Council of the said Township of Albion being desirous of carrying out such diversion, the said Canadian Pacific Railway Company, at the request of the said Council, has offered to contribute one-half the cost of constructing the new subway, by which it is proposed to carry the said diverted highway under the tracks, such contribution being limited to $3750.00.

And whereas the said highway is a part of the Good Roads System of the County of Peel and is under the sole jurisdiction of the County Council of the County of Peel.

Now therefore be it resolved by the Municipal Council of the said County of Peel, and it is hereby resolved:

1. That the Council approve of the offer of the said Canadian Pacilic Railway Company above referred to.

2. That the Warden and Clerk be and they are hereby authorized to take such proceedings as may be necessary to close up the existing highway crossing the line of the said Railway Company at Cedar Mills Subway, and to divert the same to the new point of crossing here above referred to.

3. That proper plans be prepared and an application be made to the Board of Railway Commissioners for their approval of the said diversion, the same to be carried under the said line of railway by means of a subway, in accordance with detail plans to be approved by the said Board.

4. That the necessary by-law be prepared, authorizing the car-

rying out of the said work and providing for the payment of the balance of the cost thereof over and above the amount to be contributed by the said Railway Company, it being understood that the cost of the work, including the cost of the road diversion, over and above the amount contributed by the said Railway Company, is to be paid out of the Township of Albion's share of moneys raised or to be raised for the Good Roads System of the County of Peel.

Court House, Brampton, June 12th, 1918.

(Adopted) D. H. McCAUGHERTY, Warden.
D. KIRKWOOD, Clerk.

Corporation of the County of Peel.

Moved by David Wilson, seconded by E. A. Walshaw, whereas the County Council of the County of Peel has passed a resolution approving the construction of a new subway at what is known as the Cedar Mills Subway on Concession Seven in the Township of Albion, and has approved of the road to carry the said diverted highway under the tracks of the Canadian Pacific Railway Company.

And whereas it is deemed advisable to have attached to the said resolution the Corporate Seal of the County of Peel and the signature of the Clerk of the said County.

And whereas it is deemed expedient to amend Clause One of the said resolution by inserting the word "approve" instead of the word "accept" in Clause One of the said resolution.

Now therefore be it resolved by the Municipal Council of the said County of Peel, and it is hereby resolved.

1. That the Clerk be and he is hereby authorized to sign the said resolution as Clerk of the said County, and to attach the Corporate Seal of the said County thereto.

2. That in Clause One of the said resolution the word "approve" be inserted therein in lieu of the word "accept" in the said clause.

Adopted June 13th, 1918.

D. H. McCAUGHERTY, Warden.

THIRD REPORT OF FINANCE COMMITTEE

Council Chamber, November 21st, 1918.

To the Warden and Council of the County of Peel:
Gentlemen:—

Your Committee on Finance beg leave to submit their third report as follows:

1. We recommend that D. Kirkwood be paid the following amounts for stamps supplied:—

Robert Crawford	47 16

2. A statement showing the finances of the County was received from the Treasurer.

3. We recommend that the insurance on the lives of the soldiers be discontinued.

4. Re the communication from the Navy League asking for a grant. We recommend that a grant be made and leave the amount to the consideration of the Council. (In Council the sum of $3,000 was granted.)

5. We also recommend the payment of $4000.00 granted at the January session for equipment of Brampton high school, and that it be paid by the Treasurer the first week in January, 1919.

All of which is respectfully submitted.

E. A. WALSHAW, Chairman.
(Adopted) D. H. McCAUGHERTY, Warden.

REPORT OF PHYSICIAN TO HOUSE OF REFUGE

Gentlemen of the County Council.

Since my last report in June I have visited the House of Refuge thirty-six (36) times.

During this period one inmate died.

Thomas Campbell, aged 85, from kidney trouble and general debility.

The Influenza has not as yet visited the Home owing chiefly to the rigid isolation carried out by the Keeper and Matron.

There was the usual summer sickness this years as in other years.

I have the honor to be your obedient servant,

R. G. EDWARDS, M.D.

Brampton, November 21st, 1918.

(Adopted) D. H. McCAUGHERTY, Warden.

THIRD REPORT OF COMMITTEE ON COUNTY PROPERTY

To the Warden and Council of the County of Peel.

All of which is respectfully submitted.

O. R. CHURCH, Chairman.

(Adopted) D. H. McCAUGHERTY, Warden.

REPORT OF COMMITTEE ON MISCELLANEOUS MATTERS

To the Warden and Gentlemen of the County Council.
Gentlemen:—

Your Committee on Miscellaneous Matters beg leave to report as follows:

1. In reference to the resolution from the Council of the County of Frontenac on the abolition of titles in Canada. We recommend that action be taken by a Committee of the Whole Council adopting the resolution.

2. We recommend that relative to advertisement of Thos. Cusack & Co. re Coca-Cola signs that this letter be laid on the table.

All of which is respectfully submitted.

R. M. PARKINSON, Chairman.

(Adopted) D. H. McCAUGHERTY, Warden.

Brampton, November 21st, 1918.

THIRD REPORT OF GOOD ROADS COMMITTEE

Gentlemen:—

To the Warden and Council of the County of Peel.

Your Committee on Good Roads begs leave to report as follows:

1. We wish to present an agreement from the County of Dufferin re County Roads to be built by the Counties of Peel and Dufferin, and recommend that the Warden and Clerk sign the same.

2. We have received a communication from Waterloo County Council regarding Municipalities studying rigid economy, and notwithstanding it has always been the policy of this Committee, and we would recommend it to the consideration of the whole Council.

3. Re communication from W. A. McLean we recommend that it be referred to the whole Council for consideration.

4. Re communication from James Fraser regarding damages for Wm. Shore at Cedar Mills Subway, we recommend that no action be taken.

5. We recommend that in reference to the communication from the Council of the County of Peterboro re automobile licenses, that no action be taken.

6. Re claim of Dr. Reynar for damages to automobile, we recommend that no action be taken.

7. We recommend that in reference to communication from W. J. Limebeer re expenses to Toronto, that he receive the sum of $5.00 for attending Good Roads meeting.

8. In view of the fact that a large number of ratepayers are repeatedly requesting this Council to improve and keep in better repair the highways under the County system and are willing to pay a frontage tax or to be assessed for that purpose, we recommend that this Council memorialize the Ontario Government at their next session of Parliament to pass such legislation that would empower a levy to be made on ratepayers for this purpose, and to advise the Government that a deputation of this Council would wait upon the Government at their next session if advisable to do so for the purpose of bringing this matter before the Legislature, and that a copy of this memorial be sent to the different Counties of the Province.

All of which is respectfully submitted.

D. WILSON. Chairman.
(Adopted) D. H. McCAUGHERTY, Warden.

Treasurer's Office, November 19th, 1918.

To the Warden and Council of Peel County.

Gentlemen:—

The following is a statement of the Finances of Peel County at this date. Your Warden and Treasurer have borrowed from the Merchants Bank $35,000.00 to meet current expenditure and to pay back all loans from Good Roads Account. The refunds have all been made and I have a balance to the credit of the General Account at this date of $4800.00. I have a balance to the credit of Good Roads Account of $2000.00. This balance belongs to Albion, Caledon and the Gore. Chinguacousy and Toronto Township have overdrawn their accounts about $3500.00. The ten thousand collected this December for repairs will all be used before the end of the year. The Patriotic Account has a balance at this date of $300.00 and a liability for a death claim of $300.00, leaving no balance. The $24,000.00 borrowed from the Bank in June to pay to the Patriotic Association falls due on November 25th. This note will have to be renewed for 20 days until taxes come in. We will then have sufficient to pay the note and the other $24,000.00.

The House of Refuge has no balance at this date and will require about $1600.00 to pay the coal account and salaries before the end of the year. This will make a total expenditure for the year of $6750.00 to be paid by Peel and Halton out of the taxes exclusive of all receipts for board, stock and produce sold.

In the Canada Temperance Act account I have a balance of $250.00, which will be sufficient for this year.

Yours truly,

ROBERT CRAWFORD, County Treasurer.

REPORT OF THE DEPARTMENT OF AGRICULTURE

Brampton, Nov. 21, 1918.

To the Warden and Council of the County of Peel.

Gentlemen :—

I have the honor to present herewith a summary report of the work of the Peel Branch of the Department of Agriculture for the year 1918. Since the general activities of the office are familiar to you, I shall report here only a few of the special features.

The Annual Short Courses in Agriculture and Home Economics were held this year at Ebenezer in Toronto Gore. Thirty young men and forty women and girls attended regularly throughout the session. We believe the classes were successful in every way and the splendid attendance was largely due to the hearty support and persistent efforts of the people of the township.

Six Rural School Fairs were held in the county this year and in spite of the busy season and the wet weather at the time the fairs were on, the interest and attendance showed an increase over previous years. The following figures will give an idea of the extent of the work.

287 Settings of pure bred eggs were distributed to the pupils.

1388 Pupils received seeds and grew home plots.

2692 Entries were made in all classes at the School Fairs.
2875 Persons attended the School Fairs.

A Home Garden contest is conducted in the county each year for pupils who have left school. The seeds are supplied free and each pupil grows a farmer's vegetable garden according to directions. This year 26 boys and girls took part and their gardens were inspected and prizes awarded. This contest is held in different townships each year and is an effective means of giving instructions in vegetable growing.

Farm help was very scarce again this year and we made every effort to supply the need. Altogether 441 persons were placed on farms in the county, although even that number did not in any way equal the demand. We made use of the registration cards in trying to secure help and although 1,000 said they would help with the harvest only a few dozen actually went out.

Backyard gardening was encouraged last spring and the Town of Brampton made a specially good showing. The town flats were again used for gardens and every householder in the town seemed to have a good vegetable garden somewhere. By co-operating with the Public School Board we had several hundred packages of seeds and plants distributed to the pupils and a large plot in the school flats was ploughed up and turned over for gardening by the pupils, under the careful supervision of an expert gardener. In order to further encourage the pupils, we arranged with the School Board for an "Agricultural Review," and the Hon. Mr. Henry, Minister of Agriculture, and Hon. Dr. Cody, Minister of Education, visited the schools and inspected the gardens.

Boys' and Girls' Clubs were organized in Peel this year and included a Pig Club, Dairy Calf Club and Sheep Club. This is the first work of this kind to be undertaken in the Province and has been most successful. Briefly, the plan was to supply choice pure bred or high grade stock to the boys and girls on their note, endorsed by parent and bearing interest at 6 per cent. The number of animals distributed in this way is as follows:

Pigs—9 pure bred Yorkshire.

Calves—58, 3 dairy breeds, 21 animals pure bred.

Sheep—28 pure bred Oxfords.

We hope to greatly extend these Boys' and Girls' Clubs in future, and already plans are under way for a Shorthorn Club and a Potato Club.

Through the Peel County Milk and Cream Producers' Association, of which I am secretary, we carried out during the year extensive tests to see whether milk and cream shippers were receiving all that was due them from the dealers. Our findings were laid before the Government by the Executive of the Association and a few days ago I was assured by the Minister of Agriculture that suitable legislation would be enacted at the next session to protect the shipper in every way.

Office work must of necessity take a considerable amount of time and I thought it would be interesting to give some figures regarding this phase of our work. During the past year there were approximately :—

3000 Letters written.

8000 Circular letters sent out.

3500 Callers at the office.

33 Meetings held in the office.

6000 Bulletins and reports distributed.

57 Meetings addressed in the county.

4500 People attended these meetings.

Live Stock Improvement is a question that has been receiving careful attention during the past few months, and it is my intention to do everything possible in 1919 and in succeeding years to make Peel a noted county for the best live stock. By concentrating on fewer breeds, by encouraging careful selection of breeding stock, by eliminating the scrub sire and importing the best pure bred animals for improving the farmers' stock, we shall be able to accomplish this end.

Home Demonstration Work

Six months ago Miss K. McIntosh, a graduate of Macdonald Institute, Guelph, began her duties in the county as Home Demonstrator. Peel is the first county in Canada to have such an appointment, and the first half year has abundantly proven the value of this work. Food Preservation was a matter deserving of careful attention on account of the food shortage, and during the summer canning demonstrations were held throughout the county and were attended by 2000 women and girls. A canning competition between five teams of four girls each, selected from the Junior Institutes in the County, was held at the Brampton Fall Fair. This is new work in Canada and proved interesting and useful to the girls themselves and was an attraction on the day of the Fair. Prize medals were given and in addition the winning team, Streetsville, received a free trip to Ottawa and Caledon, the second prize team had a trip to London.

As Secretary to the Peel Women's Institute Miss McIntosh has addressed meetings, helped plan work and has given help in food conservation, use of substitutes, etc. By co-operating with the Branch Red Cross Societies in the County she has been able to help direct their efforts in supplying comforts of various kinds to our boys overseas. A knitting machine was loaned to some of the branches, with the result that the sock output was materially increased.

During the year we completed the Medical Inspection of all the schools in the county, including 2,100 pupils. This was followed up by three clinics at Alton, Port Credit and Streetsville, where 120 children were operated on. A Dental Clinic has also been arranged for and will be held shortly. These clinics, which were managed by the local Women's Institutes, have been exceedingly popular, and in no case has there been a death or even temporary illness as a result of the operation. In order to find out exactly the benefit derived from medical inspection, we took a complete census, giving the following results:

551 Pupils received definite treatment.

35 School buildings were improved.

This was the direct result of the inspection and follow-up work, and nothing has ever been undertaken through this office that has been more popular. In one township (Toronto Gore), we have had a school nurse at work, and she visits the schools, giving the pupils instruction in matters relating to health, and visits the home of each pupil. This work has been given a splendid reception by the people in that township and we have received numerous requests from other school sections to include them also. We have arranged to supply Hutax tooth brushes to all the pupils in the county at ten cents each.

In co-operation with the Inspector we have introduced the teaching of Household Science in six schools near Brampton. Miss McIntosh visited each school four times, teaching lessons in sewing, food values and house planning. Teachers, trustees, pupils and parents alike have encouraged us in this work and have asked to have it continued.

A Baby Week was put on in Brampton in June under the joint auspices of the Department of Agriculture, Women's Institute, Red Cross Society, Girls' Club, the local doctors and the Provincial Board of Health. 174 babies were examined at the free week baby clinic and was one of the most popular events in the history of the town.

A Short Course in Food Values and Cooking was held in Alton in March under the auspices of the Junior Institute, and plans have been made for four two week courses to be held during the coming winter in different Women's Institute centres. The Short Course in Home Economics to be held at Palgrave at the same time as the Agriculture Course will last for four weeks this year, instead of only two as formerly, and will include in addition to Food Values and Cooking, instruction in sewing, laundry, home nursing, house planning, etc.

Public Health

Both the Medical School Inspection and the physical examination of men for the army have revealed to me a very great need for some steps to be taken to improve the health of the people in the country, and for some time I have been endeavoring to have the matter of health receive more attention. I am very pleased indeed to be able to announce to you to-day that my efforts in this regard have met with success, and I am authorized by the Minister of Agriculture to tell you that a qualified nurse will be appointed to begin at once in the county working under our direction through the Women's Institutes and in various other ways. I may say that Peel has the honor of being the first county in Ontario to have a nurse appointed for this work.

In conclusion I desire to express to you my warmest appreciation of the hearty support you have always given us in our varied undertakings in the Department of Agriculture, and I assure you that it is a source of great encouragement to us to know that we have at all times your sympathy and kindly co-operation in our efforts to be of service to the people in the County of Peel.

Yours respectfully,

J. W. STARK,

Agricultural Representative.

SECOND REPORT OF COMMITTEE ON AGRICULTURE

November 22, 1918.

To the Warden and Council of the County of Peel.

1. Re request of the Secretary, E. Gregory, of Brampton and County of Peel Poultry Association, that we recommend that the usual grant of $25 be given.

2. In regard to the report of our District Representative, already presented to Council, a copy of which is enclosed in this report, we recommend highly the work done by the representative. Several new phases of work have been introduced which commend themselves not only to Peel County, but we believe will be imitated by other counties as well. Among these we note especially the formation of Hog, Calf and Sheep Clubs. We believe plans have already been made to form a Shorthorn Club. These different clubs are calculated to improve the stock of the different kinds in which each township is specially interested. Also efforts to obtain legislation for the protection of milk and cream shippers. We wish to mention also the work in connection with the medical inspection of schools, which we believe will result in great benefit.

3. In regard to the request of the District Representative made to your committee for an addition to his salary, your Committee have investigated this matter and find that his salary for the present year paid by the Department, amounted to the sum of $1541.00. The annual sum of $500 paid by the County is spent in office equipment, grants to school fairs and for the carrying on of short courses, etc., within the county. All other expenses are met by the Department. We recommend that this matter be left to the consideration of the whole Council.

All of which is respectfully submitted.

S. KANNAWIN, Chairman.

Adopted.

D. H. McCAUGHERTY, Warden.

REPORT OF COMMITTEE ON ROADS AND BRIDGES

To the Warden and Council, County of Peel.
Gentlemen :—

Your Standing Committee on Roads and Bridges, after having carefully considered the various matters laid before them, beg to submit the following report :—

1. The reinforced concrete bridge on the town line between Chinguacousy and Toronto Gore, near Tullamore, has been completed. the total cost being $1300.00. $500.00 has already been paid to the contractors, Messrs. Southcote Bros., leaving a balance of $800, which we recommend to be paid. We also recommend the payment of $30.00 to Harvey Carberry, provided he accepts this amount in full for the temporary roadway and bridge on his property.

2. The work has been commenced on a cement concrete bridge on the Glasgow Road between the Village of Bolton and the Township of Albion, the abutments have been completed and the floor is at present under construction.

3. Respecting the bills laid before your Committee in connection with the bridges on the Toronto-Hamilton Highway, we would agree to the payments already made to the Commission in connection with this matter, but would recommend that all further payments be made in accordance with the order of the Railway Board, and that the Clerk write to the said Board for a copy of such order.

BY-LAWS

BY-LAW NO. 505

A By-law Authorizing the Borrowing of Money for County Purposes

Whereas it is expedient to raise by way of loan the sum of forty thousand dollars ($40,000.00) required to meet the current expenditure of the Corporation of the County of Peel;

Be it resolved, therefore, and the Council of the County of Peel enacts as follows:

1. That it shall and may be lawful for the Warden and Treassurer of the County of Peel, and they are hereby authorized and empowered to borrow from the Merchants Bank of Canada, or any chartered bank, at the office of such bank in the Town of Brampton a sum not exceeding the sum of forty thousand dollars ($40,000.00) for the purpose aforesaid.

2. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada, or such other bank at Brampton, the promissory note or notes of the said Warden and Treasurer, payable at the office of the said bank in Brampton on or before the 31st of December, A.D. 1918, with interest thereon at the best obtainable rate per annum, and to execute renewals thereof in whole or in part until such advances are fully repaid.

Done and passed at Brampton this 24th day of January, A.D. 1918.

D. KIRKWOOD, Clerk.

D. H. McCAUGHERTY, Warden.

BY-LAW NO. 506

A By-law Authorizing the Registrar of Deeds of the County of Peel to Close his Office at one o'clock on Saturday Afternoon.

Whereas in and by Section 18 of Chapter 124 of the Revised Statutes of Ontario, 1914, it is enacted that the Registrar of Deeds or his deputy shall attend at his office from the hour of ten o'clock in the forenoon until four o'clock in the afternoon every day in the year, holidays and Sundays excepted.

And whereas under and by virtue of Section 25 of Chapter 27 of the Statutes of Ontario, 7 George V., the Council of any County may by by-law authorize the closing on Saturday of any Registry office within the County at one o'clock in the afternoon, and while such by-law is in force no instrument shall be received for registration in the said Registry Office after the said hour of one o'clock on Saturday afternoon.

And whereas it has been deemed expedient by this Council that the Registrar of Deeds in and for the County of Peel be authorized to close his said office at one o'clock on each Saturday afternoon.

Therefore the Municipal Council of the County of Peel enacts as follows:

1. That the Registrar of Deeds in and for the County of Peel and in his absence his deputy, be and they are hereby authorized and empowered to close the Registry Office in and for the County of Peel at one o'clock in the afternoon on each and every Saturday, and that the said office is to remain closed during the remainder of the said day.

2. That while this by-laws remains in force, no instrument shall be received on Saturday for registration in the said Registry Office after the said hour of one o'clock in the afternoon, and the Registrar shall post up in a conspicuous place in his said Registry Office a copy of this by-law.

3. This by-law shall come into force and effect from and after the date of the passing thereof.

Passed in open Council this 24th day of January, A.D. 1918.

D. KIRKWOOD, Clerk.

D. H. McCAUGHERTY, Warden.

BY-LAW NO. 507

A By-law Authorizing the Borrowing of Money to the extent of $48,000.00 to aid the Canadian Patriotic Fund.

Whereas under and by virtue of the provisions of Chapter 37, 5 George V., Statutes of Ontario, as amended by the Statutes of Ontario, 6 George V., Chapter 40, and 7 George V., Chapter 41, any Municipal Corporation may pass by-laws for granting aid to the Canadian Patriotic Fund established by Act of the Dominion Parliament passed in the fifth year of the reign of His Majesty King George the Fifth, Chapter 8.

And whereas the Peel County War Auxiliary, an organization of the County of Peel, has requested the County Council of Peel to grant to the said Patriotic Fund the sum of $48,000.00 for the general purposes of the said Canadian Patriotic Fund.

And whereas the Peel County War Auxiliary has been admitted and recognized as a duly constituted branch of the said Patriotic Fund.

And whereas in the opinion of this Council it is desirable that the said grant should be made, and the payment thereof made to the said Canadian Patriotic Fund in two payments of $24,000.00 each in the months of June and December next.

Therefore be it resolved and the County Council of Peel enacts as follows :

1. That it shall be lawful for the Warden and Treasurer of the County of Peel, and they are hereby authorized and empowered to borrow from any chartered bank in the Town of Brampton a sum not exceeding $48,000.00 for the purpose aforesaid.

2. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute as representing such advances, under the Corporate Seal of the County of Peel, and to deliver to the manager of the said Bank at Brampton the promissory note or notes of the said Warden and Treasurer, payable at the office of the said bank in Brampton with interest thereon at the best obtainable rate per cent. per annum, and to execute renewals thereof in whole or in part until such advances are fully repaid.

3. The said sum is to be raised on promissory notes as aforesaid, payable within the current year.

4. During the currency of the said notes there shall be levied by special rate on all rateable property in the County of Peel the

sum required for the purpose of paying the amount due on the said notes or renewals thereof.

5. The said sum when raised as aforesaid shall be paid to the Treasurer of the Canadian Patriotic Fund at Ottawa in two payments of $24,000.00 each during the months of June and December in the present year.

6. That any portion of the said fund unused shall revert back to the said County.

7. This By-law shall come into force when the same is approved by the Lieutenant-in-Council, as provided by section 5 of Chapter 37, 5 George V., Ontario Statutes.

Passed at Brampton this 25th day of January, A.D. 1918.

D. KIRKWOOD, Clerk.

D. H. McCAUGHERTY, Warden.

BY-LAW. NO. 508

A By-law to Appoint a Commissioner pursuant to the Requirements of the Municipal Corporation of the County of Peel.

Whereas By-law 373 provides that each of the Counties of Peel and Halton shall appoint a Commissioner to jointly oversee the work of improvement or enlargement that may be necessary to be made to the House of Refuge of the Counties of Peel and Halton.

Therefore the Corporation of the County of Peel enacts as follows:

1. That George A. Bull be and he is hereby appointed Commissioner under said By-law No. 373 to act with the Commissioner appointed by the County of Halton for the purpose of performing the duties required by the said By-law No. 373, and any other duties pertaining to the said House of Refuge that may be required of him.

2. That all by-laws inconsistent with the provisions of this By-law be and they are repealed.

Passed in open Council this 25th day of January, A.D. 1918.

D. KIRKWOOD, Clerk.

D. H. McCAUGHERTY, Warden.

BY-LAW NO. 509

A By-law Appointing a Board of Audit for 1918

Whereas Revised Statutes of Ontario, Cap. 96, provide for the appointing of a Board of Audit to audit certain accounts and demands delivered to the Clerk of the Peace of the County of Peel.

Therefore the Municipal Corporation of the County of Peel enacts:

1. That a Board of Audit for the purpose of auditing accounts and demands that shall during 1918 be delivered to the Clerk of the Peace of the County of Peel, pursuant to the provisions of Revised Statutes of Ontario, Chapter 96, be and the same is hereby appointed.

2. That Benjamin F. Justin, Esq., Judge of the County Court of the County of Peel, shall be a member of such Board of Audit.

3. That John H. Moffatt be and he is hereby appointed a member of such Board of Audit.

4. That O.R. Church be and he is hereby appointed a member of such Board of Audit.

5. That such Board shall make a report in writing as required by Sub-section 2 of Section 23 of said Act.

6. That each member of the Board of Audit be paid the sum of $4.00 for each day of such audit, together with ten cents per mile necessarily travelled to attend such audit, and the Treasurer of the County of Peel be and is hereby authorized to pay the same.

Passed in open Council this 24th day of January, A.D. 1918.

D. KIRKWOOD, Clerk.

D. H. McCAUGHERTY, Warden.

BY-LAW NO. 510

A By-law to Equalize for County Purposes the Assessment of the Several Municipalities within the County of Peel for the Year 1918.

Whereas under the provisions of the Revised Assessment Act of the Province of Ontario, every County Council is required to equalize by by-law the assessment of the several municipalities of the County in order to produce a just relation between them as a basis for County Assessment.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

That the equalized assessment of the several municipalities of the County of Peel for the present year be as in the following schedule embodied herein:

Name of Municipality	Equalized Assessment
Albion	$1,615,000
Caledon	2,012,000
Chinguacousy	4,262,000
Toronto Township	4,257,000
Toronto Gore	942,000
Brampton	1,722,000
Bolton	148,000
Port Credit	420,000
Streetsville	189,000
	$15,567,000

Passed this 25th day of January, A.D. 1918.

D. KIRKWOOD, Clerk.

D. H. McCAUGHERTY, Warden.

BY-LAW NO. 511

A By-law to Assess the Rateable Property in the County of Peel for Maintenance and Repair of Public Highways designated and assumed by the Corporation of the County of Peel by By-law No. 341, and amending By-laws.

Whereas it is the duty of the Municipal Corporation of the County of Peel to maintain and keep in repair all highways designated and assumed by the Corporation by By-law No. 341 and amending By-laws.

Therefore the Corporation of the County of Peel by the Council thereof enacts as follows:

1. There shall be raised, levied and collected from all persons rated on the assessment rolls of the several Municipalities of the County of Peel liable to be assessed in the current year the sum of $10,000.00 for maintenance and repair of highways that have already been designated, assumed, or to be assumed and improved by the said Corporation under By-law No. 341 and amending By-laws.

2. That the said sum shall be raised, levied and collected from all persons rated on the assessment rolls of the several Municipalities of the County of Peel liable to be assessed in proportion to the equalized assessment of the several Municipalities of the County of Peel.

3. The whole of said sum of $10,000.00 shall be raised, levied and collected and paid to the Treasurer of the County of Peel on or before the 14th day of December next.

4. The said moneys shall be expended under the direction of the duly appointed County Road Superintendent.

5. All work on which the said moneys shall be expended shall be performed in accordance with the last revised regulations respecting highways issued by the Department of Public Highways of Ontario.

6. The Clerk shall transmit two certified copies of this By-law to the Deputy Minister Department of Public Highways of Ontario within thirty days after the passing thereof.

Passed this 28th day of March, A.D. 1918.

D. KIRKWOOD, Clerk.
D. H. McCAUGHERTY, Warden.

BY-LAW NO. 512

To repeal By-law No. 394 of the Corporation of the County of Peel

and to define the Duties and fix the Salary of the Caretaker of the Courthouse of the County of Peel.

Therefore the Council of the Corporation of the County of Peel enacts as follows:

1. That By-law No. 394 be and the same is hereby repealed.

2. That John Phillips be continued as Caretaker, and that his salary be fixed at $650.00 yearly, payable in four equal quarterly payments.

3. That he shall exercise supervision over all the lawns, grounds, trees, etc., connected with the Court House, keeping all these clean and in good order, cutting the grass when and where necessary, keep the sidewalks clean of snow and ice in a reasonable manner.

4. That all by-laws reports, and resolutions inconsistent with the provisions of this by-law be and the same are hereby repealed.

5. This by-law shall come in force on and after the first day of April, 1918.

Passed this 28th day of March, 1918.

D. KIRKWOOD, Clerk.
D. H. McCAUGHERTY, Warden.

BY-LAW NO. 513

A By-law to Amend By-law No. 341

Whereas the Municipal Corporation of the County of Peel did by By-law No. 341, passed on the 20th day of June, 1906, designate and assume certain leading roads in the County of Peel as County Roads.

And whereas the said by-law has been amended by adding other roads in the said County as County roads as has been particularly set out in by-laws passed by the said Municipal Corporation for that purpose.

And whereas the Municipal Council of the County of Peel deem it expedient that the said by-law should be further amended and that the roads designated as County roads in Section 3 of the said By-law No. 341 should be amended as hereinafter particularly set forth.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

That Section 3 of By-law No. 341 of the Municipal Corporation of the County of Peel be and the same is hereby amended by adding to the system of County roads in the Township of Caledon in the County of Peel the following:

1. The road between lots Nos. 15 and 16 from the end of the present County road between the 3rd and 4th Concessions, W.H.S., to the boundary line road between the Townships of Caledon and Erin.

2. The town line road between Caledon and Mono from the northeasterly angle of the Township of Caledon to Hurontario St.

3. The town line road between Caledon and East Garafraxa, from the most westerly angle of the Township of Caledon to the centre of the 2nd W.H.S.

This by-law to take effect from and after the assent of the Lt.-Governor-in-Council.

Passed this 28th day of March, 1918.

D. KIRKWOOD, Clerk.

D. H. McCAUGHERTY, Warden.

BY-LAW NO. 514

Being a By-law to Assess the Rateable Property of the County of Peel for the year 1918.

Whereas it is necessary to provide by a general assessment on the rateable property of the County of Peel for the year 1918 for the payment of the general and incidental expenses of the County and for the payment of a portion of the salary of the Inspector of Public Schools.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

1. That there be raised, levied and collected from all persons rated on the assessment rolls of the several Municipalities of the County of Peel liable to be assessed in the current year the sum of thirty-five thousand dollars ($35,000.00) for the payment of the salaries of County officials, a portion of the expense of the administration of criminal justice, allowance to County Councillors, and other necessary and incidental expenses of the current year.

2. The sum of $886.78, being an equivalent to the special Government grant to the Public and Separate Schools of the County by an equal rate upon the taxable property of the whole County according to the equalized assessment of the whole County.

3. The sum of five thousand seven hundred and eighty-three dollars ($5783.00) under By-law No. 351 of the said Corporation, authorizing the issue of debentures to the amount of one hundred thousand dollars for the improvement of highways assumed by the County.

BY-LAW NO. 515

To Ratify an Agreement Bearing date the 20th Day of September, A. D. 1918, between the Counties of Dufferin and Peel.

Whereas the Warden and Clerk of the Corporation of the County of Peel executed the annexed agreement bearing date the 20th day of September, A.D. 1918, on behalf of the Corporation of the County of Peel, and the Clerk of said Corporation affixed the Corporate Seal of the Corporation of the County of Peel thereto.

And Whereas in and by the said Agreement it is provided that the said Agreement is made subject to ratification by By-law to be passed by the Council of each of the said Counties at the next ensuing session of such Councils respectively.

And Whereas it is expedient to ratify and confirm the said Agreement and to make the same operative and binding upon the Corporation of the County of Peel.

Be it therefore enacted by the Municipal Council of the Corporation of the County of Peel :—

1. That the execution of the said Agreement by the Warden and Clerk of the Corporation of the County of Peel on behalf of the Corporation of the County of Peel and the affixing of the Corporate Seal of the Corporation of the County of Peel thereto is hereby ratified and confirmed.

2. That the said Agreement hereto annexed is operative and binding upon the Corporation of the County of Peel and all the provisions thereof are in full force and effect.

Passed in Open Council this 23rd day of November, A.D. 1918.

D. H. McCAUGHERTY, Warden.

ROBERT CRAWFORD, Clerk.

AGREEMENT made this 20th day of September, A.D. 1918.

BETWEEN the Corporation of the County of Dufferin of the
First Part,

And—

The Corporation of the County of Peel of the Second Part.

WHEREAS by By-law No. 495, passed the 11th day of April, 1918, the Council of the Corporation of the County of Dufferin designated and assumed as County Roads to be improved and maintained under the provisions of the Highway Improvement Act and amendments thereto certain portions of the boundary lines between the said Counties of Dufferin and Peel, described in the said By-law as follows :—

1. The boundary line road between the Townships of Mono and Caledon and Mono and East Garafraxa from the easterly boundary of Caledon at Mono Mills to Fourth Street in the Town of Orangeville.

2. The boundary line road between the Townships of East Garafraxa and Caledon from the most westerly angle of Caledon to Ann Street in the Town of Orangeville.

And Whereas the Council of the Corporation of the County of Peel have by By-law designated and assumed as County Roads to be improved and maintained under the provisions of the Highway Improvement Act and amendments thereto, the county boundary line road between the Townships of East Garafraxa and Caledon from the most westerly angle of the Township of Caledon to the westerly limit of the Corporation of the Town of Orangeville in the said Township of Caledon, and the county boundary line road between the Townships of Mono and Caledon from the easterly limit of Caledon at Mono Mills to Hurontario Street in the said Township of Caledon.

And Whereas a joint liability has been established in all matters pertaining to the said portions of the above described roads located on the boundary lines between the said Counties of Dufferin and Peel, it is deemed advisable that an agreement be entered into between the said Counties to apportion the road to be placed under the direct supervision and control of each County for the purpose of construction, maintenance and repair, and for accounting by the Road Superintendents in charge of the work to the Department of Public Highways the expenditure of each year, and to provide for an equal division of the total expenditure and contributions by the government.

It is therefore mutually agreed between the said Counties as follows:—

That the said portion of the road assumed located on the county boundary line between the Townships of Caledon and East Garafraxa shall be placed under the direct supervision and control of the County of Peel, and the said portion of the road assumed located on the boundary line between the said Townships of Mono and Caledon shall be placed under the direct supervision and control of the County of Dufferin.

That each County finance their respective portions of the said road and at the end of the financial year, or when the work for the year is completed, the respective Road Superintendents under whose supervision the work has been carried out shall prepare in duplicate a report of the work done and a detailed statement of the expenditure therein, together with a declaration by the Treasurer of his County that such statement is correct, and submit a copy of the same to each County. And the total expenditure and total contributions by the Government for the year in connection with the roads in question shall be divided equally between the two counties.

THIS AGREEMENT is made subject to ratification by By-law to be passed by the Council of each of the said Counties at the next ensuing session of such councils respectively.

In witness whereof this agreement is signed by the Wardens and countersigned by the Clerks under the Corporate seals of the respective Counties.

Signed, Sealed and Delivered in the presence of

C. R. WHEELOCK.

ALFRED MENARY,
Warden County of Dufferin.

J. C. REID,
County Clerk of Dufferin.

D. H. McCAUGHERTY,
Warden County of Peel.

ROBERT CRAWFORD,
Clerk County of Peel.

BY-LAW NO. 516

A By-law appointing a Clerk for the County of Peel

Whereas under Section 218 of "The Municipal Act," it is enacted that every Council shall appoint a Clerk:

And whereas owing to the resignation of David Kirkwood, the said office of this Corporation has become vacant, and it becomes necessary to appoint a Clerk:

Therefore the Municipal Corporation of the County of Peel enacts as follows:

1. That L. H. Willis be and he is hereby appointed as Clerk for the County of Peel during the pleasure of the Council.

2. That the duties of the said Clerk shall commence forthwith.

3. That the Clerk shall be paid five hundred dollars per annum for the due performance of all duties appertaining to said office of Clerk, and the Treasurer is hereby authorized to pay him the above sum in quarterly payments out of any County Funds that may be in his hands.

4. That the said Clerk shall be required to keep his office open on Tuesday and Saturday in each week from nine a.m. till 5 p.m.

5. That any and all By-laws of this Corporation inconsistent with the provisions of this By-law be and the same are hereby repealed.

Passed in open Council this 23rd day of November, A.D. 1918.

D. H. McCAUGHERTY, Warden.

BY-LAW NO. 517

A By-law to appoint Auditors for the Year 1919.

Whereas on the third day of December, 1907, the Council of the Municipal Corporation of the County of Peel did pass a By-law as provided in Section 301 of the Municipal Institutions Act, providing for the appointment of Auditors during the months of November or December for the folllowing year:

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

1. That William Rutledge and Jos. McBride be and they are

hereby appointed Auditors for the County of Peel for the year 1919.

2. That the above named Auditors be and they are appointed Auditors of school monies.

3. That it shall be the duty of the above named Auditors to audit the Treasurer's accounts for the year 1918, and all other accounts as directed by the Council.

4. That each Auditor be paid the sum of $30.00 on the order of the Warden when the work is duly performed.

Passed in open Council this twenty-third day of November, A.D. 1918.

D. H. McCAUGHERTY, Warden.

L. H. WILLIS, Clerk.

TREASURER'S STATEMENT

OF ACCOUNTS FOR 1918

To the Warden and Council of the County of Peel.

Gentlemen:—

I beg to report that the accounts for the year ending December 31st, 1918, have been prepared in detail and audited.

The Receipts from all sources in the General Account are	$224119 89
And the Disbursements	197870 02
Leaving a balance to the credit of the County on January 1st, 1919, of	$ 26249 87
A portion of this balance belongs to the following accounts: Good Roads Debentures and Coupons, payable in April, June and July	22723 96
You will see by this statement that we have a balance to the credit of our General Account of	3525 91
	$ 26249 87
Last year our balance was	$ 6461 25
Being a difference of	2935 34

This difference is accounted for in the Roads and Bridges Account alone.

In 1917 our Roads and Bridges Acct. was	2006 44
In 1918 it was	7583 39
Making a difference of expenditure in 1918 over the previous year, and over the estimates, of	5576 95

We also paid $1800.00 for Children's shelter, including expenses of conveyance and our share of insurance for three years. This was not provided for in the estimates.

I transferred all Patriotic Taxes to the Patriotic Account before the end of the past year, as shown in the Patriotic Statement attached.

I also transferred all Good Roads Taxes for maintenance to the Good Roads Account, as shown by the Good Roads Statement.

You will find attached the four quarterly statements of the General Account, also Public School Statement, showing all receipts and payments, leaving no balance.

The House of Refuge Statement I got out in pamphlet form and had fifty copies printed, and sent thirty to Halton Treasurer. I submit the detailed statement for your inspection.

I also submit a detailed statement of the Patriotic Accounts, with a summary of the same, showing the receipts and expenditure under the different headings.

The Good Roads Accounts are in detail, showing the receipts and expenditure for each Municipality and the balances to the credit of each.

The Children's Aid Society Account is also in detail, showing the actual cost to the County for maintaining the Society.

The Canada Temperance Act Account is in detail, showing the actual cost for enforcing the Act in the County.

The Land Tax Account shows all receipts and payments to the several Municipalities.

AUDITORS' REPORT FOR 1918

To the Warden and Council of the Corporation
of the County of Peel.

Gentlemen:—

Your Auditors for the year ending December 31st, 1918, beg leave to report as follows:

We have examined and checked very closely the books and accounts of your Treasurer, tracing carefully the sources of all income.

As to Expenditure, we have checked the vouchers in the shape of accounts receipted, and in Good Roads Account we have accepted the monthly reports of your Good Roads Committee, which are prepared by your Engineer, and signed by the Chairman of the Good Roads Committee. Said accounts are all paid by cheque, each party receiving the cheque, and we have his endorsement of same.

In examination of the Treasurer's accounts we find that he has seven different sets of books, with the same number of bank accounts, which of necessity entails a considerable amount of care on the part of the Treasurer in keeping the different accounts in their proper places; so that in the audit we found all accounts correctly entered. Notwithstanding the very onerous duties of your Treasurer, we found all his accounts carefully entered and ready for the audit.

We find the total receipts from all sources as found in the general account, amounting to the sum of $224,119.89, and the disbursements $197,870.02, leaving a balance to the credit of the County on January 1st, 1919, of $26,249.87. (This includes the Good Roads Debentures and Coupons falling due this year, amounting to $22,723.96. This will leave a balance of $3525.91 to the credit of the General Account.)

The difference between the balance of last year and this is accounted for by the larger expenditure on Roads and Bridges Account, and also the cost to the County's share of the purchase of the Children's Aid shelter at Milton; and legal expenses entailed, thereby amounting to $1,800.00.

The difference between the Treasurer's balance and the balance in the bank account amounts to $51.83, being two cheques not cashed at the end of the year, but at present time of writing have been cashed.

All moneys received by the Treasurer during the year were entered up and placed in to the different accounts to which they belong.

Re Patriotic Fund

RECEIPTS—Balance on hand	$ 8019 21
From all other sources	101354 01
Making a total of	$109373 22
PAYMENTS—	$102732 04
Balance	$ 6641 18

(This balance is to pay Debentures and Coupons maturing in June, amounting to $6,633.39.)

Your Treasurer has made a summary of the Patriotic Fund since the beginning of the war in respect of the insurance. We find in that summary that he has received from the Metropolitan Insurance Company the sum of $21,336.86 on the lives of soldiers insured and killed in action. Payments for premiums on the lives of soldiers insured were $20,362.83. In the summary made by your Treasurer he has furnished us with a statement of the death claims paid to soldiers' dependents since the beginning of the war, amounting to $19,648.10, showing a balance of $1,688.76 received for insurance, for which no claim has been made, and no next of kin given. This balance has been used to pay insurance premiums. The County of Peel has contributed for war purposes by taxation alone since the beginning of the war the sum of about $230,000.00.

REPORTS

To the Warden and Council of the County of Peel:
Gentlemen:

I beg to submit herewith a statement of monies expended and a description of work done on the Peel County Roads System for the year 1918; together with the required tabulated statements, declarations, etc., to be forwarded with your petition to the Minister of Public Works when making application for the Government subsidy.

The total expenditures for the year 1918 was $35,357.03 which was made up as follows:

Construction on Provincial County Roads ......$	2,302 92
Repairs on Provincial County Roads	17,268 61
Construction on County Roads	5,714 02
Repairs on County Roads	7,378 93
Repairs for machinery	1,303 30
Superintendence	1,389 25

The Government pays the following subsidies on the above: Provincial County roads for both construction and repairs 60 per cent.; County roads for construction 40 per cent., and for repairs 20 per cent.; machinery and machinery repairs 40 per cent.; superintendence 40 per cent. And the total subsidy due to the County of Peel on 1918 expenditure amounts to $16,581.31.

Construction work on the roads has been greatly retarded during the past three years owing to war conditions. We were requested by the Highway Department to do work only that was necessary to keep the roads in a passable state of repair and would not take material or labour that could be utilized for war purposes. But now the war against the Hun has come to a glorious termination and we can again give our attention to the war against bad roads.

The Minister of Public Highways has announced that the Ontario Government purposes to pursue a progressive road building programme during the coming sumer, and that they intend to encourage the various counties to take up construction work on the County road systems in a more energetic manner.

The policy of the Government is to let road construction play an important part in supplying labour for the unemployed to help out in this period of reconstruction and in this good work the counties are asked to co-operate.

We have had under consideration for some time the construction of an improved type of road on some of our main through roads as we have found that the ordinary water-bound macadam and gravel roads will not stand up under the greatly increased traffic. Dundas Street and Hurontario Street would come in this class and some other roads in a less degree.

Dundas Street from the Etobicoke River to Cooksville would require an improved type of road such as asphalt, macadam or concrete. Hurontario Street from Port Credit to Brampton would require resurfacing with a bituminous binder instead of water bound and from Brampton to Orangeville should be treated with liquid asphalt, tarvia or oil. Gravel should not be further used on this road as it has been proven not suitable for the amount of traffic and the cost of maintenance on the gravelled portions is excessive. By building sidings on the C. P. R. at the Twenty-second sideroad and Campbell's Cross in Chinguacousy and at the G. T. R. crossing on Lot No. 3, Caledon, crushed stone could then be placed on almost any portion of the road with a reasonable haul. At the present time there is considerable of the road on which only two loads of gravel are delivered in a day from the pits.

The road between Clarkson station and the Toronto Hamilton Highway is subject to very heavy traffic and requires to be improved and also the Dixie road between Dundas Street and the Toronto Hamilton Highway. Besides there are other roads that it would be economy to give a surface treatment of some kind of oil, such as Dundas Street West of Cooksville, the Streetsville road and the Brampton sideroad.

You may consider the above programme rather formidable, perhaps too much so to be financed in one year, it is, however, laid before you for your consideration and advice.

I am, Gentlemen,

Your obedient servant,

C. R. WHEELOCK,

Engineer County Peel.

PEEL COUNTY ROADS

STATEMENT OF WORK AND EXPENDITURE FOR THE YEAR 1918

FIRST REPORT OF FINANCE COMMITTEE

January 30th, 1919.

To the Warden and Council of the County of Peel:

Gentlemen:

Your Committee on Finance beg leave to submit their first report.

1. We have a communication from the Sick Children's Hospital asking for a grant. We recommend that the usual grant of $30.00 be made.

2. We would also recommend that the sum of $300.00 be granted to the Children's Aid Society for the current year.

3. We would highly recommend that a grant be given to the Salvation Army for their war work campaign, said grant to be left to the consideration by the Council as a whole. The Council granted the sum of Five Thousand Dollars to be paid November 1st, 1919.

4. We have examined the Treasurer's statement in detail showing the receipts and expenditures under the different headings which are given in a very simple and concise manner. We therefore submit the same for the inspection of the Council.

5. Pursuant to the report of the Treasurer we recommend that a By-law be introduced to authorize the Warden and Treasurer to borrow money for the current expenses of the year.

6. We have received two tenders for the supplying of bread for the County Gaol and would recommend that the tender of A. L. Marshall be accepted at 7 cents per pound.

7. We have also received one tender for the supply of beef for the County Gaol from W. Nelson at 18 cents per pound and would recommend that this tender be accepted.

All of which is respectfully submitted.

R. M. PARKINSON, Chairman.

First Report of Good Roads Committee

Brampton, February 1st, 1919.

To the Warden and Council of the County of Peel:
Gentlemen:

Your Committee on Good Roads beg leave to report as follows:

1. We have placed before us by your Treasurer a detailed state-

ment of all monies received and expended on good roads for the year 1918.

2. The statement shows expenditures on construction and repairs for each Municipality and also shows the balances to the credit of each to begin the year 1919.

Total balance $5067.52.

3. Albion balance on hand	$ 4555 90
Caledon balance on hand	497 27
Toronto Gore balance on hand	2100 96
Chinguacousy, dr. to good roads	1912 50
Toronto Twp., dr. to good roads	174 11
Total balance	$ 5067 52

To the above balance may be added the Government subsidy of $16581.31 which will be paid on the 1918 expenditure, making the total amount available for expenditure on the County Roads at the present time $21648.83.

There have been four issues of debentures for County Roads amounting in all to $312,000.00 and the balance remaining unpaid is $248,405.26.

Respecting the application of William Vance for a permanent job as Road Overseer on the Good Roads, your Committee would recommend that the matter be left in the hands of this Committee. Your Committee would further recommend that the purchase of any machinery that may be required for oiling the roads be left in the hands of the County Roads Committee with authority to purchase what may be necessary.

4. We have a communication from the Good Roads Association re convention. We recommend that the membership fee of $15.00 be forwarded by the Treasurer and that the Good Roads Committee be appointed delegates to attend the Convention.

5. With reference to the communication from the Council of the County of Hastings re width of wagon tires, your Committee recommend that a resolution be passed by this Council in favor of reducing the maximum load of 650 lbs. per inch of tire to 450 lbs.

6. Your Committee recommend that in answer to the request of the Deputy Minister of Highways the County Treasurer be authorized to attend the conference on Good Roads construction in order to hear the paper on County Roads, accounts and the discussion in connection with the same.

All of which is respectfully submitted.

D. H. McCAUGHERTY, Chairman.

Second Report of Standing Committee on Roads and Bridges

Council Chamber, Brampton, March 28th, 1919.

Your Standing Committee on Roads and Bridges begs to submit the following report:

Respecting the Port Credit and Etobicoke bridges on the Toronto-Hamilton Highway. The superstructure of the former bridge has not yet been commenced and the temporary bridge is still used for the traffic. The total amount paid by the County to date on this structure is $18,494.94.

The Etobicoke bridge is now open for traffic and is completed with the exception of the hand railings which have yet to be constructed, an addition to one wing of the west abutment is to be built and the structure finished by washing with cement and rubbing and smoothing with a carborundum brick. The total amount paid to date on this bridge is $6,565.27.

Your Committee recommend that the Reeve of each Municipality report to the Chairman of the Road and Bridge Committee as soon as possible, any boundary line bridges in their respective municipalities that may require to be rebuilt or repainted this season, and that any bridges so reported be inspected by the Warden, County Engineer and said Chairman and that they be authorized to take such steps as they may consider necessary to rebuild, repair or repaint such bridges.

Your Committee would further recommend payment of the following:

McCollum, 43 cedar posts at 30c for Sargent's bridge..	$ 12 90
W. Morrison, hauling posts	6 00
W. D. Bowles, Commissioner	4 00

All of which is respectfully submitted.

S. KANNAWIN, Acting Chairman.

(Adopted)

W. D. BOWLES, Acting Warden.

Report of the Delegates Appointed to Attend the Good Roads Convention at Toronto

To the Warden and Council of the County of Peel:
Gentlemen:

Your delegates appointed to attend the Annual Meeting of the Ontario Good Roads Association beg to submit the following report:

The meeting was held in the York County Building, Toronto, March the 5th, 6th and 7th and was attended by about 200 delegates from all parts of Ontario.

Addresses were delivered by Hon. F. G. MacDiarmid, Minister of Public Works and Highways for Ontario, C. R. Wheelock, President of the Ontario Good Roads Association, Hon. Geo. S. Henry, Minister of Agriculture for Ontario, A. W. Campbell (Good Roads Campbell), Commissioner of Highways for Canada, W. A. McLean, Deputy Minister of Public Highways, S. L. Squire, President of the Canadian Good Roads Association, and others.

The addresses were most interesting and instructive and the informal discussion which took place after each address was freely entered into by all delegates, showing a keen interest in the proceedings. Every phase of the question of road building was taken up and thoroughly thrashed out.

The key-note of the times as reflected by the meeting was that this was the season to launch out with an aggressive policy of road building. We hear so much discussion about the period of re-establishment and about the duty of governments, municipalities and all employers of labor to prepare to make use of the labor we expect to have available when our soldier boys return and take up their civil occupations. Your committee believe one of the most useful works we have to perform in which we can use available labor is road building and we would recommend this Council at this special session to provide for a sum for road building and maintainence that will enable the making of quite a creditable showing on our roads for this our first peace year after the great war.

The eleven resolutions following were passed at the meeting:

That in the opinion of the Association, Section 495, Chapter 192 R.S.A., 1914, which prohibits the placing of road metal and all other road material on the public highways during winter months is detrimental to the general improvement of highways and serves no useful purpose, consequently should be repealed.

That the highways department be requested to arrange for a test case with a view to procuring an interpretation of the law and a definition of the liability of municipal corporations for the construction of approaches to private property from the highway.

That the attention of the Highways Department be directed to the law relating to sidewalks on County roads.

That the Minister of Highways be requested to safeguard the interests of those portions of the Province without road making material by the purchase of quarries and deposits of road making material.

That Section 324, sub-section 2, of the Municipal Act should be amended by adding at the end of the fourth line the words "or for the protection of."

That in the opinion of the Association the Highway Improvement Act be amended to read that the Province may on request of the County construct Provincial County highways.

That this Convention favors the application of Federal and Provincial aid for the construction and maintenance of connecting links or extensions of County roads through Indian reserves.

That in the opinion of this Association the government grant towards the salary of Township road Superintendents should be increased from 25 per cent. to at least 50 per cent.

That this Convention heartily approves of the policy of government expenditure in the construction of public highways and believes that it will be a great acquisition to the wealth and convenience of the agricultural interests of Ontario.

That in maintaining highways construction or improvements by public expenditure, statute labor should be absolutely eliminated and the highways kept in repair under the supervision of a properly qualified road overseer.

That the building of roads is recognized as an economic after-war necessity and since transportation charges on stone and gravel and other road building material embraces a considerable portion of the total cost of road building and since freight rates have been advanced on these approximately 65 per cent. during the past two years, the Association petitions the Federal Government requesting co-operation in reducing freight rates on road building material to the pre-war basis.

We recommend payment of the expenses of your delegates as follows:

Anson McCabe, 3 days	$ 15 00
S. Kannawin, 3 days	15 00
W. D. Bowles, 2 days	10 00
E. A. Walshaw, 2 days	10 00
Geo. Wiley, 3 days	15 00
D. H. McCaugherty, 3 days	15 00
R. Crawford, 2 days	10 00

All of which is respectfully submitted.

D. H. McCAUGHERTY, Chairman.

Brampton, Ont., June 17th, 1919.

To the Warden and Council of Peel County:
Gentlemen:

I herewith submit the estimates for the current year:

We had a balance to begin the current year in our general account of $3525.91, which was $2935.34 less than the previous year, and I find we have paid on roads and bridges to date $18073.72, which is $10490.33 more than was paid last year. I have therefore made the estimate for roads and bridges $30,000.00 which I think is not sufficient yet. This makes an increase on this one item of $22,417.00 over last year. You will see I have increased the miscellaneous grants from $3,165.00 last year to $12,000.00 for the current year as we have already voted $5,000.00 to the Salvation Army and $3,000.00 to the Navy League. I have not filled in the blank for the County Property as I don't know what expenditure the Committee intends to make but I can see that our County general rate will have to be doubled to make provision for expenditure already in sight. I will be pleased to place the figures before the Committee when the estimates are being dealt with.

Your obedient servant,

R. CRAWFORD, Treasurer.

Third Report of Finance Committee

Council Chamber, Brampton, June 18th, 1919.

To the Warden and Council of the County of Peel:

Gentlemen:

Your Committee on Finance beg leave to submit their third report as follows:

1. We recommend the payment of the following accounts:
McCauley's Greenhouse, plants for Court House grounds ....$ 8 70

2. We recommend that the communication from the Navy League asking for a grant be referred to the Council as a whole, no action was taken.

3. Your Committee recommend that the County Clerk receive an increase in salary, the said question to be left to the consideration of the Council as a whole. In Council the salary of the Clerk was increased $100.00 commencing July 1st, 1919.

4. We have before us a letter from the Metropolitan Life Insurance Co. re soldiers' insurance in reply to a letter sent by our Treasurer. We would suggest that this matter receive our serious consideration and that some action be taken. In Council it was decided that the County Solicitor be requested to write the Metropolitan Life Insurance Co. asking to have the cash surrender values of the policies made payable to the County of Peel at once.

5. We have before us the Treasurer's estimates for the current year and on going carefully into the matter find an additional expenditure of not less than $36000.00 over and above last year. This state of affairs has given your Finance Committee considerable anxiety and we would ask that the matter receive the utmost consideration from the whole Council in an endeavor to reduce the expenditure.

6. We have also a communication from the Provincial Secretary's Department with estimate of expenses made by Board of License Commissioners re enforcement of Canada Temperance Act and submit same to the Council as a whole.

7. With reference to request of Y.M.C.A. for a grant of $6000, we have taken into consideration the heavy expenditures to be made by the County during the year 1919 and recommend that no action be taken.

All of which is respectfully submitted.

R. M. PARKINSON, Chairman.
(Adopted)
E. A. WALSHAW, Warden.

Third Report of Committee on Miscellaneous Matters

Council Chamber, Brampton, June 18th, 1919.

To the Warden and Council of the County of Peel:

Gentlemen:

Your Committee on Miscellaneous Matters beg leave to report as follows:

1. We recommend that the communication from the Clerk of Ontario County containing report of the Standing Committee on Legislation and memorials be referred to the whole Council.

2. We recommend that with reference to the report of the Grand Jury re the youth of low mentality confined in the County Jail, that this case be referred to the County Crown Attorney and that the Clerk notify him to that effect.

All of which is respectfully submitted.

GEO. WILEY, Chairman.

(Adopted)

E. A. WALSHAW, Warden.

First Report of Committee on Agriculture

Brampton, June 20th, 1919.

To the Warden and Council of the County of Peel:
Gentlemen:

Your Committee beg leave to report as follows:

1. A communication from Robert Bowman, Secretary Toronto Gore Agricultural Society, asking for the usual grant of Forty Dollars, also a communication from Jos. M. Dolson, Secretary of the County of Peel Board of Agriculture, asking for a grant of Seventy-five Dollars was read.

2. Your Committee would recommend that usual grants to Agricultural Societies and Fairs namely: Cooksville, Brampton, Streetsville, Caledon and Bolton be reduced but the Committee recommend that the nature of these grants be left to the consideration of the whole Council.

In Council it was decided that all Agricultural Societies receive the usual grant.

3. That the School Fairs be granted the sum of $110.00.

All of which is respectfully submitted.

E. A. ORR, Chairman.

(Adopted) June 21, 1919.

E. A. WALSHAW, Warden.

To the Warden and Council of the County of Peel:

Gentlemen:

Your Standing Committee on Roads and Bridges having carefully considered the various matters laid before them beg leave to report as follows:

Your Committee met representatives from the Toronto and Hamilton Highway Commission at Port Credit to hear their report respecting the necessity for building a culvert through the approach to the main bridge over the Credit River.

The Commission's Engineer submitted plans for a 15 foot cement concrete arch culvert, the cost of which he estimated at $28,000.00 and he further estimated that the portion of this cost for which the Highway Commission would be liable was $800.00.

Your Committee after hearing Mr. Davis, one of the Highway Commissioners, and Mr. Cumminifor, the Chief Engineer, in connection with the matter, decided to take no action but to have the matter brought before the Council at this Session and fully discussed. Accordingly it has been aranged to have Mr. George Gooderham, the Chairman of the Commission, wait on the Council before the Session is over and lay the matter fully before them.

Your Chairman and County Engineer met representatives from the County of Halton and arranged for the repair of the westerly abutment of the 12 foot span cement concrete bridge on the boundary line road west of Terra Cotta (Schedule No. 66).

Your Committee would recommend that the Chairman and Engineer have a new Georgia pine floor built on the Bolton bridge (Schedule No. 117).

Respecting the communication from the County of York re the building of a new bridge on the County boundary, your Committee County of York to let us know the location and description of the bridge to be rebuilt in order that we may inspect it, and would further suggest that we meet their representatives at the Court House, Brampton, or at the bridge.

Your Committee would report that the Glasgow Road bridge, which was left uncompleted last year, is not yet completed, but we have the promise of the contractor to have this structure completed in the near future.

Your Committee recommends payment of the following bills and commissions:

William Morrison, for work at Sargent's Bridge .....$	9 20
W. D. Bowles, 3 days' commission	15 00
D. H. McCaugherty, 2 days' commission	10 00
S. Kannawin, 2 days' commission	10 00
C. R. Wheelock	
E. A. Walshaw, 2 days' commission	10 00
R. M. Parkinson, 1 day's commission	5 00

All of which is respectfully submitted.

Fourth Report of Committee on Roads and Bridges

Council Chamber, Brampton, Nov. 21st, 1919.

To the Warden and Council of the County of Peel:

Gentlemen:

Your Standing Committee on Roads and Bridges have carefully considered the various matters referred to them and beg leave to submit the following report.

Your Committee have had the Glasgow Road bridge, which was commenced last year, completed. The total contract cost is $1116.00. The amount previously paid to the contractor on account is $792.00, leaving a balance due amounting to $324.00, which we recommend to be paid. The bridge over the Humber River in the Village of Bolton has been replanked and the floor is now in good shape. The cost of the same, which we recommend to be paid, is as follows: W. R. Egan, putting on flooring, $45.00; A. Stubbs, work, $2.00; T. A. Dick, work, etc., $5.75. The bridge on the boundary line between Peel and Simcoe opposite Lot No. 8, Albion, was inspected and your Committee decided that a new structure was not required but that some small repairs should be made in conjunction with the County of York. Your Chairman communicated with the Clerk of York, but did not succeed in arranging for the repairs, as the Committee of that County was in favor of having a new bridge built.

A special Committee was appointed to look after the interests of the County of Peel in connection with the new culvert which the Toronto and Hamilton Highway Commission propose to build on the highway in Port Credit, a few feet east of the big bridge and we are pleased to know that the Committee succeeded in having the Ontario Railway and Municipal Board reduce the estimated cost of the County's share from $33,228.80 to $6,822.75.

Your Committee inspected a number of boundary line bridges since the last session of the Council but did not consider any further work necessary.

Your Committee recommend payment of the following:

C. R. Wheelock, for services on boundary line bridges and Port Credit bridge	$ 170 00
D. H. McCaugherty, Commissioner	20 00
Samuel Kannawin, Commissioner	15 00
W. D. Bowles, Commissioner	20 00
A. McCabe, Commissioner	12 50
E. A. Walshaw, Commissioner	10 00

All of which is respectfully submitted.

W. D. BOWLES, Chairman.

(Adopted.)

E. A. WALSHAW, Warden.

Fifth Report of Finance Committee

Council Chamber, Brampton, Nov. 20th, 1919.

To the Warden and Council of the County of Peel:

Gentlemen:

Your Committee on Finance beg leave to submit their fifth report as follows:

1. We have a communication from the Department of Public Highways enclosing a copy of an Order-in-Council authorizing payment to the County of Peel for the sum of $11,353.26 being 40 per cent. due the County as their share of the expenditure upon bridges on the Toronto and Hamilton Highway. The Treasurer informs us that this amount has not yet been received and we recommend that the communication be filed for further reference.

2. We have also the Treasurer's statement of the finances of the County showing a transfer of $6,800.00 from Patriotic account to the General Account as it was no longer required for patriotic purposes. Also embodied in this report is a statement showing liabilities to be met in the current year amounting to $91,600.00, and to meet this expenditure we have assets of $93,047.39, leaving a balance of $1447.39.

3. The Treasurer is in communication with the Metropolitan Life Insurance Co. to have the surrendered value of fifty-five policies in his hands settled and the money paid over to the County and we are expecting an early settlement of the amounts total of these policies amounting to $1500.00, which will be placed in the General Fund.

All of which is respectfully submitted.

Report of Physician to House of Refuge

Gentlemen:

This report dates from November 21, 1918, to the present time. During this period I have made eighty-five professional visits to the House, there being an average amount of sickness.

There were two births.

There were four deaths, viz.:

Alexander Brawley, aged 60, who died February 16, 1919, from cancer of the liver.

Malcolm McMillan, aged 71, on March 16, 1919, from hardening of the arteries.

Wm. Abery, aged 68, on October 27, 1919, and

Elizabeth Hanley, aged 75, on November 15, 1919, from stroke.

Two inmates were sent to Guelph Hospital, one having since died (Jas. Henderson), and the other (Gus. Jockland) is still there and may soon be back again.

I have the honor to be your obedient servant,

R. G. EDWARDS.

To the Council of the County of Peel,
November 21, 1919.

(Adopted) E. A. WALSHAW, Warden.

Mr. Warden and Members of the Peel County Council:

With your permission, we are before you, to again present the project of a School Nurse for Peel County.

You are, doubtless, all familiar with the facts regarding Medical School Inspection, which was completed in our rural schools,through the efforts of the late J. W. Stark. 2061 pupils—95 per cent. of those on the rolls were examined by Dr. McKenzie-Smith.

Findings were as follows:

Needing glasses 251—12 per cent.
Suffering from eyestrain 417—20 per cent.
Diseased tonsils 535—26 per cent.
Enlarged tonsils 378—18 per cent.
Decayed teeth 1195—77 per cent.
Teeth to be filled 216—10 per cent.
Goitre 163—8 per cent.

These figures represent the number of pupils—not the number of defects.

Four months after the inspection a survey was taken of the actual results.

We found that 551 children had received treatment because of recommendations made to parents by Dr. Smith. Later 89 and 45 received treatment at dental clinics—a total of 685 reported or 34 per cent. Minor improvements were reported in and around 35 school buildings.

As a part of the follow-up work the plan of a rural school nurse was tried out in Toronto Gore Township. Plainly more health teaching was necessary if any large percentage—almost if any of the pupils in our country schools were to grow into strong, healthy, womanhood and manhood. Miss Graydon presented her teaching in a way that pupils remembered and practised, introducing the different subjects by means of drills—as the tooth-brush and other drills—or demonstrations—in the use of triangular bandages, artificial respiration, etc. The responsibility of each pupil in the prevention of the spread of contagous diseases, including the common cold, was impressed and lessons in hygiene given. Mothers' meetings in the afternoon, health meetings in the school-house in the evening and home visits were features of the work in its initial stages.

Elizabeth Hanley, aged 75, on November 15, 1919, from stroke.
cent. Minor improvements were reported in and around 35 school

Through the kindness of Dr. Waugh, Chief Inspector for Ontario, Dr. Gray spent one week and Miss Graydon two weeks in ten of the schools, viz., No. 10, No. 11, No. 5, No. 4, No. 7, No. 14, No.

21, No. 22, No. 24, Chinguacousy, and No. 2, Toronto. While conditions are much better than in schools where no previous inspection was held, many pupils should have recommendations for treatment and health teaching is urgently needed. Since the greatest part we can play in reconstruction will be accomplished in our own communities, since the child is the greatest asset and health our greatest wealth, we propose the plan of a school nurse for this County.

Plan—With the sanction of the Department of Education we wish to begin on January 5th. All schools will be visited, pupils examined, record cards made out for each, and where necessary recommendations will be sent to parents. Health teaching and school inspection will fully occupy the school year.

Cost—Salary of a competent nurse, $12.00; incidental expense, $300.00; trustee boards to be responsible for transportation and accommodation while in their section.

Support—Since we are firmly of the belief that the establishment of this work on a permanent basis is necessary to the well-being of the school children of Peel County and of our citizenship, and believing that equal taxation of all will bring equal advantage to all, we ask this County Council for a grant of $1000.00, the remaining amount to be raised by outside sources. There are over 2100 pupils in rural schools, meaning an expenditure by the County on health of less than 50c per pupil, or on our total assessment one-seventh mill on the dollar.

All accruing funds will be administered by a committee elected by the County Council, Trustee Boards and Women's Institutes.

Miss K. McIntosh,
Brampton, Ont.

My dear Miss McIntosh:—

With regard to the findings of the past two weeks' survey of the eleven schools in your County, I certainly think there is a marked difference between the Peel County children and those in the counties we are going over for the first time.

There are defects still to be treated and a great many improvements needed in and about the schools, but Peel County is in the lead with regard to the physical well-being of the pupils.

Follow-up work is what is needed to bring about the result you desire.

Yours very sincerely,
(Sgd.) HARRIET E. GRAYDON.

Miss McIntosh,
Dept. of Agriculture,
Brampton, Ont.

Dear Miss McIntosh:—

After spending a week in Peel County and examining the children in seven different schools, I have come to the following conclusions.

First, that the condition of the children, as a whole, especially as regards teeth and throat conditions, is much better than in schools where no inspection has been made. Many defects have been corrected, though many more are still in need of attention, and this fact brings me to my second conclusion, viz.:

The necssity for follow-up work such as a properly trained school nurse would do. If such a nurse were appointed, the number of cases not attended to would be greatly reduced and the benefit to the children would pay many times for the expense entailed.

Hoping that your County will soon provide you with the help you need.

Yours sincerely,
(Sgd.) E. R. GRAY.

BY-LAW NO. 523

A By-law Respecting Snow Fences

WHEREAS under By-law No. 341 and amending By-laws of the Municipal Corporation of the County of Peel, certain highways of the said County were assumed by the said County and designated as County Roads;

AND WHEREAS under the Snow Fences Act, Chapter 211, Revised Statutes of Ontario, and amendments thereto, provision was made for the Council of any Counties passing By-laws, as more particularly set out in the said Act;

AND WHEREAS the said Corporation deems it necessary that a By-law should be passed respecting fences on the limit of the highways of the said County designated as County Roads and in pursuance of the said Snow Fences Act:

THEREFORE the said Corporation of the County of Peel enacts as follows:

1. All owners or occupiers of land bordering upon any public highway in the said County of Peel designated as a County Road shall take down, alter or remove any fence which causes an accumulation of snow or drift so as to impede or obstruct travel when required to do so by the Municipal Council of the County of Peel, and within two months after the compensation to such owner or occupant has been agreed upon or determined by arbitration, as hereinafter provided.

2. The said Council shall make such compensation to the owners or occupants for the taking down, alteration or removal of such fence, and for the construction in lieu thereof of some other description of fence, approved by the Council, as may be mutually agreed upon, and in default of agreement, the compensation shall be determined by arbitration, and three Fence Viewers appointed by the Council shall be the arbitrators.

3. If the owner or occupant refuses or neglects to take down, alter or remove the fence as required by the said Council, the said Council, after expiration of two months from the time the compensation has been agreed upon or determined by arbitration, may take down, alter or remove such fence, and may construct the fence which has been approved of by the said Council, and the amount of all costs and charges thereby incurred by the said Council over and above the amount of compensation, may be recovered from such owner or occupant by action in any Division Court having jurisdiction in the locality, and the amount of the judgment, if not sooner paid, shall be placed by the Clerk of the Municipality upon the Collector's Roll against the lands upon or along the boundaries of which the fence is situate, and shall be collected as other taxes.

4. Where an occupant, other than the owner, is required to pay such sum, or any part thereof, he may deduct it, and any costs paid by him, from the rent payable by him, or may otherwise recover the same unless he has agreed with the landlord to pay it.

5. The arbitrators shall examine the premises and shall, if required, hear evidence.

6. The arbitrators shall be entitled to $2.00 a day, which shall be paid by the Corporation of the Municipality of the County of Peel if the amount of the award exceeds the amount offered by the Corporation, otherwise by the owner or occupant.

7. The award shall be filed in the office of the Clerk of the Municipality of the County of Peel, and an appeal shall lie therefrom to the Judge of the County Court of the County of Peel.

8. The provisions of the Line Fences Act shall mutatis mutandis apply to such appeal.

All By-laws or parts of By-laws inconsistent with this By-law are hereby repealed.

PASSED in open Council this 28th day of March, A.D. 1919.
